If more than one Person casts or attempts to cast a vote for a particular Lot, all such votes shall be deemed void.

4.4 Initial Board of Directors. The initial Board of Directors of the Association shall consist of not less than three Directors and shall be appointed by the Declarant upon the incorporation of the Association. 4.5 Subsequent Board of Directors. After the expiration of the Period of Declarant Control the Members (including the Declarant) shall elect the Directors as provided in the Bylaws, and the Bylaws may provide for staggered terms and lengths of terms for Directors chosen by the Association Members which are different than those initially set forth in this Declaration and may provide for a

greater number of Directors to be chosen by the Members than is set forth herein; provided, however, that in no event shall there be fewer than three Directors. The Board shall undertake all duties and responsibilities of the Association and the management and conduct of the affairs thereof, except as expressly reserved herein to a vote of the Members.

Each Owner and Lessee of a Lot shall comply with, and shall cause their respective invitees to comply with the provisions of this Declaration, the Articles and Bylaws, the Mixed Use Development Agreement, and rules of the Association, if any, as amended from time to time, and failure to so comply shall be grounds for (a) action for damages and/or injunctive relief, and (b) such remedies, by legal proceedings or otherwise, as are available by reason of this Declaration or by law, each of which remedies shall be cumulative and in additions to any other available remedy.

7.1.4.5 incompatible with the architectural style, quality or aesthetics of existing Improvements or development plans for proposed Improvements, based in part on the criteria set forth in subsections (i) through (ix) below in this Subsection 7.1.4.

The Committee shall not unreasonably withhold its approval of an Application submitted to it. In this connection, the Committee may also base its approval or disapproval on criteria which may include, but are not limited to, the following: (i) the adequacy of the building locations and dimensions on the Lot; (ii) the adequacy of the parking to be provided; (iii) conformity and harmony of external design with neighboring structures; (iv) effect of location and use of proposed Improvements on neighboring Lots and the types of operations and uses thereof; (v) relation of topography, grade and finish ground elevation of the Lot being improved to that of neighboring Lots; (vi) proper facing of main elevations with respect to nearby streets; (vii) adequacy of screening of trash facilities, storage areas, parking areas for service vehicles, mechanical and heating and air-conditioning facilities and rooftop installations; (viii) adequacy of landscaping; and (ix) conformity of the Application to the purpose and general plan and intent of this Declaration. Any decision of the Committee made after Declarant is no longer entitled to appoint the members of the Committee, may be appealed to the Board. The decision of the Board shall be final. As long as Declarant is appointing the members of the Committee, any decision of the Committee shall be final.

7.1.5 Time for Decision. The Committee shall approve or disapprove each Application, whether a preliminary or final submittal, within thirty (30) days from the receipt thereof. If the Committee fails either to approve or disapprove the Application within said 30-day period; then it shall be irrevocably deemed that the Committee has approved the Application. At least one set of the Application shall, with the approval or disapproval endorsed thereon, be returned to the submitting person and one set shall be retained by the Committee for its permanent files. Notwithstanding Section 7.1.1, no application or Notice shall be deemed filed with the Committee until it is actually received by at least one Committee member by certified mail (return receipt requested).

7.1.6 Time for Commencing. Upon receipt of approval from the Committee pursuant to this Section and upon receipt of approvals from the City, the Owner shall, as soon as practicable, satisfy all conditions thereof and diligently proceed with the commencement and completion of all approved construction, refinishing, alterations, excavations and landscaping. In all cases, work shall be commenced within twelve (12) months of the date of such approval, or the approval given or deemed given pursuant to this Article shall be deemed revoked unless the Committee, upon request made prior to the expiration of said 12-month period, extends the time for commencing work by written notice to the Owner, which may be withheld or conditioned in the Committee's discretion.

7.1.7 Completion of Work. All construction, refinishing, alteration or excavation of any Improvements approved under this Section 7.1 shall be undertaken and pursued diligently to completion, but in any event shall be completed within two years after the date of approval by the Committee. However, the time for completion shall be extended for any period such completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, natural calamities or other similar supervening forces beyond the control of the Owner or its Lessees. Failure to comply with this subsection 7.1.7 shall constitute a breach of this Declaration and subject the defaulting party or parties to all enforcement procedures set forth herein or any other remedies provided by law or in equity.

7.1.8 Disclaimer of Liability. Neither Declarant, the Committee nor any member thereof, nor any agents, officers or employees of Declarant or of the Committee, shall be liable in any way for any damage, loss or prejudice suffered or claimed by an Owner, Lessee or any other Person who submits an Application; except to the extent arising from the bad faith acts or intentional misconduct thereof. Any person or entity who submits an Application shall forever defend, indemnify and hold the Declarant, the Committee, the members thereof, and the employees, officers and agents of each, harmless from all damage, loss or liability (including reasonable attorneys' fees) suffered or claimed by any third party on account of (i) any defects in any plans, drawings, specifications or other documentation submitted in any Application, or revised or approved in accordance with the foregoing provisions, or for any structural or other defects in any work done according to such plans, drawings, specifications or other documentation; (ii) the approval or disapproval of any Application, whether or not defective; (iii) the construction or performance of any work, whether or not pursuant to an approved Application; or (iv) the development of any Lot within 370 North, except to the extent arising from the bad faith acts or intentional misconduct of the Declarant, the Committee or any member thereof, any agents, officers or employees of Declarant or of the Committee, or the violation of the terms of this Declaration.

7.1.9 No Representations or Warranties. In no event shall an approval by the Committee of any Application, or any written or oral statements made by the Board or any officer or employee of the Association, Declarant or any employee or officer or agent of Declarant, or the Committee or any member, agent or employee thereof, be deemed to constitute in any way any representations or warranties of any kind, express or implied, with regard to the Application and any plans, drawings, specifications or other documentation constituting a part of the Application, including without limitation representations or warranties regarding compliance with zoning, subdivision and land use laws, or compliance with any other applicable codes, regulations and laws, or with regard to fitness for a particular purpose.

7.1.10 Presumption of Compliance: Estoppel Certificate. The foregoing notwithstanding, after the expiration of one (1) year from the date the Committee receives from an Owner either (i) a copy of the certificate of occupancy issued by the applicable governmental authority for any Improvement, or (ii) after an Improvement has been completed by an Owner and said Owner has delivered a valid notice of completion with respect to such Improvement to the Committee, then said Improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to be in compliance with the provisions of this Article VII unless a notice of non-compliance or non-completion with respect thereto has been executed by Declarant or the Committee and recorded in the office of the Register of Deeds of Sarpy County, Nebraska or unless legal proceedings shall have been instituted to enforce compliance or completion with respect to said Improvement.

7.1.11 Approval Cannot be Assigned. Any approvals given pursuant to this Article VII shall be personal to the Owner submitting the Application and cannot be assigned or transferred by such Owner without the prior written consent of the Board, which shall not be unreasonably withheld. Without such consent, any subsequent Owner of a Lot for which a previous Owner has obtained approval of an Application shall submit a new Application pursuant to this Section 7.1 for review and approval as though no prior approvals had been received from the Committee with respect to such Lot.

7.2 Variances. The Architectural Committee is hereby authorized and empowered to grant variances for Improvements within 370 North prohibited or regulated by the Mixed Use Development Agreement (if such requested variance is approved by the City) or this Declaration and further to grant reasonable requests for relief from the provisions of this Declaration, or any portion hereof, in order to overcome practical difficulties and to prevent unnecessary hardship in the application of the provisions

contained herein. Notwithstanding the foregoing, the Committee shall not grant such a variance to any Owner unless:

7.2.1 such Owner has obtained all necessary governmental approvals,

7.2.2 the construction of Improvements or the uses which are called for under the request for the variance shall be consistent in design, character, appearance and quality of construction with the other Improvements and uses in 370 North,

7.2.3 the variances do not materially injure, in the judgment of the Committee, any of the Lots or Improvements in 370 North, and

7.2.4 the construction of Improvements and/or the uses called for under the request for variance are otherwise subject to and conform with all applicable laws, ordinances, rules and regulations, including, but not limited to, zoning regulations of any governmental agency or political entity having jurisdiction over 370 North.

No variance granted pursuant to the authority granted herein shall constitute a waiver of any provision of this Declaration as applied to any other Person or portion of the Property, and the grant of a variance shall not obligate the Committee to grant other variances. In addition to the variance powers provided herein, the Committee shall be empowered to issue from time to time reasonable interpretations of the intent of the provisions of this Declaration or the Mixed Use Development Agreement, which interpretations shall not constitute variances from the provisions of this Declaration, but shall be designed to further the implementation of this Declaration in a manner consistent with its provisions.

7.3 Landscaping – Common Areas. Declarant, if during the Declarant Control Period, or the Association if after the Declarant Control Period, shall install landscaping on all or any portion of the Common Areas, including any adjacent public right-of-way, as necessary to provide for compatible and continuous landscape development of 370 North, and as required by the Mixed Use Development Agreement. All landscaping shall be installed pursuant to the provisions of the Mixed Use Development Agreement, including but not limited to the provisions of the Architectural and Site Design Guidelines attached to the Mixed Use Development Agreement as Exhibit “C”, the Overall Landscape Plan attached thereto as Exhibit “E” and the Entry and Lot Specific Landscape Requirements attached thereto as Exhibit “F”, all of which are incorporated herein by reference.

7.4 Maintenance.

7.4.2 Maintenance of Undeveloped Lots. Except as otherwise provided herein, all undeveloped portions of each Lot shall be maintained at all times by the Owner in a well-maintained condition, free of unsightly or unattractive weeds or other growth or the accumulation of rubbish, junk, and debris thereon. Once construction is commenced and Improvements are completed, then the respective provisions of Subsections 7.4.3 and 7.4.4 shall apply with respect to construction activities and completed Improvements, as the case may be.

7.4.3 Maintenance During Construction. All construction activities of any kind on any Lot shall be governed by the provisions of this Subsection and any corresponding provisions in the Mixed Use Development Agreement. All construction activities shall be carried out in an orderly and timely manner and all partially completed Improvements shall be kept in an orderly condition during construction. Any construction equipment and building materials stored on a Lot may be kept only in areas approved by the Committee, and the Committee may also require screening of such storage areas. All portable toilets shall be located at least fifty (50) feet from the boundary lines of the Lot and shall be emptied as often as necessary to ensure the absence of odors. Dust from all construction sites shall be controlled at all times. If trucks entering and leaving the Lot deposit mud or dust on any streets or walkways, the Owner of the Lot on which or for whose benefit the construction is being performed shall be responsible for maintaining the streets (or causing the same to be maintained) in a clean condition on a daily basis, as determined by the Committee. If the provisions hereof conflict with the provisions of the Mixed Use Development Agreement with respect to construction activities, the more restrictive provision shall control.

7.4.4 Maintenance of Completed Improvements. Each Owner shall maintain or cause to be maintained, at its expense, its Lot and all Improvements completed thereon (except those Common Area Improvements to be maintained by the Association pursuant to Section 7.5) in a well-maintained, clean, neat and attractive condition at all times and shall comply with all governmental health, fire, building and safety ordinances, codes, regulations and requirements applicable thereto. Such maintenance requirements shall include, without limitation, the following:

7.4.4.1 maintaining paved surfaces in a level, smooth and evenly-covered condition with the type of surfacing material originally approved by the Committee and then installed, or such substitute as shall in all respects be equal in quality, use and durability to that originally approved and installed;

7.4.4.2 removing all paper, mud and sand, snow and ice, trash, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition;

7.4.4.3 placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines;

7.4.4.4 operating, keeping in repair and replacing, where necessary, such artificial lighting facilities (including lighted Signs) as shall be required or permitted during the Application approval process;

7.4.4.5 maintaining all signs and all perimeter walls and exterior building walls (including but not limited to all retaining walls) and other exterior surfaces in a good condition and state of repair in compliance with the approved Application;

7.4.4.6 except as otherwise provided herein, maintaining, mowing, weeding, thinning, trimming, watering, fertilizing, cultivating and pruning all landscaped areas to maintain the same in a neat, well-groomed condition, and replacing as necessary shrubs and other landscaping on a regular basis; dead or dying plants shall be removed and replaced within thirty days; all plants and trees are to be irrigated as often as necessary to maintain healthy growing conditions; Owners shall also adjust tree guys, stakes, etc., on a regular basis to maintain a neat appearance and to prevent damage to trees; and

7.4.4.7 promptly removing all graffiti or other similar markings from all perimeter walls, exterior building walls and other exterior surfaces, paved areas and other portions of any Improvements.

7.4.5 Alteration and Repair of Common Areas. If any act, omission or condition caused by any Owner or its Lessees, or their agents, employees, customers or invitees, results in the destruction or removal of any landscape or other improvements within Common Areas maintained by the Association hereunder, such Owner shall repair and replace, in a good and workmanlike manner, free of liens and to as good a condition as the condition of such Improvements prior to such destruction or removal, all such Improvements in such Common Areas. Any landscape Improvements shall be promptly replaced with landscaping and other materials of like size and kind as approved by the Committee.

7.4.6 Lateral Support. Each Owner shall maintain its Lot with sufficient landscaping and plantings to prevent any erosion upon its Lot that will result in damage to that Lot or to any adjacent Lot.

7.5 The Association's Obligation for Common Areas. The Association shall maintain the Common Areas, including Improvements within the Common Areas thereon and all landscaping within the Common Areas, in good condition and repair, and replace the same as may be necessary from time to time, subject to the following:

7.5.1 The Board shall maintain a reasonably high standard in providing for the repair, management, maintenance and replacement of the Common Areas and other properties maintained by the Association (including without limitation removal of graffiti and repair of other damage caused by vandalism); however, the Board shall be the sole judge as to the appropriate maintenance thereof.

7.5.2 All landscaping shall be maintained pursuant to the provisions of the Mixed Use Development Agreement, including but not limited to the provisions of the Architectural and Site Design Guidelines attached to the Mixed Use Development Agreement as Exhibit "C".

7.5.3 The cost of maintenance, repair and replacement for which the Association is responsible under this Section shall be assessed as part of the regular assessments in accordance with the provisions of Section 10.5 hereof; provided, however, that the cost of any maintenance, repair or replacement of the Common Areas for which an Owner is responsible pursuant to Section 7.4.5 shall be reimbursed by such Owner as a reimbursement assessment as provided in Section 7.4.5 and in accordance with Sections 14.1.1 and 10.7 hereof.

The obligation of the Association to maintain landscaping within the above portions of the Common Areas shall not be modified or deleted from this Declaration without the prior written approval of the City.

7.6 Excavation. No excavation shall be permitted except in connection with construction of an Improvement, and upon completion thereof, exposed openings shall be backfilled, and disturbed ground shall be graded and leveled. No Owner shall perform any excavation upon its Lot that will result in damage to any adjacent Lot.

7.7 Damage and Destruction Affecting Lots - Duty to Rebuild. If all or any portion of a Lot or any Improvement on any such Lot is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of such Lot to do the following:

7.7.1 rebuild, repair or reconstruct the Lot and the Improvements thereon in a manner which will restore them to a condition and appearance approved by the board and the City;

7.7.2 raze and remove the damaged Improvements, restoring the Lot substantially to its original unimproved condition; or

7.7.3 any combination of the above in a manner satisfactory to the Board.

The Owner of any Lot on which damaged Improvements are located shall be obligated to proceed with all due diligence hereunder, and such Owner shall cause cleanup and removal and/or reconstruction to commence within three (3) months after the damage occurs and to be completed within twelve (12) months after damage occurs, unless prevented by causes beyond its reasonable control, as determined by the Board.

7.8 Insurance Obligation of Owners. Each Owner shall purchase such liability, fire or other casualty insurance as such Owner desires or as may be required by any mortgagee of a Mortgage encumbering its Lot. The Association shall not be obligated to insure any Lot or any portion thereof or any Improvements thereon.

7.9 Leases. Any agreement for the lease of all or any portion of a Lot must be in writing and must provide by its terms that it is subject to this Declaration, the rules of the Association, the Mixed Use Development Agreement, the Articles and the Bylaws, and that any violation of the Declaration or other documents listed above shall be a default under the lease. An Owner shall notify the Association regarding the existence of all leases. However, the Owner of the Lot shall remain liable for any violations of this Declaration, the rules of the Association, the Mixed Use Development Agreement, the Articles and the Bylaws. All notices hereunder shall be sent to the Owner, and it shall be such Owner's obligation to provide notices to Lessee, if applicable.

No on-street parking of any nature whatsoever will be permitted on those portions of 150th Street, Crest Road, and Frontier Road bordering or within 370 North regardless of whether parking plans have been approved by the Committee, the City, and/or Sarpy County. Paved on-site parking as required herein or in the Mixed Use Development Agreement and by any applicable rules

or regulations of any governmental authority shall be provided by each Owner on its Lot to accommodate all parking needs for employees, visitors, Lessees, invitees and company vehicles for the use and occupancy of the Lot. Notwithstanding prior approvals of parking layouts by the Committee, the Declarant, the City, or any other governmental jurisdiction or authority, if parking requirements increase on any Lot as a result of any change in use or number of employees or invitees, additional on-site parking shall be provided on said Lot to satisfy the intent of this Section and eliminate the need for any on-street parking, which will be absolutely prohibited.

8.2 Refuse Collection Areas. All refuse collection areas in 370 North shall be located in areas approved by the Committee. No refuse collection area shall be permitted between any street and the respective building setback line. All exterior refuse collection areas in 370 North shall be screened by building walls or screen walls as required by the Committee, and all dumpster enclosures shall also meet the requirements of the City. All dumpsters and containers shall remain within said screening walls. The location of all such enclosures shall allow for adequate ingress and egress by collection trucks within the boundaries of the Lot.

8.3 Exterior Storage Areas and Service Yards. No storage shall be permitted between any public street and the respective building setback line of any building in 370 North. Storage areas shall be located in the least visible area of each Lot. Subject to the provisions concerning motor vehicles immediately herein below, all outdoor storage areas and service yards in 370 North shall be visually screened from streets and adjoining property within 370 North by a continuous screen wall as required by the Committee. No work in progress, stored merchandise, inventory or racks shall extend above the height of such screen wall.

All motor vehicles (other than passenger vehicles and any vehicles offered for sale or lease on a Lot as permitted by this Declaration) and all equipment operated on Lots in 370 North shall be stored in a screened outdoor storage area approved by the Committee, except that the Committee may permit exceptions to the foregoing restriction during the construction, maintenance and repair of Improvements on a Lot. All manufacturing and vehicle service, repair, cleaning and maintenance activities in 370 North shall be conducted within a building, except that ancillary activities associated with business operations may be located outside in a service yard.

8.4 Equipment. All roof-mounted equipment and ventilators projecting above the roof parapet of any building in 370 North shall be screened by an enclosure designed and painted to be compatible with the building. No wall-mounted equipment shall be permitted on the front or sides of any such building. Any ground-mounted building, electrical or mechanical equipment will be allowed and only in side or rear yards, and the same must be screened from view by walls or dense landscaping. No above-ground storage tanks shall be allowed on any of the Lots without the prior written consent of the Committee.

All Signs shall comply with the zoning code of the City, State of Nebraska, and federal authorities and must be approved prior to installation by the Committee; provided, however, all signs shall be monument signs, or building façade signs. No roof signs shall be permitted, and all approved signage shall consist of predominantly individual letter signage, logos and electronic signs. Except as approved by the Committee, no Signs of any kind shall be allowed. Temporary Signs for marketing, development or construction signs may be placed on the actual property so advertised on or which development work is underway, subject to the Mixed Use Development Agreement and prior approval by the Committee. All permanent Sign concepts and designs shall be approved by the Committee prior to fabrication and installation. All Signs in 370 North shall be located within sign areas

indicated on plans for Improvements approved by the Committee. All Signs shall be designed as an integral part of the building to which it relates and shall be compatible with the exterior architecture of such building with regard to location, scale, color and lettering.

8.6 Utility Lines and Antennas. Except as may be approved by the Committee, no utility lines or wires or other devices in 370 North for the communication or transmission of electric current, gas, power or signals (including telephone, television, microwave or radio signals), shall be constructed, placed, or maintained anywhere in or upon any Lot other than within buildings or structures unless the same shall be contained in conduits or cables constructed, placed, or maintained underground or concealed in or under buildings or other structures in a manner approved by the Committee. Antenna dishes or other services for the transmission or reception of telephone, television, microwaves, or radio signals may be placed on any building or other Improvement on any Lot subject to the Mixed Use Development Agreement and prior written approval of the Committee as to location, size, and screening. Nothing contained herein shall be deemed to forbid the erection or use of temporary power or telephone facilities incidental to the construction or repair of Improvements on any Lot, subject to approval of the Committee.

8.7 Landscaping. In addition to the requirements of Section 7.3 above, all landscape areas required and approved for a Lot shall be landscaped prior to the opening of the Owner's business, weather permitting. If an Owner fails to install landscaping as required hereunder, the Board may enter upon the Lot and install such landscaping as permitted by Section 14.1.1. Every Lot upon which Improvements are constructed shall be landscaped in accordance with the Application submitted to and approved by the Committee pursuant to Section 7.1 hereof. An automatic irrigation system complying with the standards set forth in the Mixed Use Development Agreement shall be installed and maintained in good repair in all landscaped areas. These provisions are intended to promote compatible and continuous landscape development designed to enhance and unify 370 North.

8.8 Restriction on Further Subdivision; Property Restrictions and Rezoning.

8.8.1 No Further Subdivision Without Approval. Subject to the provisions of Section 15.3 herein, no Lot shall be subdivided or separated into smaller Lots by any Owner by deed, ground lease or otherwise, and no portion less than all of any such Lot, nor any easement or other interest therein, shall be conveyed or transferred by any Owner by deed, ground lease or otherwise, without the prior written approval of Declarant during the Period of Declarant's Control, and thereafter by the Architectural Committee. This provision shall not apply to transfers of an undivided ownership interest in the whole of any Lot.

8.8.2 Plats; Site Plans and Subsidiary Declarations to be Approved. Subject to the provisions of Section 15.3 herein, no subdivision plat or further covenants, conditions, restrictions or easements shall be recorded by any Owner or other person against any property in 370 North unless the provisions thereof (including any site plan required by the City) have first been approved in writing by the Declarant during the Period of Declarant's Control, and thereafter by the Architectural Committee. All conditions, covenants, restrictions and easements so approved shall constitute Subsidiary Declarations. Any other plat or other covenants, conditions, restrictions or easements recorded, or any site plan filed, without such approval being evidenced thereon shall be null and void.

8.8.3 Rezoning, Variances, and Use Permits to be Approved. Subject to the provisions of Section 15.3 herein, no application for rezoning of any area in 370 North, and no applications for variances or use permits, shall be filed with any governmental authority unless the proposed use of the property has been approved by the Declarant during the Period of Declarant's Control and thereafter by the Architectural Committee, and unless the proposed use otherwise complies with this Declaration and the general plan of development of 370 North.

8.8.4 Declarant Exempt. Any portion of the Property owned by Declarant is exempt from the restrictions on subdividing, platting, rezoning, the recording of Subsidiary Declarations and other restrictions set forth in this Section 8.8.

8.9 Retention and Drainage. This Section shall govern all Lots. All drainage plans for such Lots shall be reviewed and approved by the Committee, and no change in the drainage pattern or Improvements may be made without the prior written approval of the Committee. An Owner shall not at any time fill, block or obstruct any drainage facilities or drainage structures on its Lot and each Owner shall repair and maintain all drainage facilities and drainage structures located on its Lot. No structure of any kind shall be constructed and no vegetation shall be planted or allowed to grow within any drainage areas which may impede the flow of water under, over or through said areas.

8.10 Height Limitation. 8.11 Lot 15 Visibility Corridor. Attached hereto as Exhibit "C" and incorporated herein by this reference is a drawing establishing a visibility corridor across the eastern portion of Lot 15, 370 North. This Visibility Corridor and the "Lot 15 Visibility Corridor Requirements" set forth on Exhibit "C" shall run with the land and shall be binding on the Owners of Lot 15 as presently configured or as it may be hereafter replatted. The Lot 15 Visibility Corridor and the Lot 15 Visibility Corridor Requirements may not be changed or amended until September 30, 2019, and thereafter may only be changed or amended by the ACC, provided that if after such date, Synergy Group, LLC, or any related successor entity, owns any of Lots 12-14, 370 North, any such change or amendment shall require the written consent of Synergy Group, LLC or a related successor entity, as the case may be.

8.12 Mixed Use Development Agreement. Each Owner and Lot shall comply with all architectural and development standards adopted and set forth in the Mixed Use Development Agreement. In the event of a conflict between this Declaration and the Mixed Use Development Agreement, the more restrictive provision shall control.

8.13 Effect of Other Limitations. Any limitations on Improvements in 370 North contained herein or in the Mixed Use Development Agreement are supplemental to any controls established by zoning, subdivision, building, health, fire or other jurisdictional codes and regulations, and the more restrictive controls shall apply in each instance.

All Assessments, which shall include all late charges, interest, costs and reasonable attorneys' fees due with respect thereto, shall be a charge on the land and shall be secured by a continuing lien upon the Lot against which each Assessment is levied. Each Assessment, including interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment became due and owing. The personal obligation for delinquent Assessments shall not pass to said Person's successors in title, unless expressly assumed by them. If more than one Person was the Owner of a Lot, the personal obligation to pay such Assessment respecting such Lot shall be both joint and several.

10.2 Purpose of Assessments. The Assessments shall be used to enhance, maintain and protect the desirability, attractiveness and safety of 370 North; for the improvement and maintenance of the Common Areas; to reimburse the Association for the costs incurred in bringing an Owner into compliance with this Declaration, the Articles, Bylaws, Mixed Use Development Agreement and/or rules adopted by the Board; to reimburse the Association for amounts which may be paid for the maintenance, repair, modification and/or replacement of the Project Identification Sign; and for the common good and benefit of 370 North, the Association and the Members, as determined by the Board. received by the Association as provided in this Declaration. All funds shall be held in trust by the Association for the use and benefit of its Members.

10.5 Regular Assessments.

10.5.1 Purpose. Regular assessments shall be used for all expenses incurred by the Association for (i) the Regular assessments shall be used for all expenses incurred by the Association for (i) the administration (not to exceed ten percent (10%) of all other Association costs (on an annual basis), operation, maintenance, repair and replacement of the Common Areas and any Improvements therein, including all taxes and insurance; (ii) the operation, maintenance, repair and replacement of the Project Identification Sign(s); (iii) maintaining the landscaping on all of the Common Areas as set forth in Section 7.3 herein, and (iv) carrying out the duties, rights and obligations of the Association, including the Board and the Architectural Committee, as provided for in this Declaration.

The regular assessments provided for in this Article X shall commence as to all Lots, including any Lot owned by the Declarant, on the first day of the month following the later of (i) the incorporation of the Association, or (ii) the conveyance of the first Lot to an Owner; provided, however, that Declarant may, at its option, delay the start of regular assessments so long as Declarant elects to perform all maintenance and other obligations of the Association at its sole cost and expense. The first regular assessment shall be adjusted according to the number of months remaining in the fiscal year.

10.5.3 Budget. Within sixty (60) days after the end of each fiscal year of the Association, beginning with the first full fiscal year after regular assessments commence, the Board shall meet for the purpose of establishing the regular assessment for the forthcoming fiscal year. At such meeting, the Board shall review an operating statement showing income and expenses for the preceding fiscal year and a preliminary budget, any written comments received from any Member, and any other information available to it and, after making any adjustments that the Board deems appropriate, without a vote of the Members of the Association, shall establish an operating budget and the regular assessment for the forthcoming year.

10.5.4 Payment of Assessments. Regular assessments shall be due and payable by the Owners to the Association in four equal quarterly installments on or before the first day of April, July, October and January, or in such other manner as the Board shall designate.

10.5.5 Failure to Fix Regular Assessments. Failure by the Board to fix regular assessments hereunder before the expiration of any fiscal year shall not be deemed either a waiver or modification in any respect of the provisions of this Declaration, or a release of the Owner from the obligation to pay the Assessments, or any installment thereof, for that or any subsequent year, but the Assessment fixed for the preceding year shall continue until a new Assessment is fixed.

10.6 Special Assessments.

10.6.1 Purpose. Special assessments may be levied by the Board from time to time during any fiscal year if the Board determines that the estimated total amount of

funds necessary to defray the expenses of the Association for a given fiscal year is or will become inadequate to meet expenses due to unanticipated delinquencies or costs and fees incurred to enforce this Declaration, costs of construction or unexpected repairs, replacements or reconstruction of Improvements in the Common Areas, unanticipated costs owed by the Association for the Project Identification Sign or if funds are otherwise required for any activity or purpose of the Association permitted under this Declaration.

10.6.2 Budgeting. The Board shall determine the approximate amount necessary to defray the expenses set forth in Subsection 10.6.1 above, and, if the amount is approved by a majority vote of the Board, it shall become a special assessment.

10.6.3 Time and Manner of Payment. The Board may, in its discretion, prorate a special assessment over the remaining months of the fiscal year or levy the assessment immediately against each Lot. Special assessments shall be due and payable within ten (10) days after a Member receives written notice from the Board specifying the amount of the special assessment, unless the Board specifies in such notice a later date of payment.

10.7 Reimbursement Assessment. The Board may levy a reimbursement assessment against any Owner who fails to comply in any respect with this Declaration, the Articles, Bylaws, the rules promulgated by the Board or the Mixed Use Development Agreement, or as otherwise permitted elsewhere in this Declaration, in an amount equal to any monies expended by the Association in remedying an Owner's failure to comply under this Declaration or in the amount of a fine or penalty imposed pursuant to this Declaration. All such reimbursement assessments shall be paid to the Association within five (5) days after demand.

10.8 Capital Improvement Assessment.

10.8.1 Purpose. Capital improvement assessments may be levied by the Association for the purpose of defraying, in whole or in part, the cost of construction of any Improvements deemed reasonably necessary by the Board for the benefit of 370 North. Capital improvements in excess of \$50,000.00 shall require the consent of 2/3rds of the membership interest of the Owners.

10.8.2 Time and Manner of Payment. Capital improvement assessments shall be due and payable by all Owners in such installments and during such period or periods as the Board shall designate for the payment thereof.

10.9 Rate of Assessment. All Assessments (other than a reimbursement assessment levied against an Owner pursuant to Section 10.7) shall be fixed at a uniform rate and levied based upon the proportion of memberships owned by each Owner in relationship to the total memberships in the Association at the time the Assessment is levied or imposed, as reflected in the records of the Association.

10.10 Estoppel Certificate. The Board, on not less than twenty (20) days prior written request and for a reasonable fee to be established from time to time by the Board, shall execute, acknowledge and deliver to the party making such request a written statement certifying whether or not, to the knowledge of the Association with no duty to investigate or make further inquiry, a particular Owner is in default as to its Lot under the provisions of this Declaration, and further stating the dates to which installments of Assessments have been paid as to such Lot. Any such certificate may be relied on by a prospective

purchaser of the Lot or a Mortgage, but reliance on such certificate shall not extend to any default (except one involving the payment of Assessments) of which the signer had no actual knowledge.

10.11 Exempt Property. The foregoing notwithstanding, all Exempt Property shall be exempt from paying Assessments and the Assessment liens provided for in Article XI, but an Owner of Exempt Property shall not be a Member and shall have no voting rights.

ARTICLE XI COLLECTION OF ASSESSMENTS; ASSESSMENT LIENS

11.1. Right to Enforce. The right to collect and enforce Assessments, including all related interest, late charges, costs and fees, is vested in the Board acting for and on behalf of the Association. The Board, or its authorized representative, can enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law or in equity, or the Board may enforce the continuing lien against the Owner's Lot by judicial foreclosure proceedings. Any suit to recover a money judgment for unpaid Assessments, together with all other amounts described in this Article XI, may be maintainable with or without foreclosing or waiving the lien rights.

11.2 Notice of Default: Interest: Late Charges: Creation of Lien. Failure to make payment of any Assessment or installment thereof related to any Lot on or before the due date shall constitute a default and all amounts that are delinquent shall bear interest at a rate per annum equal to five percent (5%) more than the Prime Rate on the date of default (and shall fluctuate thereafter as the Prime Rate changes from time to time) and, if not paid within ten (10) days, a late charge of five percent (5%) (or such lower interest and late charges as the Board shall determine in its discretion) shall also be due on the outstanding balance, and all costs and expenses incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees and costs, shall be part of the Assessment past due and the full Assessment shall be a lien against such Lot. The lien created pursuant to this Article shall not be foreclosed until the Board or its authorized representative has delivered written notice to the delinquent Owner or Owners not less than fifteen (15) days before commencement of any proceedings to enforce such lien, which shall set forth notice of default and a demand for payment, and unless such delinquency has not been cured in full within said 15-day period, including payment in full of all interest and late charges.

11.3 Notice of Lien; Foreclosure. Upon the giving of notice and failure to cure as provided in Subsection 11.2, the Association may record a notice of assessment lien against the Lot of the defaulting Owner. In addition, the Association may proceed to foreclose the Recorded Assessment Lien provided for in this Article in any manner provided or permitted for the foreclosure of realty mortgages in the State of Nebraska (including the right to recover any deficiency). The Association shall not be obligated to release any Recorded Assessment Lien until all delinquent Assessments, including interest, late charges, attorneys' fees and collection costs, have been paid in full, whether or not all such amounts are set forth in the recorded notice. On becoming delinquent in the payment of any Assessments or installments thereof, each delinquent Owner shall be deemed to have absolutely assigned all rents, issues and profits of his Lot to the Association and shall further be deemed to have consented to the appointment of a receiver (which appointment may, at the election of the Association, be enforced by the Association through specific performance). The Association, acting on behalf of the Owners, shall have the power to bid upon the Lot at foreclosure sale and to acquire, hold, lease, mortgage and convey the Lot.

11.4 No Offsets. All Assessments shall be payable in the amounts covered by the particular Assessment and no offsets against such amount shall be permitted for any reason, including, without

limitation, nonuse or abandonment of a Lot or a claim that the Association is not properly exercising its duties of maintenance, operation or enforcement.

11.5 Priority; Subordination of Lien to First Mortgages.

11.5.1 Priority of Lien. The Assessment lien herein shall be superior to all charges, liens and encumbrances, including without limitation all mortgages and deeds of trust (except as provided in Section 11.5.2 below), federal and state tax liens, judgment liens, and liens for labor or materials, which may be hereafter imposed against any portion of the Property.

11.5.2 Subordinate to First Mortgages. Notwithstanding the foregoing, the Assessment liens provided for herein shall be subordinate and subject to the lien for governmental taxes and assessments which is deemed superior hereto by applicable law and the lien of any first Mortgage encumbering a Lot which is recorded prior to the Recorded Assessment Lien referred to in Section 11.3, but only as to advances or payments made pursuant to said Mortgage prior to the time the Recorded Assessment Lien is placed of record, and provided further that each such first Mortgage must have been made in good faith and for value and duly recorded in the office of the Sarpy County Register of Deeds prior to the recording of the Recorded Assessment Lien. The sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from any obligation to pay any Assessments thereafter becoming due nor from the lien securing any subsequent Assessments. Where the holder of a first Mortgage or other purchaser of a Lot obtains title to the same as a result of foreclosure, such title holder, its successors and assigns, shall not be liable for Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer, except for the share of Assessments resulting from a reallocation of Assessments which are made against all Lots. The Assessment lien herein shall not be subordinate to the lien of any Mortgage which is junior to a first Mortgage.

11.6 Transfer of Property. After the sale of any Lot within 370 North, the selling Owner or Owners shall not be personally liable for any Assessment levied on its Lot after the date of such transfer of ownership and written notice of such transfer is delivered to the Association. However, except as provided in Section 11.5 with respect to a transfer of a Lot pursuant to foreclosure proceedings, the transferred Lot shall remain subject to the lien securing payment of all Assessments, including Assessments levied prior to the date of transfer. The selling Owner(s) shall also remain personally responsible for all Assessments and charges levied on his Lot prior to any such transfer. Upon the transfer of ownership of any Lot or Lot (excluding the initial sale by Declarant), the Board, in its discretion, may charge a reasonable transfer assessment to cover administrative costs associated with said transfer of ownership, which administrative costs shall not exceed the sum of \$250.00.

11.7 Other Enforcement Measures. In addition to the other remedies set forth in this Article, the Board shall have the right to suspend the right of any Owner who is in default on any Assessments to vote pursuant to Section 4.3 above or the Articles and the Bylaws during the period of any default.

11.8 Contracts with Owners. If the Association elects to enter into contracts with Owners for the performance of special maintenance or other services to that Owner's Lot, any fees charged to that

Owner for such services shall be due within ten (10) days after billing, shall be an Assessment, shall be secured by the Assessment lien, shall be the Owner's personal responsibility, and shall be enforceable as provided herein with respect to the Assessments.

ARTICLE XII
DESTRUCTION OR CONDEMNATION OF COMMON AREAS

12.1 Repair. Within a reasonable time after the damage or destruction of all or any portion of the Common Areas, the Board shall cause the same to be repaired, reconstructed and restored substantially to the same condition as the same existed prior to such damage or destruction.

12.2 Insurance Proceeds Insufficient. If upon such damage or destruction the proceeds of insurance available to the Association are insufficient to cover the cost of repair, reconstruction and restoration of the damaged or destroyed portions of the Common Areas, the Board shall be authorized to specially assess all Owners and Lots for the additional funds needed pursuant to Section 10.6.

12.3 Eminent Domain. The Board shall represent all Members in connection with any condemnation proceeding regarding the Common Areas and shall be entitled to negotiate and settle with the condemning authority and to make a voluntary sale to the condemning authority in lieu of legal action. All condemnation proceeds regarding the Common Areas shall be paid to the Association to be used by the Board in its sole discretion for the purposes set forth in Section 10.2, after paying any costs or fees incurred by the Association in negotiating, settling and contesting the condemnation.

ARTICLE XIII
DURATION, MODIFICATION AND TERMINATION

13.1 Duration of Covenants. This Declaration, and all covenants, conditions, restrictions and easements herein, shall continue and remain in full force and effect at all times with respect to 370 North and each part thereof, now or hereafter made subject thereto (subject, however, to the right to amend and terminate as provided in Section 13.2 below) for a period of thirty (30) years, commencing on the date this Declaration is recorded in the Office of the County Register of Deeds of Sarpy County, Nebraska. From and after said date, this Declaration, as amended from time to time, shall be automatically extended for successive periods of ten (10) years each, unless earlier terminated as provided in Section 13.2 below.

13.2 Termination or Modification. This Declaration, or any provisions hereof, may be terminated, modified, or amended with respect to all or any portion of 370 North, by a vote of all Owners holding at least 2/3rds of the memberships in the Association.

ARTICLE XIV
ENFORCEMENT

14.1 Enforcement by Board; Right to Perform.

14.1.1 Failure to Maintain Improvements and Lots. Upon a failure to maintain and repair in accordance with Sections 7.4 and 7.5 above, or to perform any other obligations thereunder, the Board shall notify the respective Owner in writing pursuant to Section 17.7 of such default. If such default is not cured by the Owner or its Lessee within thirty (30) days from the date such notice is given to the Owner, the Board, or its designated agent or contractors, shall have the right, in addition to Section 14.2, to enter

upon the Lot for the purpose of maintaining, restoring or repairing said Improvement or Lot. The costs incurred by the Board in restoring, maintaining or repairing said Improvement or Lot, together with a charge for the overhead of the Board and the Association in an amount equal to twenty-five percent (25%) of such costs, shall be paid by such Owner as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.2 Failure to Install Landscaping. If any landscaping has not been installed within the period required in Section 8.7, the Board shall notify the Owner in writing that the landscaping is to be installed within thirty (30) days from the date of such notice. If the landscaping has not been installed within such additional 30-day period, the Board or its designated agent or contractors shall have the right, in addition to Section 14.2, to enter upon the Lot for the purpose of installing the approved landscaping. If a landscape plan has not been approved by the Committee, the Board may cause a plan to be prepared and submitted to the Committee for approval prior to installation. All costs incurred by the Board in preparing a landscape plan and installing such landscaping, together with a charge for the overhead of the Board and the Association in an amount equal to twenty-five percent (25 %) of such costs, shall be paid by the Owner as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.3 Off-Site Parking. Adequate off-street parking shall be provided by each Owner in accordance with Section 8.1 above. If the vehicles of any employee, visitor or business invitee of an Owner or any Lessee or any company vehicles thereof are parked on any street, the Board shall have the right, in addition to Section 14.2, to notify the Owner in writing pursuant to Section 17.7 that on-street parking is occurring. If on-street parking continues to occur five (5) days after the date upon which the Board gives such notice to the Owner, the Board, or its designated agent or contractors, shall have the right (i) to have such vehicles towed at the Owner's expense, and/or (ii) to assess a reasonable fine against said Owner for each day such on-street parking continues to occur five days after notice is given. All such amounts shall be paid by said Owner to the Board or to such other person or entity designated by the Board, and shall be paid as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.4 Other Covenants. Declarant and/or the Board or their duly authorized agents shall have the right, upon violation or breach of any other covenant, restriction or easement set forth herein, if such violation or breach continues for a period of thirty (30) days after written notice thereof is given to the Owner, to enter upon the Lot where such violation or breach exists, and summarily remove, at the expense of the Owner thereof who shall pay all such expenses within five (5) days after demand, any structure, thing or condition that may be or exist thereon contrary to the intent and meaning of the provisions of this Declaration.

14.1.5 Inspection Rights. Declarant and/or members of the Board and Architectural Committee, or authorized representatives thereof, have the right from time to time, during reasonable hours, to enter upon and inspect any Lot and the Improvements thereon for the purpose of determining whether or not the provisions of this Declaration have been, or are being, complied with, and the exercise of such rights shall not be deemed a trespass upon such Lot.

14.1.6 Other Enforcement Measures. In addition to other remedies set forth herein, the Board shall have the right to suspend a defaulting Owner's right to vote under Section 4.3 and the Articles and Bylaws during the period of any default.

14.2 Additional Remedies: Rights of Other Owners. In addition to the rights and remedies set forth in Article XI and Section 14.1 above, in the event of any breach, default, non-compliance, violation or failure to perform or satisfy any of the covenants, conditions, restrictions and easements contained in this Declaration by an Owner or by a Lessee or other Person with respect to the Lot of an Owner (collectively referred to herein as a "default"), and the default is not cured within thirty (30) days after written notice describing the default is given to such Owner by Declarant (or if any such default is not reasonably capable of being cured within such 30-day period, then if such Owner has not commenced to cure the default promptly after such notice is given and does not thereafter diligently continue to prosecute such cure to completion), then Declarant, the Association or any Owner with the right to enforce this Declaration under Section 17.3 below may enforce any one or more of the following rights or remedies in this Section 14.2, or any other rights or remedies available at law or in equity, whether or not set forth in this Declaration. All rights and remedies set forth in this Declaration or available at law or in equity shall be cumulative and not mutually exclusive.

14.2.1 Damages. Declarant, the Association or any such Owner may bring a suit for damages arising from or with respect to any such default.

14.2.2 Declaratory Relief. Declarant, the Association or any such Owner may bring suit for declaratory relief to determine the enforceability of any of the provisions of this Declaration.

14.2.3 Injunctive Relief; Specific Performance. It is recognized that a default hereunder may cause material injury or damage not compensable by an award of money damages and that Declarant, the Association and/or any Owner shall be entitled to bring an action in equity or otherwise for a specific performance to enforce compliance with this Declaration, or for any injunctive relief to enjoin the continuance of any default or to prevent a default.

14.2.4 Fines. This Subsection may be enforced only by the Association. Upon a default that is defined in this Section 14.2, the Board may assess fines based on a schedule of fines adopted from time to time by the Board for various types of defaults that may arise under this Declaration, or as the Board may assess for defaults not covered by existing schedule of fines, provided that the Board shall assess a fine that is reasonable and appropriate under the circumstances, and provided further that the assessment of a fine shall be in addition to all other rights and remedies available hereunder.

14.3 Rights of Lenders. No default under or violation of any provision of this Declaration shall defeat or render invalid the lien of any Mortgage or similar instruments securing a loan made in good faith and for value with respect to the development or permanent financing, or any refinancing, of any Lot or portion thereof, or any Improvement thereon. However, all of the provisions of this Declaration shall be binding upon and effective against any subsequent Owner of any Lot or any portion thereof whose title is acquired by foreclosure, trustee sale, deed in lieu of foreclosure or otherwise pursuant to the lien rights under any such Mortgage or similar instrument.

14.4 Attorneys' Fees. In any legal or equitable proceeding to determine the rights of the parties and/or to enforce or restrain the violation of this Declaration, the losing party or parties, as determined by the court for this purpose, shall pay the reasonable attorneys' fees, legal costs and expenses of the prevailing party or parties, as fixed by the court in such proceedings.

14.5 Failure to Enforce Not a Waiver of Rights. No delay or failure on the part of an aggrieved party to invoke any available remedy in respect to a violation of any provision of this Declaration shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuance of said violation or the occurrence of a different violation, nor shall there be construed to be a duty upon Declarant or the Board a duty to take any action to enforce the provisions of this Declaration.

14.6 No Liability Regarding Enforcement. Neither Declarant, the Board or any member thereof, the Committee or any member thereof, nor their successors or assigns (if such Persons have acted in good faith, without willful or intentional misconduct) shall be liable to any Owner or Lessee of any real property subject to this Declaration by reason of any mistake in judgment, negligence, nonfeasance, action or inaction in regard to the enforcement or failure to enforce the provisions of this Declaration, or any part hereof. Each Owner and Lessee acquiring an interest in 370 North agrees that it will not bring any action or suit against Declarant, the Board or any member thereof, or the Committee or any member thereof, from time to time, or their successors and assigns, to recover any such damages or to seek equitable relief relating to their duties under the operation of this Declaration, except any such damages or equitable relief caused by such party's bad faith, willful misconduct or gross negligence.

ARTICLE XV RESERVED RIGHTS OF DECLARANT

15.1 Right to Use Common Areas to Promote 370 North. Declarant shall have, and hereby reserves the right to, reasonable use of the Common Areas and services offered by the Association in connection with the promotion and marketing of Lots and Lots within the Property. The rights of Declarant shall include, without limitation, the right (i) to erect and maintain on any part of the Common Areas and on any portion of the Property owned by Declarant, such signs, temporary buildings and other structures as Declarant may reasonably deem necessary or proper from time to time in connection with the promotion, development and marketing of Lots and Lots within 370 North; (ii) to use vehicles and equipment on the Common Areas or any portion of the Property owned by Declarant for promotional purposes; and (iii) to permit purchasers of Lots against which a Subsidiary Declaration has been recorded which permits further subdivision thereof, to use the Common Areas in a manner reasonably designated by Declarant, at its sole election, to promote, develop and market subdivided portions of said Lot to Persons interested in purchasing the same.

development of such Lots owned by Declarant; (ii) to amend the Mixed Use Development Agreement, but only with respect to matters and issues relating to Lots owned by the Declarant; and further provided, however, that any amendment to the Mixed Use Development Agreement regarding Permitted Uses, Architectural and Site Design Guidelines, Overall Landscape Plan, or the Entry and Lot Specific Landscape Requirements must be approved in writing by the Committee (in addition to approval from the City of Papillion); or (iii) without the approval of the Association, the Board, or the Architectural Committee to maintain an office for construction, sales, promotion or leasing purposes or other similar facilities on any Lot owned by Declarant within the Property.

15.4 Right to Approve Conveyance or Change in the Use of Common Areas. During the Period of Declarant Control, the Association shall not, without first obtaining the prior written consent of Declarant, which consent shall not be unreasonably withheld, convey, change or alter the use of the Common Areas, record a Mortgage against the Common Areas or use Common Areas other than for the benefit of the Members.

The foregoing notwithstanding, with respect to Common Areas located within a Lot, Declarant shall not grant an easement which adversely impairs the use of such Common Areas for the purposes originally intended without the approval of the Owner of such Lot.

15.6 Right to Convey Additional Property for Use as Common Area. During the Period of Declarant Control, Declarant shall have, and hereby reserves, the right to convey additional real property and any Improvements thereon, or grant easements against the Property, to the Association at any time and from time to time for use as Common Areas, and the Association shall be obligated to assume administrative and maintenance responsibilities thereof in accordance with Section 7.5.

Notwithstanding anything herein to the contrary, either during or after the Period of Declarant Control, Declarant shall have, and hereby specifically reserves, the right to convey to the Association for use as Common Area that portion of Outlot "C" necessary for stormwater retention/detention as is more thoroughly addressed in Section 1.9 hereinabove.

15.8 Reserved Rights Do Not Create Obligations. Anything in this Article XV to the contrary notwithstanding, the foregoing rights in favor of Declarant shall not in any way be construed as creating any obligation on the part of Declarant to exercise any such rights or to perform any of the activities, construct any Improvements, convey any property or grant any easements referred to in this Article.

ARTICLE XVI ASSIGNMENT OF DECLARANT'S RIGHTS AND DUTIES

Any and all of the rights, powers and reservations of Declarant herein contained may be assigned by Declarant from time to time, in its discretion, to any Person who will assume the duties of Declarant pertaining to the particular rights, powers and reservations assigned. Upon such assignment, any such Person assuming such duties (and its heirs, successors and assigns) shall have, to the extent of such

Notwithstanding anything herein to the contrary, the Owners of the Auto Park Lots shall have the right, without the approval of the Declarant, the Association, the Board, or the Architectural Committee, to amend the Mixed Use Development Agreement, but only with respect to matters and issues relating to such Auto Park Lots; and further provided, however, that any amendment to the Mixed Use Development Agreement regarding Permitted Uses, Architectural and Site Design Guidelines, Overall Landscape Plan, or the Entry and Lot Specific Landscape Requirements must be approved in writing by the Committee (in addition to approval from the City of Papillion).
