DEDICATION

KNOW ALL MEN BY THESE PRESENTS: That we, Bay Hills Limited Partnership (BHP) By Dodge Land Co., a Nebraska Corporation and the sole General Partner, being the sole owner of the land described within the Surveyor's Certificate and embraced within this plat, have caused said land to be subdivided into lots, outlots and streets, to be numbered and named as shown, said subdivision to be hereafter known as BLOCK 28, BLOCK 29 and BLOCK 30, BUCCANEER BAY, and we do hereby ratify and approve of the disposition of our property as shown on this plat, and we do hereby dedicate to the public, for public use, the streets and easements as shown on this plat. We do further grant a perpetual easement to the Omaha Public Power District, Altec and to any company which has been granted a franchise to provide a cable television system in the area to be subdivided, their successors and assigns, to erect, operate and maintain, repair and renew poles, wires, crossarms, downguts and anchors, cables, conduits and other related facilities; and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat, and power for the transmission of signals and sounds of all kinds, including signals provided by a cable television system, and the reception thereon, over, through, under and across a five (5') foot wide strip of land abutting all front and side boundary lot lines; an eight (8') foot wide strip of land adjoining the rear boundary lines of all interior lots; and a sixteen (16') foot wide strip of land adjoining the rear boundary lines of all exterior lots, The term "exterior lots" is herein defined as those lots forming the outer perimeter of the above described subdivision; said sixteen (16') foot wide easement will be reduced to an eight (8') foot wide strip whenever the adjacent land is surveyed, platted and recorded; if said sixteen (16') foot easement is not occupied by utility facilities, and we do further grant a perpetual easement to SD #5 of Cass County and Aquila, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants, and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five (5') foot wide strip of land abutting all streets. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping, and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.
