A. Membership. Declarant, and every Owner shall be a member of the Association. Memberships shall be appurtenant to and may not be separated from ownership of the Lots. Ownership of a Lot(s) or a portion of a Lot shall be the sole qualification for membership. The foregoing is not intended to include persons or entities who hold any interest merely as security for the performance of an obligation.

B. Voting Rights. Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot or such portion of a Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any one (1) Lot.

C. Covenants For Maintenance Assessments.

1. Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned, subject to Paragraph C.5. of this Article, and each Owner of any Lot, except those exempt under Paragraph C.8. of this Article, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, hereby covenant, and agree to pay to the Association: (a) annual assessments or charges, (b) weed mowing and/or Lot clearing assessments, and (c) special assessments for capital improvements, all such assessments to be established and collected as herein provided. The annual assessments, weed mowing and/or Lot clearing assessments, and special assessments, together with interest, costs, and attorney's fees, shall be a charge on the Lot and shall be a continuing lien on the Lot against which each such assessment is made. ALL SUBSEQUENT PURCHASERS SHALL TAKE TITLE TO THE LOT SUBJECT TO SAID LIEN AND SHALL BE BOUND TO INQUIRE OF THE ASSOCIATION AS TO THE AMOUNT OF ANY UNPAID ASSESSMENTS. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person(s) who was the Owner of such lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by such person, but the lien shall continue on the Lot and the personal liability of the person who owned the Lot when the lien was created shall continue.

2. Purpose of Assessments. The assessments by the Association shall be used exclusively for the following purposes: (a) to maintain, repair, and operate the Common Properties and Other Common Properties, including but not limited to, the improvements, structures, facilities and fixtures thereon and the grounds thereof, and personal property used in connection therewith; (b) to exercise the rights reserved to the Association in Paragraph Q of Article III hereof; (c) to acquire, construct, reconstruct, or replace new or existing capital improvements, structures, facilities and fixtures on the Common Properties and Other Common Properties, including personal property used in connection therewith; (d) to pay the costs and expenses of enforcing the provisions of these Covenants, Conditions, and Restrictions, including the fees of attorneys hired to represent

the Association, court costs, witness fees, and related costs; and (e) to carry out such other purposes as the Association shall from time to time determine to be in the best interests of its Members.

3. Regular Assessment. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual budget for the then anticipated expenses and costs for that year, and shall levy and collect monthly assessments from each Lot which, considering other sources of income, if any, shall be sufficient to fund the budget for said fiscal year. The regular assessment with respect to all Lots shall be uniform in amount.

4. Weed Mowing and/or Clearing Assessment. In the event the Association exercises its rights reserved in Paragraph Q of Article III hereof, the lien against the Lot shall be the amount the Board of Directors of the Association shall determine sufficient to cover the expense of mowing and/or clearing.

5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a new or existing capital improvement, structure, facility, or fixture on the Common Properties and Other Common Properties, including but not limited to, personal property related thereto. Provided, however, any such assessment shall have the assent of a majority of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose.

6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence.

a. When Assessments Start. Beginning January 1, 1989 all Lots shall be subject to the assessments contained herein.

b. When Assessed and Notice to Owners. The Board of Directors shall fix the amount of the annual assessment to be assessed against each Lot at least thirty (30) days prior to the commencement of the first full fiscal year of the Association. Written notice of the annual assessment shall be sent to each Owner subject thereto at least twenty (20) days prior to the due date of the assessment, or the first installment thereof, including the due dates and amounts thereof. The failure of the Board to so notify each Owner in advance shall not, however, relieve any Owner of the duty and obligation to pay such assessment or any installment thereof. The Board shall have the authority, in its discretion, to require that all Owners pay the annual assessment in one payment or in installments becoming due at such time or times during the assessment year and payable in such manner as determined by the Board. The annual assessments shall be and become a lien as of the date of the annual assessment.

c. Certificate Furnished Re: Payment of Assessment. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

7. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within the thirty (30) days after the due date shall bear interest from the due date at the rate of eleven percent (11%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property in the same manner as provided by law for the foreclosure of mortgages. No owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Properties, or Other Common Properties, or abandonment of his Lot.

8. Subordination of the Lien to Mortgages or Deeds of

Trust. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or the exercise of rights under a deed of trust shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but the person who owned the Lot at time when the lien attached remains personally liable for payment of the amount of the lien.

9. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Nebraska shall be exempt from the assessments created herein.

ARTICLE V. EASEMENTS AND LICENSES

A. O.P.P.D., Telephone, and Cable TV Easements. A perpetual license and easement is hereby reserved in favor of and granted to the Northwestern Bell Telephone Company, a City of Omaha or Douglas County franchised cable television firm, and to the Omaha Public Power District, their successors, and assigns, to erect and operate, maintain, repair, and renew cables, conduits, and other instrumentalities and to extend wires for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message services and cable television under an 8-foot strip of land adjoining the rear boundary lines and license being granted for the use and benefit of all present and future owners of said Lots; provided, however, that said Lot line easement is granted upon the specific condition that if any of said utility companies fail to construct wires or conduits along any of the said lot lines within 36 months of the date hereof, or if any wires or conduits are constructed but hereafter removed without replacement within 60 days after their removal, then this Lot line easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings shall be placed in perpetual easementway, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

B. All Lines Must Be Underground. All telephone, cable television and electric power service lines from property line to dwelling shall be underground.

ARTICLE VI. GENERAL PROVISIONS

A. Who May Enforce Covenants. The Declarant, its assigns, any Owner of a Lot named herein, and the Association shall each have the right to enforce by proceeding at law or in equity, all restrictions, conditions, covenants, and reservations, now or hereinafter imposed by the provisions of this Declaration, either to prevent or restrain any violation of same, or to recover damages for such violation. In addition, the Association shall have the right to file law suits to collect assessments by foreclosing any liens on Lots or proceeding against the Owner of the Lot or against a former Owner who owned the Lot at the time the lien against the lot was established. Failure by the Declarant or by any Owner or the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

B. Term of Covenants. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded.

C. Amendment. This Declaration may be amended by the Declarant, or any person, firm, corporation, partnership, or entity designated in writing by the Declarant, in any manner it shall determine in its full and absolute discretion, for a period of five (5) years from the date hereof. Thereafter this Declaration may be amended by an instrument signed by the Owners of not less than ninety

percent (90%) of the Lots covered by this Declaration.

D. Invalidation. Invalidation of any one of these covenants by judgment or court order shall in no way effect any of the other provisions hereof which shall remain in full force and effect.

E. Interpret Liberally Re Association. The Association will have a major role in causing Cambridge Oaks to be a desirable place to live. Therefore, the power of the Association herein shall be liberally and broadly interpreted to carry out said objective.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 19th day of October, 1988.
