 Received of the AMERICAN TELEPHONE AND TELEGRAPH COMPANY OF IOWA  
 Dollars, in consideration of which, I hereby grant unto said Company, its associated and allied companies, their respective successors, assigns, lessees and agents, the right, privilege and authority to construct, reconstruct, operate and maintain lines of telephone and telegraph, consisting of such poles, wires, cables, conduits, guys, anchors and other fixtures and appurtenances as the grantee may from time to time require, upon, across, over and/or under the property which I own or in which I have any interest in section 22 on the 22nd Twp. of 43rd R. of Polk County of Iowa, and State of Iowa, and upon, along and/or under the roads, streets or highways adjoining the said property, with the right to trim from time to time any trees along said lines so as to keep the wires and cables clear of at least thirty-six inches and the right to permit the attachment of and/or carry in conduit wires and cables of any other company. The grantee for himself, his heirs, executors, administrators and assigns hereby covenants that no wire or cable shall be erected or permitted on said property which in the judgment of the grantee, its successors and assigns, will interfere with its service or endanger its lines and that no insurable structure will be erected or permitted on said property within 50 feet of said lines. Said sum being received in full payment for the rights herein granted.

Witness my hand and seal this 21st day of May, 1923, at Towner, Iowa.
