C. The City and Redeveloper entered into the Redevelopment Agreement (North Haymarket Arts and Humanities Phase II), dated November 15, 2008 ("2008 Agreement"). Due to economic conditions and other extenuating circumstances, the Redeveloper and City have not been able to perform the terms and conditions of the 2008 Agreement. This Agreement terminates the 2008 Agreement.

D. The Redevelopment Plan calls for the City to support commercial/hotel/residential redevelopment efforts on real estate owned by the Redeveloper ("Redeveloper Property") and legally described as:

Lot 1, The Arts and Humanities Block Addition, Lincoln, Lancaster County, Nebraska.

E. The Redevelopment Project—Phase 2 area ("Project Site" or "Project Area") incorporates the Redeveloper Property, including the east west Block 21 alley ("East-West Alley") and that portion of "R" Street, 9th Street, "S" Street and 8th Street right-of-way that abut Block 21 in Lincoln, Lancaster County, Nebraska.

F. The City has approved the vacation of the East-West Alley.

G. Neb. Rev. Stat. § 18-2103(12) (2007 Supp) authorizes the City to carry out plans for a program of compulsory repair and rehabilitation of buildings and other improvements in connection with redevelopment of the Project Site and to pay for the same from TIF Proceeds (as defined herein)

H. On December 31, 2010, the City issued a Recovery Zone Facility Industrial Development Revenue Note, Series 2010 (Block 21 L.L.C. Project) ("Industrial Development Note") in the principal amount of \$14,000,000 for the purpose of financing the acquisition of the Redeveloper Property and the construction, installation, improvement and completion thereon of the Private Improvements, as well as personal property items. Concurrently with the

City's issuance of the Industrial Development Note, Redeveloper (i) transferred the Redeveloper Property to the City, and (ii) entered into a Lease Agreement with the City and the purchaser of the Industrial Development Note, whereby Redeveloper was given exclusive use and possession of the Redeveloper Property and authority to act as the City's agent to purchase, construct and install the Private Improvements.

I. *Neb Rev Stat* § 18-2107 (2007 Supp) authorizes the City to enter into contracts with redevelopers of property containing covenants and conditions regarding the use of such property as the City may deem necessary to prevent the recurrence of substandard and blighted areas.

J. Redeveloper is willing to enter into this Agreement and through a minimum investment of Twenty One Million, Ninety-Eight Thousand, Eight Hundred and Eight and No/100 Dollars (\$21,098,808) to redevelop the Project Site by constructing a new hotel and related building land uses on the Redeveloper Property ("Private Improvements") as shown on the attached Site Plan in Exhibit "A", which is attached hereto and incorporated herein by this reference.

K. In order to help remove blight and substandard conditions and improve conditions in an economically underutilized area, the City is willing to enter into this Agreement and to make grants to the Redeveloper as its agent to be used to carry out the public improvements as described in Paragraph 14 below (collectively "Public Improvements").

L. The Private Improvements and Public Improvements are collectively known as the "Redevelopment Project Improvements" and are generally shown on the Site Plan in Exhibit "A". The costs of the Redevelopment Project Improvements are collectively known as the "Redevelopment Project Costs" and are shown on the Sources and Uses of Funds in Exhibit "C".

which is attached hereto and incorporated herein by this reference. The City and Redeveloper agree that such assistance is deemed essential to the preparation of the Project Site for commercial/office/residential space.

M. The City is willing to support the above described redevelopment of the Project Site in accordance with the Redevelopment Project; provided that, Redeveloper is willing to restrict the use of the Redeveloper Property to certain approved uses and is further willing to agree to covenants and conditions regarding compulsory maintenance and upkeep of the Private Improvements to prevent a recurrence of substandard and blighted conditions; and further provided that, Redeveloper is willing to restrict the use the grants provided hereunder for the sole purpose of design, construction and implementation of the Public Improvements on behalf of the City and in the manner contractually described herein.

N. Pursuant to *Neb Rev Stat* § 18-2147, et seq., the Redevelopment Plan contains a provision which provides that any ad valorem tax levied upon real property in the Redevelopment Project for the benefit of any public body shall be divided, for a period not to exceed fifteen (15) years after the effective date of such provision by the governing body as follows:

- That portion of the ad valorem tax on real property in the Redevelopment Project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the authority to be used solely to pay the principle of the interest on, and any premiums due in connection with the bonds of, loans, notes, or advances of money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such authority for financing or refinancing in whole or in part, the Redevelopment

Said provision is hereinafter referred to as the "Ad Valorem Tax Provision."

O. *Neb. Rev. Stat.* § 18-2107 (2007 Supp) and § 18-2150 (Reissue 1997) authorize the City to provide grants to private parties in order to accomplish rehabilitation or redevelopment of the Project Site in accordance with the Redevelopment Plan. In order to make the grant or grants to the Redeveloper, the City intends to issue tax increment financing indebtedness instrument or instruments in tax exempt and taxable series (collectively "TIF Bond") to be repaid with the tax increment revenues generated under the Ad Valorem Tax Provision ("TIF Tax Revenues").

P. The City and Redeveloper desire to enter into this Agreement to implement the Redevelopment Project for the above purposes and in accordance with the Redevelopment Plan.

Q. The City and Redeveloper mutually agree that the redevelopment of the Project Site is in the vital and best interest of the City and is in furtherance of the health, safety, and welfare of its residents, and is in accordance with the public purposes and provisions of applicable laws and requirements under which the Redevelopment Plan has been undertaken.

Upon completion of the Public Art within the right-of-way of the Project Site, the City shall have the duty and responsibility to maintain and repair in a commercially reasonable manner the Public Art at its own cost and expense.

reference. Subject to Paragraph 28 below, in the event the Redeveloper fails to maintain the A & H Plaza or Facade Upgrade as provided in the Haymarket Improvements Easement and Maintenance Agreement, then the Redeveloper shall reimburse the City the proportionate share (1/15) of the grant funds provided for said A & H Plaza or Facade Upgrade for the year the Redeveloper fails to maintain said improvement.

12. Grant of Funds. In order to support redevelopment of the Project Site and as an inducement for the Redeveloper to construct the Redevelopment Project Improvements, the City agrees, to the extent allowed by law and then only to the extent funds are lawfully available from the issuance of the TIF Bond ("TIF Proceeds") as shown in Exhibit "C", to make a grant or grants to Redeveloper in the total amount of the TIF Proceeds less the City's cost to issue the TIF Bond, subject to reimbursement as provided in Paragraph 20 below for Public Improvements. Redeveloper shall submit authentic and satisfactory documentation to the City to verify the grant was expended on eligible Redevelopment Project Costs. Any ineligible use of the grant shall immediately be repaid to the City.

13. Issuance of TIF Bond. On or after the date of this Agreement, the City shall issue one or more TIF Bond, in one or more tax exempt and taxable series, in the total contracted amount of Two Million Seven Hundred and Seventy-Five Thousand, Five Hundred and Fifty-Two and No/100 Dollars (\$2,775,552.00) for net funds available (collectively "TIF Indebtedness") to be purchased by Redeveloper or Redeveloper's lender ("TIF Bond Purchaser"), in a written form acceptable to Redeveloper's attorney, and receive Bond Proceeds from TIF Bond Purchaser in said amount. The City and Redeveloper agree that the form of the TIF Bond and funding mechanism of the Bond Proceeds may be set up similar to a line of credit so that the TIF Bond Purchaser is required to pay the Bond Proceeds to the City on or before the date the

City needs funds in the Project Account in order for the City to timely make a grant or grants from the Bond Proceeds to the Redeveloper as described herein. In the alternative, the City Finance Director on behalf of the City shall have the authority to determine the actual timing of issuing the TIF Indebtedness and all the other necessary and reasonable details and mechanics of the TIF Indebtedness, TIF Bonds, TIF Tax Revenues, TIF Proceeds, Project Account, and the grants of funds for the costs of the Public Improvements.

14. Use of TIF Proceeds The TIF Proceeds shall be deposited into a fund account ("Project Account") to be used for payment of the City's TIF Bond cost of issuance and the grant or grants of funds for the costs of the Public Improvements. TIF Proceeds shall be expended in the following priority:

FIRST PRIORITY: Reimburse the City for the cost of issuing the TIF Bond, including but not limited to bond counsel fees, fiscal advisory fees, placement fees, capitalized interest, and reserves.

SECOND PRIORITY: Payment of grant or grants to reimburse Redeveloper for costs of the following Public Improvements:

- a. Demolition, salvage and site preparation of the Project Site, including the Redevelopment Project Improvements and the protection of public right-of-ways;
- b. Phase 2 utility work, including extension of cable television within the Project Site, water line improvements, electric line improvements and coordination and screening work with the Phase 1 utility improvements and work as generally shown on Exhibit "B-1" and Exhibit "B-2", which are attached hereto and incorporated herein by this reference, but excluding utility service lines;
- c. Streetscape, including relocating streets, sidewalks, curb and gutters, pedestrian lighting, signage, landscape and irrigation materials and other street

and sidewalk improvements within the Project Site;

d. Construction of public docks within the public right of way along the east side of 8th Street and along the north side of "R" Street, in character with the Haymarket Landmark District;

e. Construction of the A & H Plaza as described in Paragraph 11a. above and as generally shown on Exhibit "B";

f. Reconstruction of 8th Street, from "R" Street to "S" Street, reconstruction of "S" Street, from 8th Street to 9th Street and the reconstruction of the intersection of 8th and "S" Street;

g. Public Facade Upgrade as described in Paragraph 11b. above; and

h. Public Art as described in Paragraph 11c. above.

In the event there is not enough available TIF Proceeds to complete the Second Priority items as shown above, the City Urban Development Director and the Redeveloper shall use their best efforts to agree to modify or reduce the scope, scale, size or phasing of the Second Priority item(s), but not eliminate any Second Priority item, to enable the available TIF Proceeds to fund the modified or reduced Second Priority items. Subject to the preceding sentence, the City Urban Development Director on behalf of the City is hereby authorized to modify or reduce the scope, scale, size or phasing of the Second Priority items, but not eliminate any Second Priority item, to enable the available TIF Proceeds to fund the modified or reduced Second Priority items. Redeveloper agrees that upon receipt of said grant(s) from the City, Redeveloper shall deposit said funds in a separate account(s) that does not include any of the Redeveloper's funds for Private Improvements and pay for said Public Improvements from said separate account(s). The grants are restricted and earmarked for the funding of Public Improvements as described herein and the Redeveloper does not have discretionary judgment over the applications of said grant funds.

15. Monthly Parking; Redeveloper's Rights to Lease. Upon substantial completion of the Private Improvements, the Redeveloper shall have the right to lease up to one hundred (100) parking stalls in the Haymarket Parking Garage for the Private Improvement uses under the parking permits issued by the City at the then current market rate in said Haymarket Parking Garage. The rights granted hereunder shall be similar to the monthly parking rights granted to monthly parkers in City garages and in particular shall be subject to regular and timely payment of the monthly parking charges as the same may from time to time be established or revised by the City. Redeveloper's right to lease parking stalls under this paragraph may be assigned to the tenants of the Redeveloper Property; provided written notice of such assignment is provided to the City. Notwithstanding the foregoing sentence, the Redeveloper understands and acknowledges that the total number of monthly parking stalls permitted by the City in the Haymarket Parking Garage exceeds the physical number of stalls designated for monthly parking as the City uses a shared parking methodology in calculating the overall parking demand. The City's shared parking methodology is based upon national parking garage standards and local market usage and as a result parking is generally available on a regular throughout the day, but on rare occasions, may not available in the Haymarket Parking Garage. Redeveloper's right to lease under this paragraph shall terminate on December 31, 2041. The rights to lease may be exercised by Redeveloper at any time during said term period by providing the City with at least sixty days advance written notice of Redeveloper's decision to exercise such rights to lease. The Redeveloper may request(s) to exercise all or some of the rights to lease initially or at any time during said term period with at least sixty days advance written notice to the City; provided that the City reserves the right not to grant said monthly permit(s) if such request to exercise and grant would cause the Redeveloper to have at any one time monthly parking permits that exceed

100 monthly parking stalls as described in this paragraph. Said rights to lease shall run with the land and benefit the real estate legally described as the Redeveloper Property. Monthly parking stalls will not be assigned within the Haymarket Parking Garage by the City, but the City may, at its option, segregate the location of these stalls devoted primarily to monthly parking from those devoted primarily to hourly parking and the City may designate the most convenient space or area for hourly parking. The Redeveloper will work with the Urban Development Director or his designee to manage these stalls so that the City may maximize the use of the Haymarket Parking Garage.

16. Nights, Weekends, & Events Parking; Redeveloper's Rights to Lease. The Redeveloper and employees and patrons of the Redevelopment Project Improvements shall have the right to park in the City's garage at all times in any of the City's garages, subject to the terms, conditions and restrictions the City may generally imposes from time-to-time on members of the general public which wish to park in these facilities, including the payment of applicable charges for parking. The City shall work with the Redeveloper and its tenants to utilize computer software integrated with the City parking system to facility timely billing and payment of parking charges established by the City. In addition, upon substantial completion of the Private Improvements, the Redeveloper shall have the priority right to lease nights, weekends, & events parking stalls totaling up to the difference between the total number of quest rooms minus one hundred (100), not to exceed fifty (50) nights, weekends, & events parking stalls, within the Haymarket Parking Garage, Market Place Garage, Lumberworks or any future parking garage constructed within the Haymarket for the Private Improvement uses and that is designated by the City for such purpose. The City Urban Development Director or agent, at his or her discretion, will select the closest parking facility to the Redeveloper Property with spaces available to

handle demand and may impose reasonable conditions designed to secure payment of hourly or other charges for spaces in the parking garages on a priority basis, including advance payment for the spaces made available on a priority basis under paragraph. Redeveloper's priority right to lease parking stalls under this paragraph may be assigned by the Redeveloper to the tenants of the Redeveloper Property; provided advance written notice of such assignment is provided to the City. Redeveloper's option to lease spaces on a priority basis under this paragraph shall terminate on December 31, 2041. Charges for these leased stalls also shall be at the then current market rate for nights, weekends, & events parkers in the applicable parking garage(s) that are selected by the City. The priority right granted shall be subject to same conditions, and regular and timely payment of the parking charges as the same may from time to time be established or revised by the City. The priority rights granted to lease spaces under this paragraph may be exercised by the Redeveloper or its assignee on a daily basis utilizing a computer program that is integrated with the City parking system. Said rights to lease shall run with the land and benefit the real estate legally described as the Redeveloper Property. The Redeveloper will work with the Urban Development Director or his designee to manage these stalls so that the City may maximize the use of the City's parking facilities.

17. Valuation of Property Within the Redeveloper Property. The City intends to use the Ad Valorem Tax Provision to generate tax increment financing funds which shall be used to finance the issuance of the TIF Bond and to make the grant or grants to Redeveloper in accordance with this Redevelopment Agreement. The tax increment is to be derived from the increased valuation, determined in the manner provided for in Article 8, Section 12 of the Constitution of the State of Nebraska and the Community Act which will be attributable to the redevelopment contemplated under this Agreement. The TIF Tax Revenues which are to be used to

pay debt service for on the TIF Indebtedness from the sale of the TIF Bond will be derived from the increased valuation from redeveloping the Redeveloper Property as provided in this Agreement Redeveloper agrees not to contest any taxable valuation assessed for the Redeveloper Property and improvements thereon which does not exceed the following values commencing tax year 2011 and continuing for a period of not to exceed fifteen (15) years after the effective date of 2011 or so long as any portion of the TIF Indebtedness with respect to the Redevelopment Project remains outstanding and unpaid, whichever period of time is shorter:

Total	\$17,507,146
-------	--------------

18. Debt Service for TIF Indebtedness. The City shall, to the extent allowed by law, and then only to the extent funds are lawfully available from TIF Tax Revenues, pay the TIF Bond Purchaser the principal of and/or interest on the TIF Indebtedness with interest at a rate not to exceed seven percent (7.0%) per annum. Any debt service on the TIF Indebtedness (including interest) to be paid from TIF Tax Revenues shall not constitute a general obligation or debt of the City. Only costs incurred after the date of this Agreement shall be eligible for payment. The City shall not be liable nor be required to reimburse Redeveloper for any costs incurred by Redeveloper in the event this Agreement is not approved for any reason, including for reasons alleged to be the fault of the City. Any excess TIF Revenues resulting from the Tax Increment Provision on the Redeveloper Property not needed or required to pay the TIF Bond Purchaser for the TIF Indebtedness shall be expended by the City or returned to the applicable taxing authorities as provided in the Community Development Law. Any shortfall in anticipated TIF funds from the Tax Increment Provision for any reason whatsoever, specifically including a decline in taxable valuation of the Redeveloper Property, shall be borne entirely by the Redeveloper without recourse of any kind against the City.

19. Tax Increment Deficiency on Redeveloper Purchased TIF Bond.

A. Redeveloper Purchased TIF Bond. If the Redeveloper purchases the TIF Bond, any shortfall in the TIF Tax Revenues from the Tax Increment Provision for any reason whatsoever, specifically including a decline in taxable valuation of the Redeveloper Property, shall be borne entirely by the Redeveloper without recourse of any kind against the City. To the extent of any deficiency in TIF Tax Revenues from the Ad Valorem Tax Provision for required debt service on the TIF Indebtedness, the Redeveloper as purchaser of the TIF Bond agrees to defer payment of the same for each year that there exists a deficiency during the Tax Increment Period. If Redeveloper is required to defer any such payments, the City shall reimburse all sums deferred if and when TIF Tax Revenues do become available from the Ad Valorem Tax Provision to meet current debt service and reimburse Redeveloper for such deferred payments. In the event the TIF Indebtedness is not retired in full at the end of the Tax Increment Period, any remaining TIF Indebtedness shall be forgiven.

B. Lender Purchased TIF Bond. If Redeveloper's Lender purchases the TIF Bond, any shortfall in the TIF Tax Revenues from the Tax Increment Provision for any reason whatsoever, specifically including a decline in taxable valuation of the Redeveloper Property, shall be borne entirely by the Redeveloper without recourse of any kind against the City. To the extent of any deficiency in TIF Tax Revenues from the Ad Valorem Tax Provision for required debt service on the TIF Indebtedness, the Redeveloper agrees to pay the same upon written request of the City and shall pay the same for each year that there exists a deficiency in such TIF Tax Revenues. If Redeveloper is required to pay any such deficiency, the City shall reimburse all sums

paid by said Redeveloper for such purposes if and when TIF Tax Revenues do become available from the Ad Valorem Provisions to meet current debt service and reimburse Redeveloper for such deficiency payments.

20. Reimbursement of Grants. Subject to Paragraph 28 below, Redeveloper agrees to repay the City the grant or grants of funds provided for in Paragraph 12 above in the event Redeveloper fails to substantially complete the Redeveloper's Private Improvements as provided in Paragraph 10 and, upon such repayment of the of the grant funds, this Agreement shall be null and void in regards to the Redeveloper and the Redeveloper Property.

21. Restriction on Transfer. Redeveloper will not, for a period of fifteen (15) years after the effective date hereof or so long as the TIF Bond remains outstanding whichever period of time is shorter (tax increment period), convey the Redeveloper Property or any portion thereof to any entity which will result in such property being exempt from ad valorem taxes levied by the State of Nebraska or any of its subdivisions

22. Financing Creating Encumbrances Restricted.

a. Prior to completion of Private Improvements, neither Redeveloper, nor any successors in interest with respect to the Redeveloper Property shall engage in any financing or any other transaction creating any Mortgage upon the Redeveloper Property, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attached to any of such Redeveloper Property, except for the purposes of

obtaining funds only to the extent necessary to design, construct, maintain, repair, replace and insure the Private Improvements. Redeveloper or any successor in interest as Redeveloper shall notify the City in advance of any financing secured by Mortgage that it proposes to enter into with respect to Redeveloper Property, and shall promptly notify the City of any Mortgage that has been created on or attached to Redeveloper Property whether by voluntary act of Redeveloper or otherwise. Notwithstanding the above, if any involuntary encumbrance or lien is made on or attached to any of the Redeveloper Property and which is contested by Redeveloper, then Redeveloper may defend against such encumbrance or lien, provided that a sufficient bond or security is posted with the City, Redeveloper's lender to permit Redeveloper to avoid or prevent foreclosure of such encumbrance or lien. In addition, Redeveloper agrees that prior to completion of Private Improvements; any loan proceeds secured by any interest in the Redeveloper Property shall be used solely for the payment of costs and expenses related to the development of the Private Improvements. Redeveloper shall provide a copy of all draw requests and bank approvals related to the Private Improvements to the Director of Urban Development in a timely fashion.

b. In the event that any foreclosure of any Mortgage, deed of trust or other encumbrance should occur prior to the furnishing of the Certificate of Completion or at any time when any casualty damage to the Private Improvements has occurred and has not been fully restored, any party who obtains title to any portion of the Redeveloper Property from or through Redeveloper or the holder of any Mortgage or any other purchaser at foreclosure sale shall be obligated to commence construction or reconstruction within three (3) months from the date of acquisition of title by said party

and to complete construction or restoration within twenty-four (24) months from the date of such acquisition or, in lieu thereof, the holder of any Mortgage or any other purchaser at foreclose sale shall pay to the City the amount necessary to fully retire the TIF Indebtedness within three (3) months from the date of acquisition of title.

c. Notice of Default. Whenever the City shall deliver any notice or demand to Redeveloper with respect to any breach or default by Redeveloper of its obligations or covenants in this Agreement, the City shall at the same time forward a copy of such notice or demand to each Holder of any Mortgage at the last address of such Holder as shown in the records of the Register of Deeds of Lancaster County.

d. Option to Cure. If thirty (30) days after any notice or demand with respect to any breach or default, such breach or default remains uncured, each such Holder shall (and every Mortgage or other instrument of encumbrance made prior to completion of the Private Improvements by Redeveloper or its successors in interest shall so provide) have the right, at its option, to cure or remedy such breach or default and to add the cost thereof to the mortgage debt and the lien of its Mortgage; provided, that if the breach or default is with respect to construction of the Project Site, nothing contained in this section or any other section of this Agreement shall be deemed to permit or authorize.

e. Rights Applicable to Other Forms of Encumbrance (Deed of Trust). The rights and obligations of this Agreement relating to Mortgages of any portion of the Redeveloper Property shall apply to any other type of encumbrance on any of the Redeveloper Property, and any of the stated rights, obligations and remedies of any party relating to mortgage foreclosures shall be applicable to procedures under any deed of trust or similar method of encumbrance

23. Damage or Destruction of Private Improvements. During the construction period, Redeveloper agrees to keep the construction area, including completed operations insured against loss or damage by fire, and such other risks, casualties, and hazards as are customarily covered by builders' risk or extended coverage policies in an amount not less than the replacement value but allowing for reasonable coinsurance clauses and deductibles. In the event of any insured damage or destruction, Redeveloper agrees to restore the Private Improvements to its prior condition within twelve (12) months from the date of the damage or destruction, and shall diligently pursue the same to completion. In the event Redeveloper fails to restore the same for any reason, Redeveloper shall pay to the City the amount of tax increment received by the City in the preceding year times the number of years remaining in the Tax Increment Period. During the tax increment period, Redeveloper shall include by restrictive covenant an enforceable obligation on the Redeveloper or other owner or tenant in possession to maintain property insurance on an extended coverage all-risk basis in an amount not less than the replacement value, allowing for reasonable coinsurance clauses and deductibles and also subject to the Redeveloper or other owner or tenant's obligation to restore the Private Improvements to its prior condition within twelve (12) months from the date of the damage or destruction, diligently pursuing the same to completion.

24. Condemnation. If during the Tax Increment Period, all or any portion of the Redeveloper Property is condemned by a condemning authority other than the City, and the condemning authority or its successor in interest would not be obligated to pay real estate taxes upon that portion condemned, the City shall be entitled to claim against the Condemner an interest in the property equal to the present value of the pro rata share of tax increment indebtedness outstanding as of the date of taking.

25. Representations. Redeveloper represents and agrees that its undertakings, pursuant to this Agreement, have been, are, and will be, for the purpose of redevelopment of Project Site and not for speculation in land holding.

26. Restrictions on Assignments of Rights or Obligations. Redeveloper represents and agrees that prior to completion of the Private Improvements provided for above there shall be no sale or transfer of the Redeveloper Property or assignment of Redeveloper's rights or obligations under this Agreement to any party without the prior written approval of the City (which shall not be unreasonably withheld, conditioned, or delayed), other than mortgages and involuntary transfers by reason of death, insolvency, or incompetence. The City shall be entitled to require, as conditions to any required approval, that:

a. Any proposed transferee shall have the qualifications and financial responsibility, as determined by the City, necessary and adequate to fulfill the obligations undertaken in this Agreement by Redeveloper; and

b. Any proposed transferee, by instrument satisfactory to the City and in form recordable in the Office of the Register of Deeds, shall for itself and its successors and assigns and for the benefit of the City, have expressly assumed all of the obligations of Redeveloper under this Agreement; and

c. There shall be submitted to the City for review, not less than ten (10) days prior to the proposed execution thereof, all instruments and other legal documents involved in the transfer or described in this Agreement; and if disapproved by the City, its disapproval and reasons therefore shall be indicated to Redeveloper in writing.

27. Representations and Warranties of Parties

a. Redeveloper represents and warrants to City as follows.

ii. Authority Relative to Agreement. This Agreement has been duly executed and delivered by Redeveloper and constitutes a legal, valid and binding obligation of Redeveloper, enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, or other laws affecting the enforcement of creditor's rights generally, or by judicial discretion in connection with the application of equitable remedies.

of the City, enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, or other laws affecting the enforcement of creditor's rights generally, or by judicial discretion in connection with the application of equitable remedies.

31. Agreement to Pay Taxes. Redeveloper agrees to pay all real property taxes levied upon the Redeveloper Property and Private Improvements prior to the time the taxes become delinquent. This contractual obligation to pay such taxes prior to delinquency shall cease upon expiration of the Tax Increment Period, but the City in no way waives the statutory obligation to continue to pay real estate taxes. This provision shall not be deemed a waiver of the right to protest or contest the valuation of the lots or improvements for tax purposes.

32. Rights and Remedies Cumulative The rights and remedies of the parties to this Agreement shall be cumulative and the exercise by either party of anyone or more remedies shall not preclude the exercise by it of any other remedies for any other default or breach by the other party.
