in the City of Sioux City, State of Iowa; and

WHEREAS, the City Council of the City of Sioux City finds and declares that there exist in the City areas of slum and blight which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the City; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous municipal burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests the sound growth of the City, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blighted areas is a matter of City policy and concern in order that the City shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency and consume an excessive proportion of City revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services and facilities.

WHEREAS, there has been prepared and referred to the Plan and Zoning Commission of the City of Sioux City for review and approval Amendment No. 1 to the urban renewal plan for the Eastland Urban Renewal Project Area, consisting of 13 pages, one appendix, and 4 maps identified as "Exhibit A" and by this reference made a part hereof; and

WHEREAS, the Project Area, which is predominantly residential in character, is to be conserved for predominantly residential uses under Amendment No. 1 to the Eastland Urban Renewal Plan; and

WHEREAS, a general plan has been prepared and is recognized and used as a guide for the general development of the City as a whole; and

ROLL 482 image 2057

WHEREAS, the City's Plan and Zoning Commission, which is the duly designated and acting official planning body for the City, has submitted to the City Council its report and recommendation respecting Amendment No. 1 to the Eastland Urban Renewal Project Area Plan for the Project area and has certified that the urban renewal plan conforms to the general plan for the City as a whole, and the City Council has duly considered the report, recommendation, and certification of the planning body; and

f

WHEREAS, the Urban Renewal Plan for the Project Area prescribes certain land uses for the project area and will require among other things, changes in the zoning, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public actions; and

WHEREAS, the City of Sioux City held the consultation between the affected taxing bodies on February 7. 2001, as required Section 403.5, of the Code of Iowa, and as provided by the statute, the consultation could have included a discussion of the estimated growth in valuation of taxable property included in the proposed urban renewal area, the fiscal impact of the division of revenue on the affected taxing entities, the estimated impact on the provision of services by each of the affected taxing entities in the proposed urban renewal area, and the duration of any bond issuance included in the plan; a response to the questions raised and written questions received has been sent to representatives of the affected taxing bodies; and

WHEREAS, the City of Sioux City has prepared a program for the relocation of individuals and families that may be displaced as a result of carrying out the Project in accordance with the Urban Renewal Plan, this plan is the City's "Residential Anti-Displacement and Relocation Assistance Plan"; and

WHEREAS, the City Council has held a public hearing on Amendment No. 1 to the Eastland Urban Renewal Project Area Plan after publication of notice thereof as prescribed by law.

NOW, THEREFORE, BE, AND IT IS HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF SIOUX CITY, IOWA:

- 1. That it is hereby found and determined that the Project is a slum and blighted area and qualifies as an eligible Project Area under Chapter 403 of the Code of Iowa.
- 2. That the Amendment No. 1 to the Eastland Urban Renewal Project Area Plan, a copy of which is attached hereto and by this reference incorporated herein, having been duly reviewed and considered, is hereby approved, and the City Clerk be and is hereby directed to file said copy of Amendment No. 1 to the Eastland Urban Renewal Project Area Plan with the minutes of this meeting.
- 3. That it is hereby found and determined that the objectives of the Urban Renewal Plan cannot be achieved through more extensive rehabilitation of the Project Area.
- 4. That it is hereby found and determined that Amendment No. 1 to the Eastland Urban Renewal Project Area Plan conforms to the general plan of the City of Sioux City.

- ROLL 482 IMAGE 20585. That the redevelopment of the Urban Renewal Area for predominately residential uses is necessary for the proper development of the community.
- 6. That it is hereby found and determined that Amendment No. 1 to the Urban Renewal Plan for the Eastland Urban Renewal Project Area will afford maximum opportunity, consistent with the sound needs of the City as a whole, for the urban renewal of the area by private enterprise.
- 7. That such residential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives.
- 8. That, in order to implement and facilitate the effectuation of the Urban Renewal Plan hereby approved, it is found and determined that certain official action must be taken by this body with reference, among other things, to changes in zoning, the vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action, and, accordingly, this City Council hereby (a) pledges its cooperation in helping to carry out the Urban Renewal Plan; (b) requests the various officials, departments, boards, and agencies of the City of Sioux City having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the Urban Renewal Plan; and (c) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the Urban Renewal Plan.

#### NATURE OF AMENDMENT

## ROLL 482 IMAGE 2061

This first amendment to the Eastland Urban Renewal Plan seeks to remove that portion of the Eastland Urban Renewal Project Area that is being incorporated into the Greenville Urban Renewal Project Area. The area being removed is a portion of the Eastland Urban Renewal Project Area mostly laying between Alice Street/South Alice Street and Martha Street/South Martha Street. This portion also will be removed from the Eastland Tax Increment District.

#### 1. <u>Amendment Objectives</u>.

This Amendment is intended to decrease the area of the existing Eastland Urban Renewal Area by adding deleting that portion described as follows:

Beginning at the point of intersection the center line of South Alice Street and the South line of Correctionville Road; thence East along said South line of Correctionville Road to the Northwest corner of Lot 10, Block 2, Hedges Table 2<sup>nd</sup> Addition; thence South along the West line of said lot to the Southwest corner of said Lot 10; thence Southeast to the Northwest corner of Lot 11, Block 2, Hedges Table 2<sup>nd</sup> Addition, to the South line of the East-West alley in said Block 2; thence East along the South line of the East-West alley to the East line of South Cornelia Street; thence North along the East line of South Cornelia Street to the point of intersection with the South line of Correctionville Road; thence East along said South line of Correctionville Road to the East line of South Martha Street; thence North along the East line of South Martha Street and Martha Street to the point of intersection with the north line of the South Half of the South Half of Section 26, Township 89 North, Range 47 West; thence West along said North line to the point of intersection with the center line of Alice Street; thence South along said center line of Alice Street and South Alice Street to the point of intersection with the center line of Correctionville Road; thence East along said center line of Correctionville Road to the center line of South Alice Street; thence South along said center line of South Alice Street to a point of intersection with the South line of Correctionville Road, said point being the point of beginning.

This Amendment is intended to remove a portion of the existing Eastland Urban Renewal Area so that it can be incorporated into the Greenville Urban Renewal Project Area. This area, when incorporated in the Greenville Urban Renewal Project Area is not intended to be a part of a tax increment district.

#### 2. <u>Tax Increment Continuation</u>.

The division of taxation authorized by Iowa Code Section 403.19 and the separation of incremental taxes as defined in Subsection 2 of that Section have been implemented in the existing Eastland Urban Renewal Area. Under the terms of this Amendment the tax increment mechanisms of the Eastland Urban Renewal Area, as amended, also shall be implemented subject to the provisions of a revised Chapter 3.12 of the Municipal Code of the City of Sioux City, with respect to the division of taxes levied and, and when collected shall be applied, subject to such liens and priorities as may exist or be from time to time provided, with respect to the Eastland Urban Renewal.

#### B. PROJECT DESCRIPTION - Eastland

#### 1. Boundaries of the Eastland Urban Renewal Project.

#### 2. Statement of Development Objectives:

The plan is intended to strengthen the economy, alleviate and prevent conditions of unemployment, stimulate the development of Sioux City by the encouragement and assistance of industrial and commercial enterprises within the renewal area and to encourage development activities consistent with the needs of the project area and the City as a whole. Since residen-

## ROLL 482 image 2063

tial development is a part of the economic vitality of the City, the plan encourages utilization of this element of the economy to meet these objectives.

In accordance with the above primary purposes, the Plan is intended to accomplish the following objectives:

- a. Provide a comprehensive framework for the development of the Eastland Urban Renewal Project area of Sioux City in a manner consistent with sound planning principles and the overall public good.
- b. Increase employment in the area.
- c. Foster economically sound development consistent with the needs of the city as a whole.
- d. Provide for the installation of an efficient street and utility system designed to serve the specific needs of the area.
- e. Provide for the modification of traffic patterns and the construction of public improvements necessary to support the proposed renewal program.
- f. Develop residential land uses on sites appropriate for home construction.
- g. Improve the livability of the residential environment through development and expansion of public spaces and shopping areas.
- h. Provide for the orderly expansion of public and semi-public uses determined to be necessary to reinforce the viability of the residential neighborhood.
- i. Encourage the use of good architectural and landscape design in the project area.
- 3. <u>Types of Proposed Renewal Actions</u>.

Proposed renewal actions in the Eastland Urban Renewal Project area may consist of a combination of the following activities:

- a. Acquisition of properties and buildings.
- b. Demolition of buildings and related site clearance.
- c. Disposition and redevelopment/development of property.
- d. Relocation of families, individuals and businesses.
- f. Rehabilitation and conservation of existing industrial and commercial enterprises.
- g. Rehabilitation and conservation of existing housing stock.
- h. Redevelopment and/or development of commercial and industrial facilities and residential uses through the location or expansion of these enterprises within the project area.
- i. Vacation and dedication of public rights-of-way and easements.
- j. Construction or reconstruction of streets, curbs, gutters or other public improvements.
- k. Provision of financial assistance for development purposes in order to further the City's development objectives.

ROLL 482 HAGE 2064Provision of financial assistance for development purposes in order to further the City's development objectives.

The above actions are necessary to implement the objectives of this Urban Renewal Plan. C. <u>LAND USE PLAN</u>

1. <u>Proposed Land Use</u>.

1.

The proposed land uses for the Eastland Urban Renewal Project Area are residential, commercial, industrial, agricultural/open undeveloped, multi-family residential/office, public, and semi-public uses.

- 2. Land Use Provisions.
  - a. <u>Statement of Permitted Uses</u>.

The land use provisions of this Plan are established in order to:

- 1) Guide and regulate the orderly development of the Eastland Urban Renewal Project Area in accordance with the objectives and standards deemed beneficial to the interest and welfare of the people;
- 2) Promote, in the public interest, the use of land for the purposes for which it is best adapted;
- 3) Regulate and limit the height, bulk and density of buildings; and
- 4) Regulate and limit the intensity of use of the land area.

To achieve these ends, the Sioux City Zoning Ordinance as it is amended from time to time, is adopted by this Plan as the full and complete compilation of land use provisions, parking requirements and space limitations for the Eastland Urban Renewal Project area. These land use provisions may be amended or varied as set out in the Zoning Ordinance.

b. <u>Regulations, Controls and Restrictions</u>.

The following regulations and controls pertaining to the utilization of the land and buildings within redevelopment areas are established as minimum requirements necessary to protect the intent of this Plan and the general welfare of the community. The regulations and controls are intended to form the framework by which high standards of design and development can be assured and are <u>not</u> present as limitations on the flexibility or imaginative use or architectural, landscaping or planning concepts.

1) Compliance with the applicable provisions of all prevailing codes and ordinances of the City of Sioux City and the State of Iowa, relating to the use and occupancy of property, as amended, include but are not limited to:

Zoning Ordinance, Title 25, as amended, Municipal Code of Sioux City.

Building Code, Chapter 20.04, as amended, Municipal Code of Sioux City.

Electrical Code, Chapter 20.08, as amended, Municipal Code of Sioux City.

Plumbing Code, Chapter 20.14, as amended, Municipal Code of Sioux City.

<u>Minimum Housing Standards</u>, Title 21, as amended, Municipal Code of Sioux City.

ROLL 482 IHAGE 2065Subdivision Regulations, Title 24, as amended, Municipal Code of Sioux City.

<u>Fire Prevention Code</u>, Chapter 19.04, as amended, Municipal Code of Sioux City.

Sign Regulations, Chapter 4.36, as amended, Municipal Code of Sioux City.

Sign Regulations, Chapter 4.36, as amended, Municipal Code of Sioux City, except as may be modified on a sight plan as part of a development agreement approved by the city.

- 2) General Controls
  - a) Automatic Fire Extinguishing Systems
    - All non-residential buildings or structures erected or moved within or into the Eastland Urban Renewal Project area shall be equipped throughout with an automatic fire extinguishing system complying with current building codes and as approved by the City. The City may waive or modify these requirements when there shall be a separate building or structure not greater than 300 square feet in area and its use is an accessory use to a principal permitted use of the structure on that property or property immediately adjacent thereto.
    - Types of Construction. Non-residential buildings or structures to be erected, constructed, moved within or into the Eastland Urban Renewal Project area shall be only of Type I, II, III-H.T., III-One-Hour or IV-One-Hour construction and shall meet the requirements of the current Building Code unless otherwise approved by the City.

#### b) Parking Lots:

- i) Surface parking lots should be well maintained with all-weather paving surfaces such as bituminous or concrete paving. Use of dirt, gravel, cinder or other loose materials is prohibited.
- Parking lots and approaches shall be lighted at night to provide traffic safety, security, convenience and comfort to the user. Illumination shall be uniform over the parking area at a minimum of 0.5 footcandle for an elevation of 3 feet 6 inches above grade. Spill light and glare on adjacent properties shall not be permitted.

#### D. <u>PROGRAM ACTIVITIES</u>

- 1. Conservation and Rehabilitation.
  - a. <u>Methods to be employed in achieving rehabilitation or conservation:</u>
    - 1) A continuing and vigilant enforcement within the Eastland Urban Renewal Project Area of the applicable laws, codes, ordinances, and regulations of the City of Sioux City and the State of Iowa.
    - 2) Properties not presently designated for clearance may be rehabilitated.

- ROLL 482 image 2066
- 3) Owners will be required to maintain, improve, or demolish their properties in accordance with the applicable laws and regulations.
- Rehabilitation Goals.

b.

All non-acquired structures in the project area must:

- 1) Comply with the Minimum Housing Standards, Building Code, Zoning Ordinance and all other pertinent codes of the City of Sioux City and the State of Iowa relating to the use and occupancy of existing property and structures.
- 2) Upon completion of rehabilitation, each activity must be safe and sound in all physical respects and be refurbished and altered so as to bring the property to a desirable market condition. Although the precise rehabilitation specifications will be determined in each instance so as to meet these recited goals, the following factors will govern the scale and scope of the rehabilitation activity:
  - a) Characteristics of the arrangement, design, finish, equipment, and other building features.
  - b) Improving elements of the functional adequacy and occupancy of the individual properties.
  - c) The economic feasibility of rehabilitating the property.

#### c. <u>Rehabilitation Standards</u>.

 Compliance with the applicable provisions of all prevailing codes and ordinances of the City of Sioux City and the State of Iowa, relating to the use and occupancy of property as amended, including but not limited to:

Zoning Ordinance, Title 25, as amended, Municipal Code of Sioux City.

Building Code, Chapter 20.04, as amended, Municipal Code of Sioux City.

Electrical Code, Chapter 20.08, as amended, Municipal Code of Sioux City.

<u>Plumbing Code</u>, Chapter 20.14, as amended, Municipal Code of Sioux City.

Minimum Housing Standards, Title 21, as amended, Municipal Code of Sioux City.

<u>Subdivision Regulations</u>, Title 24, as amended, Municipal Code of Sioux City.

Fire Prevention Code, Chapter 19.04, as amended, Municipal Code of Sioux City.

Sign Regulations, Chapter 4.36, as amended, Municipal Code of Sioux City, except as may be modified on a sight plan as part of a development agreement approved by the city.

2)

#### Maintenance of Exterior of Premises.

The exterior of the premises and of all structures thereon shall be kept free of all nuisances, and any hazards to the safety of occupants, pedestrians and other persons utilizing the premises, and free of unsanitary conditions and any of the foregoing shall be promptly removed and abated by the owner or operator. The premises shall be kept free of all hazards.

ROLL 482 IMAGE 2067

#### 2. <u>Redevelopment/Development by the City</u>

a. <u>Acquisition of Real Property by Private Interests</u>.

It is generally expected that real property is to be acquired by private interests for residential, multi-family residential/office, industrial and commercial enterprises within this area.

Although the City has the right to acquire any interest in real property, including fee simple title, deemed necessary for or in connection with an Urban Renewal Project, the City does not expect to do so unless the financial viability of a project within such Project Area would be threatened without such assistance.

- b. <u>Property may be acquired in the event:</u>
  - 1) The property is necessary to achieve the desired land use objectives of this Plan; or
  - 2) The property is necessary to secure the financial viability of an economic development project; or
  - 3) The private retention of such property does not meet the objectives of this Plan; or
  - 4) The deterioration, damage, or lack of maintenance of the property makes such property a blighting influence; or
  - 5) The use of property brings such property out of conformance with this Plan. Non-conforming uses acquired will be disposed of free of the non-conforming use and subject to existing zoning.

#### c. <u>Development Proposals</u>.

1) Review of Proposals

In order to insure consistency among development plans the City has the right to review and approve or reject proposals as provided for in existing ordinances.

2) Developer's Obligations.

The following controls on development are hereby imposed and shall apply notwithstanding the provisions of any zoning or building ordinance or other regulation now, or hereinafter in force, and shall be implemented by appropriate covenants or other provisions in disposition instruments.

a) The developer and his heirs, successors or assigns shall devote such land to the uses specified in this Plan for such area and shall not devote such land to any other uses.

- ROLL 482 IHAGE 2668 b) Developers shall begin and complete the development of such land for the uses required in this Plan within a reasonable time, to be specified in disposition documents.
  - No covenant, agreement, lease, conveyance or other instrument shall be effected or executed by the City of Sioux City or by the purchasers or lessees from it (or by any successors in interest in such purchasers or lessees), by which land or improvements in the project area is restricted as to sale, lease, rental, or use or occupancy upon the basis of race, color, religion, sex or national origin. Neither the City of Sioux City nor any of its assigns nor any purchasers or lessees from it nor any successors in interest to such purchasers, or lessees shall discriminate on the basis of race, color, religion, sex, or national origin in the sale, lease, or rental or in any use and occupancy of land or improvements erected or to be created thereon or any part thereof, in the project area.
- d) Redevelopers shall be responsible for all finished grading, all on-site improvements and utilities service installations as necessary for proper site development as determined by the City of Sioux City.
- e) Disposition shall include prohibitions against land speculation and require compliance with all state and local laws in effect from time to time.

#### 3. <u>Relocation - Federally Assisted Activities</u>.

c)

- a. The City of Sioux City is required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, to make relocation payments to eligible persons and businesses.
- b. Persons or businesses displaced in accordance with the applicable rules and regulations by Federally assisted activities shall be eligible for relocation payments under this act.

#### E. <u>OTHER PROVISIONS</u>

#### 1. Zoning

Zoning changes, if required, shall be timed and carried out to achieve the optimum support and protection of project development and rehabilitation consistent with City land use policies.

2. Other Actions Necessary

Street vacations and dedications shall be accomplished by separate actions in accordance with state law and local ordinances.

3. Duration of Incremental Tax Division

The division of incremental taxes authorized by Section 403.19, Code of Iowa, shall continue for such period as shall be required to permit the City of Sioux City to be reimbursed in full for the principal of and interest on all loans, monies advanced to, indebtedness, whether funded, refunded, assumed or otherwise, including bonds issued under the authority of Section 403.9 of the Code of Iowa and Section 403.12 of the Code of Iowa incurred by the City of Sioux City, Iowa, to finance or refinance in whole or in part the Eastland Urban Renewal Plan. The Urban Renewal Plan shall be terminated only by action of the City Council upon public notice and hearing in the manner and form required for the adoption of an Urban Renewal Plan, and only at such time as no bonds or other obligation which, by their terms, are payable from incremental taxes with respect to the Urban Renewal Project, whether separately or combined, remain outstanding.

4.

#### **Exclusion From Taxation During Construction**

In order to provide for the exclusion from taxation of value added to real estate during the process of construction for development or redevelopment in the Eastland Urban Renewal Project Area, the City of Sioux City has established such an exclusion by the adoption of this urban renewal plan. This exclusion is not limited as to the scope of exclusion, territory, or class of property affected. The value added during construction shall not be eligible for exclusion from taxation for more than two years and the exclusion shall not be applied to a facility which has been more than eighty percent completed as of the most recent date of assessment. Only those taxes levied against assessments made during the construction of the development or redevelopment are intended to be eliminated by this provision.

#### 5. <u>Applicability of Plan Controls</u>

The regulations and controls of this plan shall be directly applicable to all property which is not acquired when the owner thereof acquires adjacent project land.

Properties within the conservation sections of the Eastland Urban Renewal Area, which are not to be acquired, must comply with the applicable rehabilitation property requirements of the Plan. Such requirements shall be imposed by one or more, but not limited to, the following methods:

- a) Enforcement and application of the laws and regulations of the City of Sioux City and the State of Iowa.
- b) By separate written agreements.
- c) By the exercise of the power of Eminent Domain.

#### 6. Land Disposition Supplement

Land Disposition Supplements will be added to the Plan by amendment in accordance with the Iowa Urban Renewal Law as parcels are scheduled to be available for sale.

#### 7. <u>Procedure for Changes in Approved Plan</u>

Adjustments or modifications resulting from experience during project execution are authorized in the administration of this project, provided that the intent of this approved Urban Renewal Plan is not changed. Any modification or adjustment which substantially changes the approved Urban Renewal Plan will be subject to the same requirements and procedures by which this Plan was originally approved.

### <u>APPENDIX 1</u>

### ADDITIONAL STATUTORY REQUIREMENTS

Recent statutory requirements necessitate that information and material regarding the City's current general obligation debt, the current constitutional debt limit applicable to the City, and the proposed amount of tax increment indebtedness anticipated be included in this urban renewal plan.

To meet these requirements the schedules on pages 2 and 3 have been included. On page 2 the City's Debt Capacity from FY 1985 through FY 2001 is shown, including an estimate of the "Unused Debt Capacity After Bond Issue and Principal Pmts.

On page 3 the "Eastland Tax Increment Fund 424" schedule sets out the estimates of utilization of tax increment funds through 2011.
