1. Membership. Every owner of any Unit which is subject to Common Expense Assessments shall be a Member of the Association. The foregoing is not intended to include Persons who hold only a Security Interest. Membership shall be appurtenant to and may not be separated from ownership of any Unit which is subject to Common Expense Assessments by the Association. Ownership of such Unit shall be the sole qualification for membership. Where there is more than one (1) record owner of a Unit ("co-owners"), all of these co-owners shall be Members and may attend any meeting of the Association, but only one (1) of those co-owners shall be entitled to exercise all of the votes to which the Unit is entitled.

2. Voting Rights and Assignment of Votes. The effective date for assigning votes to Units created pursuant to this Declaration shall be the date on which this Declaration is recorded in the records of the Register of Deeds of Douglas County, Nebraska.

3. Allocated Interests. The undivided interest in the Common Elements, Common Expense Liability, and votes in the Association shall be allocated among the Unit Owners as follows:

No Unit Owner may change the appearance of any exterior doors without prior written approval by the Architectural Control Committee.

(b) All of the decorating within such Unit Owner's Unit (initially and thereafter from time to time), including, but not limited to, painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lamps and other furnishings and interior decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the common walls and the interior surfaces of the vertical perimeter walls, floors and ceiling of such Unit Owner's Unit, and such Unit Owner shall maintain such portions in good condition at his or her sole expense as may be required from time to time. Each Unit Owner who shall elect to alter such Unit Owner's Unit by installing in any portion of that Unit (other than in bathrooms) hard surface floor covering (i.e., tile, slate, ceramic, parquet, etc.) shall be first required to install a sound absorbent undercushion of such kind and quality as to prevent the transmission of noise to another Unit or as may otherwise be required by the Association. The Executive Board may, in addition to exercising all of the other remedies provided for in this Declaration for breach

of any of the provisions hereof, require such Unit Owner to cover all non conforming work with carpeting, or may require removal of such non conforming work, at the expense of the offending Unit Owner. The interior surfaces of all windows forming part of a perimeter wall of a Unit shall be cleaned or washed by and at the expense of each respective Unit Owner. The use of and the covering of the interior surfaces of such windows, whether by draperies, shades, or other items visible on the exterior of either of the Building, shall be subject to the rules and regulations of the Executive Board as may be imposed from time to time, which shall provide for notice to the management company prior to any such installation and the management company's approval of the method of installation prior to any such installation.

(c) All of the maintenance, repair, and replacements of the Limited Common Elements benefiting such Unit Owner's Unit, in whole or in part, except to the extent as otherwise directed by the Executive Board or as is otherwise provided herein. In addition, each Unit Owner shall be individually responsible for the repair, maintenance and replacement of all door and window locks and hardware with respect to which each Unit Owner is entitled to the exclusive use. At the discretion of the Executive Board, the Executive Board may perform, or cause to be performed, such maintenance, repairs, and replacements of the Limited Common Elements and the cost thereof shall be assessed in whole or in part to the Unit Owners benefited thereby, and further, at the discretion of the Executive Board, the Executive Board may direct such Unit Owners, in the name and for the account of such Unit Owners, to arrange for such maintenance, repairs, and replacements, to pay the cost thereof with the funds of the Unit Owner, and to procure and deliver to the Executive Board such lien waivers and contractor's or subcontractor's sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom.

ARTICLE VIII. ASSESSMENTS.

1. Covenant for Assessments. Each Unit Owner of a Unit, other than the Declarant, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed or other conveyance instrument, is deemed to covenant and agree to pay to the Association its percentage share of all general and special condominium assessments levied by the Executive Board for Common Expenses pursuant to this Declaration. Such assessments, together with such interest and late charges thereon and costs of collection thereof (including reasonable attorneys' fees), as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Unit against which each such assessment is made, subject to Article XV hereof. Each such assessment, together with such interest, late charges and costs of collection, shall also be the personal obligation of the person who was the Unit Owner of such Unit at the time when the assessment fell due. Except as otherwise provided in this Declaration, such personal obligation shall pass to such Unit Owner's successors in title if not fully discharged by the transferor Unit Owner prior to any transfer of such Unit. In addition to the annual assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair, maintenance or replacement item not contemplated in the annual budget. The foregoing special assessments may be levied notwithstanding the fact that the Association may have then accumulated a reserve. To the extent that the Declarant retains ownership of Units and the amounts of the assessments collected pursuant to this section are not sufficient to pay the Common Expenses, the Declarant will be responsible for any deficiency; provided, however, that the foregoing is not intended to relieve any Unit Owner from responsibility for paying

assessments levied against its Unit(s). Upon acquisition of record title to a Unit from the Declarant, each Purchaser of a Unit shall contribute to the working capital fund of the Association an amount equal to three (3) months of the then current monthly assessment for such Unit as determined by the Executive Board. This amount shall be deposited by the Purchaser of such Unit into an escrow established in connection with the closing of the purchase and sale of the Unit and disbursed therefrom to the Association, which shall hold such funds for the use and benefit of the Association. The Declarant shall have no obligation to make contributions to the working capital fund, provided that the foregoing shall not relieve Declarant of its obligation to pay assessments relating to periods while it retains ownership of Units. The purpose of the working capital fund is to ensure that the Executive Board will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Executive Board.

2. Purpose and Use of Assessments. The assessments levied pursuant to this Declaration shall be used for the purpose of promoting the health, safety and welfare of the residents or occupants of the Property and in particular for the improvement and maintenance of the Property, services and facilities devoted to this purpose and related to the use and enjoyment of the Property, and of the Units situated upon the Property, and for such other purposes as may be described in this Declaration. Such uses shall include, but are not limited to, the cost to the Association of any and all insurance premiums with respect to, and the expense of operation, repair, replacement and maintenance of, the Building and other facilities and activities, including, but not limited to, caring for the grounds, landscaping, paving, equipment, sanitary and storm sewer and water service lines which service the Condominium, structures and appurtenances (other than facilities and activities maintained by any governmental authority or utility company), the expenses incurred by the Executive Board in performing its activities authorized hereunder, the expenses incurred by the Committees in performing their respective activities authorized hereunder and other charges required by this Declaration or that the Executive Board shall determine to be necessary or desirable to meet the primary purpose of the Association. In addition, water, waste removal and/or any utilities which are not separately metered or otherwise directly charged to individual Unit Owners shall be paid for by the Association from such assessments. The Executive Board reserves the right to levy additional assessments against any Unit Owner to reimburse it for excessive use by such Unit Owner of any utility or other service. The Executive Board shall, pursuant to Section 76-844(c) of the Act, have the power and authority to assess any Common Expenses benefiting fewer than all of the Units exclusively against the Units benefited thereby.

3. Annual Common Expense Assessments. The total annual Common Expense Assessments against all Units shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Common Expenses Assessments year.

4. Budget. The Executive Board shall fix the amount of the annual Common Expense Assessments against each Unit at least annually. Adjustments to the budget may be made by the Executive Board more frequently. Written notice of the Common Expense Assessments shall be sent to every Unit Owner subject thereto. After the first budget year of the Association, within thirty (30) days after adoption of a proposed budget for the Condominium, the Executive Board shall mail by ordinary first-class mail, or otherwise deliver a summary of the budget to all Unit Owners and shall set a date for a meeting of the Unit Owners to consider ratification of the budget. The meeting shall be not less than fourteen (14) nor more than thirty (30) days after mailing or other delivery of the summary. Unless at that meeting a

majority of all Unit Owners reject the budget, the budget shall be ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the Unit Owners shall continue until the Unit Owners ratify a new budget proposed by the Executive Board. The failure or delay of the Executive Board to give notice to each Unit Owner of the annual budget shall not constitute a waiver or release in any manner of such Unit Owner's obligation to pay such Unit Owner's respective monthly assessment, as herein provided, whenever the same shall be determined, and in the absence of the annual or adjusted budget, the Unit Owner shall continue to pay monthly assessment at the then existing monthly rate established for the previous period until the monthly assessment which is due more than ten (10) days after notice is given of such new annual budget.

5. Special Assessments. In addition to the Common Expense Assessments authorized above, the Association may at any time, from time to time, determine, levy and assess Special Assessments for the purpose of defraying in whole or in part, payments for any construction reconstruction, repair, demolition, replacement or maintenance of the Common Elements or for Capital Improvements. Any such Special Assessments made by the Executive Board must be approved by not less than Seventy-Five Percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for that purpose. The amounts determined, levied and assessed pursuant hereto shall be assessed proportionately against each Unit, in accordance with Article IV, Paragraph 3. Notice in writing setting forth the amount of such Special Assessments per Unit and the due date for payment thereof shall be given to the Unit Owners not less than thirty (30) days prior to such due date.

6. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than ten (10) nor more than thirty (30) days in advance of the meeting. The required quorum at the meeting shall be Fifty Percent (50%) of all votes of the membership and at least one (1) elected officer (whose presence may be counted as part of the 50%).

7. Rate of Assessment. Both annual Common Expense Assessments and Special Assessments shall be fixed at a uniform rate for all Units, in accordance with paragraph 4 above.

8. Payment of Assessments. Assessments shall be collected monthly, or at such other intervals as determined by the Executive Board, but in no event less than annually. The due dates shall be established by the Executive Board. Payment for Assessments shall be delinquent if not received on or before the tenth (10th) day after the due date. The Executive Board may establish and charge a late fee for failure to pay Assessments when due. The Executive Board shall fix the amount of the annual assessment against each Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.

9. Date of Commencement: Annual Common Expense Assessments. The Assessments provided for herein shall commence as to all Units on the first day of the month following the conveyance of a Unit by the Declarant to a Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year.

10. Assessments Deposit. Upon the sale, transfer, or conveyance of a Unit, the Purchaser or transferee of the Unit shall deposit with the Association as an Assessments

Deposit an amount equal to three (3) months of the then current monthly assessment for such Unit as determined by the Executive Board ("Assessments Deposit") . This amount shall be deposited by the Purchaser of such Unit into an escrow established in connection with the closing of the purchase and sale of the Unit and disbursed therefrom to the Association. If, at anytime, an Owner is in default in the payment of any Assessments due to the Association, the Association may use the Assessments Deposit deposited by such Owner, or as much thereof as necessary, to pay any delinquent amount owed to the Association and to reimburse the Association for any expenses incurred by the Association in collecting delinquent Assessments from the Owner. In such event the Owner shall, upon written demand of the Association, promptly remit to the Association a sufficient amount of cash to restore the Assessments Deposit to its original amount. If the Assessments Deposit is not used to make delinquent payments, it shall be refunded without interest to the Owner upon the sale of the Owner's Unit. The Association may commingle the Assessments Deposit with other funds of the Association and shall have no obligation to retain the Assessments Deposit in a separate account or pay interest thereon. The Assessments Deposit shall not be deemed to be liquidated damages, and if claims of the Association against an Owner exceed the Assessments Deposit, the Owner shall remain liable for the payment of the balance of such claims to the Association.

ARTICLE IX. ASSOCIATION'S LIEN.

1. Association Lien and Effect of Non-Payment of Assessments. The Assessments including all charges, fees, Fines, impositions, interest, costs, late charges, expenses and reasonable attorneys' fees which may arise under the provisions of this Declaration, also including any installment thereof (collectively "Assessments"), shall be burdens running with, and perpetual liens in favor of the Association upon the specific Unit to which such Assessments apply. Recording of this Declaration constitutes record notice and perfection of the Association's lien. Further recording of a claim of lien for Assessments is not required. Any Assessments provided for in this Declaration which are not fully paid within ten (10) days after the due date thereof shall bear interest at the rate of no more than twenty-one percent (21%) per annum (or the maximum set forth in the Act) from the due date or a date established by the Association, and the Association may assess a late charge thereon which late charge shall also be subject to interest charges. In the event of default in which any Unit Owner does not make payment of any Assessments levied against the Unit Owner's Unit within ten (10) days of the due date, the Executive Board may declare all unpaid Assessments for the pertinent fiscal year immediately due and payable.

The Association may bring an action at law or in equity or both against any Unit Owner personally obligated to pay such overdue Assessments, may foreclose its lien against such Unit Owner's Unit, and may, in its sole discretion, accept a deed in lieu of foreclosure. An action at law or in equity by the Association against a Unit Owner to recover money judgment for unpaid Assessments may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien therefor. If any such Assessments are not fully paid when due and the Association commences such action (or counterclaims or cross claims for such relief in any action) against any Unit Owner personally obligated to pay the same, or proceeds to foreclose its lien against the particular Unit, then all unpaid Assessments, and any and all late charges and accrued interest under this Article, the Association's costs, expenses and reasonable attorneys' fees incurred in preparing and recording any lien notice, and the Association's costs of suit, expenses and reasonable attorneys' fees incurred for any such action and/or foreclosure proceedings shall be taxed by the court as a part of the cost of any such action or foreclosure proceeding and shall be recoverable by the Association from any Unit

Owner personally obligated to pay the same and from the proceeds of the foreclosure sale of such Unit Owner's Unit. Foreclosure, attempted foreclosure, or failure to foreclose by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessments not fully paid when due.

The Association, or any other Unit Owner or Person, may bid on or purchase any Unit at foreclosure or other legal sale, and acquire and hold, lease, mortgage, vote the Association votes appurtenant to ownership thereof, convey or otherwise deal with the same. A lien for unpaid Assessments is extinguished unless proceedings to enforce the lien are instituted within six (6) years after the full amount of Assessments becomes due, except that if a Unit Owner subject to a lien under this Article files a petition for relief under the United States Bankruptcy Code, the time period for instituting proceedings to enforce the Association's lien shall be tolled until ninety (90) days after the automatic stay of proceedings under §362 of the Bankruptcy Code is lifted. In any action by the Association to collect Assessments or to foreclose a lien for unpaid Assessments, the court may appoint a receiver for the Unit to collect all sums alleged to be due from the Unit Owner or a tenant of the Unit Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Assessments, based on a periodic budget adopted by the Association.

2. Priority of Liens. A lien under this Article is prior to all other liens and encumbrances on a Unit except:

- (a) liens and encumbrances recorded before the recordation of this Declaration;
- (b) a First Security Interest on the Unit recorded before the date on which the Assessments sought to be enforced became delinquent; and
- (c) liens for real estate taxes and other governmental assessments or charges against the Unit.

A lien under this Article is also prior to all Security Interests to the extent that the Assessments are based on the periodic budget adopted by the Association and which would have become due in the absence of acceleration during the six (6) months immediately preceding institution by the Association or any party holding a lien senior to any part of the Association's lien created herein, of an action or a nonjudicial foreclosure either to enforce or extinguish the lien. If a holder of a First Security Interest in a Unit forecloses that Security Interest, the Purchaser at the foreclosure sale is not liable for any unpaid Assessments against the Unit which became due before the sale, other than the Assessments which are prior to the Security Interest under this Article of the Declaration. Any unpaid Assessments not satisfied from the proceeds of sale become Common Expenses collectible from all Unit Owners, including the Purchaser. Sale or transfer of any Unit shall not affect the lien for said Assessments except that a sale or transfer of any Unit pursuant to foreclosure of any First Security Interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contracts shall only extinguish the lien of Assessments which became due more than six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest, and statutory liens recognized under Nebraska law. No such sale, transfer, foreclosure or other proceeding in lieu

thereof, including deed in lieu of foreclosure, shall relieve any Unit from liability for any Assessments charges thereafter becoming due, nor from the lien thereof. This Article does not affect the priority of mechanics' or materialmen's liens.

3. Certificate of Status of Assessments or other Defaults. The Association, upon written request to the Association's registered agent, personally delivered or delivered by certified mail, first class postage prepaid, return receipt requested, and upon payment of a reasonable fee but in no event less than ten dollars (\$10.00) shall furnish to a Unit Owner or such Unit Owner's designee or to a holder of a Security Interest or its designee, a written statement, in recordable form, setting out the amount of the unpaid Assessments or other defaults against the Unit. The statement must be furnished within fourteen (14) calendar days after receipt of the request and is binding on the Association, the Executive Board and each Unit Owner. A properly executed certificate of the Association as to the status of Assessments on a Unit is binding upon the Association as of the date of its issuance. Omission or failure to fix Assessments or deliver or mail a statement for any period shall not be deemed a waiver, modification or release of a Unit Owner from his or her obligation to pay the same.

4. Exempt Property. The following property subject to the Declaration shall be exempted from the Assessments and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by a municipal or quasi-municipal corporation or other local public utility or authority and devoted to public use; and (b) all Common Elements.

5. Common Expenses Attributable to Fewer than All Units.

(a) Assessments to pay a judgment against the Association may be made only against the Units in the Condominium at the time the judgment was entered, in proportion to their Common Expense Liabilities.

(b) If a Common Expense is caused by the misconduct of a Unit Owner the Association may assess that expense exclusively against that Unit Owner's Unit as more fully provided in Article IX, paragraph 6 herein.

(c) Fees, charges, taxes, impositions, late charges, Fines, collection costs and interest charged against a Unit Owner pursuant to the Bylaws or the Act are enforceable as Common Expense Assessments.

6. Unit Owner's Negligence and Individual Assessments. Notwithstanding anything to the contrary contained in this Declaration, if the need for maintenance or repair of the Common Elements or any improvements located thereon is caused by the willful or negligent act, omission or misconduct of any Unit Owner, or by a tenant, guest, or invitee of such Unit Owner, the costs of such repair and maintenance shall be the personal obligation of such Unit Owner, and any costs (including court costs), expenses and fees, including reasonable attorneys' fees, incurred by the Association for such maintenance, repair or reconstruction shall constitute an "Individual Assessment" and shall be added to and become part of the Assessments to which such Unit Owner's Unit is subject and shall be a lien against such Unit Owner's Unit as provided in this Declaration. In addition, the Executive Board may levy an Individual Assessment against any Unit Owner or his or her Unit if the Unit Owner, its tenants, guests or invitees willfully or negligently fail to comply with the terms and provisions of the Bylaws or other Association documents, resulting in the expenditure of funds by the Association

to cause compliance by such Person with the terms and provisions of the Bylaws or other Association documents. The Executive Board shall be entitled to recover all costs (including court costs), expenses and fees, including reasonable attorneys' fees related thereto, whether or not legal proceedings are instituted. An Individual Assessment shall be levied and the amount of the Individual Assessment shall be established only after notice to the Unit Owner and the right to be heard before the Executive Board in connection therewith (the timing of such hearing to be as determined by the Executive Board and set forth in such notice, but in all events not less than ten (10) nor more than thirty (30) days after the date of such notice), provided that any such determination for an Individual Assessment pursuant to the terms of this Article may be appealed by said Unit Owner to a court of law.

ARTICLE X. INSURANCE.

1. Insurance Requirements Generally. To the extent reasonably available, and to the extent the Association deems necessary, the Association shall obtain and maintain the following insurance:

- (a) Physical damage insurance on the Buildings and structures, as set forth in the Bylaws and as determined by the Executive Board from time to time;
- (b) comprehensive public liability insurance including non-owned and hired automobile liability coverage and personal injury liability coverage;
- (c) worker's compensation and employer's liability insurance as necessary to comply with applicable laws;
- (d) directors' and officers' liability insurance, if available, covering all of the directors and officers of the Association;
- (e) casualty insurance in amounts and coverages sufficient to insure the Common Elements and Limited Common Elements at replacement value; and
- (f) such other insurance which the Executive Board considers appropriate to protect the Association.

If such insurance is not reasonably available, and the Executive Board determines that any insurance described in this Article will not be provided by the Association, the Executive Board shall cause notice of that fact to be hand-delivered or sent, postage prepaid, by United States mail to all Unit Owners at their respective last known addresses. Such insurance shall cover liabilities of the Association, its Directors, officers, employees, agents and Members arising in connection with the ownership, operation, maintenance, occupancy or use of the Common Elements and any other area the Association is required to maintain, repair or replace.

2. Unit Owner's Insurance. Each Unit Owner shall obtain and pay for (a) property insurance for the personal property in such Unit Owner's Unit, and any additions, alterations, improvements and betterments to such Unit Owner's Unit and (b) such Unit Owner's personal liability to the extent not covered by the policies of liability insurance obtained by the Association for the benefit of all of the Unit Owners.

ARTICLE XI. INDEMNIFICATION. To the full extent permitted by law, each officer, Director and member of the Executive Board of the Association shall be and are hereby indemnified by the Unit Owners and the Association against all expenses and liabilities, including attorneys' fees reasonably incurred by or imposed upon them in any proceeding to which they may be a party, or in which they may become involved, by reason of their being or having been an officer or member of the Executive Board of the Association, or any settlement thereof, whether or not they are an officer or a member of the Executive Board of the Association at the time such expenses are incurred, except in such cases where such officer or member of the Executive Board is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement, the indemnification shall apply only when the Executive Board approves such settlement and reimbursement as being in the best interests of the Association.

ARTICLE XII. ARCHITECTURAL CONTROL.

1. Architectural Control Committee.

(a) The members of the Architectural Control Committee shall be the Members of the Executive Board. Each member of the Architectural Control Committee shall serve so long as the member is a member of the Executive Board. In the event of the death or resignation of any member of the Architectural Control Committee, the remaining members may appoint a successor.

(b) All decisions of the Architectural Control Committee shall be by a majority vote of those members of the Architectural Control Committee present at a meeting at which a quorum is present. A majority of the members of the Architectural Control Committee shall constitute a quorum.

(c) The members of the Architectural Control Committee shall not be entitled to any compensation for services performed pursuant to this Declaration.

(d) The Architectural Control Committee may delegate the responsibility for reviewing any application submitted to the Architectural Control Committee to a professional architect, landscape architect, engineer, or other professional person who is qualified to review the issues raised in the application. The Architectural Control Committee shall also have the power to require that the applicant pay the fees reasonably incurred by the Architectural Control Committee in retaining such professional to review the application submitted.

(e) No member of the Architectural Control Committee shall be liable to the Association or to any Unit Owner or Member for any loss, damage, or injury arising out of or in connection with the performance of the duties of the Architectural Control Committee under this Declaration, unless such action constitutes willful misconduct or bad faith on the part of the Architectural Control Committee. Review and consideration of any application submitted to the Architectural Control Committee shall be pursuant to this Declaration, and any approval granted shall not be considered approval of the structural safety or integrity of the improvements to be constructed or conformance of such improvements with building codes, zoning resolutions, subdivision regulations, or other governmental rules and regulations applicable to the Condominium.

2. Control. No complete or partial construction, alteration, addition, modification or reconstruction of the building exterior, or any fences, common signs, gates, awnings, loading docks, walls, structures, or other improvements within the Condominium shall begin or continue until the relative plans and specifications are Approved by the Architectural Control Committee.

3. Purpose. The Architectural Control Committee is established for the purpose of maintaining within the Condominium a consistent and harmonious general character of development and a style and nature of building, design and individual appeal consistent with the business environment and features of the Condominium.

4. Review of Plans and Specifications. The Architectural Control Committee shall consider and act upon any and all requests submitted for its approval. The Architectural Control Committee shall approve plans and specifications submitted to it only if it determines that the construction, alteration, and additions contemplated thereby, and in the location as indicated, will comply with this Declaration; will serve to preserve and enhance the values of Units within the Condominium; will be consistent with the spirit and intent of this Declaration; and will maintain a harmonious relationship among structures, vegetation and topography within the Condominium. The Architecture Control Committee shall consider the quality of workmanship, type of materials, and harmony of exterior design and appearance with other Units. If the Architectural Control Committee fails to Approve or disapprove the plans and specifications submitted to it by an Unit Owner within thirty (30) days after complete submission of all required documents, the plans shall be resubmitted to the Architectural Control Committee by certified mail, return receipt requested, and if the Architectural Control Committee fails to Approve or disapprove any plans within fifteen (15) days after such resubmission, the plans shall be deemed to have been Approved, as submitted, and no further action shall be required; provided however that no building or other structure shall be erected or allowed to remain on any Unit which violates or is inconsistent with any of the covenants or restrictions contained in this Declaration. The issuance of a building permit or license for the construction of improvements inconsistent with this Declaration shall not prevent the Association or any Unit Owner from enforcing the provisions of this Declaration.

5. Submission. Each application for approval shall include two (2) complete copies of the relevant plan.

6. Rules and Guidelines. The Architectural Control Committee may issue rules setting forth procedures for the submission of plans for approval and may also issue guidelines setting forth the criteria that the Architectural Control Committee will use in considering plans submitted to it for approval.

7. No Waiver of Future Approval. The approval by the Architectural Control Committee of any proposals or plans and specifications for any work to be done on a Unit shall not be deemed to constitute a waiver of any right to withhold approval to any similar proposals, plans, specifications, drawings, or other matters subsequently or additionally submitted for approval by the same Unit Owner or by another Unit Owner.

8. Variances. The Architectural Control Committee may authorize variances from compliance with any provisions of this Declaration, including restrictions upon height, size, floor area or placement of structures or similar restrictions, when circumstances such as scenic view obstructions, natural obstructions, hardships, aesthetics, or environmental considerations may require. Such variances must be evidenced in writing and shall become effective when signed

by at least a majority of the members of the Architectural Control Committee. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided however that the granting of the variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and the particular provisions hereof covered by the variance, nor shall the granting of a variance affect in any way the Unit Owner's obligation to comply with all governmental laws and regulations affecting the property concerned, including but not limited to zoning ordinances and setback lines or requirements imposed by any governmental authority having jurisdiction.

ARTICLE XIII. RESTRICTIVE COVENANTS AND OBLIGATIONS.

ARTICLE XIV. DAMAGE, DESTRUCTION, CONDEMNATION AND RESTORATION OF BUILDINGS

1. Sufficient Insurance. In the event the improvements forming a part of the Property, or any portion thereof, including any Units, shall suffer damage or destruction from any cause and the proceeds of any policy or policies insuring against such loss or damage, and payable by reason thereof, plus capital reserves, shall be sufficient to pay the cost of repair, restoration or reconstruction, then such restoration, repair, replacement or reconstruction shall be undertaken and the insurance proceeds and, if necessary, the capital reserve shall be applied by the Executive Board or the payee of such insurance proceeds in payment therefor; provided, however, that in the event within one hundred eighty (180) days after such damage or destruction, the Unit Owners shall elect either to sell the Property or to withdraw the Property from the provisions of this Declaration and from the provisions of the Act as therein provided, then such restoration, repair, replacement or reconstruction shall not be undertaken. In the event such restoration, repair, replacement or reconstruction is not undertaken, the net proceeds of insurance policies shall be divided by the Executive Board or the payee of such insurance proceeds among all Unit Owners according to each Unit Owner's percentage of ownership in the Common Elements as set forth in Exhibit "C," after first paying from the share of each Unit Owner the amount of any unpaid liens on such Unit Owner's Unit, in the order of the priority of such liens.

2. Insufficient Insurance.

(a) If the insurance proceeds and any capital reserve are insufficient to reconstruct the affected Building or Buildings and the Unit Owners and all other parties in interest do not voluntarily make provision for reconstruction of the Building(s) within one hundred eighty (180) days from the date of damage or destruction, then the provisions of the Act and this Paragraph 2 shall apply.

(b) In the case of damage or other destruction in which fewer than one half (½) of the Units are rendered uninhabitable, upon the affirmative vote of eighty percent (80%) of the voting Members (by percentage interest in the Common Elements) at a meeting called for that purpose, the affected Building(s) or other portion of the Property shall be reconstructed. The meeting shall be held within thirty (30) days following the final adjustment of insurance claims, if any; otherwise, such meeting shall be held within ninety (90) days of the occurrence of the damage or other destruction. At such meeting the Executive Board or its representatives shall present to the members present an estimate of the cost of repair or reconstruction and the estimated amount of necessary assessments against each Unit Owner.

(c) In the case of damage or other destruction, upon the unanimous affirmative vote of the voting Members at a meeting called for that purpose, any portion

of the Property affected by such damage or destruction may be withdrawn from the Act. Upon the withdrawal of any Unit or portion thereof, the percentage of interest in the Common Elements appurtenant to such Unit or portion thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, upon the basis of diminution in market value of the Unit, as determined by the Executive Board. The payment of just compensation or the allocation of any insurance or other proceeds to any withdrawing or remaining Unit Owner shall be on an equitable basis, which need not be a Unit's percentage interest. Any insurance or other proceeds available in connection with the withdrawal of any portion of the Common Elements, not necessarily including the Limited Common Elements, shall be allocated on the basis of each Unit Owner's percentage interest therein. Any proceeds available from the withdrawal of any Limited Common Elements will be distributed in accordance with the interest of those entitled to their use. Upon the withdrawal of any Unit or portion thereof, the responsibility for the payment of assessments on such Unit or portion thereof by the Unit Owner shall cease.

3. Eminent Domain. In the event any portion of the Property is taken by condemnation or eminent domain proceedings, provision for withdrawal of the portions so taken from the provisions of the Act may be made by the Executive Board. Upon the withdrawal of any Unit or portion thereof due to eminent domain, the percentage of interest in the Common Elements appurtenant to such Unit or portion so withdrawn shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, upon the basis of diminution in market value of the Unit, as determined by the Executive Board, and the other Unit Owners' percentages shall be correspondingly increased. The allocation of any condemnation award or other proceeds to any withdrawing or remaining Unit Owner shall be on an equitable basis, which need not be a Unit's percentage interest. Any condemnation award or other proceeds available in connection with the withdrawal of any portion of the Common Elements, not necessarily including the Limited Common Elements, shall be allocated on the basis of each Unit Owner's percentage interest therein. Proceeds available from the withdrawal of any Limited Common Element will be distributed in accordance with the interests of those entitled to their use. Upon the withdrawal of any Unit or portion thereof, the responsibility for the payment of assessments on such Unit or portion thereof by the Unit Owner shall cease. The Association shall represent the Unit Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for the acquisition of the Common Elements or any part thereof, and the Association is hereby appointed as attorney in fact for each Unit Owner to represent the Unit Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority relating to such acquisitions of the Common Elements or any part thereof. In the event of the total taking of the Property by eminent domain, the condemnation award available in that connection shall be divided by the Association among all Unit Owners according to each Unit Owner's percentage of ownership in the Common Elements as set forth in Exhibit "C," after first paying from the share of each Unit Owner the amount of any unpaid liens on such Unit Owner's Unit, in the order of the priority of such liens.

4. Repair, Restoration or Reconstruction of the Improvements. As used in this Article, "restoration, repair, replacement or reconstruction" of improvements means restoring the improvements to substantially the same condition in which they existed prior to the damage or destruction, with each Unit and Common Element having the same vertical and horizontal

boundaries as before, unless, if allowed by the Act, other action is approved by Unit Owners and their respective mortgagees representing at least eighty percent (80%) of the votes in the Association (by percentage interest in the Common Elements). Any repair, restoration or reconstruction shall be in accordance with law and this Declaration and shall be made subject to the rights of the mortgagees.

ARTICLE XV. REMEDIES.

1. Violations. Upon the occurrence of any one or more of the following events, the Executive Board shall have the rights and remedies set forth below:

(a) Failure by a Unit Owner to pay when due any sums required to be paid by such Unit Owner pursuant to the provisions of this Declaration, for thirty (30) days after written notice of such nonpayment shall have been given such Unit Owner, provided that such defaulting Unit Owner shall not be entitled to written notice and opportunity to cure such failure if such Unit Owner has been given two (2) or more notices pursuant to this Article XV, Paragraph 1(a) during the twelve (12) month period immediately preceding the first day of such failure. If the assessment is not paid within thirty (30) days after the due date, then (i) the amount of the assessment shall bear interest from the date of delinquency at a rate reasonably determined by the Executive Board, and (ii) in addition to such interest, the Association shall charge a delinquent Unit Owner a late fee of five percent (5%) of the assessment for each month or portion thereof that such amount remains delinquent, such late charge to cover the Association's administrative costs in monitoring and collecting such amount. Such assessments, interest, late charges and all costs of collection shall be a continuing lien upon the Unit against each such assessment was made.

(b) Violation or breach by a Unit Owner or an Occupant of any provision, covenant or restriction of the Act, this Declaration, the Bylaws, contractual obligation to the Executive Board or Association undertaken by such Unit Owner, or rules and regulations promulgated by the Executive Board, and continuation of such violation or breach for thirty (30) days after written notice thereof shall have been given such Unit Owner, provided that such defaulting Unit Owner shall not be entitled to written notice and opportunity to correct such violation or breach if such Unit Owner has been given two (2) or more notices pursuant to this Article XV, Paragraph 1(b) during the twelve (12) month period immediately preceding the first day of such violation or breach.

2. Remedies. Upon the occurrence of any one or more of the events described in Paragraph 1 above, the Executive Board shall have the following rights and remedies:

(a) For a violation or breach described in Paragraph 1(b) above, the Executive Board shall have the right: (i) to enter upon that part of the Property where such violation or breach exists and summarily abate and remove or do whatever else may be necessary to correct, at the expense of the defaulting Unit Owner, any such violation or breach or the cause of such violation or breach, and the Declarant or its successors or assigns, or the Executive Board, or its agents, shall not thereby be deemed guilty in any manner of trespass, or (ii) to enjoin, abate or remedy by a proceeding at law or in equity the continuance of any such violation or breach; provided, however, that no summary abatement shall be undertaken in connection with any alteration or demolition of improvements until judicial proceedings are instituted.

(b) Upon the occurrence of one of the events described in Paragraph 1(a) above, including, without limitation, failure by a Unit Owner to pay such Unit Owner's percentage share of Common Expenses or user charges, the Executive Board shall have a lien on the interest of the defaulting Unit Owner in such Unit Owner's Unit Ownership in the amount of any sums due from such Unit Owner; provided, however, that such lien shall be subordinate to the lien of any recorded mortgage encumbering the interest of such Unit Owner. Except as hereinafter provided, the lien provided for in this Paragraph 2(b) shall not be affected by any transfer of title to the Unit Ownership. Where title to the Unit Ownership is transferred pursuant to a decree of foreclosure or by deed in lieu of foreclosure, such transfer of title shall, to the extent permitted by law, extinguish the lien described in this Paragraph 2(b) for any sums which became due prior to (i) the date of the transfer of title or (ii) the date on which the transferee comes into possession of the Unit Ownership, whichever occurs first. However, the transferee of a Unit Ownership shall be liable for such Unit Owner's share of any sums with respect to which a lien against such Unit Owner's Unit Ownership has been extinguished pursuant to the preceding sentence which are reallocated among the Unit Owners pursuant to a subsequently adopted annual revised or special assessment, and nonpayment thereof by such transferee shall result in a lien against the transferee's Unit Ownership as provided in this Paragraph 2(b).

(c) The Executive Board shall have the power to issue to the defaulting Unit Owner a ten (10) day notice in writing to terminate the right of such defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use, or control such Unit Owner's Unit Ownership and thereupon an action may be filed by the Executive Board against the defaulting Unit Owner for a decree declaring the termination of the defaulting Unit Owner's right to occupy, use or control the Unit owned by him and, subject to the limitations of applicable law, ordering that all the right, title and interest of such defaulting Unit Owner in the Property shall be sold at a judicial sale, upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the defaulting Unit Owner from reacquiring such Unit Owner's interest in the Unit Ownership at such judicial sale. It shall be a condition of any such sale, and the decree shall so provide, that the Purchaser shall take the interest in the Unit Ownership sold subject to this Declaration. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against the defaulting Unit Owner in such decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments or other sums due hereunder or any liens, shall be paid to the defaulting Unit Owner. Upon the confirmation of such sale, the Purchaser at such sale shall be entitled to a deed to the Unit Ownership and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession.

(d) In addition to or in conjunction with the remedies set forth above, the Executive Board or its agents shall have the right to bring an action at law or in equity against the Unit Owner or Occupant as permitted by law, including, without limitation, an action (i) to foreclose a lien against the Unit Ownership, (ii) for damages, injunctive relief or specific performance, (iii) for judgment or for the payment of money and the collection thereof, (iv) for any combination of the remedies set forth in this Article or (v) for any other relief which the Executive Board may deem necessary or appropriate. Any and all rights and remedies provided for in the Act, this Declaration, the Bylaws, any contractual

obligation to the Executive Board or Association undertaken by such Unit Owner, or rules and regulations promulgated by the Executive Board may be exercised at any time and from time to time cumulatively or otherwise by the Executive Board in its discretion. The failure of the Executive Board to exercise any such rights or remedies to enforce any provisions of this Declaration, the Bylaws or rules and regulations of the Executive Board shall in no event be deemed a waiver of the right to do so thereafter.

(e) All expenses incurred by the Executive Board in connection with any actions, proceedings or self help in connection with the exercise of its rights and remedies under this Article, including, without limitation, court costs, reasonable attorneys' fees and all other fees and expenses, and all damages, together with interest thereon at the rate of eighteen percent (18%) per annum (or such lesser rate charged by law should eighteen percent (18%) be held to be in excess of the maximum legal rate allowable by law), shall be charged to and assessed against the defaulting Unit Owner, and shall be added to and deemed part of such Unit Owner's respective share of the Common Expenses, and the Executive Board shall have a lien for all of the same upon the Unit Ownership of such defaulting Unit Owner and upon all of such Unit Owner's additions and improvements thereto.

3. Enforcement by Unit Owners. Any aggrieved Unit Owner (including Declarant) may enforce the provisions of this Declaration, the Bylaws or any rules and regulations promulgated by the Executive Board by an action at law or in equity against the defaulting Association or against the defaulting Unit Owner or Occupant upon a violation or breach described in Paragraph 1(b) above against any person or persons either to restrain such violation or breach or to recover damages.

ARTICLE XVI. GENERAL PROVISIONS.

1. Certain Rights of the Declarant. Until the earlier of the Transfer Date or the initial meeting of the Unit Owners pursuant to the Bylaws of the Association, the rights, titles, powers, privileges, trusts, duties and obligations vested in or imposed upon the Executive Board and the Architectural Control Committee in the Act or in this Declaration shall be held and performed by the Declarant, which may be exercised by the designation of an initial Executive Board in accordance with the terms hereof. If the initial Executive Board shall not be elected by the Unit Owners at the time established by the Bylaws, the Declarant shall continue in the aforesaid office for a period of thirty (30) days after written notice of its resignation is sent to all of the Unit Owners entitled to vote at such election. In exercising such rights, and the other rights reserved by the Declarant pursuant to this Declaration, the Declarant shall not be under any disability which would otherwise be imposed by law by reason of the Declarant's interest in the subject matter of any transaction; provided, however, that any such transaction shall have been entered into in good faith. Prior to the Transfer Date, notwithstanding any provision herein to the contrary, the Declarant shall have the following rights and privileges, which are hereby reserved only to itself and to its successors and assigns and their respective agents:

(a) The Declarant may exercise any of the "development rights" or "special declarant rights" described in Section 76-827 of the Act (collectively, the "Special Declarant Rights").

(b) The Declarant may (i) relocate the boundaries of any Unit or Units, and (ii) further subdivide any one or more of the Units into additional Units, Common

Elements or both, shall be exercisable by the Declarant, its successors and assigns, who shall have the unilateral right to reallocate percentages of undivided interests in the Common Elements, liability for payment of Common Expenses, allocation of Limited Common Elements, and allocation of votes in the Association, as to be done in accordance with this Declaration and the Act. The Declarant shall cause such relocation or subdivision by its adoption, execution or recordation of an amendment to this Declaration by recording such certificates and plans as required by the Act. Such amendment shall be adopted by the Declarant pursuant to the terms hereof without the consent of any Unit Owners. From time to time, as the Declarant shall file permitted amendments to this Declaration, each then owner and each Person or entity thereafter becoming a Unit Owner and its successors in title shall, upon the reallocation of such Common Elements or Limited Common Elements automatically be vested with the appropriate undivided percentage interest in such Common Elements and Limited Common Elements.

2. Employees: Maintenance of Common Elements. The Association shall have no employees. All maintenance of the Common Elements will be contracted to outside companies. The Executive Board may set a management fee for the managing Director to cover accounting, legal and other costs associated with management of the Association and management of the Common Elements.

3. Record of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of all of its receipts and expenditures, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Unit Owners and others with an interest, such as prospective lenders.

4. Conveyance and Leases. Each grantee of the Declarant, each subsequent grantee by the acceptance of a deed of conveyance, each Purchaser under a Deed to a Unit and each tenant under a lease for a Unit Ownership accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed, shall be deemed and taken to be covenants running with the land and shall bind any person having at any time an interest or estate in the Property and shall inure to the benefit of such Unit Owner in like manner as though the provisions of the Declaration were recited and stipulated at length in each and every deed of conveyance.

5. Term of Declaration. This Declaration shall run with the land, shall be binding upon all Persons owning Units and any Persons hereafter acquiring said Units, and shall be in effect in perpetuity unless amended or terminated as provided in the Act.

6. Amendment of Declaration. No provision of this Declaration affecting the rights, privileges and duties of the Declarant may be modified without the Declarant's prior written consent. Except as otherwise provided in the Act and this Declaration, other provisions, covenants, conditions, restrictions or equitable servitudes contained in this Declaration may be amended or repealed at any time and from time to time upon approval of the amendment or repeal by Members of the Association holding at least sixty-seven percent (67%) of the voting power of the Association (by percentage interest in the Common Elements) present in person or

by proxy at a duly constituted meeting of the Members. The approval of any such amendment or repeal shall be evidenced by the certification by the Executive Board of the Association of the vote of Members. The amendment or repeal shall be effective upon the recordation in the office of the Register of Deeds of Douglas County, Nebraska, of a certificate, executed by the President or a Vice President and the Secretary or an Assistant Secretary of the Association setting forth the amendment or repeal in full and certifying that the amendment or repeal has been approved by the Members and certified by the Executive Board as set forth above.

7. Special Amendment. Declarant reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time to amend the Plat and Plans or to amend this Declaration (a) to correct clerical or typographical or similar errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto, (b) to exercise any of the Special Declarant Rights or (c) to relocate boundary lines of Units, subdivide or combine Unit(s) owned by Declarant pursuant to this Declaration. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to vote in favor of, make or consent to a Special Amendment on behalf of each Unit Owner as proxy or attorney in fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation or other instrument affecting a Unit Ownership, and the acceptance thereof, shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to vote in favor of, make, execute and record Special Amendments. The right of the Declarant to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Declarant no longer holds or controls title to a Unit Ownership.

8. Assignments by Declarant. All rights which are specified in this Declaration to be rights of the Declarant are mortgageable, pledgeable, assignable or transferable. Any successor to, or assignee of, the rights of the Declarant hereunder (whether as the result of voluntary assignment, foreclosure, assignment in lieu of foreclosure or otherwise) shall hold or be entitled to exercise the rights of Declarant hereunder as fully as if named as such party herein. No party exercising rights as Declarant hereunder shall have or incur any liability for the acts of any other party which previously exercised or subsequently shall exercise such rights.

9. Unit Owner's Duty to Disclose. Unit Owners are hereby required to disclose the existence and contents of this Declaration and any related documents, including Rules and Regulations to their tenants. Unit Owners are also required to inform their tenants that the tenants are obligated to conduct business and otherwise perform the duties imposed by the Declaration and any related documents, including Rules and Regulations. Nothing in this Article shall be construed to allow a tenant voting rights.

10. Association Right to Security Interest Information. Each Unit Owner hereby authorizes any First Security Interest holding a Security Interest on such Unit Owner's Unit to furnish information to the Association concerning the status of such First Security Interest and the loan which it secures.

11. Taxes. Each Unit Owner shall be solely responsible for payment of real property, personal property, sales and use taxes regarding the Unit Owners Unit.

12. Captions. The captions contained in the Bylaws are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of the Bylaws or the intent of any provision thereof.

13. Waiver. No provision contained in the Bylaws is abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

14. Invalidity and Severability. The invalidity of any provision of the Bylaws does not impair or affect in any manner the validity, enforceability of effect of the remainder, and if a provision is invalid, all of the other provisions of the Bylaws shall continue in full force and effect.

15. Conflict. The Bylaws and other Association documents are intended to comply with the requirements of the Act. If there is any conflict between the Bylaws or other Association documents and the provisions of the Act the provisions of the Bylaws or other Association documents shall control, unless such control would invalidate the Bylaws or other Association documents, in which case the Act shall control. If the Bylaws or other Association documents are silent as to a particular issue, the Act shall control. In the event of any conflict between this Declaration and any other document, this Declaration shall control.

16. Meetings. Meetings of the Unit Owners shall be held at least once each year, or more often as determined by the Unit Owners, Executive Board or Association. Meetings shall be held in conformity with this Declaration, and with §76-866 of the Act.

17. Controlling Law Jurisdiction and Venue. This Declaration shall be interpreted, construed and applied in accordance with the laws of the State of Nebraska. Jurisdiction and venue shall be solely vested in Douglas County, Nebraska.
