This Repayment Agreement dated, July 31, 2007, between
Buck's Inc. with offices at 4973 Dodge Street, Omaha, NE
("Supplier") and Ray Anderson, Inc., at _____
("Subjobber") provides as follows:

WHEREAS, Supplier and Subjobber entered into a Subjobber Supply Agreement dated 7/30/2007, the terms of which provide that Supplier agrees to deliver and sell to Subjobber, and Subjobber agrees to accept and receive from and pay Supplier for, BP Products North America Inc. ("Branded Supplier") branded gasoline for resale to the public from the properties located at:

see attached property schedule, (the "Locations"); and

WHEREAS, Branded Supplier and Subjobber terminated Subjobber's Branded Jobber Contract and Branded Supplier transferred Subjobber's Supplier Outlet Incentive Program Contract (the "JOIP Contract") and all its liability to Supplier; and

WHEREAS, the Locations are the Retail Outlets contained in the JOIP Contract, as the term "Retail Outlets" is used therein; and

WHEREAS, Subjobber desires that the Locations be improved to comply with the terms and conditions contained in the JOIP Contract; and

WHEREAS, Subjobber has read and understands the terms and conditions of the JOIP Contract (Exhibit "A").

NOW THEREFORE, for good and valuable consideration, the receipt of which Supplier and Subjobber hereby acknowledge, the parties agree as follows:

1. Supplier and Subjobber agree as follows:

(a) Subjobber improved the Locations pursuant to the JOIP Contract. The Supplier will transfer the remainder of the funds received for the benefit of the Subjobber Locations as stated in schedule 1(b) and Addendum A of the JOIP Contract ("Incentive Costs"). The parties hereto agree that improvements were conducted pursuant to the terms and conditions contained in the JOIP Contract.

(b) Subjobber agrees to comply with, and cause the Locations to comply with, all requirements and standards contained in the JOIP Contract related to the imaging and of the Locations and Subjobber's operations at the Locations. Subjobber further agrees to meet or exceed the visual and operational standards established by Branded Supplier from time to time, including but not limited to, placing a full gasoline product slate at all fueling positions, consistent and accurate use of all image elements, air and water availability, and public restroom availability.

(c) Supplier, its agents and employees, shall not be liable for any loss, damage, injuries, or any casualty of whatsoever kind or by whomever caused, to be person or property of anyone (including Subjobber) on or off the premises of the Locations, arising out of or resulting in any action or inaction of a contractor of Subjobber.

2. (a) Notwithstanding anything to the contrary contained herein, in the event the following should occur at any of the Locations (i) the Subjobber discontinues actively marketing gasoline under the Brand Identifications

of Branded Supplier; or (ii) Subjobber begins selling gasoline under trade names or trademarks or brand names other than Branded Supplier's Identifications; or (iii) Subjobber fails to comply with Branded Supplier's image standards or any other standards of appearance, which standards Branded Supplier may from time to time require and modify; or (iv) Subjobber fails to comply with any provisions of this Agreement; or (v) Branded Supplier requires Supplier to repay to Branded Supplier any portion of the Incentive Costs borne by Branded Supplier, directly or indirectly, for improving the Location under the JOIP Contract (any such event is an "Acceleration Event"), and all Incentive Costs expended, either directly or indirectly, shall become immediately due and payable to Supplier (the "Repayment Amount") pursuant to the following schedule:

A. If the Location received the Incentive costs designated on Schedule "1(b)" and Addendum A of the JOIP Contract, Subjobber shall reimburse, via electronic funds transfer ("EFT") the fraction of the Incentive Costs as follows:

- 100% reimbursement during years 1-5
- 80% reimbursement during year 6
- 65% reimbursement during year 7
- 50% reimbursement during year 8
- 30% reimbursement during year 9
- 15% reimbursement during year 10

(b) The stated rate of interest of the Incentive Costs is zero

percent (0%) per annum, provided that, if the Incentive Costs required to be reimbursed by Subjobber to Supplier are not paid in full within thirty (30) days after an Acceleration Event, then the remaining Incentive Costs shall earn interest at the rate of nine percent (9%) per annum or the maximum rate allowed by law, whichever is less.

3. Supplier's failure to exercise its rights pursuant to paragraph two (2) of this Agreement immediately on the occurrence of any Acceleration Event entitling it to do so shall not constitute a waiver of its rights to exercise this option at any time before the outstanding balance is paid.
4. Subjobber shall permit Supplier and Branded Supplier to inspect sales records for the Location and shall allow an independent auditor to review monthly sales figures to validate actual motor fuel products sold at the Locations. Subjobber further agrees to permit inspections of the Locations by Supplier and Branded Supplier, including meter readings by said auditors.
5. If the Agreement is ever placed for collection or if suit is initiated to enforce payment, Subjobber agrees to pay Supplier's costs of collection, including attorneys' fees incurred by Supplier, but only if and to the extent permitted by law.
6. Subjobber's interest in this Agreement shall not be transferred or assigned by Subjobber in whole or in part, directly or indirectly, without the prior written consent of Supplier.

7. This writing is intended by the parties to be a final, complete and exclusive statement of their agreement about the matters covered herein. THERE ARE NO ORAL UNDERSTANDINGS, REPRESENTATIONS OR WARRANTIES AFFECTING IT. No amendments or alterations to this Agreement shall have any effect unless made in writing and signed by an authorized representative of Supplier and Subjobber.
