Condemnation: All sums due, paid or payable to Trustor, or any successor in interest of Trustor, whether by way of judgment, settlement or otherwise, (a) for injury or damage to such property, or (b) in connection with any condemnation for public use or injury to such property or any part thereof, or (c) in connection with the transaction financed by the loan secured hereby, or (d) arising out of all causes of action, whether accruing before or after the date of this Deed of Trust, sounding in tort or contract, including causes of action for fraud or concealment of a material fact, together with the settlements, proceeds, award and damages, direct and consequential, in connection therewith, are hereby absolutely and irrevocably assigned and shall be paid to Beneficiary. Beneficiary shall be entitled, at its option, to commence, intervene in, appear in and prosecute in its own name, any action or proceeding, or to make any compromise or settlement, in connection with any such taking or damage. Trustor agrees to execute such further assignment of any compensation, award, damages, rights of action and proceeds as Beneficiary may require.

All amounts received by Beneficiary pursuant to this Deed of Trust under any fire or other insurance policy, in connection with any condemnation for public use or injury to such property, for injury or damage to such property or in connection with the transactions financed by the loan secured hereby are to be applied, at the option of Beneficiary upon any indebtedness secured hereby. No such application, use or release shall cure or waive any default, hereunder or invalidate any act done pursuant to such notice.

11. Consent, Partial Reconveyance, etc.: That at any time, or from time to time, without liability therefor, and without notice, upon written request of Beneficiary, and without affecting the personal liability of any person for, payment of the indebtedness secured hereby, or the lien of this Deed of Trust upon the remainder of such property for the full amount of the indebtedness then or thereafter secured hereby, or the rights or powers of the Beneficiary or the Trustee with respect to the remainder of such property, Trustee may (a) reconvey any part of such property, (b) consent to the making of any map or plat thereof, (c) join in granting any easement thereon, or (d) join in any extension agreement or any agreement subordinating the lien or charge hereof.

12. Full Reconveyance: That, upon written request of Beneficiary stating that all sums secured hereby have been paid, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters of fact shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be designated as "the person or persons legally entitled thereto." Such request and reconveyance shall operate as a reassignment of the rents, income, issues and profits hereinbefore assigned to beneficiary.

13. Right to collect and Receive Rents and Profits: Notwithstanding any other provisions hereof, Beneficiary hereby grants permission to Trustor to collect and retain the rents, income, issues and profits of such property as they become due and payable, but reserve the right to revoke such permission at any time, with or without cause, by notice in writing to Trustor, mailed to Trustor at his last known address, in any event, such permission to Trustor automatically shall be revoked upon default by Trustor in payment of indebtedness secured hereby or in the performance of any Agreement hereunder. On any such default, beneficiary may at any time without notice, either in person, by agent, or by receiver to be appointed by the Court, and without regard to the adequacy of any security for the indebtedness secured hereby, enter upon and take possession of such property, or any part thereof, make cancel, enforce or modify leases, obtain and eject tenants, set or modify rents; in its own name sue or otherwise collect the rents, income, issues and profits thereof, including those past due and unpaid; and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby and in such order as Beneficiary may determine; and except for such application, Beneficiary shall not be liable to any person for the collection or non-collection of any rents, income, issues or profits, for the failure to assert or enforce any of the foregoing rights, nor shall Beneficiary be charged with any of the duties and obligation of a mortgage in possession. The entering upon and taking possession of such property, the collection of such rents, income, issues or profits, the doing of other acts herein authorized, and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

14. Hazardous Substances: The terms "hazardous waste", "disposal", "release", and "threatened release", as used in this Deed of Trust, shall have the same meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq. ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-498 ("SARA"), the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 49 U.S.C. Section 6901, et seq., or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing. Trustor represents and warrants to Lender that: (a) During the period of Trustor's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any person on, under or about the Property; (b) Trustor has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (i) any use, on, under or about the Property; (c) Except as previously disclosed to and acknowledged by Lender in writing, (i) neither Trustor nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of, or release any hazardous waste or substance on, under, or about the Property and (ii) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. Trustor authorizes Lender and its agents to enter upon the Property to make such inspections and tests as Lender may deem appropriate to determine compliance of the Property with this section of the Deed of Trust. Any inspections or tests made by Lender shall be for Lender's purpose only and shall not be construed to create any responsibility or liability on the part of Lender to Trustor or to any other person. The representations and warranties contained herein are based on Trustor's due diligence in investigating the Property for hazardous waste. Trustor hereby (a) releases and waives any future claims against Lender for indemnity or contribution in the event Trustor becomes liable for cleanup or other costs under any such laws, and (b) agrees to indemnify and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Deed of Trust or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Trustor's ownership or interest in the Property, whether or not the same was or should have been known to Trustor. The provisions of this section of the Deed of Trust, including the obligation to indemnify, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Deed of Trust and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

15. Judicial Foreclosure or Trustee's Sale on Default: Upon Default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder or any agreement secured hereby, Beneficiary may declare all sums secured hereby immediately due and payable and, at the option of the Beneficiary, this Deed of Trust may be foreclosed in the manner provided by law for the foreclosure of mortgages on real property; or may be sold in the manner provided in the Nebraska Trust Deeds Act under the power of sale conferred upon the Trustee hereunder.

In the event that the property is sold pursuant to the power of sale conferred upon the Trustee hereunder, the Trustee shall cause to be filed of record a written notice of default and election to sell such property. After the lapse of such time as then may be required by law following recording of such notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell such property, either as a whole or in separate parcels, and in such order as it or Beneficiary may determine at public auction to the highest bidder. Trustee may postpone the sale of all or any portion of such property by public announcement at the time and place of sale, and from time to time thereafter may postpone the sale by public announcement at the time and place fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recital in such deed of any matters of fact or otherwise shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at such sale. Trustee may also sell at any such sale and as part hereof any shares of corporate stock securing the obligation secured hereby, and Trustor waives demand and notice of purchase. (Beneficiary at its option may also foreclose on such shares by independent pledge sale, and Trustor waives demand and notice of such sale.) The Trustee shall apply the proceeds of the Trustee's sale, first, to the costs and expenses of exercising the power of sale and of the sale, including the payment of Trustee's fees actually incurred, not to exceed five percent of the principal balance unpaid at the time of recording the notice of default; second, to the payment of the obligation secured by this trust deed; third, to the payment of junior trust deeds, mortgages or other liens, and the balance, if any, to the person or persons legally entitled thereto.

Upon any default under this Deed of Trust or any note secured hereby and following any acceleration of maturity of the indebtedness secured hereby, a lender of payment of the amount necessary to satisfy the entire indebtedness secured hereby, made at any time prior to a foreclosure sale, whether under the power of sale contained herein or pursuant to judicial foreclosure proceedings, shall constitute an evasion of the payment terms of the indebtedness secured hereby and shall be deemed a voluntary prepayment of the indebtedness; and any such payment, to the extent permitted by law, must, therefore, include a premium required under the prepayment privilege, if any, contained in any note secured hereby; or, if at that time there shall be no privilege of prepayment then such payment to the extent permitted by law, will include a premium for such prepayment of five percent of the then principal balance.

16. Personal Property: This Deed of Trust is also intended to encumber and create, and Trustor does hereby grant to Beneficiary, a security interest in any and all of such property which is personal property owned by Trustor and now or hereafter located on or used in connection with such property including, but not limited to, all fixtures, owned by Trustor and now or hereafter located on, attached to or used in and about the improvements which are necessary to the complete and comfortable use and occupancy of the improvements for all purposes for which they are intended and such other goods and chattels and personal property owned by Trustor as are ever to be used or furnished in operating the improvements, or the activities conducted therein, and all renewals or replacements thereof or substitutions therefor, conducted therein, and all renewals or replacements thereof or substitutions therefor, whether or not the same shall be attached to the improvements in any manner, and all building materials and equipment hereafter situated on or about the Real Estate or the improvements. The foregoing security interest shall also cover Trustor's leasehold interest in any of the foregoing items which are leased by Trustor. Trustor shall, from time to time, upon request of Beneficiary, provide Beneficiary with a current inventory of all of the personal property in which the Beneficiary is granted a security interest hereunder, in such detail as Beneficiary may require. Any lien created against personal property will be in compliance with Regulation AA.

17. Security Agreement: This Deed of Trust constitutes a security agreement between Trustor and Beneficiary with respect to all personal property in which Beneficiary is granted a security interest hereunder, and, cumulative of all other rights and remedies of Beneficiary hereunder, Beneficiary shall have all of the rights and remedies of a secured party under the Nebraska Uniform Commercial Code. Trustor hereby agrees to execute and deliver on demand and hereby irrevocably constitutes and appoints Beneficiary the attorney-in-fact of Trustor to execute and deliver and, if appropriate, to file with the appropriate filing officer or officers such security agreements, financing statements, continuation statements or other instruments as Beneficiary may request or require in order to impose, perfect or continue the perfection of the lien or security interest created hereby. Upon the occurrence of any default hereunder not cured within any applicable grace period, Beneficiary shall have the right to cause any of such property which is personal property and subject to security interest of Beneficiary hereunder to be sold in one of public or private sales as permitted, by applicable law, including a sale held in conjunction with the sale of such property by Trustee, as provided for in this Deed of Trust, and Beneficiary shall further have all rights and remedies, whether at law in equity or by statute, as are available to secured creditors under applicable law. Any such disposition may be conducted by an employee or agent of Beneficiary or Trustee. Expenses of relinking, holding, preparing for sale, selling or the like shall be borne by Trustor and shall include Beneficiary's and Trustee's fees and legal expenses. Beneficiary shall have the right to enter upon the Real Estate and the improvements or any other real property which is the subject of the security interest granted herein as located to have possession of, assemble and collect such personal property or to render it unusable, or Trustor, upon demand of Beneficiary, shall assemble such personal property and make it available to beneficiary at a place deemed reasonably convenient to Beneficiary. If notice is required by law, Beneficiary shall give Trustor at least five (5) days' prior written notice of the time and place of any public sale or other disposition of such property or of the time or after which any private sale or other intended disposition is to be made, and, if such notice is sent to Trustor, as the same is provided for the mailing of notices herein, it is hereby

deemed that such notice shall be and is reasonable notice to Trustor. Any sale made pursuant to the provisions of this paragraph shall be deemed to have been a public sale conducted in a reasonably commercial manner if held contemporaneously with the sale under the power of sale granted in this Deed of Trust upon giving the same notice with respect to the sale of the personal property hereunder as is required with respect to the sale under the power of sale given the Trustee under this Deed of Trust.

18. Fixture Financing Statement: This Deed of Trust is intended to be a financing statement within the purview of the Nebraska Uniform Commercial Code with respect to those items of such property as constitute fixtures on the Real Estate. The address of Trustor (Debtor) and Beneficiary (Secured Party) are set forth on the first page of this Deed of Trust. This Deed of Trust is to be filed for record with the Registrar of Deeds of the County where the real estate is located. Trustor is the record owner of the real estate.

19. Substitution of Trustee: That Beneficiary may, from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed and acknowledged by Beneficiary and recorded in the office of the register of deeds of the county or counties where such property is situated, shall be conclusive proof of property substitution of such Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, power and duties.

20. No Waiver by Beneficiary: No waiver by Beneficiary of any right under this Deed of Trust shall be effective unless in writing. Waiver by Beneficiary of any right granted to Beneficiary under this Deed of Trust or occurrences shall not be deemed a waiver as to any future transactions or occurrences. By accepting payment of any sum secured hereby after its due date, or by making any payment or performing any act on behalf of Trustor that Trustor was obligated hereunder, but failed to make or perform, or by adding any payment so made by Beneficiary to the indebtedness secured hereby, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to require prompt performance of all other acts required hereunder, or to declare a default for failure to pay.

21. Waiver of Statute of Limitation: Time is of the essence in all Trustor's obligations hereunder; and to the extent permitted by law, Trustor waives all present or future statutes of limitations with respect to any debt, demand or obligations secured hereby in any action or proceeding for the purpose of enforcing this Trust or any right or remedies hereunder.

22. Inspection and Business records: Beneficiary at any time during the continuation of this Trust may enter and inspect such property at any reasonable time. Trustor agrees that in the event such property is now or hereafter used for commercial or residential income purposes, when requested by Beneficiary, Trustor will promptly deliver to Beneficiary such certified financial statements and profit and loss statements of such types and at such intervals as may be required by Beneficiary, which will be in form and content prepared according to the usual and acceptable accounting principals and practices, which statements shall cover the financial operations relating to such property. Trustor further agrees when requested by Beneficiary to promptly deliver in writing such further additional information as required by Beneficiary relating to any such financial statements.

23.
