CONDITIONS:

- (A) Where Grantee's facilities are constructed they shall have the right to operate, maintain, repair, replace and renew said facilities consisting of poles, wires, cable, fixtures, guys and anchors within a strip of lands indicated above, together with the right to trim or remove any trees along said line so as to provide a minimum clearance from the overhead facilities of at least Twelve feet (12').
- (B) After electric and telephone facilities have been installed, no trees, permanent buildings or other structures shall be placed in or encroach the easement and no change in grade elevation or any excavations shall be made therein without prior written approval of the Grantee, but the same may be used for landscaping or other purposes that do not then or later interfere with the granted easement uses.
- (C) The foregoing right is granted upon the express condition that the Grantees will assume liability for all damages to the above described property caused by Grantees' failure to use due care in its exercise of the granted right.
- (D) It is further agreed Grantor has lawful possession of said real estate, good, right and lawful authority to make such conveyance and that his/their heirs, executors, administrators, successors and assigns shall warrant and defend the same and will indemnify and hold harmless the Grantee forever against the claims of all persons whatsoever in any way asserting any right, title or interest prior to or contrary to this conveyance.
