MEMORANDUM OF OPTION AGREEMENT

THIS MEMORANDUM OF OPTION AGREEMENT ("Memorandum") is made and entered into as of 17 May 11, 2015 by and between Reinke Investments, LLLP ("Owner"), and Saline Vertna Farm, LLC, a Nebraska limited liability company ("Grantee").

This Memorandum evidences the existence of that certain that Wind Energy Option and Easement Agreement dated May 11, 2015 herewith between Owner and Grantee (the "Agreement") relating to certain real property (the "Premises") located in the County of Saline, State of Nebraska, as more particularly described in Exhibit "A" attached hereto. The Agreement grants to Grantee the right to acquire certain easements across portions of the Premises designated by Grantee at the time of its exercise of the option granted therein (the "Option"). The purpose of this Memorandum is to notify all persons interested in said real property that Seller and Buyer have entered into said Option Agreement. The period for the exercise of the option granted under the Agreement is five (5) years, subject to extension for up to two (2) additional years pursuant to the terms thereof, commencing on the date of this Memorandum. In addition, Owner must deliver certain notices to Grantee before the Option expires.

Under the term of the Agreement, Grantee shall have the exclusive right to develop and use the Premises for wind energy purposes and to convert all of the wind resources of the Premises during the term of this Agreement; provided, however, that nothing expressly or impliedly contained in this Agreement or represented to Owner shall be construed as requiring Grantee to (a) undertake construction, installation or operation of any Wind Power Facilities on the Premises or elsewhere, (b) continue operation of any Wind Power Facilities from time to time located on the Premises or elsewhere or (c) generate or sell any minimum or maximized amount of electrical energy from the Premises; and the decision if, when and to what extent to construct, install or operate Wind Power Facilities, or to generate or sell electrical energy, shall be solely in Grantee's discretion.

This Memorandum is prepared for the purpose of giving notice of the Agreement and in no way modifies the express provisions of the Agreement. This Memorandum shall continue to constitute notice of the Agreement, even if the Agreement is subsequently amended.

To facilitate execution, this Memorandum may be executed in as many separate counterparts as may be convenient or required. It shall not be necessary that the signature of each party, or that the signature of all persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single instrument.
