3. Contribution.

(a) Each of the Borrowers hereby acknowledges and agrees that, due to the fact that the Loans are hereby cross-defaulted and cross-collateralized, each of the Borrowers has a direct and material interest in preventing the occurrence of an Event of Default under any of the Loan Documents (as the term "Event of Default" is defined therein). Accordingly, each of the Borrowers is willing to commit to make or receive loans (each an "Intra-Borrower Loan", and collectively, the "Intra-Borrower Loans") in order to provide for the payment of all amounts due under the Loan Documents and, in so doing, to avoid an Event of Default thereunder. In the event and to the extent that the proceeds from the Property of any Borrower (the "Creditor") are applied to any payments due with respect to the Property owned by another Borrower (the "Debtor"), then the Creditor shall be deemed to have made an Intra-Borrower Loan to the Debtor in the amount of such proceeds so applied (the "Intra-Borrower Loan Amount"). Such Intra-Borrower Loan shall be deemed to be made on a non-recourse basis and shall be repaid out of the future proceeds of the Property owned by the Debtor, together with interest thereon at a rate to be agreed upon from time to time among the Borrowers.

(b) All Intra-Borrower Loans deemed to be made under this Agreement shall be evidenced by this Agreement, shall be an obligation of the Debtor which owes such Intra-Borrower Loan solely by its execution of this Agreement and shall not be evidenced by any separate instrument. Each Borrower hereby waives presentment, notice of dishonor, protest and notice of non-payment or non-performance with respect to each Intra-Borrower Loan for which it is liable under this Agreement. Interest and principal on Intra-Borrower Loans shall be paid solely out of net proceeds from the Property owned by the Debtor and shall be subject in all cases to the terms and conditions of the Loan Documents, and the payments from such sources shall be the sole and exclusive remedy available to any Creditor. Each such payment of principal or interest on Intra-Borrower Loans shall be subordinate and subject to the prior payment of all amounts payable under the Loan Documents. To the extent such sources of payment are insufficient to pay interest and principal on any Intra-Borrower Loan, the Creditor owed such Intra-Borrower Loan shall not have any claim against the Debtor which owes such Intra-Borrower Loan for such amounts or lien on or security interest in any of the assets of such

Debtor and no further or additional recourse shall be available against the Debtor. All payments pursuant to Intra-Borrower Loans shall be made on a net basis. All payments received on account of any Intra-Borrower Loan under this Agreement shall be credited first to interest, then to principal. Accrued but unpaid interest shall not be compounded.

4. **Documents to be Delivered to Lender.** On the date hereof, the Borrowing Parties shall cause to be delivered to Lender:

(a) endorsements to the title insurance policies issued at the closings of the Loans (the "Closings") insuring the liens of the First Borrower Security Instrument, the Second Borrower Security Instrument, the Third Borrower Security Instrument, the Fourth Borrower Security Instrument and the Fifth Borrower Security Instrument, which endorsements shall be in form and substance satisfactory to Lender and shall (i) provide for "tie-in" coverage under such policies up to the aggregate outstanding principal amount of the First Borrower Note, the Second Borrower Note, the Third Borrower Note, the Fourth Borrower Note and the Fifth Borrower Note, if available for title insurance policies issued in Illinois; and (ii) include "First Loss" and "Last Dollar" endorsements, if available for title insurance policies issued in Illinois; and

(b) such other documents and instruments as Lender may require.

5. **Release of Properties.** (a) Notwithstanding any provision contained in any of the Loan Documents to the contrary, each of the Borrowing Parties agrees that none of the Properties may be released from the liens of any of the Loan Documents or the liens created under this Agreement except in accordance with this Section. The Borrowing Parties may cause one or more of the Properties (each, a "Released Property") to be released from the liens created hereby and by the related Loan Documents, but only upon the satisfaction of all of the following conditions:

(i) Lender shall have received from the applicable Borrower at least thirty (30) days' prior written notice of the date proposed for such release (the "Release Date") and the identification of the Released Property;

(ii) no Event of Default under any of the Loan Documents shall have occurred and be continuing as of the date of such notice and the Release Date;

(iii) in no event would such release result in a decrease in the loan-to-value ratio of the remaining Notes to the remaining Properties;

(iv) Lender shall have received from the Borrowing Parties (A) statements of the cash flow and debt service compiled by a certified public accountant acceptable to Lender in accordance with generally accepted accounting principles consistently applied in form and substance acceptable to Lender; (B) statements of appraised value of the Properties; and (C) a certificate of the Chief Financial Officer of Borrower (or comparable individual) stating that such statements and calculations are true, correct and complete in all material respects and certifying that all conditions precedent to the release of the Released Property contained in this Section have been complied with;

(v) Borrower shall have paid all of Lender's costs and expenses, including, without limitation, reasonable attorneys' fees and expenses, in connection with the release of the Released Property.

6. **Costs and Expenses.** The Borrowing Parties, jointly and severally, shall be responsible for and shall pay, all reasonable costs and expenses incurred by Lender in connection with a Cross-Collateralization and a release of any Property from a Cross-Collateralization, including, without limitation, reasonable attorneys' fees and expenses, title insurance search fees and premiums, filing and recording fees and taxes, if any.

7. **Default.** Any default by any of the Borrowing Parties in fulfilling any of its obligations hereunder shall constitute an Event of Default under each of the First Borrower Loan Documents, the Second Borrower Loan Documents, the Third Borrower Loan Documents, the Fourth Borrower Loan Documents and the Fifth Borrower Loan Documents (as the term "Event of Default" is defined therein).

8. **Further Assurances.** The Borrowing Parties agree to execute and deliver any further documents and instruments as Lender may require to effectuate the Cross-Collateralization contemplated hereby. The Borrowing Parties further acknowledge and agree that Lender may require that this Agreement be amended at any time and from time to time to remove any of the Properties from the Cross-Collateralization, and each agrees to execute and deliver such documents as Lender may require in connection therewith. Each of the Borrowing Parties hereby appoints Lender as its attorney-in-fact, which appointment is coupled with an interest and is irrevocable, to execute and deliver any of such documents on its behalf.
