ss. KNOW ALL MEN BY THESE PRESENTS:

That for the consideration hereinafter expressed, the undersigned (herein called the Grantor, whether one or more) does hereby Grant, Sell and Convey unto Missouri Valley Pipe Line Company of Nebraska (herein called Grantee) its successors and assigns the right-of-way and easement to construct, maintain and operate or to cause to be constructed, maintained and operated, pipe lines and appurtenances thereto over and through the following described lands

situate in Washington county, state of Nebraska, to-wit:

Lot 37 in Section Ten (10); Township Eighteen (18); Range Eleven (11)

TO HAVE AND TO HOLD unto said Grantee, its successors and assigns, so long as such lines and appurtenances thereto shall be maintained, with ingress to and egress from the premises, for the purpose of constructing, inspecting, repairing, maintaining, and replacing the property of Grantee above described, and the removal of such at will, in whole or in part.

The said Grantor is to fully use and enjoy the said premises, except for the purposes hereinbefore granted to the said Grantee, which hereby agrees to bury all pipes to a sufficient depth so as not to interfere with cultivation of soil, and to pay any damages which may arise to growing crops or fences from the construction, maintenance and operation of said pipe lines; said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one thereof to be appointed by the said Grantor, one by the said Grantee, and the third by the two so appointed as aforesaid, and the written award of such three persons shall be final and conclusive. Should more than one pipe line be laid under this grant at any time, the sum of twenty-five cents per lineal rod for each additional line shall be paid, besides the damages above provided for.

The consideration for this grant is the sum of Twenty-five cents per lineal rod for the entire distance over which such pipe line shall traverse said lands. One dollar (\$1.00) thereof has been paid on the execution and delivery of this instrument. To effectuate this grant the remaining balance must be paid after final survey and ascertainment of the actual length of such line over said lands. Payment of such balance may be made to any one of the undersigned for all, or may be paid into the \_\_\_\_\_ Bank at \_\_\_\_\_ for the credit of the Grantor herein. The Grantee herein shall have no right to enter said lands for the purpose of constructing such lines until said entire consideration has been fully paid; nor unless the same is paid within twelve months from the date hereof.

It is hereby understood that party securing this grant in behalf of grantee is without authority to make any covenant or agreement not herein expressed.

Witness the execution hereof on this the 25th day of April A. D. 1931.
