(a) The Property Owners Association. Declarant has caused the incorporation of the OMAHA WORKS INDUSTRIAL PARK PROPERTY OWNERS ASSOCIATION, a Nebraska non-profit corporation (referred to in this Declaration as the "**Association**"). Pursuant to the Articles of Incorporation of the Association (the "**Articles**") and the Bylaws of the Association (the "**Bylaws**"), the Association has as its purpose the promotion of the health, safety, welfare and enjoyment of the owners and occupants of the Development all as is more specifically set forth in this Declaration.

(b) Membership. Each record owner of real estate in the Development shall be a member of the Association (individually, a "**Member**" and collectively, the "**Members**"). For purposes of determining the Members, the term "**owner**" means only the fee simple title holder or holders of each property, or the purchaser of such property pursuant to a land contract as reflected on the records of the Register of Deeds of Douglas County, Nebraska but shall not include any lessees, mortgagees or trust deed beneficiaries or trustees. A Member shall have one membership in the Association for each Net Acre (as hereinafter defined) owned by such Member in the Development (each a "**Membership**" and collectively, the "**Memberships**"). As used herein, the term "**Net Acre**" shall mean an acre of land within the Development but does not include any public rights of way or any property owned by any governmental entity. Partial Net Acres shall be rounded to the nearest acre to determine the number of votes. For example, the owner of 2.2 acres would have two (2) Memberships, the owner of 7.8 acres would have eight (8) Memberships, and the owner of 3.5 acres would have four (4) Memberships. Any owner of less than one (1) acre will have one (1) Membership. Membership shall be appurtenant to ownership of property and may not be separated from ownership. In the event any property is owned in multiple undivided ownership interests, such owners shall designate to the Association in writing which owner shall exercise the Membership voting rights, which designation shall remain in effect until revoked by any of owners of such property. In the event of a dispute regarding which owner is entitled to exercise the Membership voting rights, the other Members of the Association shall determine the identity of the person entitled to exercise Membership voting rights by a majority vote of such other Memberships.

Notwithstanding any provision contained herein to the contrary, the Owner of Lot 9 shall not be a Member of the Association, shall not hold any Memberships and shall not be charged any Dues or Assessments, unless such owner seeks to utilize the Common

Facilities (defined below). In the event the Owner of Lot 9 requests land or building management or maintenance services from the Association, but will not seek to use the Common Facilities, such Owner shall reimburse the Association for the costs of such services, but shall not be deemed a Member of the Association and shall not hold any Memberships.

(c) Transfer of Memberships. An owner shall, upon becoming the record owner of property within the Development become a Member of the Association with the number of Memberships computed as set forth in Section 4(b). The Membership is appurtenant to ownership and will pass to succeeding owners of record of the property. No Membership may be transferred, pledged, assigned or alienated in any manner, except as appurtenant to transfer of ownership of property in the Development.

(d) Board of Directors. The business and affairs of the Association shall be managed by its Board of Directors (the "**Board**"). The members of the Board shall be selected as provided in the Articles and Bylaws. The Articles and Bylaws of the Association may provide for a period of control by the Declarant of the Association and the Board thereof.

(e) Purposes and Responsibilities. The Association shall have the powers conferred upon it by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the purposes and administer the affairs of the Association. The powers, duties and obligations of the Association shall include, but not be limited to, the following:

(i) The ownership, acquisition, development, construction, maintenance, repair, replacement, operation and administration of common facilities, such as Outlots in the Development, signs, walks and paths, easement access roads, railroad spur tracks and landscaped areas located in the Development and in adjacent public property and rights of way ("**Common Facilities**") for the benefit, use and enjoyment of owners and occupants of the Declarant and the enforcement of the rules and regulations relating to the Common Facilities.

(ii) The installation, mowing, trimming, maintenance, repair and replacement of landscaping and green areas located within any Common Facilities, on any public property or on any public rights-of-way or easement access roads located in the Development or adjacent thereto. The Association may also maintain, repair and replace the irrigation well and pump located on Lot 2 that serves the existing lawn sprinklers located on Lots 1, 2 and 5 and Outlot 1 in the Development. The Association reserves the right to discontinue the well and to transfer the water service for such sprinklers to MUD. The Association may also contract with owners in the Development to provide land and building management and maintenance services on such owner's property on a reasonable cost basis.

(iii) Construction, maintenance and repair of all easement access roads in the Development that are for the benefit of all owners in the Development and which are shown on the Declaration of Access Easement made by the Declarant and the Association and recorded contemporaneously herewith, including snow and ice removal from such easement access roads.

(iv) Repair, maintenance and replacements of sanitary and storm sewer lines serving the Development other than individual sanitary sewer lines serving individual buildings, which shall be the building owner's responsibility.

(v) Paying an annual fee to the City of Omaha for maintaining, repairing, timing and supplying electricity in connection with one (1) stoplight along I Street.

(vi) Providing security services for the Development, including installing and maintaining any guard stations in the Development.

(vii) The fixing, levying, collecting, abatement and enforcement of all charges, dues, and assessments made pursuant to the terms of this Declaration, and the enforcement of this Declaration and the covenants contained herein.

(viii) The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association.

(ix) The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

(x) The acquisition by purchase or otherwise, holding, or disposing of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association including, but not limited to, the Outlots in the Development. All terms and provisions of this Declaration, including maintenance obligations, shall apply to the Outlots in the Development.

(xi) The employment of professionals and consultants to advise and assist the officers and Board of the Association in the performance of their duties and responsibilities for the Association.

(xii) The right to enter onto any property within the Development to enforce this Declaration.

(xiii) Procure insurance coverages as the Board determines.

(xiv) Borrow funds for the purposes of the Association, which may be secured by property of the Association, provided, however, that any borrowing must be approved by a majority vote of all Memberships of the Association.

(xv) The general management and administration of the Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish the purposes of the Association.

(xvi) The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

(f) Dues and Assessments. The Association may fix, levy and charge the owner of any property in the Development with dues and assessments (hereinafter collectively referred to as "**Dues and Assessments**") under the provisions of this Declaration. Except as otherwise specifically provided herein, the Dues and Assessments shall be fixed by the Board of the Association and shall be payable at the times and in the manner prescribed by the Board. Each owner of property in the Development, by acceptance of a deed for such property, shall be deemed to consent and agree to pay to the Association Dues and Assessments which the Board is authorized to levy. Any owner shall have the right to audit the books and records of the Association to determine the accuracy of Dues and Assessments. If the audit reveals an overpayment, the owners shall be reimbursed for their overpayment and if the overpayment is more than 3% of the Dues or Assessment charged, the Association shall reimburse the auditing owner for the cost of the audit.

(g) Liens and Personal Obligations for Dues and Assessments. The Dues and Assessments, together with interest thereon, court costs and reasonable attorneys fees incurred in the collection of the same, shall be the personal obligation of each owner of property in the Development (or if such property has multiple owners due to fractional undivided ownership which, all of the owners of the property, jointly and severally) who owned the property at the time when the Dues or any Assessments first became due and payable. The Dues and Assessments, together with interest thereon, court costs and reasonable attorneys fees incurred in the collection thereof, shall also be a charge and a continuing lien upon the property with respect to which the Dues and Assessments were charged. The personal obligation for delinquent Dues and Assessments incurred prior to any sale or transfer of any property in the Development shall not pass to the successor in title unless expressly assumed by such successor as a personal obligation, but all successors in title shall take title to such property subject to the lien for any unpaid Dues and Assessment, regardless of when such lien arose. All dues and assessments shall be paid without reduction, claim or offset.

(h) Purpose of the Dues and Assessment. The Dues and Assessments collected by the Association may be committed and expended to accomplish the purposes, powers and responsibilities of the Association as described in this Declaration and in the Articles and Bylaws of the Association.

(i) Dues. Within forty-five (45) days after the recording of this Declaration, the Declarant and any Members shall meet to discuss the Association's budget for 2006 and 2007. Based on such budget, the Board shall notify each Member of the actual amount of the Dues per Net Acre. Thereafter, the amount of the Dues shall be

determined by the Board, provided, however, that the Dues shall not increase in any year by more than 10% over the Dues charged for the prior year unless excess Dues are approved by the Members as provided in Section 4(k) below. Dues for the first year shall become due and payable on the first day of the first month following the recording of this Declaration and on the same day of each year thereafter.

(j) Assessments for Extraordinary Costs. In addition to the Dues, the Board may from time to time levy an Assessment or Assessments in the event the Dues are inadequate in any year to pay for the operations of the Association, or are necessary for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement or replacement of any Common Facility, including fixtures and personal property related thereto, any related facilities, and the cost of maintaining any adjacent public property and rights of way, including snow removal therefrom.

(k) Excess Dues and Assessments. With the approval of 67% of the Memberships of the Association, the Board may establish Dues and Assessments in excess of the maximum stated in this Declaration.

(l) Rate of Assessment. Dues and Assessments for each service provided by the Association shall be fixed at a uniform rate as to all property based upon the size of the property involved. It is expressly contemplated by this Declaration that the Board shall have the right to levy Dues and Assessments against property based on the benefits derived by such property for services provided by the Association when the operations of the Association do not benefit all property in the Development.

(m) Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth the Dues and Assessments on a specified parcel of property in the Development have been paid to the date of the request, the amount of any delinquent sums, and the due date and amount of the next succeeding installments of Dues and Assessments. The Dues and Assessments shall be and become a lien on the property as of the date such amounts first become due and payable.

(n) Effect of Nonpayment of Dues and Assessments and Remedies. Any installment of Dues and Assessments which is not paid when due shall be delinquent. Delinquent Dues or Assessments shall bear interest from the due date at the rate of four percent (4%) over the prime rate of interest as published in the Wall Street Journal. In the event that the prime rate of interest is not published in the Wall Street Journal, then the prime rate to be utilized for purposes of calculating the interest rate on Dues and Assessments shall be the prime rate of interest published in another nationally recognized and reputable electronic or print publication as determined by the Board. Upon becoming delinquent, the owner of the property shall be deemed to have assigned to the Association all rents, issues and profits of the property which may then be collected by the Association to pay such delinquent Dues and Assessments. Upon any non-payment, the Association may record against such property a notice of lien ("**Notice of Lien**"), but the recording of such Notice of Lien shall not be required to

create or enforce the lien of any such unpaid Dues and Assessments. Such Notice of Lien may be filed against the property of the defaulting owner in the Office of the Register of Deeds for Douglas County, Nebraska, and if filed, shall be signed and acknowledged and shall contain at least the following information:

- (i) A statement of the unpaid amount of costs and expenses;
- (ii) A description sufficient for identification of that portion of the property of the defaulting owner which is the subject of the lien; and
- (iii) The name of the owner or reputed owner of the property which is the subject of the alleged lien.

The Association may bring an action at law against the owner or owners personally obligated to pay the same, or foreclose the lien against the property involved in the same manner, and pursue any other legal or equitable remedies. The Association shall be entitled to recover as a part of the action all court costs and reasonable attorneys fees incurred by the Association with respect to each such action. The Association shall have the right to bid upon the property at any foreclosure sale and to acquire title thereto. No owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of the property. The mortgagee or trust deed beneficiary of any property in the Development, shall have the right to cure any delinquency of an owner by payment of all sums due, together with interest, court costs and legal fees. The Association shall assign to such mortgagee or trust deed beneficiary all of its rights with respect to such lien and right of foreclosure and such mortgagee or trust deed beneficiary may thereupon be subrogated to any rights of the Association pertaining thereto.

(o) Subordination. The lien of Dues and Assessments provided for herein shall be superior to all liens and encumbrances of any nature, but shall be subordinate to the lien of any valid first mortgage or deed of trust or a mortgage or deed of trust given as collateral for a loan to construct any improvement on the property. Sale of any property in the Development shall not affect or terminate the lien of any Dues and Assessments. Any good faith sale or transfer of any property by judicial or non-judicial foreclosure of such first mortgage or deed of trust shall extinguish the lien of such Dues and Assessments that become due prior to such sale or transfer, but shall not relieve the property from any obligation to pay any such Dues and Assessments or the lien thereof, attributable to or becoming due for any period of time after such sale. After such sale, the Board of Directors may assess such property for a pro rata share of Dues and Assessments extinguished by such sale that were attributable to periods subsequent to such sale.

(p) Transfer of Property. Any transfer of any property in the Development shall be subject to the lien of any unpaid Dues and Assessments regardless of whether any Notice of Lien has been received thereon, and the selling owner shall remain personally liable for any such Dues and Assessments, charged against such property prior to such sale.

(q) Suspension of Voting Privileges. In addition to all other rights and remedies of the Association, the Board may suspend the voting rights of any property owner who has not paid any Dues and Assessments by the due date thereof.

5. WAIVER, MODIFICATION OR AMENDMENT BY BOARD.

The owner of any property in the Development may petition the Board to waive compliance with or grant a variance to any of the site development regulations contained in this Declaration. Subject to the limitations set forth below, and based on its reasonable discretion, the Board is hereby given the power to grant such waiver or variance upon such request and upon a finding by the Board that such request is in conformity with the general scheme for the development of the Development as set forth in this Declaration. Such waiver or variance shall only be effective upon a majority vote of the members of the Board. Notwithstanding any other provision contained herein, if the Board shall fail to approve or disapprove any such requests for waiver, variance, modification or amendment within thirty (30) days after such request has been submitted to the Board, such request shall be deemed conclusively to have been disapproved unless or until the Board takes further action on the same, if ever.

6. TERM AND EXTENSIONS; AMENDMENT.

(a) Duration: This Declaration, and each covenant, condition, reservation and restriction contained herein, shall continue in effect for a period of thirty (30) years from the date this Declaration is recorded in the office of the Register of Deeds of Douglas County Nebraska. Thereafter, this Declaration shall be automatically extended for successive terms of ten (10) years each, unless sixty-seven percent (67%) of all of the then Memberships of the Association, by written declaration, signed and acknowledged by them and duly recorded with the Register of Deeds for Douglas County, Nebraska, elect to terminate this Declaration effective as of the end of the then current term.

(b) Amendment: This Declaration may only be modified or amended by a written amendment signed by sixty-seven percent (67%) of all of the then Memberships of the Association; provided, however, that any such amendment shall not (a) eliminate or modify the Declarant's right to control the Board and the Association for a period of two (2) years from the date of recording this Declaration with the Douglas County, Nebraska Register of Deeds or (b) modify the provisions of Section 4(b) regarding the Membership in the Association of the Owner of Lots 9.

7. ENFORCEMENT BY PROPERTY OWNERS ASSOCIATION.

(a) Notice of Default and Cure. In the event the owner of any property in the Development fails or refuses to perform any obligation of such owner under these Declarations, the Board of the Association shall notify the owner of such default. In the event such owner does not correct such default within thirty (30) days after receipt of such notice, the Association may, but shall not be obligated to, cure such default, and the cost thereof, together with an overhead charge of 10% of the cost of such cure, provided that such charge shall be at least \$100, but no more than \$2,500, shall be paid by such owner to the Association upon demand. Such costs shall be a lien upon the owner's property in the same manner as an Assessment as provided in Section 4(k) hereof, but shall not be subject the limitations in amount stated in such Section.

(b) Enforcement. Upon a violation or breach of any of the covenants, conditions, reservations, and restrictions set forth herein, the Association shall have the right to proceed at law or in equity to compel compliance with the terms hereof or to prevent the violation or breach of any of them. The failure promptly to enforce any of the covenants, conditions, reservations and restrictions contained herein shall not bar their enforcement or be deemed a waiver of any future violations. Upon the failure or refusal of the Association to enforce any of the covenants, conditions, reservations and restrictions set forth herein, any then owner of any portion of the Development shall have the right, but not the obligation, to proceed at law or equity to compel compliance therewith or to prevent or enjoin any actual or threatened violation or breach of the same.

(c) Entry Onto Property. In addition to the foregoing rights, any designated representative of the Association (each a "**Designated Representative**") shall have the right, whenever there shall have been built any structure or exists any condition in the Development which is in violation of this Declaration and such violation has not been cured within thirty (30) days after written notice to the breaching party, to enter upon the property where such violation exists and summarily abate or remove the same at the expense of the owner, payable within ten (10) days after such breaching party is billed. Any such entry and abatement or removal shall not be deemed a trespass. The cost of such abatement or removal, if not paid within such ten (10) day period, shall be a lien in favor of the Designated Representative against the breaching owner's property and, subject to the provisions of Section 4(n), may be foreclosed by the curing party in like manner as any other lien against real estate.

(d) Other Enforcement Actions. In addition to the foregoing remedies, the Association may commence an action for damages, declaratory judgement, injunctive relief or specific performance against any owner due to any breach by such owner of any covenant or obligation in these Declarations.

8. RESERVED RIGHTS OF DECLARANT.

(a) Declarant's Reserved Rights. So long as Declarant owns any undeveloped property within the Development, Declarant shall have, and hereby

reserves the right: (i) to create additional outlots; (ii) to create or eliminate easement access roads, so long as each lot in the Development has access to a public right-of-way directly or through an easement access road; and (iii) to grant additional easements for utility services in any easement access road area or in any existing utility easement area so long as such additional utility easements do not have a material adverse effect on the existing road or utility easement.

(b) Assignment of Declarant's Rights. All of the rights, powers, duties and obligations of Declarant may be assigned to any corporation or other entity that is controlled by, under common control with, or controls Declarant, and upon such assignment, such assignee shall have and succeed to all of the rights, powers, duties and obligations of the Declarant in the same manner as if such assignee was the Declarant.

9. NOTICES.

All notices, demands, statements, and requests (collectively "**Notices**") required or permitted to be given under this Declaration must be in writing and shall be deemed to have been properly given or served as of the date hereinafter specified: (i) on the date of personal service upon the person to whom the Notice is addressed or if such person is not available the date such Notice is left at the address of the person to whom it is directed, (ii) on the date the Notice is postmarked by the United States Post Office, provided it is sent prepaid, registered or certified mail, return receipt requested, and (iii) on the date the Notice is delivered by a courier service (including Federal Express, Express Mail, or similar operation) to the address of the person to whom it is directed, provided it is sent prepaid, return receipt requested. Any notice to be given to the owner of any portion of the Development may be served by leaving it with a representative of such owner at such owner's office located on the Development. The place for delivery of any Notice hereunder may be changed by any party hereto by written notice to the other parties delivered in the manner required by this paragraph.

10. DECLARATION SHALL CONTINUE NOTWITHSTANDING BREACH.

It is expressly agreed that no breach of this Declaration shall (i) entitle any party to cancel, rescind, or otherwise terminate this Declaration or (ii) defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value. However, such limitation shall not affect in any manner any other rights or remedies which a party may have hereunder by reason of any such breach.

11. EFFECT OF SALE BY OWNER.

If any owner of any portion of the Development sells its property, then after the date of sale, such owner shall have no further obligation under this Declaration with respect to such property sold; provided, however, the selling owner shall remain personally liable for any obligations incurred prior to said sale.

12. DEFAULT IN PAYMENT OF EXPENSES.

Notwithstanding any of the provisions of this Declaration, a breach of any of the conditions and covenants contained herein shall not defeat, affect or render invalid the lien of any mortgage or deed of trust made in good faith and for value, but such conditions and covenants shall be binding and effective against any owner of any property or any portion thereof whose title thereto is acquired by foreclosure, trustee's sale or otherwise.

13. RULE AGAINST PERPETUITIES.

In the event the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective being contrary to applicable law or prohibited by the "rule against perpetuities" or any similar law, then in that event only the term hereof shall be reduced to the maximum period of time which does not violate such law or the rule against perpetuities as set forth in the laws of the State of Nebraska.

14. WAIVER.
