COVENANTS, CONDITIONS AND RESTRICTIONS

The following covenants, conditions and restrictions relating to this Condominium Regime shall run with the land and bind all owners of units in the Condominium Regime, tenants of such owners, employees and any other persons who use the Condominium Regime, including the persons who acquire the interest of any owner through foreclosure, enforcement of any lien or otherwise:

(a) The 420 Condominium Association shall be organized to provide a vehicle for the management of the Condominium Regime. Each owner of a unit in the Condominium Regime shall automatically be deemed a member of the Association.

(b) The general common elements are for the use and enjoyment of all owners. The limited common elements to which less than all units have access shall be for the exclusive use of such owners of the respective unit or units.

(c) The ownership of the common elements, both general and limited, shall remain undivided, and no person or owner shall bring any action for the partition or division of the common elements. The phrase "common elements" used in this Master Deed and Declaration shall include both general and limited common elements unless otherwise specified. The Association shall from time to time establish rules and regulations for the use of the common elements, and all owners and users shall be bound thereby. The Association shall have the sole jurisdiction over and responsibility of making alterations, improvements, repairs and maintenance of the common elements. The share of an owner in a common element is appurtenant to his or her unit and inseparable from unit ownership. However the owner of unit 12 may convey one or more of the parking stalls (which are limited common elements exclusively allocated to unit 12) to any other unit in which case said parking space or spaces shall become a limited common element allocated exclusively to that unit and an amendment to this Master Deed shall be prepared and filed accordingly. Assessments against owners for insurance, common elements expenses and reserves and for other expenses incurred by the Association shall be made pursuant to the Bylaws. Assessments paid within ten (10) days after the date when due shall not bear interest, but all sums not paid within said ten (10) day period shall bear interest at the highest legal interest rate at which individuals may contract under the laws of this state from due date until paid. If any owner shall fail or refuse to make any payment of such assessments when due, the amount thereof plus interest shall constitute a lien upon such owner's interest in his or her unit and in the property, as defined in Section 76-874 R.R.S. Nebraska, and, upon the recording of such lien by the Association in the office of Register of Deeds of Douglas County, Nebraska, such amounts shall

constitute a lien prior and preferred over all other liens and encumbrances except assessments, liens and charges for taxes due and unpaid on the unit and except prior duly recorded mortgage and lien instruments.

(d) The owner of the unit shall be responsible:

- (1) To maintain, repair and replace to his or her expense all portions of his or her unit to the extent the same is not included in the definition and context of common elements.
- (2) To refrain from painting, decorating or changing the appearance of any portion of the exterior of the condominium building or unit, without the prior written approval of the Association and Declarant or Declarant's successors.
- (3) To promptly report to the Association any defect or need for repairs which are the responsibility of the Association.

(e) Each unit, except unit 12 which may continue at all times to be used for one or more commercial purposes, shall be used and occupied only by one (1) family (as defined in Section 55-7 of the Omaha Municipal Code), its servants and guests, as a residence and for no other purpose. No unit may be subdivided or any portion thereof sold or transferred without first amending this Master Deed and obtaining the written consent of the Association, setting forth the change in the unit to be subdivided.

(f) No practice or use shall be permitted on the Condominium Regime or any unit which shall constitute a nuisance to other owners or residences and which shall interfere with their peaceful use and enjoyment of their unit. All portions of the Condominium Regime and of each unit shall be kept in a safe condition and no use thereof shall be made which constitutes a violation of any laws, zoning ordinances, governmental regulations or regulations of the Association.

(g) No owner may sell or lease his or her unit or any interest therein unless he or she shall have given to the Association, at least five (5) days prior to closing of such sale or lease, a written notice specifying the name and current address of such buyer or lessee. The above provisions regarding notice of transfer shall not apply to the acquisition of ownership through foreclosure of a mortgage upon a unit.

(h) Unless a greater number is required by law, owners of units representing two-thirds (2/3) or more of the total basic value of the Condominium Regime may at any time in writing duly acknowledged and recorded in the Office of the Register of Deeds of Douglas County, Nebraska, effect an amendment to the Bylaws which are hereto attached and as the same may, from time to time, have been amended. Unless a greater number is required by law, owners representing three-fourths (3/4) or more of the total basic value of the Condominium Regime may in writing duly acknowledged and recorded in the office of the Register of Deeds of Douglas County, Nebraska, effect an alteration, deletion or amendment to this Master Deed and Declaration, as the same may have been amended from time to time, except that subparagraph (b) of this Article XII may not be altered without the assent of the Declarant and four-fifths (4/5) of the value of the Regime. Changes shall not bind any then existing mortgage holders of record unless they shall likewise consent to such change in writing.

(i) This Condominium Regime may be terminated or waived by written agreement of owners representing four-fifths (4/5) or more of the total basic value of the Condominium Regime with the consent of all lienholders of record; which agreement shall be acknowledged and recorded in the office of the Register of Deeds of Douglas County, Nebraska, and termination shall be effective as of recording date. A termination agreement may specify that all or part of the units and common areas be sold following termination. If the real estate constituting the condominium is not sold following termination the unit owners shall become tenants in common, and while the tenancy in common exists each unit owner and his or her successors in interest shall have an exclusive right to occupancy of that portion of the real estate formerly constituting his or her unit.

In no event may any part of the Property be sold or otherwise disposed of without the prior termination or waiver of the Condominium Regime, unless sale or disposition is approved in writing by owners representing one hundred percent (100%) of the total basic value of the Condominium Regime and by the holders of all mortgages of record covering any units within the Condominium Regime. Notwithstanding any provision in the Bylaws, there shall be no reduction or deletion or conveyance of the common elements without the prior written consent of the holders of all mortgages of record against any units within the Condominium Regime.

(j) All notices required hereby shall be in writing and sent by certified or registered mail, return receipt requested:

- (1) To an owner at his last known address on the books of the Association.
- (2) To the Condominium Regime or the Association at the registered office of the Association.

(k) Declarant reserves the right to use any units owned by it as models or to lease for residential purposes units 1-11 until completion of sales by Declarant of all units in the Condominium Regime.

(j) Notwithstanding any provision contained in this Master Deed and Declaration or in the attached Bylaws, no modification to the exterior of the building constituting the subject matter of the Condominium Regime shall be made at any time without prior written approval of the Declarant, or its successor or assigns. This covenant restriction and condition shall not be subject to modification without written consent of the Declarant.

ARTICLE XI

SEPARATE TAXATION

Declarant shall give written notice to the County Assessor of Douglas County, Nebraska, of the creation of the Condominium Regime so each unit in the Condominium Regime, including the undivided interest in the common elements appurtenant thereto, shall be deemed a parcel and subject to separate assessment and taxation.

ARTICLE XII

RESERVATION IN DECLARANT

(a) The Declarant reserves, without assent of owners of units, the right to establish easements, reservations, exceptions and exclusions consistent with the condominium ownership of the Condominium Regime and for the best interests of all the owners in the Condominium Regime, and to supplement or amend this Master Deed and Declaration, or as amended, or the attached Bylaws, or as amended, until December 31, 1992 or until Declarant releases control of the Association.

(b) Declarant further reserves the right so long as it is the owner of any unsold unit to change the layout of such unit. Declarant also reserves the right to change the size of the unsold units by adding a part of one to another and to divide any unsold unit #1-11 into not more than 2 smaller units. In case of any such changes, the participation in the assessments made and the percentage of interest in the common element of such affected units the Declarant will, at its sole expense, record and file any and all amendments to the Master Deed and Declaration and plans required by reason of a change in the size or layout of a unit as provided in this article.

(c) Declarant reserves the right to subdivide unit 12 into several units.

(d) The Declarant reserves the right to add to the Condominium Regime the four story building located on the south 66' of Lot 8, Block 152 to the east of the 420 Condominium Regime property. In the event Declarant exercises this right, then the units in the added property shall contribute in the aggregate 28% of the general common expense as described in Article VI as it would apply to the two buildings together and shall have proportional rights in the enjoyment thereof. Units located on the second, third and fourth floors of the building located on the south 66' of Lot 8 would contribute 28% of the expense of the limited common elements described in Article VII (a) and (b) except water and sewer and shall have proportional rights in and enjoyment thereof.

ARTICLE XIII

UNIT 12

(a) Unit 12, and the basement thereof, to the exclusion of all other units, may at all times be employed for a commercial purpose or purposes. Any rights in the sub-basement situated under the sidewalk granted by the City of Omaha shall be a limited right appurtenant only to unit 12 and any fees incident thereto shall be borne solely by its owner.

(b) Unit 12 shall not be used for any purpose or purposes which would infringe on the structural or aesthetic beauty of the condominium property, nor shall unit 12 be used for any purpose or purposes which would interfere with the use and enjoyment of unit 1-11 as residential properties.

ARTICLE XIV

EASEMENTS

Easements are hereby reserved and granted from and to Owner and each owner of a unit for encroachment if any part of a unit encroaches upon any other unit or the common elements or if any such encroachment shall hereafter occur due to the settling or shifting of the building or for any other reason, or if such building is repaired or rebuilt after damage or destruction. The Association shall have an easement in and upon each unit for the performance and repairs upon the common elements and for emergency repairs to any part of the unit.

ARTICLE XV

PIPES, DUCTS, CABLES, WIRES, CONDUITS, PUBLIC UTILITY LINES, AND OTHER COMMON ELEMENTS LOCATED INSIDE OF UNITS

Each unit owner shall have an easement in common with the owners of all other units to use all pipes, wires, cables, conduits, public utility lines and other common elements located in any of the other

MASTER DEED AND DECLARATION  
420 CONDOMINIUM REGIME

units and serving his or her unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common elements serving such other units and located in such unit. The Board of Directors of the Association shall have a right of access to each unit to inspect the same, to remove violations therefrom and to maintain, repair or replace the common elements contained therein or elsewhere in the building constituting a part of the Condominium Regime.

## ARTICLE XVI

SUBJECT TO MASTER DEED AND DECLARATION, BYLAWS  
AND RULES AND REGULATIONS

All present and future owners, tenants and occupants of units shall be subject to, and shall comply with the provisions of this Master Deed and Declaration, the Bylaws, and the Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any unit shall constitute an agreement that the provisions of this Master Deed and Declaration, the Bylaws, and the Rules and Regulations, as they may be amended from time to time are accepted and ratified by such owner, tenant, or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

## ARTICLE XVII

ALTERATIONS AND TRANSFER OF INTERESTS

The common elements appurtenant to each unit shall have a permanent character and shall not be altered without the consent of all the units affected and expressed in an amendment to this Master Deed and Declaration duly recorded. The common elements and easements shall not be separated from the unit to which they appertain and shall be deemed to be conveyed, leased or encumbered with such unit even though such interest or easements are not expressly mentioned or described in the conveyance or other instrument. However portions of unit 12 may be leased to different tenants and the rights of each tenant thereof in various common elements affecting unit 12 shall be governed by the lease agreement between the owner of unit 12 and any lessee.

ARTICLE XVIII

AMENDMENT OF MASTER DEED AND DECLARATION

After December 31, 1991 or at such time as Declarant releases control of the Association, whichever first occurs, this Master Deed and Declaration may be amended by the vote of three-fourths (3/4) or more of the total basic value of the Condominium Regime, cast in person or by proxy at a meeting duly held in accordance with the provisions of the Bylaws. No such amendment shall be effective until recorded in the Register of Deeds of Douglas County, Nebraska.

ARTICLE XIX

INVALIDITY

The invalidity of any provision of this Master Deed and Declaration shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed and Declaration and, in such event, all the other provisions of this Master Deed and Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

ARTICLE XX

WAIVER

No provisions contained in this Master Deed and Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

ARTICLE XXI

CAPTIONS

The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed and Declaration nor the intent of any provision thereof.

ARTICLE XXII
