1.1 Building Area. The term "Building Area" means and includes that area of the Shopping Center upon which a building, buildings or other structures may be constructed or erected. Canopies may encroach from a Building Area over the Common Areas provided such canopies do not interfere with the use of the Common Areas.

1.2 Common Areas. The term "Common Areas" shall mean and include all parts of the Shopping Center which are devoted primarily for parking, approaches, exits, entrances, sidewalks, exterior landscaping, incidental and interior roadways, service roads, loading areas (excluding loading docks) and other similar areas or exterior areas not used as a "Building Area".

1.3 Outlots. The term "Outlot" shall mean and refer to any of the following platted outlots: Outlots "A" through "D", inclusive, Granite Falls Commercial, a subdivision, as surveyed, platted and recorded in Sarpy County, Nebraska. The term "Outlots" shall mean all of the platted Outlots identified in this subsection 1.3. From time to time reference to one or more of such Outlots will be made in this Declaration by its or their platted Outlot designation.

1.4 Owner. The term "Owner" shall mean any individual, partnership, joint venture, corporation, limited liability company, trust, unincorporated association, governmental agency or other business entity now or hereafter holding of record an ownership interest in fee in a portion or all of a Parcel.

1.5 Parcel. The term "Parcel" shall mean or refer to any of the following platted lots: Lots 1 through 17, inclusive, Granite Falls Commercial, a subdivision, as surveyed, platted and recorded in Sarpy County, Nebraska. The term "Parcels" shall mean all of the platted lots identified in this subsection 1.5. From time to time reference to one or more of such Parcels will be made in this Declaration by its or their platted lot number.

1.6 Permittees. The term "Permittees" shall mean (i) the respective Owners of each Parcel comprising the Shopping Center and its respective successors, assigns, heirs, and personal representatives; (ii) such Owners' agents, customers, invitees, licensees, employees, servants, and contractors; (iii) such Owners' leasees, subleasees, tenants and subtenants and their respective customers, invitees, employees, servants, licensees, concessionaires, contractors, and agents, and (iv) such Owners' land contract purchasers, mortgagees and beneficiaries under deeds of trust.

1.7 Shopping Center. The term "Shopping Center" shall mean all of the Parcels as a group.

2. Grant of Easements. The Declarant hereby grants to the Permittees the following easements:

2.1 Pedestrian Easements. Nonexclusive easements for the purpose of pedestrian traffic between each Parcel and: (i) each other Parcel; (ii) the public streets now or hereafter abutting or located on any portion of the Shopping Center; and (iii) the public walkways now and hereafter abutting or located on any portion of the Shopping Center; limited, however, to those

portions of each Parcel which are improved by the Owner thereof from time to time for pedestrian walkways and made available for general use, as such portions may be altered, relocated or eliminated from time to time by each such Owner.

2.2 Vehicular and Access Easements. Nonexclusive easements for the purpose of vehicular traffic and access between each Parcel and (i) each other Parcel; and (ii) the public streets now and hereafter abutting or located on any portion of the Shopping Center; limited, however, to (a) those portions of the Parcels which are improved as drives, entrances and exits, and service areas, and (b) such other portions which are improved by the Owner thereof from time to time for vehicular accessways and made available for general use, as such portions may be altered, relocated or eliminated from time to time by each such Owner.

The Declarant may install and construct green or planted areas, landscaped islands, directional curbing, traffic signs or devices, and improvements designed or intended to enhance traffic flow and vehicular and pedestrian safety.

2.3 Utility Easements. The Owners of the Parcels shall cooperate in the granting of appropriate and proper underground easements for the installation, repair and replacement of and connection to storm sewers, sanitary sewers, electrical, water, gas, and telephone lines and related systems necessary for the orderly development and operation of the Shopping Center. The Owner of the Parcel affected shall use its best efforts to cause the installation of such underground sewers and utilities prior to paving of the Common Areas on such Parcel. No such lines, systems, sewers, or utilities serving one or more Parcels shall be installed within any portion of any Parcel whose Owner has designated such portion as a Building Area or expansion area, it being the intent hereof that such easements, if any, shall be situated under Common Areas.

The Owner of any Burdened Parcel affected by any of such sewer and utility easements will have the right, at any time, and from time to time, to relocate any such easements then located on the Burdened Parcel on the conditions that: (i) such right of relocation will be exercisable only after thirty (30) days prior written notice of the intention to relocate has been given to all Owners using the easements to be relocated; (ii) such relocation, without the prior consent of the Owner of the Benefited Parcels, will not interrupt during business hours any sewer or utility service to the improvements then located on the Benefited Parcels; (iii) such relocation will not materially reduce or impair the usefulness or function of the easements to be relocated; and (iv) all costs of such relocation will be borne by the Owner relocating the easements.

2.4 Fire and Emergency Access. Nonexclusive easements for the purpose of fire protection and emergency access between each Parcel and each other Parcel for pedestrian and vehicular access, ingress and egress over, across, on and through the Common Areas of each Parcel.

2.5 Self Help Easements. Nonexclusive rights of entry and easements in favor of the Declarant over, across, and under each Parcel for all purposes reasonably necessary to enable the Declarant to perform any of the provisions of this Declaration which a defaulting Owner has failed to perform, such easements to be exercised as provided in Section 17.2 of this Declaration.

2.6 Unimpeded Access. Without the prior written consent of Declarant, no barricades, fences or other dividers will be constructed between the Parcels and nothing will be done to prohibit or discourage the free and uninterrupted flow of pedestrian or vehicular traffic throughout the Shopping Center in the areas designated for such purpose by the Owner of each Parcel except for curbing reasonably designed and installed to assist traffic control; provided that each Owner will have the right to erect barriers, once each year for a period not exceeding twenty-four (24) hours, to avoid the possibility of dedicating such areas for public use or creating prescriptive rights therein.

2.7 Use of Easements. Subject to the reasonable rules and regulations adopted for the use of each Parcel by the Owner thereof, the use of all easements created by this Declaration will, in each instance, be nonexclusive and for the use and benefit of the Permittees. Each Owner specifically reserves the right, at any time and from time to time, to promulgate such rules and regulations applicable to the Owner's Parcel as might be reasonably imposed, but in all cases consistently applied and uniformly enforced to promote the health, safety, welfare and security of such Parcel, the improvements located thereon and the Owner's tenants and subtenants and their customers. Each Owner may, at any time and from time to time, remove, exclude and restrain any person from the use, occupancy or enjoyment of any easement hereby created or the area covered thereby for failure to observe the reasonable rules and regulations established as permitted herein. If the unauthorized use is being made of any easement area by any of the Permittees, such unauthorized use may be restrained or terminated by appropriate proceedings after written notice to the defaulting Owner and failure to abate such unauthorized use within fourteen (14) days after receipt of such notice.

Nothing in this Declaration shall be interpreted to permit nor shall the Owner of any Parcel impose any charge or cost for the use of any of the Common Areas.

2.8 Maintenance of Easement Areas. Except to the extent that such areas might be operated and maintained by public authorities or utilities and except as otherwise specifically provided in this Declaration, the Owner of each Burdened Tract will operate, maintain and replace all of the areas of the Burdened Tract which are subject to the pedestrian and vehicular easements created in this Declaration in sound structural and operating condition at the sole expense of the Owner of the Burdened Tract. Additionally, the Owner of each Parcel, at its own expense, shall repair, maintain and replace the Common Areas and all improvements within or upon any Building Area (the "Improvements") from time to time located on such Parcel. Such repairs, replacements and maintenance shall include, but shall not be limited to:

(a) maintenance, repair and replacement of the surface and subsurface of any parking areas so as to maintain level, smooth and evenly covered parking areas with the type of materials originally installed or used thereon or such substitutes as will in all material respects be equal to or better than such materials in quality, appearance, use and durability;

(b) maintenance, repair and replacement of any sidewalks or pedestrian walkways so as to maintain a smooth and even surface for safe pedestrian traffic;

D

(c) maintenance, repair and replacement of all buildings and other improvements. Nothing in this paragraph shall be construed to obligate the Owner of any Parcel to restore any building or improvement destroyed by fire or other casualty; however, if such building or improvement is not repaired or replaced, then it shall be razed within a reasonable time, all debris removed, and all unpaved or unlandscaped areas seeded;

(d) maintenance and care of all grass, shrubs and landscaping, including, but not limited to, the fertilizing, weeding, watering, mowing and trimming thereof, and the making of such replacements of shrubs, trees and other landscaping as is necessary to maintain the same in first class condition;

(h) maintenance and replacement of all lighting equipment, facilities and identification signs.

The standard of care applicable to repairs and maintenance required under this Declaration shall be that of a first-class shopping center.

The Owner of each Burdened Tract will operate, maintain and replace all sewers and utilities located within the boundaries of such Burdened Tract in sound structural and operating condition (except to the extent that such operation and maintenance is performed by public authorities or utilities) and any expenses occasioned thereby will be borne by the Owners of the Benefited Tract or Tracts which are serviced by such utility facilities in the ratio which the gross leasable area of the improvements located on each Benefited Tract bears to the total gross leasable area of the improvements located on all Benefited Tracts; provided, however, that each Owner will pay the costs associated with the construction, operation, maintenance and replacement of utilities and the consumption of utility services which relate solely to the improvements located on an individual Parcel, and no other Owner will have any liability with respect thereto.

3. Use of the Building Areas. Buildings in the Shopping Center shall be used for commercial purposes of the type normally found in a retail shopping center, including, without limitation, service shops, offices (including, but not limited to, real estate, insurance agency,

Declarant reserves the right to change or modify the Gift Card Program from time to time, to add a Gift Card Program if it so desires and to designate one or more banking institutions to administer the Gift Card Program, provided that such changes, modifications, additions or designations are at no additional cost to Owner or Owner's tenants.

10. Eminent Domain.

10.1 Owner's Right to Award. Nothing herein shall be construed to give an Owner of any Parcel any interest in any award or payment made to any other Owner in connection with any exercise of eminent domain or transfer in lieu thereof affecting another Owner's Parcel or granting the public or any government any rights in such Parcel. In the event of any exercise of eminent domain or transfer in lieu thereof of any part of the Common Areas, the award attributable to the land and improvements of such portion of the Common Areas shall be payable only to the Owner thereof, and no claim thereon shall be made by the Owners of any other portion of the Shopping Center.

10.2 Tenant's Claim. Nothing in this Section 10 shall prevent a tenant from making a claim against an Owner pursuant to the provisions of any lease between such tenant and such Owner for all or a portion of any such award or payment.

10.3 Restoration of Common Areas. The Owner of any portion of the Common Areas so condemned shall promptly repair and restore the remaining portion of the Common Areas within its respective Parcel as nearly as practicable to the condition of the same immediately prior to such condemnation or transfer and without contribution from any other Owner.

11. Rights and Obligations of Lenders. If, by virtue of any right or obligation set forth herein, a lien shall be placed upon any Parcel, such lien shall expressly be subordinate and inferior to the lien of any first lienholder now or hereafter placed on such Parcel. Except as set forth in the preceding sentence, however, any holder of a first lien on any Parcel, and any assignee or successor in interest of such first lienholder, shall be subject to the terms and conditions of this Declaration.

12. Release from Liability. Any person acquiring fee or leasehold title to any Parcel shall be bound by this Declaration only as to the Parcel or portion of the Parcel acquired by such person. In addition, such person shall be bound by this Declaration only during the period for which such person is the fee or leasehold owner of such Parcel or portion thereof and shall be responsible for all obligations and liabilities which accrue during such period. Although persons may be released under this Section 12, the easements, covenants and restrictions in this Declaration shall continue to be benefits to and servitude upon such Parcel or Parcels, running with the land.

J

13. Breach. In the event of the breach or threatened breach of this Declaration, either (a) any or all of the Owners of Parcels adversely affected by such breach or threatened breach, or (b) the Declarant shall be entitled to institute proceedings for full and adequate relief from the consequences of such breach or threatened breach. The unsuccessful party in any action shall indemnify the prevailing party from all reasonable attorney's fees and other reasonable costs and expenses incurred by the prevailing party in connection with such proceedings.

No breach or threatened breach of this Declaration will entitle any Owner of any of the Parcels to cancel, rescind or otherwise terminate this Declaration.

14. Legal Effect. Each of the easements and rights created by this Declaration are appurtenant to the Parcel to which they relate and may not be transferred, assigned or encumbered except as an appurtenance to such Parcel. For the purpose of each such easement and right, the Benefited Tract will constitute the dominant estate and the Burdened Tract will constitute the servient estate. Each easement or covenant contained in this Declaration: (a) is made for the direct, mutual and reciprocal benefit of each other Parcel now or hereafter constituting a part of the Shopping Center; (b) creates mutual equitable servitudes on each Parcel in favor of each other Parcel; (c) constitutes a covenant running with the land; (d) binds every Owner now having or hereafter acquiring an interest in any Parcel; and (e) will inure to the benefit of each Owner and each Owner's successors, assigns, mortgagees and beneficiaries under deeds of trust.

Upon the conveyance of all or any part of a Parcel, the grantee, by accepting such conveyance will thereby become a new party to and be bound by this Declaration and will be deemed to have assumed and agreed to perform each of the obligations of the conveying Owner under this Declaration with respect to the Parcel or portion thereof conveyed to such grantee. Upon recordation of such conveyance with the Register of Deeds of Douglas County, Nebraska, the conveying Owner will be released from any obligation under this Declaration arising thereafter with respect to the portion of the Parcel so conveyed, but will remain responsible for any and all liability which has accrued prior to such recordation.

15. No Dedication. Nothing contained in this Declaration will be deemed to constitute a gift, grant or dedication of any portion of a Parcel to the general public or for any public purpose whatsoever, it being the intention of the Declarant that this Declaration will be strictly limited, in accordance with the terms hereof, to the private use of the Permittees of each Parcel to whom easements have been granted in this Declaration. Except as otherwise specifically provided herein, this Declaration is intended to benefit the Owners and their respective successors, assigns, mortgagees and beneficiaries under deeds of trust, and is not intended to constitute any person or entity which are not Permittees of Parcels to whom easements or other rights have been granted in this Declaration a third party beneficiary hereunder or to give any such person or entity any rights hereunder.

16. Duration; Amendment; Termination. Unless otherwise modified, terminated or extended as permitted in this Section 16 or in this Declaration, the easements, rights, obligations, covenants and restrictions contained in this Declaration shall continue in perpetuity. Except as otherwise specifically provided in this Declaration, this Declaration and any provision herein

K

contained may be terminated, extended, modified or amended as to the Shopping Center or any Parcel, only with the express written consent of the Declarant. No amendment, modification, extension or termination of this Declaration will be effective against any mortgagee or beneficiary under a deed of trust subsequent to such mortgagee's or beneficiary's acquiring title to a portion or all of a Parcel by foreclosure or deed in lieu of foreclosure, unless such mortgagee or beneficiary has so consented in writing. No tenant, subtenant, licensee or other person having a possessory interest in a Parcel is required to join in the execution of or consent to any action of the Owners taken pursuant to this Declaration.

17. Default; Remedies. Subject to the provisions of Section 13 of this Declaration, the provisions of this Declaration will be enforced as follows:

17.1 Injunctive Relief. In the event of any violation or threatened violation by any Owner of any of the provisions of this Declaration, in addition to the right to collect damages, each Owner will have the right to enjoin such violation or threatened violation in a court of competent jurisdiction. Prior to the commencement of any such action, thirty (30) days written notice of the violation will be given to the Owner claimed to have committed such violation during which period such Owner shall have the right to cure such default; in the event such default cannot be cured during such period and such Owner is diligently pursuing such cure, such Owner shall not be considered in default.

17.2 Self Help. In the event Owner fails to perform any of the provisions of this Declaration, the Declarant will have the right, without being obligated to do so, to enter upon the Parcel and improvements of such defaulting Owner and perform the obligations of the defaulting Owner hereunder; provided, however, that written notice of such intention, specifying the nature of the alleged default and actions to be performed, has been given to the defaulting Owner not less than thirty (30) days prior to the commencement of such action or without notice if such default is of an emergency nature. During such thirty (30) day period, the defaulting Owner will have the right to perform or commence performance of action appropriate to remedy such default, and provided such action is diligently carried to completion, the right of the Declarant to perform such obligation of the defaulting Owner will terminate without prejudice to correct further defaults. If the Declarant elects to perform the action to have been performed by a defaulting Owner, on completion of such action, or from time to time, if the action is of a continuing nature, an itemized statement of the reasonable cost thereof will be submitted to the defaulting Owner and the amount thereof will be immediately due and payable by the defaulting Owner, which amount will bear interest at the rate of sixteen percent (16%) per annum from the date such costs are incurred to the date reimbursement is made by the defaulting Owner; such amount, including interest, shall be a lien on the Parcel of the defaulting Owner until paid.

17.3 Force Majeure. If performance of any action by any Owner is prevented or delayed by act of God, war, labor dispute or other cause beyond the reasonable control of such Owner, the time for the performance of such action will be extended for the period that such action is delayed or prevented by such cause.

17.4 Notice of Default. An Owner will not be in default under this Declaration unless the Owner has received written notice specifying the nature of such default and has failed to cure

or commence appropriate action to cure such default within the times herein provided. The legal propriety of the assertion of such default shall be subject to judicial interpretation.

17.5 No Termination. No breach of this Declaration will entitle any Owner to cancel, rescind or otherwise terminate this Declaration. The foregoing limitation will not affect, in any manner, any other right or remedy which any Owner might have by reason of any breach of this Declaration.

18. Miscellaneous.

18.1 Approvals. Except for the consent or approval required of the Declarant pursuant to Sections 3, 4 and 5 of this Declaration, which consents and approvals may be withheld in its sole discretion, when approval by any Owner is required hereunder, such approval will not be unreasonably withheld or delayed. Unless provision is made for a specific period of time, the period of time in which approval will be granted will be thirty (30) days, and if an Owner neither approves nor disapproves a proposed action within that period, the Owner will be deemed to have given approval. If an Owner disapproves of any action proposed by another Owner hereunder, such disapproval shall set forth in writing the specific reasons for such disapproval.

18.2 Notices. All notices, statements, demands, approvals and other communications given pursuant to this Declaration will be in writing and will be delivered in person, by certified or registered mail, postage prepaid, or by recognized courier service to the Owners at the addresses on file with the office of the Douglas County Assessor for delivery of ad valorem tax statements relating to their respective Parcels. All such notices which are mailed shall be deemed delivered on the third day after postmark unless delivered sooner.

18.3 Waiver of Default. No waiver of any default by any Owner will be implied from the failure by any other Owner to take any action in respect of such default. No express waiver of any default will affect any default or extend any period of time for performance other than as specified in such express waiver. One or more waivers of any default in the performance of any provision of this Declaration will not be deemed a waiver of any subsequent default in the performance of the same provision or any other provision. The consent to or approval of any act or request by any Owner will not be deemed to waive or render unnecessary the consent to or approval of any subsequent similar act or request. The rights and remedies provided by this Declaration are cumulative and no right or remedy will be exclusive of any other, or of any other right or remedy at law or in equity which any Owner might otherwise have by virtue of a default under this Declaration; and the exercise of any right or remedy by any Owner will not impair such Owner's standing to exercise any other right or remedy.

18.4 No Partnership. Nothing contained in this Declaration and no action by the Owner of any Parcel will be deemed or construed by any Owner or by any third person to create the relationship of principal and agent, or a partnership, or a joint venture, or any association between or among any of the Owners of any of the Parcels.

18.5 Severability. If any provision of this Declaration is, to any extent, declared by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Declaration (or the application of such provision to persons or circumstances other than those in respect of which the determination of invalidity or unenforceability was made) will not be affected thereby and each provision of this Declaration will be valid and enforceable to the fullest extent permitted by law.

18.6 Governing Law. This Declaration will be construed in accordance with the laws of the State of Nebraska.

18.7 Captions. The captions of the paragraphs of this Declaration are for convenience only and are not intended to affect the interpretation or construction of the provisions herein contained.

18.8 Time. Except as otherwise provided by this Declaration, time is of the essence.

18.9 Estoppel Certificate. The Owner of any Parcel shall, from time to time upon not less than twenty (20) days written notice from any other Owner, execute and deliver to such other Owner a certificate in recordable form stating that this Declaration is unmodified and in full force and effect, or if modified, indicating the modifications, and stating whether or not, to the best of its knowledge, any Owner is in default under the Declaration, and if so, specifying such default.

18.10 Notice of Default to Mortgagee. Any Owner serving notice of default under this Declaration shall provide written notice of such default in the manner permitted in this Declaration to any holder of any mortgage or beneficiary under any deed of trust covering the Parcel of the Owner allegedly in default provided such holder or mortgagee shall have provided the Owner responsible for serving such notice of default a written notice informing it of the existence of such mortgage or deed of trust and the address to which notices of default are to be sent.

18.11 Merger. This Declaration and the easements and rights created herein shall not be subject to the doctrine of merger.

18.12 Assignment. Declarant may assign its rights and obligations under this Declaration.

18.13 Binding Effect. The provisions of this Declaration will be binding on the Owners and their respective successors, assigns, heirs, personal representatives, mortgagees, and beneficiaries under deeds of trust to the extent herein provided.
