Joseph Cascio (hereinafter "Grantor" whether one or more), for and in consideration of the construction and maintenance of a retaining wall as described herein by the City of Bellevue (hereinafter the "City"), a municipal corporation, and other valuable consideration, grants and conveys to the City, and its successors and assigns, an easement (hereinafter the "Easement") for the purposes hereinafter set forth in, through and under the Easement Area described on Exhibit "A" attached hereto and made a part hereof.

1. The City shall have the right to construct, inspect, and maintain a road and retaining wall over and/or under the Easement Area at the will of the City. The City shall have a continuing right of access to the Easement Area to enable the City to exercise its rights hereunder. This Easement is for the benefit of the City and any contractor, agent, employee or representative of the City.

2. Grantor may, following construction of said road and retaining wall, continue to use the surface of the Easement Area for any purpose not inconsistent with the rights herein granted, provided that Grantor shall not construct or maintain any building, structure, or other object on the Easement Area without the City's prior written consent.

3. The City will replace, rebuild, or repair any damage to the Easement Area caused by its construction or maintenance of said road and retaining wall including fences, sod, and driveways. Upon completion of the initial construction of the road and retaining wall, the City shall leave the Easement Area in a neat and orderly condition.

4. Grantor warrants that he/she is the owner in fee of the Easement Area and that he/she has the right to grant and convey this easement. This easement runs with the land and is permanent in duration.

5. This instrument contains the entire agreement of the parties, and Grantor, in executing and delivering this instrument, has not relied upon any promises, inducements or representations of the City or its agents or employees, except as set forth herein.
