PART II

OTHER TERMS AND CONDITIONS

A. PERMITTED ENCUMBRANCES.

This Conveyance is made and accepted expressly subject to (a) the Amendments, Partial Releases and Other Instruments; (b) all recorded and unrecorded liens, charges, easements, rights-of-way, encumbrances, contracts, agreements, instruments, obligations, defects, interests, options and preferential rights to purchase and all laws, rules, regulations, ordinances, judgments and orders of governmental authorities or tribunals having or asserting jurisdiction over the Subject Property or the business and operations conducted thereon, in each case to the extent the same are valid, enforceable and affect the Subject Property; (c) all matters that a current survey or visual inspection, including probing for pipelines, would reflect and (d) the Assumed Obligations, herein defined.

B. ASSUMPTION OF THE ASSUMED OBLIGATIONS; INDEMNIFICATION BY GRANTEE.

1. "Assumed Obligations" shall mean all debts, obligations and liabilities of Grantor, if any, relating to the Subject Property attributable to all periods prior to, at and

after the Effective Time, of whatever nature, however evidenced, whether actual or contingent, whether known or unknown, whether arising under contract or tort or under the laws, ordinances, rules, regulations, orders or judgments of governmental, regulatory and judicial authorities having or asserting jurisdiction over the Subject Property or otherwise.

2. Subject to the other provisions of this Conveyance, Grantee hereby assumes and agrees to perform, pay or discharge the Assumed Obligations, to the full extent that Grantor is obligated, or in the absence of this Conveyance would be obligated, to perform, pay or discharge such obligations. Without limiting the generality of the preceding sentence, Grantee agrees to protect, defend, indemnify and hold harmless Grantor in all respects relating to the Assumed Obligations, even as to matters caused by or resulting from Grantor's sole, joint, concurrent or contributory negligence, including, without limitation, all investigative costs, litigation costs (including, without limitation, attorneys' fees, court costs and other costs of suit) and all other costs and expenses relating to the foregoing, excluding only matters constituting the breach of or the failure to perform or satisfy any representation, warranty, covenant or agreement made by Grantor in connection with this Conveyance.

3. To make a claim hereunder, Grantor shall give notice to Grantee of the claim, together with a brief summary of such information with respect to such claim as is then reasonably available to Grantor. Upon such notification, Grantee shall undertake, at Grantee's expense, to defend or otherwise dispose of such claim and any litigation in connection therewith and to pay the amount of any final judgment rendered against Grantor or any settlement. Grantee shall be entitled to direct the defense through legal counsel of its choice with full cooperation of Grantor and to settle or otherwise dispose of the claim or litigation as it shall see fit; provided that Grantor may participate in such defense by advisory counsel selected by Grantor and at Grantor's expense. Grantor shall not settle any such asserted claim without the consent of Grantee.

C. DISCLAIMER OF WARRANTIES; SUBROGATION.

1. This Conveyance is made without warranty of title, express, implied or statutory, and without recourse, but with full substitution and subrogation of Grantee, and all persons claiming by, through and under Grantee, to the extent assignable, in and to all covenants and warranties by Grantor's predecessors in title and with full subrogation of all rights accruing under applicable statutes of limitation and all rights of action of warranty against all former owners of the Subject Property.

2. Grantee and Grantor agree that the disclaimers contained in this Section are "conspicuous" disclaimers. The Subject Property is conveyed to Grantee without recourse, covenant or warranty of any kind, express, implied or statutory. **WITHOUT LIMITING THE OTHER EXPRESS PROVISIONS HEREOF, GRANTEE SPECIFICALLY**

AGREES THAT GRANTOR IS CONVEYING THE SUBJECT PROPERTY "AS-IS", WITHOUT REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED (ALL OF WHICH GRANTOR HEREBY DISCLAIMS), AS TO (i) TITLE, (ii) TRANSFERABILITY, (iii) FITNESS FOR ANY PARTICULAR PURPOSES, MERCHANTABILITY, DESIGN OR QUALITY, (iv) COMPLIANCE WITH SPECIFICATIONS, CONDITIONS, OPERATION, (v) FREEDOM FROM PATENT OR TRADEMARK INFRINGEMENT, OR ABSENCE OF LATENT DEFECTS, OR (vi) ANY OTHER MATTER WHATSOEVER. TO THE EXTENT APPLICABLE (AND WITHOUT ADMITTING SUCH APPLICABILITY), GRANTEE ALSO HEREBY WAIVES THE PROVISIONS OF THE TEXAS DECEPTIVE TRADE PRACTICES-CONSUMER PROTECTION ACT, CHAPTER 17, SUBCHAPTER E, SECTIONS 17.41, ET SEQ. (OTHER THAN SECTION 17.555, WHICH IS NOT WAIVED), TEX. BUS. & COM. CODE, AND ALL SIMILAR LAWS IN OTHER JURISDICTIONS. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED BY GRANTEE AND GRANTOR AFTER DUE CONSIDERATION AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY REPRESENTATIONS OR WARRANTIES OF GRANTOR, EITHER EXPRESS, IMPLIED OR STATUTORY WITH RESPECT TO THE SUBJECT PROPERTY THAT MAY ARISE PURSUANT TO ANY LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE EXCEPT AS EXPRESSLY SET FORTH HEREIN.

3. Any covenants implied by statute or law by the use of the words "grant", "bargain", "assign", "convey" or "deliver", or any of them or any other words used in this Conveyance (including the covenant implied under Section 5.023 of the Texas Property Code) are hereby expressly disclaimed, waived and negated.

D. FURTHER ASSURANCES.

Grantor and Grantee agree to take all such further actions and to execute, acknowledge and deliver all such further documents that are necessary or useful in carrying out the purpose of this Conveyance. So long as authorized by applicable law so to do, Grantor agrees to execute, acknowledge and deliver to Grantee all such other additional instruments, notices, affidavits, deeds, conveyances, assignments and other documents and to do all such other and further acts and things as may be necessary or useful to more fully and effectively grant, bargain, assign, convey and deliver to Grantee the Subject Property conveyed hereby or intended so to be conveyed. In particular, without limitation, in the event that any Exhibit to this Conveyance omits to describe or inadequately or incorrectly describes any lands or interests in lands intended by Grantor to be conveyed to Grantee or excepted or reserved to Grantor hereby, Grantor shall execute such additional instruments as may be necessary or appropriate to supply or correct such descriptions and to effect such additional conveyance or reservation.

E. CONSENTS; RESTRICTION ON ASSIGNMENT.

If there are prohibitions against or conditions to the conveyance of one or more portions of the Subject Property without the prior written consent of third parties (other than consents of a ministerial nature which are normally granted in the ordinary course of business), which, if not satisfied, would result in a breach thereof by Grantor or would give an outside party the right to terminate Grantor's or Grantee's rights with respect to such portion of the Subject Property (herein called a "Restriction"), then any provisions contained in this Conveyance to the contrary notwithstanding, the transfer of title through this Conveyance shall not become effective with respect to such portion of the Subject Property unless and until such Restriction is satisfied or waived by the parties hereto. When and if such Restriction is satisfied or waived, the assignment of such portion of the Subject Property shall become effective automatically as of the Effective Time, without further action on the part of Grantor. If such Restriction is not satisfied or waived by the parties hereto within twenty-one (21) years after the death of the last to die of all descendants of the late Theodore H. Roosevelt, late President of the United States, who are living on the date this Conveyance is executed as reflected below, the transfer to Grantee of such portion of the Subject Property, if any, affected by such Restriction shall be null and void. Grantor and Grantee agree to use reasonable efforts to obtain satisfaction of any Restriction.

F. SEPARATE TRANSFERS.

Grantor, or Grantor and Grantee, may have executed and delivered, or may execute and deliver, certain separate transfers of individual lands, easements or instruments, which are included in the Subject Property, for filing with and approval by the United States of America and other governmental entities and agencies. Said separate transfers, if any, and this Conveyance shall, when taken together, be deemed to constitute the one Conveyance by Grantor of the applicable portion of the Subject Property. Said separate transfers, if any, to the extent required by law, shall be on forms prescribed, or may otherwise be on forms suggested, by said governmental entities and agencies. Said separate transfers, if any, are not intended to modify, and shall not modify, any of the terms, covenants and warranties set forth herein and are not intended to create, and shall not create, any additional covenants and warranties of or by Grantor to Grantee. Said separate transfers, if any, shall be deemed to contain all of the terms and provisions of this Conveyance, as fully and to all intents and purposes as though the same were set forth at length in said separate transfer. This Conveyance, insofar as it pertains to any portion of the Subject Property as to which said separate transfers have been, or will be, executed for filing with and approval by the United States of America, or any other governmental entity or agency, is made and accepted subject to the approval of the United States of America or other appropriate governmental entities and agencies and to the terms of such approval, if and to the extent required by law.

PART III

MISCELLANEOUS

A. SUCCESSORS AND ASSIGNS; NO THIRD PARTY BENEFICIARY.

This Conveyance shall bind and inure to the benefit of Grantor and Grantee and their respective successors and assigns, but shall never be deemed to inure to the benefit of or be enforceable by any other party. Grantee, and any transferee of Grantee, may transfer any or all of the Subject Property, and the provisions hereof shall bind and benefit such transferee, with respect to the portion of the Subject Property so transferred, as if such transferee were Grantee.

B. GOVERNING LAW.

THIS CONVEYANCE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS, EXCLUDING ANY CONFLICT OF LAW RULE WHICH WOULD REFER ANY MATTER TO THE LAWS OF ANOTHER JURISDICTION, EXCEPT TO THE EXTENT THAT IT IS MANDATORY THAT THE LAW OF THE JURISDICTION WHEREIN THE SUBJECT PROPERTY IS LOCATED SHALL APPLY.

C. THE EXHIBITS.

Reference is made to Exhibits A and B, which are attached hereto and made a part hereof for all purposes. Reference in the Exhibits to an instrument on file in the public records is made for all purposes, but shall not imply that such instrument is valid, binding or enforceable or affects the Subject Property or creates any right, title, interest or claim in favor of any party other than Grantee.

D. HEADINGS.

Headings are included in this Conveyance for convenience and shall not define, limit, extend, or describe the scope or intent of any provision.

E. COUNTERPARTS.

This Conveyance may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument.

EXHIBIT A

PREAMBLE TO EXHIBIT A TO
CONVEYANCE, ASSIGNMENT AND BILL OF SALE

from Enron Corp., as Grantor, to
Northern Natural Gas Company, as Grantee

1. Definitions. For purposes of this Preamble, unless the context otherwise requires, all terms employed herein that are defined in the Conveyance, Assignment and Bill of Sale to which the Exhibit, herein defined, is attached (the "Conveyance") shall have the meaning stated in the Conveyance.

2. The Preamble. This Preamble constitutes part of Exhibit A to the Conveyance (the "Exhibit"). The Exhibit is divided into six parts (singularly, "Part" and, collectively, "Parts"), as follows:

- Part I - Description of the Fee Lands.
- Part II - Description of the Pipelines.
- Part III - Description of the Easements.
- Part IV - Description of the Other Interests.
- Part V - Jurisdictions.
- Part VI - Amendments, Partial Releases and Other Instruments.

If none of the Subject Property of the classification covered by a Part is located in a given county, parish or recording jurisdiction or is intended to be conveyed by the Conveyance, such Part may be omitted from the Exhibit, may not be completed or may be marked "none".

In some instances, more than one Conveyance will be filed within a given county, parish or recording jurisdiction. In such event, Exhibit A to each such Conveyance will describe part, but not all, of the Subject Property located within such county, parish or recording jurisdiction. In addition, in some instances, certain portions of the Subject Property may be described in each such Conveyance.

If any portion of the Subject Property described in a Conveyance is located in two or more counties, parishes or recording jurisdictions, the description of such portion of the

Subject Property will be included in a Conveyance relating to both counties, parishes or recording jurisdictions.

If an easement or other instrument referred to in the Exhibit is a short form or a recording memorandum of an easement or other instrument, the description shall be deemed to include the short form or recording memorandum and also the easement or other instrument referred to therein.

The classification of the Subject Property herein as Part I (Fee Lands), Part II (Pipelines), Part III (Easements) and Part IV (Other Interests) is solely for convenience of reference. It is the intent of Grantor to convey all right, title, interest and estate of Grantor to Grantee, its successors and assigns, as to all of the Subject Property, regardless of its classification herein. Accordingly, without limiting the preceding sentences, neither the inclusion of an easement or conveyance of an interest other than fee title in Part I (Fee Lands), the inclusion of a deed conveying only fee title in Part III (Easements) or Part IV (Other Interests) nor any other misclassification shall be deemed to limit or defeat the conveyance by Grantor to Grantee, its successors or assigns, of Grantor's right, title, interest or estate in any lands, interest in land, easements, conveyances or deeds or other interest, wherever included in the Exhibit and however classified, excluding only an express reservation or exception. Any inconsistency, ambiguity or defect in the description of the lands, easements or instruments described herein shall be resolved in favor of the correct and valid description.

3. Format of Parts I, III, IV and VI. The format of Parts I (Fee Lands), III (Easements), IV (Other Interests) and VI (Amendments, Partial Releases and Other Instruments) of the Exhibit is as follows:

<u>Heading:</u>	Identification of the Part as Part I, III, IV or VI. The state and county, parish or recording jurisdiction where the applicable portion of the Subject Property is located.

Grantor: The name of the grantor, lessor, licensor, assignor or other granting or assigning party of the easement or instrument described in the Exhibit. In the case of an easement or other instrument granted by a federal or state agency, the serial number, if any, may be shown.

The recordation reference is to the volume or book and page or file number, microfilm index number, instrument number, original act number, entry number or other reference or identification name and number of the applicable public records. The applicable public records may be the deed records, official public records of real property, official public records, conveyance records, lease records, contract records or other applicable public records that the county, parish or recording jurisdiction shown in the heading of the part may maintain or may have maintained for the recordation of deeds, easements, rights of way, servitudes, leases, surface leases, surface rights, interests in land, permits, licenses, grants affecting land, other interests, franchises, ordinances, orders, privileges, consents, condemnation judgments or awards, judgments on declaration of taking and judgments in trespass to try title or other judicial actions relating to title, if any, as the case may

be, at the time of filing. In the case of easements and other instruments relating to the federal offshore areas of Louisiana and Texas, the state and county or parish to which the recordation reference refers is the adjacent county or parish, as shown in the heading of the Part or in the description of such easement or other instrument, and reference is also made to the records of the Minerals Management Service, U. S. Department of Interior, for a description of such easements or other instruments, if any. If no recordation reference is shown, the easement or other instrument may not be recorded in such county, parish or recording jurisdiction.

The file number, if shown, is the County or Parish clerk's or recorder's file number, document number, film code number, reel and image number or other official identification number.

The punctuation, spacing and styling of the book and page number and the file number may or may not be the same as that of the clerk or recorder.

Description:

The Exhibit (except Part VI) describes the greater of (i) the lands described in the Exhibit under the heading "Description" or (ii) the lands and all other rights, titles, interests and estates described in the respective easements or other instruments described in the Exhibit, limited to the extent, but only to the extent of Grantor's right, title, interest and estate therein. The Conveyance shall never be deemed to convey, or purport to convey, any right, title, interest or estate in and to the lands described in this Exhibit that is greater than the right, title, interest and estate of Grantor therein.

An instrument described in the Exhibit (except Part VI) may be a deed, assignment or other instrument of transfer, which describes, conveys, assigns or transfers lands or interests in land described therein solely by reference to other deeds, assignments, easements and instruments, which may or may not be described separately in the Exhibit. In such event, the Exhibit

(except Part VI) describes the lands, easements and interests in land so described, conveyed, assigned or transferred in such deed, assignment or other instrument of transfer, whether or not the latter lands, deeds, assignments or other instruments are described separately in the Exhibit.

Certain land descriptions are shown in an abbreviated form as to section, township and range. In such descriptions, the following terms may be abbreviated as follows:

Southeast Quarter - SE/4 or SE1/4 or SE4 or SE;
Northeast Quarter - NE/4 or NE1/4 or NE4 or NE;

The township and range may be identified by the abbreviations TWP or T and RNG or R, with the numeral(s) following TWP or T being the township number and the numeral(s) following RNG or R being the range number. The township and range numbers may be followed by a N, S, E or W to indicate whether the township or range is North, South, East or West, respectively.

The description may contain the abbreviations "Lt", "L" or "Lts" for "Lot" or "Lots"; "Pt" or "Pts" for "Part" or "Parts"; "OG&M" for "oil, gas and minerals"; "UND" for "undivided"; "Int" for "interest", "Lt" for left in proper

In Part IV, the "Description" may contain certain narrative entries which generally describe a right, interest or use granted by a specific instrument (e.g. "salt water p/1", "road crossing permit", etc.). Such entries are included for identification or convenience of reference but are not intended to enlarge, diminish or accurately describe the interest, rights, uses or permits granted by the instrument described.

Width:

The entry under the heading "width", if included, is shown for identification purposes and is not part of the description. The right, title, interest, and estate of Grantor may be an easement, right of way or other interest relating to a strip or other portion of the land described in the Exhibit, and such strip or other portion may or may not be shown under the heading "width" in the Exhibit. The width, if shown, may or may not be correct and shall never be deemed to diminish or enlarge the actual right, title, interest or estate of the Grantor or Grantee.

Part VI (Amendments, Partial Releases and Other Instruments) is a list of certain amendments, modification agreements, partial releases and other instruments heretofore executed and delivered by Grantor, or Grantor's predecessor in title, relating to lands or instruments described elsewhere in this Exhibit, as reflected by Grantor's records. The list may not list all amendments, modification agreements and other instruments relating to such lands or instruments. The information shown under the heading "Land or Instrument Reference" is intended solely as an aid for the purpose of identifying the lands or instruments affected by the applicable amendment, modification agreement, partial release or other instrument. Such references may not be complete or correct and may not fully or accurately describe the effect of the instrument

listed. Such references are not intended as a description of lands described in the Conveyance or this Exhibit. Amendments, Partial Releases and Other Instruments are described in Part VI to the extent but only to the extent the same are legal, valid and enforceable, and such description shall never be deemed to amend or modify or change the legal effect, validity or enforceability of the instruments listed or the instruments affected thereby.

Part IV (Other Interests) is in two parts: Part A (Miscellaneous) and Part B (Access Rights). Part B (Access Rights) is a description of instruments granting access rights for pipeline or other purposes, which rights have been assigned or partially assigned to Grantor.

RE: Conveyance, Assignment, and Bill of Sale from Enron Corp., a
Delaware Corporation to Northern Natural Gas Company, a
Delaware Corporation

Dear Sir or Madam:

The Conveyance and Supplemental Conveyance listed below are
to be recorded in connection with the transfer of property from the
parent corporation, Enron Corp., to its wholly-owned subsidiary,
Northern Natural Gas Company.

(1) Enclosures. We enclose herewith the following:

- (a) Conveyance, Assignment and Bill of Sale (General
Recordation Conveyance - NE) (the "Conveyance");
- (b) Real Estate Transfer Statement;
- (c) Supplemental Conveyance, Assignment and Bill of Sale (the
"Supplemental Conveyance");
- (d) Real Estate Transfer Statement;
- (e) Form for advising us of the recording fee and other
applicable fees (to be completed and returned to us if
you are unable to contact us by telephone), together with
a self-addressed, postage paid envelope; and
- (f) Check for the transfer tax in the amount of \$5,014.50 on
value of \$3,342,707.

(2) Requests.

- (a) Please (i) calculate the recording fee and any other
applicable fee required in order to file the Conveyance
and the Supplemental Conveyance of record in your county;
(ii) call collect one of the persons listed below with

the total amount and we will send you a check immediately, or, if you are unable to call us, fill out the enclosed form described in (1)(e) above and mail it back to us in the enclosed self-addressed, postage paid envelope; and (iii) hold the documents until you have received the fees.

- (b) Record the Conveyances in the official public records of real property in your county. Return the documents to the address shown on the first page thereof.
- (3) Comments.
- (a) The Conveyance and the Supplemental Conveyance, taken together, constitute a single transfer of property. Together, they transfer all property of the Grantor in the county (except for specifically excluded property) to the Grantee. The Real Estate Transfer Statement accompanying the Conveyance includes the full value of all of Grantor's property in the county (except for property specifically excluded from the conveyances), whether such property is transferred by the Conveyance or the Supplemental Conveyance. Since the value of any property transferred by the Supplemental Conveyance is included in the Real Estate Transfer Statement accompanying the Conveyance, we have not shown any additional value in the Real Estate Transfer Statement accompanying the Supplemental Conveyance.
