DUPLICATE ORIGINAL

(Cass County, Nebraska)

[C.D. Nos. 54772-3]

PERPETUAL EASEMENT DEED

THIS EASEMENT DEED, made as of the 27th Day of June, 2011, by UNION PACIFIC RAILROAD COMPANY, a Delaware corporation, Grantor, to SPRINT COMMUNICATIONS COMPANY L. P., a Delaware limited partnership, Grantee:

WITNESSETH:

That Grantor and Grantee have entered into a Fiber Optic Agreement dated as of February 13, 1985 (hereinafter the "Agreement") whereby Grantor has granted to Grantee the right to construct, operate and maintain a Fiber System on the property of the Grantor located in Cass County, Nebraska, under the terms, provisions, and conditions contained in said Agreement, one of which is that Grantor shall grant to Grantee a perpetual easement in the form of this deed.

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, Grantor by these presents does hereby grant to Grantee a PERPETUAL EASEMENT to construct, reconstruct, rebuild and reinstall the fiber optic communications system ("Fiber System") as shown and in the locations shown on Pages 103-3, 104 to 105-1, 105-2, 106 to 142 of Exhibit A, attached hereto and by this reference made a part hereof, and reasonable ingress and egress to and from the location of the Fiber System for the purpose of constructing, reconstructing, rebuilding, reinstalling, operating and maintaining the Fiber System.

SUBJECT TO and RESERVING unto the Grantor, its successors and assigns, the following:

- a. The foregoing grants are made without covenant of title or for quiet enjoyment and without warranty of title express or implied, and are subject and subordinate to outstanding or superior rights;
- b. The foregoing grants are also subject and subordinate to the prior and continuing right and obligation of Grantor to use and maintain its entire property in the performance of its public duty as a common carrier and are also subject to the right and power of Grantor to construct, maintain, repair, renew, use, operate, change, modify or relocate railroad tracks, signal, communication or other wire or fiber lines, pipe lines and other facilities upon, along or across any or all parts of the Grantor's property, or permit

others to do so for Grantor, all or any of which may be freely done at any time or times by Grantor or others with its permission without liability to Grantee or to any other party for compensation or damages, unless and except to the extent that the foregoing Agreement otherwise expressly provides;

c. The foregoing grants are non-exclusive and Grantor reserves the right to agree to other non-exclusive occupations of the easement area by one or more other person(s); PROVIDED, HOWEVER, that any such subsequent occupancies or agreements for such occupancies shall be subordinate to the rights granted herein to Grantee if Grantee has not relocated therefrom; and

d. The foregoing grants are also subject to all other terms, provisions and conditions contained in the aforesaid Agreement.

IN WITNESS WHEREOF, the Grantor has caused these presents to be signed by its Vice President – Law & Chief Compliance Officer and attested by its Assistant Secretary and its corporate seal to be hereunto affixed as of the day and year first herein written.
