STORM SEWER CONNECTION AGREEMENT

This Agreement is made this 16th day of April, 1990, by and between CONAGRA, INC., a Delaware Corporation, OPUS CORPORATION, a Minnesota corporation and OMAHA REAL ESTATE INVESTMENT PARTNERSHIP, a Minnesota general partnership (collectively, "Developers") and the COUNTY OF DOUGLAS, NEBRASKA, a political subdivision of the State of Nebraska (the "County").

WITNESSETH:

WHEREAS, Developers have constructed a storm sewer across that portion of their property located in Douglas County, Nebraska, more particularly described as Lots 1, 2, 16, 17, 19 and 20, Central Park East, an Addition to the City of Omaha, as surveyed, platted and recorded in Douglas County, Nebraska (the "Developers Property");

WHEREAS, the County is the owner of a storm sewer as well as the owner of the storm sewer outfall line, as located on the Outlot of Central Park East, an Addition to the City of Omaha, as surveyed, platted and recorded in Douglas County, Nebraska and on that certain real estate in Omaha, Douglas County, Nebraska more particularly described in Exhibit "A" attached hereto and incorporated by reference herein (collectively, the "County Property");

WHEREAS, Developers desire to connect their storm sewer system to the storm sewer outfall line of the County, and the County desires to connect its storm sewer system into Developers' storm sewer system, at locations more particularly described hereinafter;

WHEREAS, the storm sewer and storm sewer outfall line as currently constructed is shown on Exhibit "B" attached hereto and incorporated by reference herein; and

WHEREAS, Developers and the County desire to enter into this Agreement for purposes of defining the rights and obligations with regard to said storm sewer system.

NOW, THEREFORE, in consideration of the foregoing recitals and in further consideration of the mutual covenants, terms and conditions herein contained, the parties hereto agree as follows:

1. The County hereby grants to Developers the license, easement and right to make connections to the outfall storm sewer system owned by the County at the location within the County Property, as more particularly shown and identified on the drawing attached hereto as Exhibit "B". The County hereby warrants that it has the authority to run its storm sewer system through the Outlot in Central Park East.

2. Developers hereby grant to the County the license, easement and right to make connections to the outfall storm sewer system owned by Developers at the location within Lot 16, Central Park East, as more particularly shown and identified on the drawing attached hereto as Exhibit "B".

3. Developers shall maintain the storm sewer system located within the Developers Property in good condition sufficient to permit the free flow of storm drainage through said system, and shall immediately repair and restore any damage or casualty to the storm sewer system located within the Developers Property. The County shall maintain the storm sewer system located within the County Property in good condition sufficient to permit the free flow of storm drainage through said system, and shall immediately repair and restore any damage or casualty to the storm sewer system located within the County Property.

4. The rights and obligations contained herein shall be perpetual and appurtenant to and run with the land and shall inure to the benefit of, and be binding upon, the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.
