1.1 **Incorporation of Recitals.** All of the facts set forth in the Preliminary Statement of this Agreement are true and correct and incorporated into this Agreement by reference.

1.2 **Authority of Borrower.** Borrower is a duly organized and validly existing limited liability company in good standing under the laws of the State of Delaware, and authorized to do business in Nebraska. The execution and delivery of, and performance under, this Agreement by Borrower has been duly and properly authorized pursuant to all requisite company action and will not (i) violate any provision of any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to Borrower or the Articles of Organization or Operating Agreement or any other organizational document of Borrower or (ii) result in a breach of or constitute or cause a default under any indenture, agreement, lease or instrument to which Borrower is a party or by which the Project may be bound or affected.

1.3 **Compliance with Laws.** To Borrower's knowledge, all permits, licenses, franchises or other evidences of authority to use and operate the Project as it is presently being operated and as contemplated by the Loan Documents are current, valid and in full force and effect. Borrower has not received any written notice from any governmental entity claiming that Borrower or the Project is not presently in compliance with any laws, ordinances, rules and regulations bearing upon the use and operation of the Project, including, without limitation, any notice relating to any violations of zoning, building, environmental, fire, health, or other laws, ordinances, rules, codes or regulations.

1.4 **Title to Project and Legal Proceedings; Pledges of Equity in Borrower.** Borrower is the current owner of fee title in the Project. There are no pending or threatened suits, judgments, arbitration proceedings, administrative claims, executions or other legal or equitable actions or proceedings against Borrower or the Project, or any pending or threatened condemnation proceedings or annexation proceedings affecting the Project, or any agreements to convey any portion of the Project, or any rights thereto to any person, entity, or government body or agency not disclosed in this Agreement. 1.7 **No Default.** To Borrower's knowledge, no event, fact or circumstance has occurred or failed to occur which constitutes, or with the lapse or passage of time, giving of notice or both, could constitute a default or Event of Default under the Loan Documents.

## ARTICLE 2

### ADDITIONAL PROVISIONS

2.1 **Consent of Lender.** Subject to the terms of this Agreement, Lender hereby consents to the Requested Actions, as follows:

- (a) **Amendment to the Note.** The Promissory Note is amended as follows:
- 1) To change the Note Rate to, per annum, a floating rate set as of November 1, 2011 and reset on the first day of each succeeding month to the Prime Rate (as defined in the Fifth Amendment to the Loan Documents), but in no event shall the Note Rate be below, per annum, five percent (5.00%).
  - 2) To state that payments of interest required under the Note shall be made by Borrower on the 20th day of each month commencing on November 20, 2011.
  - 3) To state that The Note Rate shall be computed on a 365/360 basis; that is, by applying the ratio of the Note Rate over a year of 360 days, multiplied

by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under the Note shall be computed using this method. This calculation method results in a higher effective interest rate than any numeric interest rate stated herein.

- 4) To extend the "Maturity Date" to May 1, 2013.

All other provisions of the Promissory Note are ratified and confirmed hereby and shall remain in full force and effect.

- (b) **Amendment to the Loan Agreement.** The Loan Agreement is hereby amended as follows:

- i) In the "Definitions" section the definition of "Maturity Date" is amended to May 1, 2013.

- ii) The Loan shall be further secured by a mortgage lien in the amount of Two Million and no/100ths Dollars (\$2,000,000.00) on certain real property as set forth below. New covenants, acknowledgements, representations, warranties and covenants are added as follows:

a. The Borrower acknowledges that as a part of the consideration for, and as a condition to, agreeing to the Requested Actions, Borrower's affiliate, AVG-CFM Coventry Corporate Campus, LLC, a Delaware limited liability company ("**AVG-CFM Coventry**"), shall grant to Lender a second lien security interest in and to that certain real property located generally at the southwest corner of 204th and "Q" Streets, in Douglas County, Nebraska, and more particularly described in Exhibit B (the "**Additional Mortgaged Property**"), and will enter into a security instrument deemed appropriate by Lender granting to Lender the security interest (the "**Additional Mortgage**").

b. With respect to the Additional Mortgaged Property, Borrower has or shall, at Lender's request, supply to Lender the following:

- i) A commitment for the Title Policy or a preliminary title report from the Title Company (the "**Additional Property Commitment**"), together with true and complete copies of all documents affecting title to the Additional Mortgaged Property and the pro forma endorsements to the Title Policy as shall be deemed necessary or appropriate by the Lender.
- ii) Other agreements, documents and exhibits, without limitation, which may be required, in Lender's judgment, to assure compliance with the requirements of this Agreement.

c. AVG-CFM Coventry is the owner, in fee simple, of the Additional Mortgaged Property, subject to no lien, charge, mortgage, restriction or encumbrance, except Permitted Encumbrances (the existing first mortgage lien of the Lender shall be considered a Permitted Encumbrance). The Borrower acknowledges that the Lender is relying upon the disclosure of encumbrances in the Additional Property Commitment, and Borrower has reviewed and confirms the encumbrances and exceptions as set forth therein are the only encumbrances and exceptions known to Borrower.

d. There are no actions, suits or proceedings pending or, to the knowledge of Borrower, threatened against or affecting the Additional Mortgaged Property or the priority of the lien thereof, at law or in equity.

e. The exterior lines of the Improvements on the Additional Mortgaged Property are, and at all times will be, within the boundary lines of the Additional Mortgaged Property, and Borrower has examined and is familiar with all applicable covenants, conditions, restrictions and reservations, and with all applicable Governmental Requirements, including but not limited to building codes and zoning, environmental, hazardous substance, energy and pollution control laws, ordinances and regulations affecting the Additional Mortgaged Property, and the Additional Mortgaged Property will in all respects conform to and comply with said covenants, conditions, restrictions, reservations and Governmental Requirements.

f. Except as specified in the Additional Mortgage or in this Agreement, the Borrower shall assure that AVG-CFM Coventry shall not voluntarily or involuntarily agree to, cause, suffer or permit: (a) any sale, transfer or conveyance or divestiture of title, whether by operation of law or otherwise, of any interest of AVG-CFM Coventry, legal or equitable, in the Additional Mortgaged Property or any part or portion thereof (other than permitted Leases and as otherwise expressly permitted herein); or (b) any mortgage, pledge, encumbrance or lien to be imposed or remain outstanding against the Additional Mortgaged Property except a mechanics' or materialmans' lien which is released or bonded against within thirty days of service of the lien upon AVG-CFM Coventry, or any security interest to exist therein, except as created by the Loan Documents, and except Permitted Encumbrances, without, in each instance, the prior written consent of the Lender.

g. On or before the date of execution of this Agreement, the Borrower shall execute and deliver (or cause to be executed and delivered) to the Lender the following documents in form and substance acceptable to the Lender and to its counsel, to further evidence and secure the Loan (and these documents shall be added to the Loan Documents for the Loan):

a. The Additional Mortgage.

- b. The Assignment of Leases and Rents relative to the Additional Mortgaged Property.
- c. Such other documents as Lender may require to evidence and secure the Loan.

All other provisions of the Loan Agreement are ratified and confirmed hereby and shall remain in full force and effect.

- (c) **Amendment to the Mortgage.** The Mortgage is hereby amended as follows:

All references to “Maturity Date” or references to when the loan matures or is due and payable in full, however stated, are amended to May 1, 2013.

All other provisions of the Mortgage are ratified and confirmed hereby and shall remain in full force and effect.

2.2 **Principal Reduction Payment.** The Borrower shall, on the date of this Agreement, and as a condition to the Lender’s approval of the Requested Actions, make a principal reduction payment of \$100,000.00.

2.3 **Release and Payment of Escrow Funds.** The parties agree that the funds now held in escrow by Fidelity National Title as the Escrow Agent pursuant to an Escrow and Control Agreement shall be paid by the Escrow Agent as follows: (a) \$302,741.00 together with any interest accumulated in the escrow account shall be paid to Lender for application to outstanding interest on the Loan; and (b) \$217,778.00 shall be paid to the Douglas County Treasurer for real estate taxes. The parties hereby instruct the Escrow Agent to make the payments to the entities and for the purposes set forth herein, and upon such payment the Escrow and Control Agreement shall be void and of no effect.

2.4 **Interest Reserve.** Borrower shall pay to Lender, on the date of this Agreement and as a condition to the Lender’s approval of the Requested Actions, the sum of \$212,031.25 (the “**Interest Reserve**”) to be held by Lender as an interest reserve account to be applied by Lender to interest accrued or accruing on the Loan upon an Event of Default. On or after the first day of each month, the Lender may pay itself by internal transfer an amount from the Interest Reserve sufficient to pay in full the then accrued interest on the Loan. The Lender shall give notice to Borrower of the amount transferred (which notice may be made by email or other means of notice provided in the Loan Documents) and Borrower shall then have until the twentieth day of such month to pay into the Interest Reserve the amount paid to Lender as stated in such notice, such that the Interest Reserve is replenished to the full original balance of \$212,031.25. The Lender shall place the Interest Reserve in an interest bearing account of the type and at an interest rate Lender customarily offers for reserves or accounts of this type. All interest accrued on the Interest Reserve shall inure to the benefit of the Borrower and shall be used for the purposes of the Interest Reserve.

2.5 **Real Estate Tax Impound Account.** Subject to the terms of any leases between Borrower and Tenants of space in the Mortgaged Property consented to by Lender, Borrower shall deposit with Lender initially a deposit to pay the costs of taxes and assessments next due, and thereafter on each installment payment date as set forth in the Note secured hereby one-twelfth (1/12) of the amount of real estate taxes and any assessments assessed or to be assessed against the Mortgaged Property that become delinquent for the then current year, as estimated by Lender. In the event Lender, in its sole and absolute discretion, at any time determines that the amounts deposited for payment of real estate taxes or assessments will be insufficient to pay such taxes and assessments, Borrower shall, within fifteen (15) days after written notice from Lender, deposit the difference between the amounts previously deposited and the amount Lender determines will be necessary to pay such taxes and assessments. Such moneys shall at proper times be progressively returned to Borrower for use in the actual payment of such taxes or assessments, or, at the sole election of Lender, Lender may disburse such moneys in actual payment of taxes and/or assessments, but nothing in this paragraph shall release Borrower of its obligations to pay such taxes and assessments as the same become due and payable under the provisions hereof. All impounds required under this paragraph (the “**Impound**”) shall be deposited in a non-interest bearing account of Lender, to be withdrawn by Lender at such times and in such amounts as shall be deemed appropriate by Lender.

2.6 **Security Interest in Reserves.** The Impound and the Interest Reserve together are the “Reserves”. As additional security for the payment and performance by Borrower of all duties, responsibilities and obligations under the Note and the other Loan Documents, Borrower hereby unconditionally and irrevocably assigns, conveys, pledges, mortgages, transfers, delivers, deposits, sets over and confirms unto Lender, and hereby grants to Lender a security interest in all sums on deposit or due under this Agreement and the other Loan Documents including, without limitation, (i) the Reserves (ii) the accounts into which the Reserves have been deposited, (iii) all insurance on said accounts, (iv) all accounts, contract rights and general intangibles or other rights and interests pertaining thereto, (v) all sums now or hereafter therein or represented thereby, (vi) all replacements, substitutions or proceeds thereof, (vii) all instruments and documents now or hereafter evidencing the Reserves or such accounts, (viii) all powers, options, rights, privileges and immunities pertaining to the Reserves (including the right to make withdrawals therefrom), and (ix) all proceeds of the foregoing. Borrower hereby authorizes and consents to the account or accounts into which the Reserves have been deposited being held in Lender’s name and Borrower acknowledges and agrees that Lender shall have exclusive control over said account, subject only to the release provisions of the Loan Documents. Borrower holds Lender harmless with respect to all risk of loss regarding amounts on deposit in the Reserves, except to the extent that any such loss is caused by the gross negligence or intentional misconduct of Lender.

The Reserves are solely for the protection of Lender and entail no responsibility on Lender’s part beyond the payment of the respective costs and expenses in accordance with the terms thereof and beyond the allowing of due credit for the sums actually received. Upon full payment of the indebtedness secured hereby in accordance with its terms (or if earlier, the completion of the applicable conditions to release of the Impound

to Lender's satisfaction) or at such earlier time as Lender may elect, the balance in the Reserves then in Lender's possession shall be paid over to Borrower and no other party shall have any right or claim thereto.

2.7 **No Consent To Other Modifications.** Borrower agrees that this Agreement shall not be deemed an agreement by Lender to consent to any other modification of the Loan Documents, or a consent to any additional financing, secondary financing or secondary encumbrance on the Project, or financing of any kind on any future phases of the Project or any other project.

2.8 **References to Loan Documents.** All references to the term Loan Documents in the Mortgage and the other Loan Documents shall hereinafter be modified to include this Agreement and all documents executed and/or required in connection with the Requested Actions.

2.9 **Filing for Record.** This document may be filed for record in Douglas County, State of Nebraska by Lender.

### ARTICLE 3

#### MISCELLANEOUS PROVISIONS

3.1 **Defined Terms.** All capitalized or defined terms shall have the meaning as set forth in the Loan Agreement unless the context of this Agreement clearly requires otherwise.

3.2 **Borrower's Claims.** Borrower has no defenses, setoffs, claims, counterclaims or causes of action of any kind or nature whatsoever against Lender or any of Lender's predecessors in interest, and any subsidiary or affiliate of Lender and all of the past, present and future officers, directors, contractors, employees, agents, attorneys, representatives, participants, successors and assigns of Lender and Lender's predecessors in interest (collectively, "**Lender Parties**") or with respect to (i) the Loan, (ii) the Loan Documents, or (iii) the Project. To the extent Borrower would be deemed to have any such defenses, setoffs, claims, counterclaims or causes of action as of the date hereof, Borrower knowingly waives and relinquishes them.

3.3 **No Limitation of Remedies.** No right, power or remedy conferred upon or reserved to or by Lender in this Agreement is intended to be exclusive of any other right, power or remedy conferred upon or reserved to or by Lender under this Agreement, the Loan Documents or at law, but each and every remedy shall be cumulative and concurrent, and shall be in addition to each and every other right, power and remedy given under this Agreement, the Loan Documents or now or subsequently existing at law.

3.4 **No Waivers.** Except as otherwise expressly set forth in this Agreement, nothing contained in this Agreement shall constitute a waiver of any rights or remedies of Lender under the Loan Documents or at law. No delay or failure on the part of any party hereto in the exercise of any right or remedy under this Agreement shall operate as a waiver, and no single or partial exercise of any right or remedy shall preclude other or

further exercise thereof or the exercise of any other right or remedy. No action or forbearance by any party hereto contrary to the provisions of this Agreement shall be construed to constitute a waiver of any of the express provisions. Any party hereto may in writing expressly waive any of such party's rights under this Agreement without invalidating this Agreement.

3.5 **Successors or Assigns.** Whenever any party is named or referred to in this Agreement, the heirs, executors, legal representatives, successors, successors-in-title and assigns of such party shall be included. All covenants and agreements in this Agreement shall bind and inure to the benefit of the heirs, executors, legal representatives, successors, successors-in-title and assigns of the parties, whether so expressed or not.

3.6 **Construction of Agreement.** Each party hereto acknowledges that it has participated in the negotiation of this Agreement and no provision shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision. Borrower at all times has had access to an attorney in the negotiation of the terms of and in the preparation and execution of this Agreement and has had the opportunity to review and analyze this Agreement for a sufficient period of time prior to execution and delivery. No representations or warranties have been made by or on behalf of Lender, or relied upon by Borrower pertaining to the subject matter of this Agreement, other than those set forth in this Agreement. All prior statements, representations and warranties relating to this Agreement and its subject matter, if any, are totally superseded and merged into this Agreement, subject to the reaffirmations set forth herein, and this Agreement represents the final and sole agreement of the parties with respect to the subject matter. All of the terms of this Agreement were negotiated at arm's length, and this Agreement was prepared and executed without fraud, duress, undue influence or coercion of any kind exerted by any of the parties upon the others. The execution and delivery of this Agreement is the free and voluntary act of Borrower. THIS WRITTEN AGREEMENT TOGETHER WITH THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS OF THE PARTIES.

3.7 **Fees and Costs of Lender.** Borrower agrees to pay all fees and costs incurred by Lender in connection with this Agreement, including, without limitation, reasonable attorney's fees, title premiums, recording costs, escrow fees, mortgage or deed tax, and inspection or survey costs.

3.8 **Invalid Provision to Affect No Others.** If, from any circumstances whatsoever, fulfillment of any provision of this Agreement or any related transaction at the time performance of such provision shall be due, shall involve transcending the limit of validity presently prescribed by any applicable usury statute or any other applicable law, with regard to obligations of like character and amount, then ipso facto, the

obligation to be fulfilled shall be reduced to the limit of such validity. If any clause or provision operates or would prospectively operate to invalidate this Agreement, in whole or in part, then such clause or provision only shall be deemed deleted, as though not contained herein, and the remainder of this Agreement shall remain operative and in full force and effect.

3.9 **Notices.** Any notice demand, consent, approval, request, or other communication or document required or permitted to be given by a party hereto to another party shall be deemed to have been given when (i) delivered personally (with written confirmation of receipt); (ii) sent by telefacsimile to a fax number as designated in writing by the party to whom the communication is addressed (with written confirmation of receipt), provided that a confirmation copy also is promptly mailed by certified mail, return receipt requested; (iii) received by the addressee, if sent by a nationally recognized overnight delivery service (receipt requested); or (iv) received by the addressee, if sent by certified mail, return receipt requested, to the address set forth below:

Lender's consent to the Requested Actions shall not be deemed to constitute Lender's consent to any provisions of the organizational documents that would be in violation of the terms and conditions of any of the Loan Documents.

3.13 **Time of Essence; Consents.** Time is of the essence of this Agreement and the Loan Documents. Any provisions for consents or approvals in this Agreement shall mean that such consents or approvals shall not be effective unless in writing and executed by Lender.
