PROPOSED
SANITARY AND IMPROVEMENT DISTRICT NO. ___
CASS COUNTY, NEBRASKA

Sanitary and Improvement District No. ___ of Cass County, Nebraska, as proposed, consists of those tracts of lands located in Sections 26, 27, 34, and 35, T 12 N, R 9 E of the 6th P.M., Cass County, Nebraska, that are within the following described boundary limits except those lands owned by Cass County, Nebraska.

BOUNDARY LIMIT

Beginning at a point on the West line of Section 26, Township 12 North, Range 9 East of the 6th P.M., said West line bearing N 00° 25' 02" E and one thousand three hundred four and five tenths (1,304.5) feet North of the recorded Southwest corner of said Section 26; thence Easterly, along a line normal to said West line of Section 26, thirty three (33) feet to a point which is the Northwest corner of the American Oil Company tract; thence continuing Easterly along the North line of said tract on a line of bearing S 89° 34' 40" E a distance of one thousand two hundred forty one and four tenths (1,241.4) feet to a point on the Northwesterly line of Right-of-Way, U.S. Interstate Highway 80; thence Southeasterly normal to said Northwesterly line of Right-of-Way a distance of three hundred fifty (350) feet to a point on the Southeasterly line of Right-of-Way, U.S. Interstate Highway 80; thence Southwesterly on a 17,363.7 foot radius curve to the right a distance of one thousand sixteen and eight tenths (1,016.8) feet more or less to a point of tangency; thence Southeasterly 10 degrees 51 minutes left from the tangency with the last described course produced, Southwesterly, a distance of three hundred fourteen and three tenths (314.3) feet; thence Southeasterly 65 degrees 10 minutes left of the last described course a distance of one hundred three and six tenths (103.6) feet more or less to a point thirty three (33) feet Northerly from the South line of the Southwest Quarter of said Section 26; thence Southerly 74 degrees 53 minutes right of the last described course a distance of thirty three (33) feet to a point on the South line of Southwest Quarter said point being a distance of nine hundred twenty and one tenth (920.1) feet East of the recorded Southwest corner of ...18 Section 26 (Northwest corner, said Section 35); thence continuing Southerly along the last described course a distance of thirty three (33) feet; thence Easterly along the Southerly old highway Right-of-Way line a distance of seventy two and two tenths (72.2) feet to a point on the Southeasterly line of Right-of-Way, U.S. Interstate 80; thence continuing along said Right-of-Way line Southwesterly 147 degrees 14 minutes right of the last described course a distance of one hundred twenty five and eight tenths (125.8) feet; thence continuing Westerly on a 226.5 foot radius curve to the left, the initial tangent of which forms an angle of 12 degrees 26 minutes right from the last described course a distance of two hundred thirty seven and two tenths (237.2) feet; thence Southwesterly along a line which forms an angle of 20 degrees 32 minutes right from the final tangent of the last described course a distance of four hundred forty eight and eighty three hundredths (448.83) feet to a point, said point being the Northeasterly corner of the Sunray DX Oil Company tract; thence Southerly on the East line of the Sunray DX Oil Company tract which forms an angle of 31 degrees 04 minutes left from the last described course a distance of seven hundred fifty one and sixty five hundredths (751.65) feet; thence right 89 degrees 58 minutes from the last describe course Westerly along the South line of said Sunray DX Oil Company tract a distance of four hundred seven (407) feet to a point, on the point being one thousand three hundred twenty and seventy two hundredths (1,320.72) feet South of and thirty three (33) feet East of the Northwest corner of said Section 35; thence Westerly thirty three (33) feet to the West line of said Section 35; thence Northerly along the section line common to said Sections 35 and 34 a distance of one hundred four and sixty two hundredths (104.62) feet more or less to a point one thousand one hundred ninety six and ten hundredths (1,196.10) feet South of the Northeast corner of said Section 34; thence Westerly 90 degrees left of the last described course, a distance of thirty three (33) feet to a point on the Southeasterly line of Right-of-Way, U.S. Interstate Highway 80; thence continuing along said Right-of-Way line, Northeasterly 81 degrees 49 minutes right of the last described course, a distance of fifty and five tenths (50.5) feet more or less; thence Northerly along said Right-of-Way line, 8 degrees 10 minutes right of the last described course a distance of two hundred (200.0) feet; thence Northwesterly, along said Right-of-Way line, 64 degrees 03 minutes left of the last described course, a distance of one hundred sixty two and seven tenths (162.7) feet to a point of curvature; thence Northwesterly, along said Right-of-Way line, on a 485.3 foot radius curve to the left (initial tangent of which forms an angle of 1 degree 24 minutes left of the last described course, a distance of one hundred eighty two and three tenths (182.3) feet to a point of tangency; thence Northwesterly, along said Right-of-Way line, tangent, a distance of twenty six and six tenths (26.6) feet to a point of curvature; thence Westerly on a 601.2 foot radius curve to the left (initial tangent of which coincides with the last described course) a distance of four hundred twenty five and six tenths (425.6) feet to a point of tangency; thence Southwesterly, along said Right-of-Way line, on a line which forms an angle of 2 degrees 15 minutes right with the tangent of the last described course, a distance of four hundred fifty seven and one tenth (457.1) feet to a point on the Southeasterly line of Right-of-Way, U.S. Interstate Highway 80; thence Northerly 127 degrees 15 minutes right of the last described course a distance of four hundred fifty five and two tenths (455.2) feet to a point on the Northwesterly line of Right-of-Way, U.S. Interstate Highway 80, said point being the Southeast corner of the Jacobs Leasing Company tract; thence Noth along the West line of said tract a distance of seven hundred seventy four and one tenth (774.1) feet to the North line of the Northeast Quarter of said Section 34; thence East along the section line common to said Sections 34 and 27, a distance of two hundred eight and five tenths (208.5) feet to a point nine hundred forty and seven tenths (940.7) feet West of the Northeast corner of said Section 34, said point being the point of intersection of the South line of the Southeast quarter of said Section 27 with the Northwesterly line of Right-of-Way, U.S. Interstate Highway 80; thence Northerly normal to the South line of said Southeast quarter and along said Right-of-Way line a distance of thirty three (33) feet, thence Northeasterly along said line of Right-of-Way, 60 degrees 42 minutes, more or less, right of the last described course, a distance of one hundred six and six tenths (106.6) feet; thence Northeasterly along said line of Right-of-Way 23 degrees 23 minutes more or less left of the last described course three hundred ninety nine (399) feet more or less to a point, said point being the Southwest corner of the Phillips Petroleum Company tract; thence Northerly 46 degrees 18 minutes left from the last described course along the West line of said tract a distance of nine hundred fifty nine (959.0) feet, more or less to a point, said point being on the South line of the North Half of the Southeast Quarter of said Section 27; thence Easterly 89 degrees 57 minutes right of the last described course along said South line a distance of four hundred eighty three (483.0) feet, more or less to a point sixty five (65.0) feet Westerly from the East line of Section 27; thence Southerly 90 degrees 03 minutes to the right of the last described course and parallel to east line of Section 27, a distance of two hundred twenty one (221.0) feet; thence Easterly 90 degrees left of the last described course a distance of fifteen (15.0) feet to a point, said point being fifty (50.0) feet West of said Section line; thence Southerly parallel to said section line three hundred thirty five and fifty one hundredths (335.51) feet to a point, said point being the Southeasterly corner of the Phillips Petroleum Company tract and a point on the Northwesterly line of Right-of-Way, U.S. Interstate Highway 80; thence Northeasterly along said Right-of-Way 120 degrees left of the last described course, a distance of nineteen and sixty three hundredths (19.63) feet; thence Easterly 30 degrees right of the last described course a distance of thirty three (33) feet to East line of said Section 27; thence Northerly along the Section line common to said Sections 27 and 26 a distance of eight hundred seventy six and sixty nine hundredths (876.69) feet more or less to a point one thousand six hundred thirty four and five tenths (1,634.5) feet North of the Southwest corner of said Section 26., said point being the Northwesterly corner of the Woerner Oil Company, Inc., tract; thence Easterly 90 degrees 00 minutes right of the last described course, a distance of three hundred sixty three (363.0) feet; thence Southerly 89 degrees 57 minutes more or less, right, parallel to the West line of the Southwest quarter of said Section 26, a distance of three hundred (300.0) feet to a point, said point being the Southeasterly corner of the Woerner Oil Company, Inc., tract; thence Westerly 90 degrees 03 minutes right a distance of three hundred sixty three (363.0) feet more or less to the West line of said Southwest quarter; thence Southerly along the West line of said Southwest quarter a distance of thirty (30) feet, more or less to the Point of Beginning.

Re: Sanitary and Improvement District No. 2 of Cass County

Dear Ms. Philpot:

Pursuant to the requirements of LB 313, which was approved by the Governor on April 2, 1976, we are forwarding to you herewith for filing in your office the following information:

1. The name of our District is Sanitary and Improvement District No. 2 of Cass County.

2. The boundaries of the District are as shown on the plat attached hereto as Exhibit 1.

3. The District was formed primarily to provide a sanitary sewer system for the commercial establishments clustered about the Interstate I-80 Greenwood Exchange.

4. The District has the power to levy an unlimited property tax to pay its debt and its expenses of operati and maintenance.

5. The District is required to levy special assess ments in the District to the full extent of special bens arising by reason of improvements installed by the Distr

6. The annual budget of the District is presently filed with the County Clerk, which budget shows the anti pated revenues and expenses, mill levy and indebtedness the District.

7. The actual current mill levy amount of the District may be obtained from the County Clerk.

Yours truly,
