In consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, The CITY OF OMAHA, NEBRASKA (hereinafter called "City"), a Nebraska city of the metropolitan class, the OMAHA PUBLIC POWER DISTRICT (hereinafter called "OPPD"), a public corporation and political subdivision of the State of Nebraska, and the COUNTY OF DOUGLAS, NEBRASKA (hereinafter called "County"), a political subdivision of the State of Nebraska, hereby agree as follows:

1. CONVEYANCE OF PERMANENT RIGHT-OF-WAY EASEMENT. City, its successors and assigns, hereby grant and convey to OPPD, its successors and assigns, a permanent right-of-way easement to survey, construct, reconstruct, relocate, alter, inspect, repair, replace, add to, maintain and operate therein, underground electric transmission lines consisting of wires, underground cables, supports and other necessary fixtures and equipment under, in and across the following described real estate (hereinafter called the "Easement"):

- (b) OPPD shall also have the right to burn, trim, or remove all trees and brush on said Easement as may be necessary to efficiently exercise any of the hereinbefore granted rights.

upon the Easement; City shall not change or alter the grade of the Easement without prior written approval from OPPD; City shall not burn any materials of any nature within the Easement; provided, the foregoing shall not limit City from utilizing the land within the Easement for street and roadway purposes or the granting of other utility easements that do not adversely interfere with OPPD rights granted herein.

- (d) City warrants that it has lawful possession of the Easement, good, right and lawful authority to make the conveyance of the Easement, and that City and its successors and assigns shall defend the same against the claims of all persons or entities claiming an interest conveyed to them by City which is contrary to the conveyance of the Easement and which materially interferes with the rights granted herein. Any right, title or interest in and to the Easement acquired by City after the date of this Right-Of-Way Agreement shall inure to the benefit of OPPD as the recipient of said Easement.

3. INDEMNIFICATION. County and City agree to indemnify and hold harmless OPPD, and its directors, officers, agents and employees from and against any and all losses, claims, suits, costs, expenses and other liabilities of any kind (hereinafter called "Liabilities") its successors and assigns, may incur, without exception, on account of the existence of any Hazardous Material located in, on, under or about the real estate described in Exhibits A through L inclusive. Liabilities on account of the existence of Hazardous Material shall include but shall not be limited to injury of any real, personal, tangible or intangible property; and contamination or threatened contamination of, injury or damage to or adverse effect on persons, animals, aquatic or wild life, vegetation, waters, air, land or the environment. County and City agree that OPPD shall not at its own expense or otherwise, be required at any time to mitigate, remediate or clean-up any damage to the Easement, or to animals, aquatic or wild life, vegetation, waters, air, land or the environment related to said Easement.

This indemnity to OPPD shall not apply to Liabilities: (1) on account of any Hazardous Material placed in or on a particular

site covered by this indemnity by OPPD or its agents after the date of this Agreement; (2) caused by the sole negligence or willful conduct of OPPD or its agents; or (3) caused by a defect in, failure of or damage by a third person to any equipment or facilities installed by OPPD in the exercise of the rights granted to OPPD in this Agreement.

4. OBLIGATIONS. The obligations provided by the County pursuant to Paragraph 3 shall apply only to the Easement designated as Exhibits "A", "B", "C", "D", "E", and "F". The obligations of the City provided by Paragraph 3 shall apply only to the Easement designated as Exhibit "F".
