CLERK OF DISTRICT COURT
RECORDS & CLERK'S OFFICE
DOUGLAS COUNTY, NE

PRIVATE ROAD ENCROACHMENT AGREEMENT

THIS AGREEMENT is made this 4th day of August, 1989, by and between Union Pacific Railroad Company, a Utah corporation (hereinafter "Union Pacific"), and the Omaha Development Foundation, a Nebraska not-for-profit corporation (hereinafter "ODF") and Omaha Public Power District, a public corporation and political subdivision of the State of Nebraska (hereinafter "OPPD").

RECITALS

WHEREAS, ODF with the cooperation and assistance of the City of Omaha (hereinafter "City"), and Douglas County, Nebraska, has been instrumental in the redevelopment of the City's riverfront area, which is defined as being that area between Jones Street to Dodge Street and the Missouri River to Tenth Street in the City; and

WHEREAS, OPPD plans to construct and install a 161 kilovolt underground transmission line, buried to an approximate depth of 42 inches, on property abutting the right of way of Union Pacific (the "Underground Line"); and

WHEREAS, ODF has obtained for the benefit of OPPD this Agreement, which will permit OPPD to construct, operate, maintain and use a non-exclusive private road encroachment upon and across the property of Union Pacific, (hereinafter "Road Encroachment"), in the location shown on Exhibit "A", attached hereto.

Handwritten: 2017 MAR 1

NOW THEREFORE, in consideration of the sum of One and No/100th Dollar (\$1.00) paid to Union Pacific by OPPD and the covenants, promises and indemnities contained herein, the parties hereto agree as follows:

1. ROAD ENCROACHMENT. Union Pacific grants to OPPD the right to construct, operate, maintain and use the Road Encroachment, subject to the terms and conditions set forth herein; and ODF insures that in the redevelopment of City's riverfront area that ODF will not interfere in the rights of OPPD in the Road Encroachment.

2. TERM. This Agreement shall be effective as of the date first herein written, and shall continue in full force and effect until terminated as provided in Paragraph 10.

3. LIMITATION OF RIGHTS GRANTED.

(a) The Road Encroachment herein granted is subject to all outstanding superior rights including permits, leases and licenses, if any, affecting the Road Encroachment

OK 912 N _____ C/O _____ FEE 64.00
-1- PG 361-372 N 9-1 DEL VK MC WC
OF Wise COMP UP F/B CS - Bill D.

and Union Pacific shall continue to have the right to utilize the Road Encroachment in its railroad business and shall have the right to grant others the right to use the Road Encroachment; provided, however, that the use of the Road Encroachment by Union Pacific and such additional users shall not materially interfere with OPPD's use of the Road Encroachment.

- (b) The rights granted to OPPD are subject and subordinate to the prior and continuing right and obligation of Union Pacific to use and maintain its entire railroad right-of-way, and are also subject to the right and power of the Union Pacific to construct, maintain, repair, renew, use, operate, change, modify or relocate railroad tracks, signal, communications, fiber optics, wire lines, pipe lines or other facilities upon, along or across any or all parts of said Road Encroachment, any of which may be freely done at any time by the Union Pacific without liability to OPPD or to any other party for compensation or damages. In the event Union Pacific exercises any of the rights retained herein, to the extent that OPPD's Road Encroachment is materially impaired then Union Pacific shall nonetheless provide alternative means of access for OPPD, which access shall permit OPPD to construct, operate, service or maintain its Underground Line without additional access costs to OPPD.

4. ROAD ENCROACHMENT TO BE STRICTLY PRIVATE. It is expressly stipulated that the Road Encroachment is to be strictly a private one to be used by OPPD and Union Pacific and others with Union Pacific's permission and is not intended for public use. OPPD, without expense to Union Pacific, will take any and all necessary action to preserve the private character of the Road Encroachment and prevent its use as a public road.

5. CONSTRUCTION, MAINTENANCE AND USE.

- (a) OPPD shall bear the entire cost and expense, furnish all necessary labor and material and perform all grading necessary for the construction, maintenance, repair or renewal of the Road Encroachment, including any and all expense which may be incurred by Union Pacific in connection therewith for supervision, flagging, inspection, or otherwise.
- (b) OPPD shall, at its sole expense, perform all maintenance and rehabilitation work needed for the Road Encroachment. All work performed by OPPD on the Road Encroachment shall be done to the satisfaction of Union Pacific.

- (c) OPPD shall keep gates, if any, affording access to the Road Encroachment closed and locked at all times except during the time of actual passage. OPPD shall not do, suffer or permit anything which will or may obstruct, endanger or interfere with, hinder or delay the maintenance and operation of Union Pacific's railroad tracks or appurtenant facilities or the facility or equipment of others lawfully using Union Pacific's property.
- (d) OPPD shall have the limited right to store construction materials on the Road Encroachment from time to time on a temporary and reasonable basis; provided, such right is subject to the need of Union Pacific to otherwise use the Road Encroachment for operational purposes or in order to permit Union Pacific to comply with all federal, state and local laws or regulations affecting Union Pacific. Except as provided above, OPPD shall not use the Road Encroachment for storage purposes.
- (e) OPPD shall locate and place warning signs approximately 500 foot apart over the Underground Line. The signs maybe generally described as follows: (1) 3' to 4' in height; (2) 8½" x 11" in dimension; (3) yellow in color with black lettering; and (4) lettering to include an One-Call Number.

6. NOTICE OF COMMENCEMENT OF WORK. In the event of an emergency and the immediate need for OPPD to use the Road Encroachment, OPPD shall provide to Union Pacific as much notice as is practicable under the circumstances; provided, in no event shall OPPD use the Road Encroachment without notification to the office of the Superintendent of Transportation Services for the Nebraska Service Unit (a 24-hour number). Except for emergency repairs of OPPD's facilities or equipment, OPPD shall notify Union Pacific at least 24-hours in advance of the commencement of any work upon or entrance onto property of Union Pacific in connection with the use, construction, maintenance or repair of the Road Encroachment. All such work shall be prosecuted diligently to completion.

Fiber optic cable systems may be buried on the Union Pacific property. Prior to the construction of or performance of any maintenance on the Road Encroachment OPPD shall telephone Union Pacific at 1-800-336-9193 (a 24-hour number) to determine if fiber optic cable is buried anywhere on Union Pacific's premises to be used by OPPD. If it is, OPPD will telephone the telecommunications company(ies) involved, arrange for a cable locator, and make arrangements for relocation or other protection of the fiber optic cable prior to beginning any work on Union Pacific's premises.

7. INDEMNITY. OPPD assumes the risk of and shall indemnify and hold harmless ODF, Union Pacific, its licensees and

other companies which use or have facilities located on the property of Union Pacific, and their respective directors, officers, agents and employees, against and from any and all loss, damages, claims, demands, actions, causes of action, costs, attorney fees, fines, penalties, and expenses of whatsoever nature (hereinafter "Loss") which may result from (1) injury to or death of persons whomsoever (including directors, officers, agents and employees of ODF, Union Pacific and OPPD, as well as other persons); (2) loss of or damage to the property whatsoever (including damage to property of or in the custody of OPPD and damage to the roadbed, tracks, equipment or other property of or in the custody of Union Pacific, its licensees, and such other companies); or (3) violation by OPPD of any federal, state, or local law, regulation, or enactment; when such Loss is due to or arises in connection with or as a result of:

- (a) The construction of the Road Encroachment;
- (b) Any work done by OPPD on or in connection with the Road Encroachment;
- (c) The use of the Road Encroachment by OPPD, its officers, agents, employees or invitees;
- (d) The breach of any covenant or obligation assumed by or imposed on OPPD pursuant to this Agreement or failure of OPPD to promptly and fully do any act or work for which OPPD is responsible pursuant to this Agreement;

except as to Union Pacific, its licensees, and such other companies, when such Loss is caused by the sole negligence or willful conduct of Union Pacific, its licensees or such other companies which use or have facilities located on the property of Union Pacific and their respective directors, officers, agents or employees; and except as to ODF when such Loss is caused by the sole negligence or willful conduct of ODF or its directors, officers, agents or employees.

In the event of any breach of this agreement by OPPD, Union Pacific shall not have any right or claim against ODF, its directors, officers, agents or employees as a result of such breach.

8. CLAIMS AND LIENS FOR LABOR AND MATERIAL.

- (a) OPPD shall fully pay for all materials joined or affixed to and labor performed upon property of Union Pacific in connection with the construction, maintenance, repair, renewal, modification or reconstruction of the Road Encroachment, and shall not permit or suffer any mechanic's or materialman's lien of any kind or nature to be enforced against the property for any work done or materials furnished thereon at the

instance, request, or on behalf of OPPD. OPPD shall indemnify and hold harmless ODF and Union Pacific against and from any and all liens, claims, demands, costs and expenses of whatsoever nature in any way connected with or growing out of such work done, labor performed, or materials furnished.

- (b) OPPD shall promptly pay or discharge all taxes, charges and assessments levied upon, in respect to, or on account of the Road Encroachment, to prevent the same from becoming a charge or lien upon property of Union Pacific and so that the taxes, charges and assessments levied upon or in respect to such property shall not be increased because of the location, construction, maintenance or use of the Road Encroachment or any improvement, appliance or fixture connected therewith placed upon such property, or on account of OPPD's interest therein. Where such tax, charge or assessment may not be separately made or assessed to OPPD but shall be included in the assessment of the property of Union Pacific, then OPPD shall pay to Union Pacific an equitable proportion of such taxes determined by the value of OPPD's personal property located upon the property of Union Pacific as compared with the entire value of such property.

9. HAZARDOUS MATERIAL.

- (a) OPPD shall not cause or permit any Hazardous Material (hereinafter defined) to be brought upon or used in or about the Road Encroachment by OPPD, its agents, employees, contractors, or invitees, without the prior written consent of Union Pacific, with the exception of polybutene O CS pipe-filling oil to be used in connection with the Underground Line. Union Pacific shall not withhold its consent as long as OPPD demonstrates to Union Pacific's satisfaction that such Hazardous Material is necessary or useful to OPPD's business and that it will not be used, kept, or stored on or in the Road Encroachment and will be transported and used in a manner that complies with all laws regulating any such Hazardous Material.
- (b) Union Pacific agrees that any contamination by Hazardous Material of the Road Encroachment or adjoining Union Pacific right-of-way that may be existing as of the date hereof shall not be the responsibility of OPPD or its directors, officers, employees or contractors, under this Agreement.
- (c) If OPPD breaches the obligations stated in subparagraph (a) above, or if the presence of Hazardous Material caused by OPPD results in contamination of the Road

Encroachment, or the adjoining Union Pacific right-of-way, then OPPD shall indemnify, defend, and hold ODF and Union Pacific harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses, including attorneys' fees, consultant fees and expert fees, which arise during or after the term of this Agreement as a result of such contamination. If the presence of any Hazardous Material on the premises caused or permitted by OPPD results in any contamination of the Road Encroachment or adjoining Union Pacific right-of-way, OPPD shall promptly take all actions, at its sole expense, as are necessary to return the Road Encroachment and adjoining Union Pacific right-of-way to the condition existing prior to such contamination; provided, that Union Pacific's approval of such action shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Road Encroachment or adjoining Union Pacific right-of-way. As used herein, the term "Hazardous Material" shall mean any hazardous or toxic substance, material or waste which is or becomes regulated by any local governmental authority, the State of Nebraska or the United States government. The term "Hazardous Material" includes, but shall not be limited to, any material or substance that is now or may in the future be: (1) defined as a "hazardous substance" under the laws of the State of Nebraska or any of its subdivisions; (2) designated as "hazardous substance" under the Federal Water Pollution Control Act (33 U.S.C. §1321, as amended); (3) defined as "hazardous waste" pursuant to the Federal Resource Conservation Recovery Act (42 U.S.C. §6901, et seq., as amended); (4) defined as "hazardous substance" under the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §9601, et seq., as amended); or (5) defined as a "regulated substance" under the Solid Waste Disposal Act (42 U.S.C. §6991 et. seq., as amended).

10. TERMINATION.

- (a) If OPPD does not use the Road Encroachment for a continuous period of eighteen (18) months, or if OPPD continues in default in the performance of any covenant or agreement herein contained for a period of thirty (30) days after written notice from Union Pacific to OPPD specifying such default, Union Pacific may, at its option, terminate this Agreement by written notice given to OPPD.

- (b) Notice of default and notice of termination may be served personally upon OPPD or by mailing to the last know address of OPPD. Termination of this Agreement for any reason shall not affect any of the rights or obligations of the parties hereto which may have arisen prior thereto.

11. REMOVAL OF ROAD ENCROACHMENT AND RESTORATION OF PREMISES.

- (a) If this Agreement is terminated pursuant to the terms of Paragraph 10 hereof, at the request of Union Pacific, OPPD shall at its own expense, remove the Road Encroachment and reasonably restore the premises to the condition existing prior to OPPD's work on the premises; provided, failure by OPPD to restore the premises within sixty (60) days following such request shall be deemed authorization by OPPD for Union Pacific to restore the premises at OPPD's expense.
- (b) In the event OPPD removed, relocated or disturbed any fence or other property of Union Pacific in connection with the construction, maintenance, repair, renewal, modification, reconstruction, relocation or removal of the Road Encroachment, with or without Union Pacific's consent, OPPD shall, at OPPD's sole expense, restore such fence or other property to the same condition it was in before such fence or other property was removed, relocated or disturbed.

12. ASSIGNMENT. OPPD shall not assign this Agreement, or any interest therein to any purchaser, lessee or to any other person without the written consent of Union Pacific. If OPPD fails to secure Union Pacific's consent to any assignment, OPPD will continue to be responsible for obligations and liabilities assumed herein.

13. SUCCESSORS AND ASSIGNS. Subject to the Provisions of Paragraph 12 hereof, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective successors and assigns.
