b. Permittee shall provide verification from the Register of Deeds that the letter of acceptance as required by the approval of the special permit has been recorded with the Register of Deeds.

c. Permittee shall submit an application for release of easement if any of the existing easements fall under the proposed buildings.

d. Permittee shall provide verification of Lincoln Electric System (L.E.S) easements.

e. Permittee shall provide verification that an avigation and noise easement to the Lincoln Airport Authority on all or that part of the land located within the Airport Environs Noise District has been received by the Lincoln Airport Authority.

f. Due to the proximity of the rail line, prior to the issuance of a building permit, the Permittee shall develop an emergency response plan to the satisfaction of the Lincoln-Lancaster County Health Department (LLCHD), both written and drawn, including a house-in-place scenario and an off-site evacuation plan.

g. The electrical breaker switch of the sports facility's heating, ventilation and air conditioning (HVAC) system shall be clearly marked and readily accessible at all times to the sports facility's staff, or the Permittee shall equip the building with not more than two emergency shut-off switches so the HVAC system can be immediately shut down in the case of a hazardous chemical spill on the rail line to the satisfaction of the LLCHD. The shut-off switch shall be located so that it is easily accessible at all times to the sports facility's staff. The sports facility's staff shall be trained on how to locate and operate the electrical breaker switch or the emergency shut-off switch.

h. Permittee shall provide proof that the site plan and all related documents have been sent to Nebraska Game and Parks for review.

1 i. The construction plans must substantially comply with the approved
2 plans.

3 4. All privately-owned improvements, including landscaping, shall be permanently
4 maintained by the Permittee or an appropriately established association approved by the City.

5 5. The physical location of all setbacks and yards, buildings, parking and circulation
6 elements, and similar matters must be in substantial compliance with the location of said items
7 as shown on the approved site plan.

8 6. The terms, conditions, and requirements of this resolution shall run with the land
9 and be binding upon the Permittee, its successors, and assigns.

10 7. The Permittee shall sign and return the City's letter of acceptance to the City
11 Clerk. This step should be completed within 60 days following the approval of the special
12 permit. The City Clerk shall file a copy of the resolution approving the special permit and the
13 letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the
14 Permittee. Building permits will be issued unless the letter of acceptance has been filed.
