No building shall be moved from outside the Subdivision onto any Lot.

XI. ZONING AND BUILDING REGULATIONS

In addition to the foregoing, the use and building regulations, as now or hereafter imposed by the provisions of the zoning and building regulations of all governmental entities having jurisdiction shall apply throughout the

Subdivision, except as such may be modified by duly constituted authority.

XII. APPROVAL OF PLANS

- (a) No building, fence, wall, driveway or other external improvements, above or below the surface of the ground, shall be built, erected, placed, altered or otherwise maintained or permitted to remain on any Lot, nor shall any grading or excavation be commenced without the express written approval of the Declarant. "Approval of Declarant" (including disapproval) shall also mean approval (or disapproval) by another person designated by Declarant in a writing duly recorded in the Office of the Register of Deeds and indexed against the Subdivision as approving authority in lieu of Declarant.
- (b) Documents submitted for approval shall be clear, concise, complete, consistent and legible. Samples of materials to be included in the improvement may be required of the applicant at the discretion of Declarant. Submittals for approval shall be made in duplicate and comments and action of Declarant will be identically marked on both copies of said submittals. Failure of Declarant to give either written approval or disapproval of submitted plans within thirty (30) days after receipt of all of the documents, by mailing such written approval or disapproval to the last known address of the applicant as shown on the submitted plans, shall operate as approval of the plans and specifications submitted.

XIII. COMPLIANCE WITH GOVERNMENT REGULATIONS, ETC.

The Owner of each Lot shall, at all times, keep the premises, buildings, improvements and appurtenances in a safe, clean,

wholesome condition and in all respects in compliance with applicable rules, regulations, ordinances and statutes of all governmental authorities having jurisdiction. Vacant Lots shall not be used for dumping of earth or other waste materials and shall be maintained level and smooth enough for machine mowing. A building upon which construction has begun must be completed within one year from the date the foundation was dug for said building.

XIV. SIDEWALKS

XVI. DURATION

(a) These covenants are run with and bind the land for a term of fifteen (15) years from the date this Declaration is recorded, and shall be automatically renewed and extended for successive periods of five (5) years each, unless and until the then Owners of a majority of the land within the Subdivision execute and record an instrument terminating these covenants. Hereafter, this Declaration may be amended by an instrument executed by the Owners of not less than seventy-five percent (75%) of the land within the Subdivision. For purposes of determining the "Owners of a majority of the land within the Subdivision" or "seventy-five percent (75%) of the land within the Subdivision," each Lot Owner shall be entitled to one vote for each square foot of land within the Subdivision to which fee simple title is held by such Owner.

(b) The Declarant, or any Owner or contract purchaser of a Lot, shall have the right to enforce, by proceeding at law or in equity, all restrictions and covenants now or hereafter imposed by the provisions of this Declaration, either to prevent or restrain any violation of the same, or to recover damages for such violation. Failure by the Declarant, any Owner or contract purchaser to enforce any covenant or restriction herein contained shall, in no

event, be deemed a waiver of the right to do so thereafter.

XVII. SEVERABILITY

If any term or provision of this Declaration, or the application of it to any person or circumstance shall, to any extent, be invalid and unenforceable, the remainder of this Declaration and the application of such term or provision to persons or circumstances, other than those as to which it is invalid or unenforceable, shall not be affected thereby and each term and provision thereof shall be valid and shall be enforced to the extent permitted by law.

XVIII. NOTICES

All notices to be given pursuant to this Declaration shall be in writing and must be given by United States mail, certified or registered, postage prepaid, properly addressed to the Owner of each Lot (and any prime lessee, where applicable) by name and address as shown on the then current property tax rolls in Sarpy County, Nebraska. XX. SUCCESSORS AND ASSIGNS

The Declaration created hereby shall inure to the benefit of, and be binding upon, the Owners of all Lots within the Subdivision and their respective successors and assigns; provided, however, that if any Owner sells any portion or all of its interest in any Lot, such Owner shall thereupon be released and discharged from any and all obligations as Owner in connection with the property sold by it arising out of this Declaration after the sale and conveyance of title.
