EASEMENT FOR UTILITY LINES AND/OR UNDERGROUND UTILITY FACILITIES

KNOW ALL MEN BY THESE PRESENTS:

That Ames Development, LLC, a Nebraska limited liability company ("Grantor") of Lancaster County, Nebraska, in consideration of \$1.00, receipt of which is hereby acknowledged, and the further payment of a sum to make total payment of \$1.00 for utility lines, underground electric facilities, and necessary at grade equipment when set on the following described property, do hereby grant and convey unto the **LINCOLN ELECTRIC SYSTEM** (hereinafter referred to as Grantee, whether one or more), **Time Warner Entertainment - Advance/Newhouse Partnership, Windstream Nebraska, Incorporated**, its (their) lessees, successors and assigns, the permanent right, privilege and easement of a right-of-way to construct, reconstruct, operate and remove all necessary underground electric facilities, communications lines and other necessary at grade equipment in connection therewith, on and across the following property situated in Lancaster County, Nebraska, more particularly described as follows:

*No
Correcs*

Lot 2, Cornhusker Crossing 2nd Addition, Lincoln, Lancaster County, Nebraska.

The utility lines, underground utility facilities, and/or at grade equipment herein contemplated shall be located on the property as shown on the attached **Exhibit "A"** and described as follows:

A Ten-Foot Wide (10.0') Utility Easement described as follows: Commencing at the Southeast corner of said Lot 2; thence North along the East lot line of said lot for a distance of 29.36' to a point, said point also the Point of Beginning; thence North along the East lot line of said lot for a distance of 11.69' to a point; thence Northwesterly on an assumed bearing of North 58°22'26" West for a distance of 46.76' to a point; thence North on an assumed bearing of North 00°26'01" East for a distance of 9.44' to a point; thence West on an assumed bearing of North 89°59'32" West for a distance of 10.0' to a point; thence South on an assumed bearing of South 00°26'01" West for a distance of 15.0' to a point; thence Southeasterly on an assumed bearing of South 58°22'26" East for a distance of 58.45' to a point, said point also the Point of Beginning and ending there.

Chg LES 9/2/10

The Grantee shall also have the non-exclusive privilege and easement of ingress and egress across that portion of the property to its (their) officers and employees for any purpose necessary in connection with the construction, reconstruction operation, maintenance, inspection and removal of said lines, underground utility facilities, and/or at grade equipment.

The Grantee shall also have the right at any time to trim or remove such trees and underbrush as may in any way endanger or interfere with the safe operation of the utility lines, underground electric facilities, and/or at grade equipment used in connection therewith.

The Grantee shall also at all times exercise reasonable effort to avoid injury or damage to the landscaping, and improvements of the Grantor, and the Grantee shall repair any such damage and loss arising or occurring to such property solely by reason of the construction, operation, maintenance and removal of any utility lines, underground facilities, and/or at grade equipment, however, in the event that all or part of the utility lines, underground utility facilities, and/or at grade equipment which may be installed on said easement right-of-way becomes defective or unserviceable in the sole judgment of the Grantee, the Grantee shall have the right, to maintain, repair or replace such utility lines, underground facilities, and/or at grade equipment; provided, if improvements to the property make the installation of such replacements impractical at the location of the original easement granted hereby, the Grantor or their successors in title shall grant and convey to the Grantee, for the same consideration as given herein, an easement for such further installation at a location on said property which is mutually satisfactory to the parties.

If the parties fail to agree upon any such new location for the utility lines, underground electric facilities, and/or at grade equipment the Grantee shall have no obligation to replace or provide utility lines, underground electric facilities, and/or at grade equipment across or to any such property and Grantee shall not be liable nor bear any responsibility to Grantor, its successors and assigns for failure to provide electric service to the property. In determining the locations for further installation the Grantee shall at all times exercise reasonable effort to avoid injury or damage to the landscaping and improvements of the Grantor or their successors. Grantee shall perform any work in connection with this Easement in a good and workmanlike manner with reasonable effort to minimize interference with the use of Grantor's herein described property

except as may be reasonably necessary for Grantee to carry out the terms and conditions of this Easement. Grantor, on behalf of itself and its tenants reserves the right to use the surface of the easement area for landscaping, curbing, paving, signs, and otherwise provided such uses do not interfere with the rights of Grantee and comply with applicable provisions of the National Electrical Safety Code and the Lincoln Municipal Code.

The Grantee agrees that should the utility lines, underground utility facilities, and/or at grade equipment hereunder be abandoned for a period of five years, the right-of-way or easement hereby secured shall then cease and terminate, and this easement shall be of no further force and effect.
