The dues and assessments shall be fixed from time to time and shall be payable at the times and in the manner prescribed.

5.4 Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

5.5 Purpose of Dues. The dues collected by the Association may be committed

The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.
- 5.10 Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such

- 6.9 *Changes in Property.* Declarant may at any time, or from time to time during the pendency of this Declaration, add to the Property which is covered by this Declaration all or any portion of Lots 49 and 50 which is hereafter acquired, controlled or owned by Declarant. Upon recording in the office of the Register of Deeds of Douglas County, Nebraska, of a notice of addition of land containing the provisions set forth in Section 6.9 hereof. Thereafter, the provisions contained in this Declaration shall apply to the added land which shall thereupon become part of the Development in the same manner as if such land were originally covered by this Declaration; and thereafter the

rights, privileges, duties and liabilities of the owners and occupants of the added land shall be the same as in the case of the original Property.

6.10 *Notice of Addition of Territory.* The notice of addition of land referred to in Paragraph 6.9 above shall contain the following provisions:

- (a) A reference to this Declaration, which reference shall state the date of recording hereof and the book and page number of the records of Douglas County, Nebraska, where this Declaration is recorded;
- (b) A statement that the provisions of this Declaration shall apply to the added land in the manner set forth above; and
- (c) A description of the added land.

6.11 *Right to Repurchase.* Declarant reserves the right and option to repurchase any lot or cancel the lease on any lot upon which no improvements have been made within one (1) year from the date of sale or the execution of a lease.

The purchase price plus the value of improvement (which will be established by independent appraisal) will be refunded to the purchaser. The lot will be retaken subject to existing mortgages where funds have been disbursed. All conveyances by Declarant shall be made and accepted on condition that the purchaser, grantee or owner will reconvey a Lot upon the exercise by Declarant of this option under the conditions described. More restrictive conditions in any conveyance or lease shall take precedence over the provisions of this section.

6.12 *Termination, Modification and Amendments to Mixed Use Agreement.* This Declaration, or any provision hereof, or any covenant or restriction contained herein, may be terminated, extended, modified or amended, as to the whole of the Development or any portion thereof, (i) by Declarant upon compliance with the procedures set forth in Section 6.13 below so long as Declarant owns at least 50% of the land area constituting the Development, and (ii) thereafter by the owners of eighty percent of the area of the Development upon compliance with the procedures set forth in Section 6.13 below. No such termination, extension, modification or amendment shall be effective until a proper instrument in writing has been executed, acknowledged, and recorded in the office of the Register of Deeds of Douglas County, Nebraska. No such termination, extension, modification or amendment shall affect the terms and condition of the Mixed Use Agreement unless that Agreement is also amended under the procedures set forth therein. Declarant acknowledges that certain provisions in the Mixed Use Agreement are in part for the benefit of

neighboring property owners. Declarant shall not seek to alter or amend the Mixed Use Agreement without first giving at least ten days prior written notice to the following:
