**Case No. CI 16-502
Hon. Geoffrey C. Hall**

Plaintiffs' Motion for Summary Judgment

(September 2019)

1. Pursuant to *Neb Rev Stat* § 25-1330, and 1332, the Court is asked to determine, as a matter of law, that Defendant's alleged prescriptive easement and affirmative defenses of Plaintiffs knowingly coming to the nuisance, equitable estoppel, doctrines of laches and unclean hands are without merit. Thus, judgment should be granted in favor of Plaintiffs.

2. The evidence establishes all legal elements of Plaintiffs' claims against Defendant but do not support Defendant's alleged counterclaim or affirmative defenses. Because there are issues of material fact as to Plaintiffs' claims and no issues of material fact regarding Defendant's counterclaim and affirmative defenses, Plaintiffs are entitled to judgment as a matter of law.

Request for Relief

3. Plaintiffs request this Court sustain their Motion for Summary Judgment and rule in Plaintiffs' favor on Defendant's counterclaim and affirmative defenses.

Notice of Hearing

4. Notice is hereby given that the above Motion for Summary Judgment will be called for hearing before the Honorable Geoffrey C. Hall on December 10, 2019, at 9:30 a.m. at Dodge County District Court, Fremont, Nebraska.
