TRANSMISSION RIGHT OF WAY EASEMENT
Lincoln Electric System – Southeast Reliability Project
(Tract 21– Malone)

That Union Bank & Trust Company of Lincoln, Nebraska, Trustee of the Marian L. Malone Revocable Trust, dated April 17, 2007 ("Grantor"), whether one or more, record owner of the real property hereinafter described, for and in consideration of the sum of One Dollar and other valuable consideration (\$1.00 and OVC), duly paid the receipt whereof is duly acknowledged, and the further consideration of the performance of the covenants and agreements by Grantee as hereinafter set out and expressed, does hereby GRANT, REMISE, and RELINQUISH unto the **CITY OF LINCOLN, NEBRASKA, a municipal corporation, d/b/a/ LINCOLN ELECTRIC SYSTEM ("Grantee")**, its successors and assigns as follows:

The permanent right, privilege, and easement to access, survey, construct, reconstruct, relocate, maintain, inspect, operate, alter, and replace electric transmission lines and appurtenances thereto including structures, structure foundations, poles, pole foundations, down guys, anchors, insulators, underground cables, communication lines, communication equipment, and attachments, wires and supports upon, above, along, under, in and across the following described real property, to-wit:

Attached Exhibit "A"

TO HAVE AND TO HOLD UNTO THE CITY OF LINCOLN, NEBRASKA, a municipal corporation, d/b/a LINCOLN ELECTRIC SYSTEM ("Grantee"), its successors and assigns, forever, or until released by "Grantee".

It is the intention of the parties hereto that Grantor is hereby granting the uses herein specified without divesting Grantor of title and ownership of the rights to use and enjoy the above-described property for any purpose except that which would, in the judgement of Grantee, endanger or be a hazard to or interfere with, the rights of Grantee to use the same for the purpose herein expressed in accordance with the terms hereof and subject to any prior leases or easements of record heretofore granted to other parties.

Grantee shall have the right of reasonable ingress and egress to and from the easement area from public roads and streets and from adjacent properties for its employees, contractors, vehicles, and equipment, and shall have the right to install gates or culverts or remove fencing or other obstructions.

Grantee shall have the right, at any time, at its expense, to clear any and all vegetation including, but not limited to, vines, briars, shrubs, trees and other woody stem vegetation from the full width of the easement, either by cutting and removing the growth and/or application of environmentally safe herbicides. Grantee shall have the right to remove or trim trees outside of the easement at its sole expense if, in the judgement of Grantee, they have the potential to fall into the electrical conductor. Row crops are permitted within the easement area, but tree farms and the growing of nursery stock are prohibited.

Grantor shall not change or alter the grade of the right-of-way described hereinabove without the prior written approval of Grantee. Grantee shall not utilize the easement for the storage or placement of items that would, in the judgement of Grantee, endanger or impede access or interfere with Grantee's operations including but not limited to building improvements, barns, outbuildings, swimming pools, lagoons, ponds, billboards, poles, antennas, bulk materials, vehicles, hay bales, large equipment, or combustible materials.

Grantee shall have the right to remove items which now or at any future time are located on, overhang, or extend onto the easement area including but not limited to the following: building improvements, barns, outbuildings, swimming pools, lagoons, ponds, billboards, poles, antennas, bulk materials, vehicles, hay bales, large equipment, or combustible materials.

As soon as possible following completion of any construction by Grantee in the easement area, Grantee will cause to be removed from the property hereinabove described all debris and construction equipment and restore the premises to the extent practical. Any damage to crops of Grantor or any tenant resulting from the entry upon the property of Grantor for construction, maintenance, or repair purposes shall be paid to Grantor or Grantor's tenant as determined by agreement of the parties or as determined by law. Grantee agrees that any soil removed from the ground for the initial construction and installation of poles will be transported off the property (Tract 21) at Grantee's sole expense and will not be spread over the remainder of the property.

Charge to LES

Grantee shall have the right to take any actions necessary, at its sole expense, to comply with then existing local, state and federal laws and regulations which apply to Grantee.

THIS INSTRUMENT, and the covenants and agreements herein contained, shall inure to the benefit of and be binding and obligatory upon the heirs, executors, administrators, lessees, successors, and assigns of the respective parties, and the easements, rights, obligations, and privileges of Grantee created by this instrument shall not in any manner be released, waived, or in any way terminated or affected by any delay, failure, or lack of use by Grantee for any period of time.

IN WITNESS WHEREOF, we have hereunto set our hands this 27 day of April, 2017.
