**Section 8.10 Binding Effect.** By acceptance of a deed or by acquiring any ownership interest in any portion of the Association, each Person, for himself, his heirs, personal representatives, successors, transferees and assigns, binds himself, his heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, easements, uses, and regulations now or hereafter imposed by the Association Documents and any amendments thereof. In addition, each such Person by so doing thereby acknowledges that the Association Documents set forth a general scheme for the improvement and development of the real property covered thereby and hereby evidences his interest that all the restrictions, conditions, covenants, easements, uses, and regulations contained in the Association Documents shall run with the land and be binding on all subsequent and future Unit Owners, grantees, purchasers, assignees, and transferees thereof. Furthermore, each such Person fully understands and acknowledges that the Association Documents shall be mutually beneficial, prohibitive and enforceable by the various subsequent and future Unit Owners. Declarant, its successors, assigns and grantees, covenants and agrees that the Units and the membership in the Association and the other rights created by the Association Documents shall not be separated or separately conveyed and each shall be deemed to be conveyed or encumbered with its respective Unit even though the description in the instrument of conveyance or encumbrance may refer only to the Unit.

**Section 8.11 Headings.** The marginal or topical headings of the sections contained in this Declaration are for convenience only and do not define, limit or construe the contents of the sections or of this Declaration.

**Section 8.12 Survival of Liability.** The termination of membership in the Association shall not relieve or release any such former Unit Owner or Member from any liability or obligation incurred under, or in any way connected with, the Association during the period of such ownership or membership, or impair any rights or remedies which the Association may have against such former Owner or Member arising out of, or in any way connected with, such ownership or membership and the covenants and obligations incident thereto.

**Section 8.13 Construction.** In the event of any discrepancies, inconsistencies or conflicts between the provisions of this Declaration and the Bylaws or Rules and Regulations, the provisions of this Declaration shall prevail.

**Section 8.14 Joint and Several Liability.** In the case of joint ownership of a Unit, the liabilities and obligations of each of the joint Unit Owners set forth in, or imposed by, the Association Documents shall be joint and several.

**Section 8.15 Guests and Tenants.** Each Unit Owner shall, to the extent permitted by Nebraska law, be responsible for compliance by his agents, tenants, guests, invitees, licensees and their respective servants, agents, and employees with the provisions of the Association Documents. A Unit Owner's failure to ensure compliance by such persons shall be grounds for the same action available to the Association or any other Unit Owner by reason of such Unit Owner's own noncompliance.

**Section 8.16 Attorneys' Fees and Costs.** In the event the Declarant, the Association or any Unit Owner employs an attorney or attorneys to enforce an Assessment Lien or to collect any amounts due from a Unit Owner or to enforce compliance with or recover damages for any violation or noncompliance with the Association Documents, the prevailing party in any such action shall be entitled to recover from the other party his reasonable attorneys' fees and costs, including expert fees, incurred in the action.

**Section 8.17 Number of Days.** In computing the number of days for purposes of any provision of the Association Documents, all days shall be counted including Saturdays, Sundays and holidays; provided, however, that if the final day of any time period falls on a Saturday, Sunday or holiday, then the final day shall be deemed to be the next day which is not a Saturday, Sunday or holiday.

**Section 8.18 Notice of Violation.** The Association shall have the right to record a written notice of a violation by any Unit Owner of any restriction or provision of the Association Documents. The notice shall be executed and acknowledged by an officer of the Association (*i.e.*, the Professional Property Manager set forth in the Bylaws) and shall contain substantially the following information: (i) the name of the Unit Owner; (ii) the legal description of the Unit against which the notice is being recorded; (iii) a brief description of the nature of the violation; (iv) a statement that the notice is being recorded by the Association pursuant to this Declaration; and (v) a statement of the specific steps which must be taken by the Unit Owner to cure the violation. Recordation of a Notice of Violation shall serve as a notice to the Unit Owner and to any subsequent purchaser of the Unit that there is a violation of the provisions of the Association Documents. If, after the recordation of such Notice, it is determined by the Association that the violation referred to in the Notice has been cured, the Association shall record a notice of compliance which shall state the legal description of the Unit against which the Notice of Violation was recorded, the recording data of the Notice of Violation, and shall state that the violation referred to in the Notice of Violation has been cured, or if such be the case, that it did not exist.

**Section 8.19 Declarant's Disclaimer of Representations.** While Declarant has no reason to believe that any of the provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any provisions of this Declaration. Any Unit Owner acquiring a Unit in reliance on one or more of the provisions in this Declaration shall assume all risks of the validity and enforceability thereof and by acquiring the Unit agrees to hold Declarant, the Association and any future Board members and officers of the Association harmless therefrom.

**Section 8.20 No Absolute Liability.** No provision of the Association Documents shall be interpreted or construed as imposing on Unit Owners absolute liability for damage to the Common Elements or the Units. Unit Owners shall only be responsible for damage to the Common Elements or Units caused by the Unit Owners' negligence or intentional acts.

**Section 8.21 Section 878 Waiver.** Pursuant to Section 878 of the Act, all Unit Owners, by taking ownership in the Units subject to this Declaration, expressly waive the provisions of Section 878 to 894 of the Act.
