 Contract

(2nd ED.--Rev.6-5-41)

THIS INDENTURE, Made this 8th day of April, 1942, by and between Amanda Pflug and Albert Pflug, wife and husband; Frank Pflug and Etta Pflug, husband and wife., and _____, his wife, of the County of Sarpy, State of Nebraska, hereinafter called the "Grantor(s)," and the NEBRASKA POWER COMPANY, a Corporation, hereinafter called the "Company,"

WITNESSETH:

That for and in consideration of \$5.00, receipt of which is hereby acknowledged by the Grantor(s), and the agreement by the Company further to pay \$80.00 for each two-pole "H" frame structure when the entire structure is located on the property hereinafter described, but, when less than the entire structure is located on the property hereinafter described, then only one-half of the amount last above-stated, which last above-stated amount is to be paid as hereinafter provided, and in further consideration of the mutual covenants and agreements herein contained, the Grantor(s) do(es) hereby Grant and convey unto the Company, its lessees, successors and assigns, forever, the perpetual right, privilege, easement, right-of-way and authority to survey for, erect, construct, operate and maintain a high voltage electric transmission line or lines in, on and across the following described real estate, including the perpetual right to conduct surveys and install, repair, replace and remove poles, electric transmission lines, wires, cables, grounding devices, anchors, brace poles, stubs, GUYs, GUY wires, buried conductors, either placed singly or running continuously underneath and parallel to the line or both, and other fixtures and appliances necessary or convenient in connection therewith, through, over, under, upon, along and across the property of Grantor(s) located in Sarpy County, State of Nebraska, more particularly described as follows:

Southwest Quarter (SW $\frac{1}{4}$) of Section 8, Township 13, Range 13 in Sarpy County, together with all the rights and privileges therein necessary or convenient for the full enjoyment or use thereof for the purposes herein described, including the right of ingress and egress to and from said property at all times, which said transmission line or lines will be along the following approximate route:

Centered on a line approximately 8 feet East of and parallel to the center line of Section 8, Township 13 North, Range 13 East of the 6th P.M. in Sarpy County.

No structures or guy wires to be placed upon the land of grantors and such grant shall run with and bind the foredescribed property.

The Grantor(s) do(es) hereby further grant unto the Company, its lessees, successors and assigns, forever, the permanent right, privilege and authority to cut down trees under or within twenty-five (25) feet each way from the center line of the Company's line, and to cut down or trim any trees or limbs of trees on either side of the center line of the Company's line as would be a hazard to or in any way interfere with said line, the Company to be the sole judge as to the necessity of cutting down, trimming or otherwise removing said tree or trees. All refuse or debris resulting from such tree felling or tree trimming or both shall be disposed of by cutting wood into 8-foot lengths, piling said wood along the adjacent property line and burning or otherwise disposing of all other refuse and debris. The Company shall also have the right to remove, or otherwise dispose of, anything within said twenty-five (25) feet each way from the center line of the Company's line which, in the Company's opinion, would be a hazard to said line or in any way interfere with said line or the construction, maintenance or operation thereof. The Grantor(s) further agree(s) that nothing will be constructed, erected or maintained within a distance of fifty (50) feet each way from the center line of the Company's line, which would be a hazard to such line or in any way interfere therewith.

The Company shall at all times exercise due care and diligence to avoid any injury or damage to the crops, live stock and other personal property of the Grantor(s), and the Company agrees to indemnify, save harmless the Grantor(s) or their lessee, as their interest may appear, from any and all damage or loss arising or occurring to such property solely by reason of the Company's negligence in the construction, operation and maintenance of said transmission line or lines or by reason of the Company's employees or agents actually going upon or actually entering upon the property herein described in connection with the construction, operation and maintenance of said transmission line or lines. It is further agreed that all claims for damages must be in writing and filed with the Company within thirty (30) days after such damages shall have occurred; otherwise, it is agreed that said claim for damages shall have been waived.

The Grantor(s) for themse (ves), their heirs, executors, administrators, successors and assigns do(es) covenant and warrant that they (are) lawfully seized of said premises, that they ha(ve) good right and lawful authority to make such conveyance and that they, their heirs,
