Such easement shall be appurtenant to the interest requisite for membership. Any expense of maintenance, repair or replacement of the utility line shall be borne equally by the members who are the Titleholders of each adjoining lot unless the utility line serves only one lot, in which case the expense shall be borne by the owner of the lot served. The provisions of this paragraph shall not operate to relieve any member from any liability which such member may incur by reasons of negligent or willful acts or omissions resulting in damage to the utility line.
11. **RECREATIONAL VEHICLES:** No recreational vehicle as defined by the Lincoln Municipal Code, shall be parked or stored upon any lot within the Properties. Any mortgage of the Commons shall be approved by the affirmative vote of two-thirds of the members entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members, if notice of the proposed mortgage is contained in the notice of the special meeting.

- b. The right of the Corporation to take any steps reasonably necessary to protect the Commons against foreclosure.
- c. The right of the Corporation to dedicate or convey all or any part of the Commons to any public entity. Any dedication or conveyance shall be approved by the affirmative vote of two-thirds of the members entitled to vote, present in person or by proxy, at a regular meeting of the members, if notice of the proposal dedication or conveyance is contained in the notice of the special meeting.
- d. The right of the Board of Directors of CPTA (Directors) to promulgate rules and regulations related to the use of the Commons by the members of the Corporation, which may be amended from time to time as situations arise which affect the use and enjoyment of the Commons by all members of the Corporation.
15. **MAINTENANCE OF COMMONS:** The Corporation covenants and each member of the Corporation, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to maintain the Commons, which covenants by the members shall be satisfied by the payment of annual and special assessments for the administration, maintenance or improvement of the Commons. Annual and special assessments shall be uniform as to each lot or living unit within the Properties. Each assessment shall be the personal obligation of the member who is, or was, the Titleholder of the lot or living unit assessed at the time of the assessment, shall bear interest at the rate of 18% per annum until paid, and when shown of record shall be a lien upon the lot or living unit assessed.
16. **LANDSCAPING IN COMMONS:** Individual Titleholders who wish to plant and maintain landscaping different from or in addition to that initially provided in the Commons, shall submit to the Building and Grounds Control Committee plans for the landscaping. The plan shall be reviewed and approved or disapproved within 30 days. As a condition of approval, the Titleholder may be required to enter into an agreement providing the obligation for maintenance to run with the lot owned by the Titleholder. The Board shall have final arbitration on any disputes, and the Secretary shall maintain a file of approved landscaping and maintenance for each lot.
17. **USE OF COMMON DRIVEWAYS:** Each member of the Corporation, who is the Titleholder of a lot or living unit, which has access to a street by way of a common driveway, shall have an easement upon such common driveway for ingress and egress from and to the street, which shall be appurtenant to the interest requisite for membership.

The Corporation covenants to maintain Splitrail Lane and Stonewall Court streets and sidewalks. The covenants by the members may be satisfied by the payment of annual and special assessments for the maintenance of the private streets and sidewalks. Each assessment shall be the personal obligation of the member who is, or was, the Titleholder of the living unit assessed at the time of the assessment. The assessment shall bear interest at the rate of 18% per annum until paid, and, when shown of record, shall be a lien upon the living unit assessed.

19. **MAINTENANCE OF LANDSCAPE SCREENS:** The Corporation covenants to maintain any landscape screen, whether composed of structural or live plant material, which is installed as required by the City of Lincoln, Nebraska. Each member of the Corporation shall be deemed to covenant to maintain the screen. The covenants by the members may be satisfied by the payment of annual and special assessments for the maintenance of the screen. Each assessment shall be the personal obligation of the member who is, or was, the Titleholder of the lot assessed at the time of such assessment, shall bear interest at the rate of 18% per annum until paid, and, when shown of record, shall be a lien upon the lot assessed.
20. **MAINTENANCE OF EXTERIORS:** The maintenance of the exterior of all dwelling structures and appurtenances with the Properties shall follow the matching colors for all windows, trim, foundation and garage doors; and decks shall be maintained using any single color of six approved. Such maintenance shall be the responsibility of the Titleholder of any lot within the Properties. However, if the failure of the Titleholder to maintain the exterior of a dwelling structure and appurtenances and perform the maintenance, in the judgement of the Board, creates an adverse effect on the values of the other Properties, the Corporation shall have the right to enter upon any lot within the Properties, at reasonable times, and perform or cause to be performed maintenance as may be performed following delivery of a written notice to the Titleholder stating the intent to perform the maintenance and allowing not less than sixty (60) days for the Titleholder to take corrective action. The cost of any maintenance plus a 10 percent administration fee shall be the subject of a special assessment against the lot which, when filed of record, shall become a lien against the individual lot.
21. **EASEMENT:** The Corporation and its employees, contractors and agents shall have an easement over, under and upon all the Properties and right of entry at reasonable times, to perform its obligations to maintain, repair, install, operate or replace improvements, landscaping, sprinkler systems and perform any other responsibilities under the Covenants.
22. **INSURANCE:** The Corporation covenants to maintain fire and extended coverage insurance on improvements in an amount equal to their full insurable value. Any proceeds of insurance shall be applied, to the extent required by the Corporation, to the repair or reconstruction of the improvements. The Corporation may maintain such insurance and add the cost thereof to the next annual assessment.
23. **LIEN OF ASSESSMENTS:** The lien of any annual or special assessments shall, until shown of record, be subordinate to the lien of any mortgage placed upon the lot against which the assessment is levied.
24. **ASSESSMENTS:** The members, by the acceptance of a deed to one of the lots within the Properties, shall be deemed to covenant and agree to pay the Corporation the assessments, together with the late fees, interest, reasonable attorney fees, and other costs of collection which shall be a lien upon a lot until paid. Each assessment and other charges shall also be the personal obligation of the Titleholder of the lot at the time any assessment is due.
 - a. Assessment Purpose: The Corporation shall levy assessments solely to enable the corporation to perform its obligations to its members. The specific purposes for which such assessments may be levied shall include, but not be limited to, the administration, maintenance and repair of the landscaping and grounds on Commons and the lots of its members; snow removal on the lots and Commons; all taxes fees, permits, and other assessments by government or public entities which may be incurred by the Corporation; to

provide adequate insurance; and to provide such reserves as may be deemed necessary in order to accomplish the objectives and purposes of the Corporation.

b. Annual Assessments: The annual assessment (dues) shall be established by the Directors of the Corporation and shall be payable in equal quarterly installments. In December of each year the Board shall establish the annual assessment rate for the following calendar year. The rate established by the Board shall apply to monthly installments beginning as of January 1. Payments are due the 15th of the following months: February, May, August and November. Written notice of the annual assessment shall be sent to every member on or before January 1 of every year in which the annual assessment is changed from the previous year. If a Titleholder places the property on the market for sale it is the continued responsibility of the Titleholder to pay the dues as scheduled while the sale is being completed.

c. Special Assessment: In addition to the annual assessment, the Corporation may levy special assessments for unexpected repairs or replacements or other unanticipated expenses of the Corporation reasonably necessary to permit the Corporation to perform its obligations. Written notice of the special assessment shall be given to the members specifying the reason for the special assessment and the date payment is due. The date set for payment must be at least 30 days after the date of notice.

d. Improvement Assessment: In addition to the annual and special assessments, the Corporation may levy an improvement assessment for any capital improvements. Any such improvement assessment shall require the affirmative vote of two-thirds of the members entitled to vote. Payment of the improvement assessment shall be made on terms established by the Corporation, which terms shall be included in the written notice to the members advising them of the improvement assessment.

e. Equity of Assessment: All assessments, except lot assessments, shall be apportioned equally to the lots within the Properties.

f. Late Fees and Interest: Any assessments not paid within 20 days of the date they are due shall be delinquent and shall be subject to a late fee of 10% of the amount due. In addition, if not paid within 30 days, interest at the rate of 18% per annum will be assessed from the date originally due on all delinquent assessments. A lien may be placed on the Titleholder's property 60 days after an assessment is due and the cost of filing, collecting, and releasing the lien including attorney's fees shall be assessed to the Titleholder.

g. Lien Priority: The lien of any assessments shall be subordinate to the lien of any mortgage executed and delivered before notice of an assessment lien is filed for record by the Corporation.

h. Foreclosure: The lien for any unpaid assessment levied pursuant to the terms of the Restrictive Covenants may be foreclosed by any method available for foreclosure of security interests in real estate, or otherwise, as ordered by the Court. The Court shall award as part of any judgement, attorney's fees, and costs.

25. AMENDMENTS: These Restrictive Covenants shall run with the land and shall be binding upon and enforceable by the Corporation. These Restrictive Covenants may be terminated or modified, in writing, by the Titleholders of two-thirds of the lots within the Properties, at any time. However, the provisions of these Restrictive Covenants governing membership in the

Corporation and maintenance of the Commons shall not be terminated or modified without the consent of Lancaster County, Nebraska.

26. **ENFORCEMENT:** The enforcement of these Restrictive Covenants may be by proceedings at law or in equity against any person violating or attempting to violate any provision hereof. The proceedings may be to restrain the violation, or to recover damages, and, by the Corporation, may be to enforce any lien or obligation created hereby.
27. **SEVERABILITY:** The invalidation of any one of these Restrictive Covenants shall not affect the validity of the remaining provisions hereof.
