### ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant hereby covenants for each Assessable Lot and for each Owner of any Assessable Lot, by acceptance of a deed therefore or by entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, shall be deemed to covenant and agree to pay to the Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Assessable Lot as deemed necessary by the Association,

which assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal obligation for delinquent

assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article V herein.

Section 3. Monthly Assessments. The Board of Directors shall have the authority to levy and assess against each Assessable Lot an initial monthly maintenance assessment for the purpose of meeting the requirements of Section 1 of Article V herein for exterior maintenance. At the commencement of each calendar year thereafter, the Board of Directors shall have the authority to increase the monthly maintenance assessment against each Assessable Lot by a percentage of the prior assessment, which percentage shall be the greater of five percent (5%) or the percentage increase in the U. S. Department of Labor Consumer Price Index (All Items) for All Urban Consumers, 1982-84=100 ("CPI-U") for the month of October immediately preceding such new calendar year as compared to the CPI-U for the month of October in the prior year. If the CPI-U is discontinued or replaced, then the Board of Directors shall substitute a reasonably equivalent other index which will accomplish the same result of reflecting general consumer price changes in the United States economy. Any additional increase in the monthly maintenance assessment above that authorized by the Board of Directors must be approved by a majority of the votes cast by the Members at a meeting duly called for such purpose.

Section 4. Special Assessment for Capital Improvements. The Association may levy special assessments from time to time against an Assessable Lot for the purpose of meeting the requirements of Section 2 of Article V herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall be approved by the vote of the members, who shall vote in person or by proxy at a meeting duly called for such purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 or 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 of this Article IV shall be sent to all Members not less than 10 days nor more than 60 days in advance of such meeting. At such meeting, the presence of Members, in person or by proxy, holding ten percent (10%) of the votes entitled to be cast shall constitute a quorum.

Section 6. Uniform Rate of Assessment. The monthly assessments shall be paid prorata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Association may equitably adjust such proration if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied. The monthly assessments may be collected on a monthly or other periodic basis by the Association. The Board of Directors of the Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of

the Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Association as of the date of its issue by the Association.

Section 7. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of this Declaration, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

Section 8. Payment of Assessments by Electronic Funds Transfer. Every Owner shall take all actions and execute and deliver all documents as reasonably requested by the Association to arrange for preauthorized payment of the assessments from the Owner's bank account to the bank account designated by the Association for receipt of such electronic funds transfers. Such actions will include, without limitation, the necessary authorization by the Owner to the Owner's bank to allow such bank to make the periodic payment of the assessments directly to the Association's bank account by electronic funds transfer. Each Owner further agrees to maintain adequate funds in its bank account to provide for the full payment of the assessments when due.

## ARTICLE V EXTERIOR MAINTENANCE

The Association may provide exterior maintenance upon each Assessable Lot as set forth hereinafter.

Section 1. Monthly assessments may be assessed for, but not limited to, the following:

- (a) Maintenance of lawns as originally installed on each Assessable Lot, excluding portions thereof within the confines of any fenced in area on any Assessable Lot or installed by or at the direction of the Owner. The Owner is responsible for replacement of all dead landscaping improvements and the Owner agrees to allow the Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Association on demand. The Association shall have no duty to repair, replace or maintain any exterior concrete surfaces.
- (b) Operation of an underground sprinkler system, including Spring activation, water flow and area coverage adjustments, and Fall shut down and winterization of the sprinkler system. However, the Owner is responsible for all necessary repairs and replacements to the sprinkler system, including but not limited to replacement of sprinkler heads, rotors, risers, nozzles, control panels, backflow preventors, and water lines. The Owner

agrees to allow the Association to make such repairs and replacements to the sprinkler system at the expense of the Owner of record at the time of such repair or replacement and such Owner shall reimburse the Association on demand.

- (c) Snow removal as to be determined by the guidelines set forth by the Board of Directors.
- (d) Spring and Fall exterior window cleaning as deemed necessary by the Board of Directors.

Section 2. Special assessments may be assessed for, but not limited to, the following:

- (a) Maintain, repair, and replace roofs.
- (b) Maintain, repair (including painting) and replace exterior surfaces (including walls and doors), with the exception that the Association shall not assume the duty to repair or replace any glass surfaces, including, but not limited to, window glass and door glass.
- (c) Maintain, repair, and replace gutters.
- (d) Maintain and replace trees, shrubs and other exterior landscaping improvements on any Assessable Lot.
- (e) Excess snow removal above the budgeted amount.

All replacements shall be of like kind if at all possible.

Section 3. Each Owner of an Improved Lot shall at all times maintain in good and clean condition and repair the trees, shrubs, and other landscaping improvements within view from the streets and sidewalks adjacent to such Improved Lot. If any Owner fails to properly maintain the landscaping improvements as provided in this Section 3, the Association may, at its option, after giving the Owner ten (10) days written notice (unless within such ten day period the Owner shall commence and thereafter pursue with due diligence to completion such maintenance), perform or have performed such maintenance. If the Association undertakes such maintenance due to the failure of Owner to perform the same, the costs of such maintenance shall be assessed against Owner and shall be paid to the Association by such Owner upon written demand for payment by the Association. If such costs are not paid within thirty (30) days after written demand from the Association, such assessment shall accrue interest, constitute a lien on the Improved Lot, and be enforceable by the Association, all as set forth in Article IV hereof. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the Improved Lot through proceedings in any Court having jurisdiction of actions for the enforcement of such liens.

## ARTICLE VI

## ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition or change or alteration therein be made, nor shall any trees, shrubs, or plantings be planted or maintained upon the Properties, until the plans and specifications therefor, showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing, as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Board of Directors of the Association. Failure of the Board to act on such plans as submitted within 30 days after the date of submission shall be deemed to be approval of such plans, and the Owner may proceed in accordance with such plans and specifications.

## ARTICLE VII GENERAL RESTRICTIONS AND OTHER PROVISIONS

Section 1. Restrictions. Every Owner shall have full rights of ownership and full use and enjoyment of his Lot, subject to the following restrictions:

- (a) No fences or enclosures of any type or nature whatsoever shall ever be constructed, erected, placed or maintained on any Lot within the Properties, unless such fences or enclosures shall have first been authorized in writing by the Association. No clothes line or clothes hanger (including but not limited to laundry umbrellas or other retractable apparatus) shall be constructed on any Lot or used on any Lot outside of a building located thereon. No exterior television or radio antenna or dish, other than an inconspicuously mounted or screened satellite dish antenna of less than 19 inches in diameter, shall be erected on any Lot within the Properties.
- (b) No animals, livestock or poultry of any kind shall be raised or kept on any Lot in the Properties, other than non-exotic household pets which, in the case of dogs, shall be limited to one per household. With respect to other non-exotic household pets, the Board of Directors may from time to time establish limits as to the size, weight, and quantity per household. All pets shall be leashed when outside of the residential structure unless restrained by fencing (including invisible sound-barrier fencing) authorized as provided in this Declaration. No such pet shall be kept, bred or maintained for commercial purposes. All reptiles and pot-bellied pigs are classified as exotic pets. All unpleasantries created by the household pet shall be the responsibility of the Owner who shall be obligated to clean up after the animal. The Owner also shall prevent any prolonged barking or other noises from the household pets from becoming offensive or annoying to other Owners.
- (c) No noxious, offensive, or illegal activity shall be carried on upon the Properties, nor shall any trash, ashes or other refuse be thrown, placed, or dumped upon any Lot, nor shall anything ever be done which may be or become an annoyance or nuisance to the neighborhood. No outside above-ground trash receptacles or incinerators shall be

permitted on any Lot.

- (d) No advertising signs or billboards shall be permitted on any Lot with the exception of "for sale" or "for rent" signs, which shall not exceed four square feet in size. Nothing herein contained shall prevent the use of any Lot by the Apollo Building Corp., its agents, and the Association as a sales and rental office, or as a model home or both, and while any Lot is so used, they shall have the right, for themselves, or their nominees, to place signs on the premises advertising such office or model home, or both.
- (e) No trailer, tent, shack, barn or other outbuilding shall at any time be used for human habitation, either temporarily or permanently. This shall not prevent the location of a temporary real estate and/or construction office on any Lot in the Properties for use during the period of construction and sale of the Properties.
- (f) The use of private barbecue grills and the outside use or storage of barbecue grills on any Lot may be subject to written regulation, restriction or exclusion by the Association.
- (g) No awnings or sun screens of any type shall be affixed to any building or structure on any Lot without the written consent of the Association.
- (h) No finish or preservative shall be applied to any wooden decks other than a clear wood finish or preservative.
- (i) The use and storage of motorized golf carts on any Lot may be subject to written regulation, restriction or exclusion by the Association.

#### ARTICLE VII GOLF COURSE RESTRICTIONS AND EASEMENTS

All Owners hereby acknowledge that certain of the Lots may not have an unobstructed view, or may not have any view at all of the golf course constructed or to be constructed on Lots 234 through 239 of Deer Creek Subdivision, (hereinafter the "Golf Course"), and that the right of privacy appurtenant to each Lot shall be subject to such disruption and invasion, by noise, windblown debris and the like, as is normally associated with golf course construction, maintenance, grass mowing, equipment maintenance and use.

Section 1. Assumption of Golf Course Rights. By acceptance of a deed to a Lot, each Owner acknowledges that he or she is subject to each of the following risks and that the Owner assumes each of these risks: (i) the risk of damage to property or injury to persons or animals from golf balls hit on or over an Owner's Lot or other portions of the Properties; (ii) the entry by golfers onto Owner's Lot or other portions of the Properties to retrieve golf balls; (iii) overspray in connection with the watering or fertilizing of the roughs, fairways and greens on the Golf Course; (iv) noise from golf course maintenance and operation equipment (including, without limitation, compressors, blowers, mulchers,

tractors, utility vehicles and pumps, all of which may be operated at all times of the day and night and/or continuously); (v) the use of fertilizers, pesticides and other chemicals on the Golf Course; (vi) odors arising from irrigation and fertilization of the turf situated on the Golf Course; and (vii) disturbance and loss of privacy resulting from golf course maintenance, golf cart traffic and golfers. Additionally, each Owner acknowledges and understands that pesticides and chemicals may be applied to the Golf Course throughout the year and that reclaimed water, treated waste water or other sources of non-potable water may be used for irrigation of the Golf Course.

Each Owner expressly assumes such detriments and risks and agrees that neither Declarant, the owner of the Golf Course, or any director, officer, manager, employee or agent thereof, nor any of the their successors or assigns shall be liable to the Owner or occupant of any Lot, or any family member, guest, employee or agent, or anyone else claiming any loss or damage, including without limitation, indirect, special or consequential loss or damage arising from personal injury, destruction of property, trespass or any other alleged wrong or entitlement to remedy based upon, due to, arising from or otherwise related to the proximity of the Owner's Lot to the Golf Course. Each Owner shall indemnify and hold harmless Declarant, the owner of the Golf Course, and their successors and assigns against any and all such claims by Owner's family members, invitees or agents. The Owner's foregoing indemnity obligations shall not exceed the amount of liability insurance maintained by the Owner at the time the event occurred that gave rise to the Owner's indemnity obligations.

Section 2. Appearance of Golf Course. Each Owner acknowledges, understands and agrees that no Owner shall have the right to compel the owner of the Golf Course to maintain the Golf Course or any improvements thereon to any particular standard of care and that the appearance of the Golf Course and improvements shall be determined in the sole discretion of the owner of the Golf Course.

Section 3. Golf Course Easements. There is reserved for the benefit of the owner of the Golf Course, and its successors and assigns, a nonexclusive right and easement appurtenant to the Golf Course as the dominant tenement over each Lot as the servient tenement for purposes of overspray in connection with the watering and fertilizing of the roughs, fairways, tees and greens on the Golf Course and for the intrusion of golf balls onto or over the servient tenement from the roughs, fairways, tees and greens of the Golf Course. Any person for whose benefit the right and easement for overspray and intrusion is reserved shall not be liable to any Owner for any damage to person or property occasioned by such overspray or intrusion unless occasioned by the intentional act of such person. The right and easements reserved by this section shall be for the benefit of the owner of the Golf Course, its successors and assigns and for the benefit of their employees, contractors, agents, guests, invitees, licensees and all persons playing the Golf Course.

Section 4. Silt Fence. Prior to commencement of any construction activities on any Lot which is adjacent to the Golf Course, the Owner of such Lot shall install or cause to be installed a silt fence in a trench constructed along all boundary lines of such Lot which is adjacent to the Golf Course, so as to prevent any run off of silt or other erosion from such Lot onto the Golf Course.

## ARTICLE IX INSURANCE

Section 1. The Association shall purchase and provide comprehensive general liability coverage insurance for the Properties in such amounts as shall be determined from time to time by the Board of Directors of the Association. The Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Association, for its Officers, and members of the Board of Directors. Finally, if the Association has any employees of any nature, the Association shall purchase and provide Worker's Compensation Insurance for all employees who may come within the scope of Nebraska Worker's Compensation laws.

Section 2. Each Owner shall, at its sole cost and expense, procure and maintain in full force and effect a policy or policies of insurance insuring such Owner and the Association, as an additional insured, against loss or damage by fire and such or risks as may be included within an extended coverage endorsement covering the full replacement cost of the buildings and other improvements from time to time erected upon or under such Owner's Lot. All such insurance shall be written by companies which are satisfactory to the Association and which are authorized to do insurance business in the State of Nebraska. Each policy shall contain an agreement by the insurer that it will not cancel or modify such policy except after thirty (30) days prior written notice to the Association and that any loss otherwise payable thereunder shall be payable notwithstanding any act or negligence of the insured. Certificates evidencing the existence of such insurance policies shall be delivered to the Association by the Owner annually and upon the reasonable request of the Association. Each Owner may obtain such additional insurance for such Owner's benefit and at such Owner's own expense as may be deemed necessary by the Owner, including coverage for personal property damage or personal liability.

Section 3. In the event that any building on the Properties shall be damaged or destroyed (partially or totally) by fire, the elements, or any other casualty, the Owner of such building shall, at its expense, promptly and with due diligence repair, rebuild, and restore the same as nearly as practical to the condition existing just prior to such damage or destruction; or alternatively, the Owner of such building shall be required to clear, clean and raze the damaged building and landscape the entire Lot.

## ARTICLE X ACCESS

The Association, its officers, employees and agents, and contractors and repairmen designated by the Association, shall have the right to go on any Lot for the purpose of performing maintenance and repair, making inspections and performing the duties of the Association hereunder, and the Association is hereby granted a specific easement for such purposes.

## ARTICLE XI

### GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Association or of any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one or more of these covenants or restrictions, by judgment or court Order, shall in no way affect any other provisions, which other provisions shall remain in full force and effect.

Section 3. Amendment. Additional lots owned by Declarant in Deer Creek Subdivision in Douglas County, Nebraska, if any, may be added to the Properties and become subject to this Declaration upon the written direction of Declarant recorded in the same manner as Deeds shall be recorded at such time. Subject to the preceding sentence, this Declaration may be amended at any time by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots then covered by this Declaration. Any such amendment shall be valid only upon its being recorded in the same manner as Deeds shall be recorded at such time.

Section 4. Term. The covenants and restrictions contained in this Declaration shall run with the land, and shall be binding for an initial term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years each.

IN WITNESS WHEREOF, the undersigned have executed this Declaration of Covenants, Conditions and Restrictions as of this 10 day of September, 2001.
