1. All Lots above described now and in the future shall be used as residential Lots. Not more than one Residential structure and garage shall be built on any one of said lots, provided, however, this shall not prevent the use of a greater area than one lot as a single site.

3. The main floor of all single story, and story and one half dwellings shall cover a ground area of not less than 800 square feet, exclusive of garages and porches, and the main floor of all dwellings of two or more stories shall cover a ground area of not less than 720 square feet, exclusive of garages and porches.

At the expiration of said period, they shall be automatically extended for successive periods of Ten (10) years unless they are changed, in whole or in part, by written agreement among the then owners of the majority of said lots, executed and recorded in the manner provided by law.
6. Nothing contained in this instrument shall in any wise be construed as imposing upon the undersigned any liability, obligation, or requirement for its enforcement.
7. Each of the provisions herein is several and separable. Invalidation of any such provision by judgement, decree or order of any court, or otherwise, shall in no wise affect any other provision which shall remain in full force and effect.
8. Each and every provision hereof shall bind and inure to the benefit of the undersigned, its successors and assigns, and all its grantees, both immediate and remote, and shall run with the land for the benefit of and imposed upon all subsequent owners of each of the lots above described. The undersigned, as owner of the above described real estate, has platted and divided it into lots and blocks, and, by such plat and this declaration, makes public its general plan of improvement and development. All deeds of conveyance by the undersigned, its successors and assigns, or by its grantees, whether immediate or remote, shall be executed and delivered subject to these easements, restrictions, limitations, conditions, and covenants, and any and all purchasers may enforce them.
