

## MISCELLANEOUS RECORD No. 9

from a convenient point on its main line or some lateral as the grantee may determine, and gas to be taken under this provision shall be measured and furnished to the grantor at the rates and upon the terms as may be established by grantee, or by any vendee of grantee, from time to time.

(4) That grantee will replace or rebuild to the satisfaction of grantor or of their representative any and all damaged parts of all drainage systems, the damage to which shall be occasioned by the construction of said pipe lines under and through the above described premises.

This instrument, and the covenants and agreements herein contained, shall inure to the benefit of and be binding and obligatory upon the heirs, executors, administrators, successors and assigns of the respective parties.

IN WITNESS WHEREOF we have hereunto set our hands this 24th day of June, 1938.

NORTHERN NATURAL GAS COMPANY

ENCLOSURE \$1.50 P.C.

*D. J. Cullen*  
County Clerk

1938-3

KNOW ALL MEN BY THESE PRESENTS:

That Joseph C. Krka and Anna Krka, his wife of the County of Sarpy and State of Nebraska, for and in consideration of the sum of Fifty Cents (50¢) per lineal rod, receipt of One Dollar (\$1.00) of which consideration is hereby acknowledged and balance of which is to be paid when and as the location of pipe lines over and through the lands hereinafter described shall be established, surveyed and measured, and the further consideration of the performance of the covenants and agreements by the grantor, as hereinafter set out and expressed, do hereby GRANT, REMISE and RELINQUISH unto NORTHERN NATURAL GAS COMPANY, a Delaware corporation, its successors or assigns, the RIGHT, PRIVILEGE and LICENSE to construct, maintain and operate pipe lines, and appurtenances thereto, over and through the following described lands and appurtenances thereunto belonging, including riparian rights, situated in the County of Sarpy and State of Nebraska, to-wit:

East One Half (E½) of South West Quarter (SW¼) and North East Quarter (NE¼) of South East Quarter (SE¼) Section 13 Township 14, Range 13. It is understood that in case the construction of this pipe line causes any damage or shortage it crops, such damage is to be paid by the Northern Natural Gas Company

TO HAVE AND TO HOLD unto said NORTHERN NATURAL GAS COMPANY, its successors and assigns, so long as such pipe lines, and appurtenances thereto, shall be maintained, together with the right of ingress to and egress from said premises, for the purpose of constructing, inspecting, repairing, maintaining and replacing the property of the grantee located thereon, or the removal thereof, in whole or in part, at the will of the grantee; it being the intention of the parties hereto that grantors are hereby granting the uses herein specified without diverting grantors of the rights to use and enjoy said above described premises, subject only to the right of the grantee to use the same for the purposes herein expressed.

As a further consideration for this grant, the grantee herein agrees as follows:

(1) That it will bury all pipe laid upon said land to a sufficient depth so as not to

interfere with the cultivation of the soil.

(2) That it will pay to grantors any damages which may arise to growing crops, trees, shrubbery, fences or buildings from the construction, maintenance or operation of said pipe lines, said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one of which shall be appointed by the grantors, one by the grantee, and the third to be selected by the two appointed as aforesaid, and the written award of such three persons shall be final, conclusive and binding upon the parties hereto.

(3) That grantee, upon written application by the grantors, will make, or cause to be made, a tap in any gas pipe line constructed by grantee upon the above described premises for the purpose of supplying gas to grantors for domestic purposes only and not for re-sale, and for use upon the above described premises only. All connections required, with the exception of the meter, which is to be furnished and owned by grantee, shall be furnished and paid for by grantors according to the rules and regulations of the grantee. Said tap will be provided by grantee from a convenient point on its main line or some lateral as the grantee may determine, and gas to be taken under this provision shall be measured and furnished to the grantors at the rates and upon the terms as may be established by grantee, or by any vendor of grantee, from time to time.

(4) That grantee will replace or rebuild to the satisfaction of grantors or of their representative any and all damaged parts of all drainage systems, the damage to which shall be occasioned by the construction of said pipe lines under and through the above described premises.

This instrument, and the covenants and agreements herein contained, shall inure to the benefit of and be binding and obligatory upon the heirs, executors, administrators, successors and assigns of the respective parties.

IN WITNESS WHEREOF we have hereunto set our hands this 27th day of June, 1938.
