CONDITIONS:

Where the District's facilities are constructed the District shall have the right to operate, maintain, repair, replace and renew said facilities consisting of poles, wires, cables, fixtures, guys and anchors and other instrumentalities within a strip of land as indicated above, together with the right to trim or remove any trees along said line so as to provide a minimum clearance from the overhead facilities of at least Twelve feet (12').

The District shall have the right of ingress and egress across the Grantor's property for any purpose hereinbefore granted. Such ingress and egress shall be exercised in a reasonable manner.

Where the District's facilities have been installed, no trees, permanent buildings or other structures shall be placed in or encroach the easement and no change of grade elevation or any excavations shall be made therein without prior written approval of the District, but the same may be used for landscaping or other purposes that do not then or later interfere with the granted easement uses.

Where the District's facilities are placed adjacent to Grantor's property line, Grantor hereby grants the owner of said adjacent property, or his agent, reasonable access to the District's facilities.

It is further agreed that Grantor has lawful possession of said real estate, good, right and lawful authority to make such conveyance and that his/her/its/their heirs, executors, administrators, successors and assigns shall warrant and defend the same and will indemnify and hold harmless the District forever against the claims of all persons whomsoever in any way asserting any right, title or interest prior to or contrary to this conveyance.

IN WITNESS WHEREOF, the Owner(s) have executed this instrument this 14th day of OCTOBER, 1998.
