ARTICLE II.
EASEMENTS AND TELEPHONE CONNECTION CHARGE

1. A perpetual license and easement is hereby reserved in favor of and granted to the Omaha Public Power District, Northwestern Bell Telephone Company, and any company which has been granted a franchise to provide a cable television system within the Lots and the Metropolitan Utilities Company, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior Lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

A perpetual easement is further reserved for the Metropolitan Utilities District of Omaha, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under

and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

Other easements are provided for in the final plat of Grand Oaks which is filed in the Register of Deeds of Douglas County, Nebraska (Book _____, Page _____).

2. In the event that ninety percent (90%) of all Lots within the Subdivision are not improved within five (5) years after the date on which Northwestern Bell Telephone Company files notice that it has completed installation of telephone liens to the Lots in the Subdivision (herein the "Subdivision Improvement Date"), then Northwestern Bell Telephone Company may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Northwestern Bell Telephone Company and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Northwestern Bell Telephone Company sends each owner of record a written statement or billing for Four Hundred Fifty Dollars (\$450.00) for each unimproved Lot.

ARTICLE III. GENERAL PROVISIONS

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded. This Declaration may be amended or extended by Grand Oaks, Inc., a Nebraska corporation, or any person, firm, corporation, partnership, or entity designated in writing by Grand Oaks, Inc., a Nebraska corporation, in any manner which it may determine in its full and absolute discretion for a period of three (3) years from the date hereof. Thereafter this Declaration may be amended or extended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

3. Grand Oaks, Inc., a Nebraska corporation, or its successor or assign, may terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, the majority of the owners of the Lots may appoint another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

4. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.
