

It being the intention of the parties hereto that Grantors are hereby granting the uses herein specified without divesting Grantors of the rights to use and enjoy said above described premises, subject only to the right of the Grantee to use the same for the purposes herein expressed.

Payment of the balance due hereunder may be made to any one of the undersigned for all, or may be paid into the Banking House of E.F. Clark Bank at Papillion, Nebr. for the credit of the Grantors herein.

As a further consideration for this grant, the Grantee herein agrees as follows:

(1) That it will bury all pipe laid upon said land to a sufficient depth so as not to interfere with the cultivation of the soil.

(2) That it will pay to Grantors any damages which may arise to growing crops, trees, shrubbery, fences or buildings from the construction, maintenance or operation of said pipe lines, said damages if not mutually agreed upon, to be ascertained and determined by three disinterested persons, one of which shall be appointed by the Grantors, one by the Grantee, and the third to be selected by the two appointed as aforesaid, and the written award of such three persons shall be final, conclusive and binding upon the parties hereto.

(3) That Grantee, upon written application by the Grantors will make, or cause to be made, a tap in any gas pipe line constructed by Grantee upon the above described premises for the purpose of supplying gas to Grantors for domestic purposes only and not for re-sale, and the use upon the above described premises only. All connections required, with the exception of the meter, which is to be furnished and owned by Grantee, shall be furnished and paid for by Grantors according to the rules and regulations of the Grantee. Said tap will be provided by Grantee from its main line or any of its laterals closest to the premises to be served, and gas to be taken under such tap arrangement shall be measured and furnished at such price and under such rules and regulations of the Grantee applying to rural domestic consumers and such price shall not exceed that charged for similar service to domestic consumers of incorporated towns in the same locality served from the line of Grantee or any branch of Grantee.

(4) That Grantee will replace or rebuild to the satisfaction of Grantors or of their representative any and all damaged parts of all drainage systems, the damage to which shall be occasioned by the construction of said pipe lines under and through the above described premises.

Telephone and telegraph lines above referred to are constructed at any time shall be placed along the road or property line of grantor's land.

IN WITNESS WHEREOF we have hereunto set our hands this 30th day of April, 1932.
