

the boundary of the within plat, of Omaha to ensure piecing of all lots, streets, angle points and numbered as shown) being replatted in the SE 1/4 of the SW 1/4 of the 6th P.M., Douglas County,

The Ridges Replat II, said point Circle, thence along the Easterly wing described in said plat, thence S. 90° 00' 00" W. 100.00 feet to the intersection of the line of said II; thence along the Easterly wing described in said plat, thence at a distance of 100.00 feet to the at II; thence along the Easterly wing described in said plat, thence S. 8° 26' 20" W. a distance of 10.97 with a radius of 140.12 feet, a chord which bears N15° 42' 30" E, said Lot 228. The Ridges Replat line of said 185th Circle, thence by line of 185th Circle on the a curve to the left with a radius having a long chord which bears theasterly, on a curve to the left feet, said curve having a long 0 feet to the point of beginning.

know a hereby these presents that we, Ridges Limited Partnership, a Nebraska Limited Partnership, Owner, and First Bank, Mortgagee, of the property described in the Certification of Survey and embraced within the plat has caused said land to be subdivided into lots and streets to be numbered and named as shown, said subdivision to be hereafter known as WEST VIEW RIDGE (lots numbered as shown), and we do hereby ratify and approve of the disposition of our property, and we do hereby dedicate to the public for public use the streets, avenues, and circles, and we do hereby grant the easements as shown on this plat, we do further grant a perpetual easement to the Omaha Public Power District, U.S. West Communications and any company which has been granted a franchise to provide a cable television system in the area to be subdivided, their successors and assigns, to erect, operate, maintain, repair and renew poles, wires, cables, conduits and other related facilities, and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat and power and for the transmission of signals and sounds of all kinds including signals provided by a cable television system, and the reception on, over, through, under and across a five-foot (5') wide strip of land abutting all front and side boundary lot lines; an eight-foot (8') wide strip of land abutting the rear boundary lines of all interior lots; and a sixteen-foot (16') wide strip of land abutting the rear boundary lines of all exterior lots. The term exterior lots is herein defined as those lots forming the outer perimeter of the above-described addition. Said sixteen-foot (16') wide easement will be reduced to an eight-foot (8') wide strip when the adjacent land is surveyed, platted and recorded, and we do further grant a perpetual easement to Metropolitan Utilities District of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water or, through, under and across a five-foot (5') wide strip of land abutting all cul-de-sac streets. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

In witness whereof, we do set our hands this 26 day of SEP, 1994.

### DEDICATION

Know all men by these presents that we, Ridges Limited Partnership, a Nebraska Limited Partnership, Owner, and First Bank, Mortgagee, of the property described in the Certification of Survey and embraced within the plat heretofore said land to be subdivided into lots and streets to be numbered and named as shown, said subdivision to be hereafter known as WEST VIEW RIDGE has numbered as shown, and we do hereby ratify and approve of the disposition of our property, and we do hereby dedicate to the public for public use the streets, avenues, and circles, and we do hereby grant the easements as shown on this plat, we do further grant a perpetual easement to the Omaha Public Power District, U.S. West Communications and any company which has been granted a franchise to provide a cable television system in the area to be subdivided, their successors and assigns, to erect, operate, maintain, repair and renew poles, wires, cables, conduits and other related facilities, and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat and power and for the transmission of signals and sounds of all kinds including signals provided by a cable television system, and the reception on, over, through, under and across a five-foot (5') wide strip of land abutting all front and side boundary lot lines; an eight-foot (8') wide strip of land abutting the rear boundary lines of all interior lots; and a sixteen-foot (16') wide strip of land abutting the rear boundary lines of all exterior lots. The term exterior lots is herein defined as those lots forming the outer perimeter of the above-described addition. Said sixteen-foot (16') wide easement will be reduced to an eight-foot (8') wide strip when the adjacent land is surveyed, platted and recorded, and we do further grant a perpetual easement to Metropolitan Utilities District of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five-foot (5') wide strip of land abutting all out-of-lot streets. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

In witness whereof, we do set our hands this 26 day of SEP, 1994.
