- (c) Any notice of approval shall be in writing and mailed to the Owner at the address specified by Owner upon submission of the plans. Failure of Declarant to give written approval of submitted plans within thirty (30) days after receipt of all the plans shall operate as disapproval of the plans submitted.

XIII. COMPLIANCE WITH GOVERNMENT REGULATIONS, ETC.

The Owner of each Lot shall, at all times, keep the premises, buildings, improvements and appurtenances in a safe, clean, and high standard condition and in all respects in compliance with applicable rules, regulations, ordinances and statutes of all governmental authorities having jurisdiction. All Lots shall be kept free of rubbish, debris, merchandise and building material except during reasonable construction periods for the main structures. Vacant Lots shall not be used for dumping of earth or other waste materials and shall be maintained level and smooth enough for machine mowing. A building upon which construction has begun must be completed within one year from the date the foundation was dug for such building.

XIV. DURATION

- (a) The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, and shall be automatically renewed and extended for successive periods of five (5) years each, unless and until the then Owners of seventy-five percent (75%) of the Lots within the Subdivision execute and record an instrument terminating this Declaration. This Declaration may be amended by the Declarant, or any person, firm, corporation, partnership or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of five (5) years from the date hereof. Provided, however, any such amendment shall not impose any greater burden or standard than is expressed in this Declaration with respect to any Lot or Lots which have been transferred from Declarant prior to the recordation date of such amendment. Thereafter this Declaration may be amended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration.
- (b) The Declarant, or any Owner or contract purchaser of a Lot, shall have the right to enforce, by proceeding at law or in equity, all restrictions and covenants now or hereafter imposed by the provisions of this Declaration, either to prevent or restrain any violation. Failure by the Declarant, any Owner or contract purchaser to enforce any covenant or restriction herein contained shall, in no event, be deemed a waiver of the right to do so thereafter.

If any term or provision of this Declaration, or the application of it to any person or circumstance shall, to any extent, be invalid and unenforceable, the remainder of this Declaration and the application of such term or provision to persons or circumstances, other than those as to which it is invalid or unenforceable, shall not be affected thereby and each term and provision thereof shall be valid and shall be enforced to the extent permitted by law.
