Received of AT&T Communications of the Midwest, Inc., an Iowa Corporation

Ten (10) Dollars, in consideration of which the undersigned hereby grant and convey unto said Company, its associated and allied companies, its and their respective successors, assigns, lessees and agents, a right of way and easement to construct, operate, maintain, replace and remove such communication systems as the grantees may from time to time require, consisting of underground cables, lightguides, wires, conduits, manholes, drains, splicing boxes, repeaters, repeater housings, together with surface testing-terminals, markers, and other appurtenances, upon, over and under a strip of land one rod wide across the land which the undersigned own or in which the undersigned have any interest in Tax lot 10 in the Northwest Quarter (NW $\frac{1}{4}$) of Section Seventeen (17), Township 14 North, Range 12 East of the 6th P.M. The fiber optic cable route is more precisely described in Exhibit "A" attached hereto and made a part hereof.

Township of Papillion, County of Sarpy, and State of Nebraska together with the following rights: Of ingress and egress to, from, and along lands adjacent to said strip for the purpose of constructing and maintaining communication systems within said strip; to place surface markers beyond said strip; to clear and keep cleared all trees, roots, brush and other obstructions from the surface and subsurface of said strip and during construction to cut all trees within ten feet thereof; and to install gates in any fences crossing said strip.

The Southwesterly boundary of said one rod strip shall be a line parallel to and 13 $\frac{1}{2}$ feet Southwesterly of the first cable or lightguide laid, which cable or lightguide shall have its location indicated upon surface markers set at intervals on the land of the undersigned or on adjacent lands. The undersigned for themselves, their heirs, successors and assigns, hereby covenant that no structure shall be erected or permitted on said strip. The grantees agree that the said cables or lightguides shall be buried below plow depth in order not to interfere with the ordinary cultivation of the strip, and to pay for damages to fences and growing crops arising from the construction and maintenance of the aforesaid systems. See Exhibit "B" attached hereto and made a part hereof.

EXHIBIT "B"

Grantee agrees not to construct above ground lines or structures upon said easement strip except for markers at fence lines, property lines and ditch banks, as shown on the attached Exhibit "C".

Grantee shall be given reasonable access to the right of way strip, but, except with the permission of Grantor or Grantor's tenants, Grantee's ingress and egress to the right of way strip shall be limited to existing lanes or such other areas specified by Grantor or Grantor's tenant. In the event of future subdivision of the property, Grantor will provide Grantee alternative access of like quality to that currently provided to the right of way strip.

Except to the extent caused by the negligence or willful misconduct of Grantor or Grantor's tenants, agents, or assigns, Grantee agrees to indemnify and hold harmless Grantor and Grantor's heirs, successors, and assigns against any claims or losses arising from damage or injury to Grantee's property, employees, agents, or contractors occurring in the course of construction, installation, or repair of Grantee's cable or other facilities upon Grantor's land.

Grantee further agrees that it will, upon written request ^{of} ~~to~~ the Grantor *Al* move and relocate all or a portion of the communications systems installed within said easement area to a location requested by Grantor, provided that Grantor will reimburse Grantee from any cost or expense incurred in such relocation and will grant all necessary easement rights required for the construction of such relocated facilities.

Grantor reserves all uses of said easement strip not inconsistent with this grant, but no buildings or other structures shall be erected or placed on said easement strip by Grantor. Notwithstanding any provision herein, Grantor reserves the right to pave over and install curbs, landscaping, sidewalks and gutters, on or over any portions of said easement strip, subject to Grantor's obligation to notify Grantee of Grantor's intent to pave over, install curbs, landscaping, ~~lighting~~ *Al* sidewalks or gutters at least fifteen (15) days prior to the commencement of work in connection therewith, and Grantee agrees to repair any damage thereto occasioned by any maintenance, repair or replacement activities performed by Grantee in connection with such communications system.

The rights of Grantee in said easement strip shall be exclusive as to those portions of the easement strip within which said communications systems shall be installed. Grantee, by its acceptance of this Grant of Easement, acknowledges that Grantor may grant additional easement rights contiguous to or across or within portions of said easement strip so long as such further easement rights do not interfere with Grantee's use of said easement strip.
