9. The Subdivider agrees, in consideration of the City granting permission to plat this Addition prior to the required improvements having been installed and approved, to waive and not assert any and all defenses based upon time constraints that may exist because of any future expiration of any applicable statute of limitations in the event the required improvements are not timely installed as required by the Subdivision Agreement and/or the Land Subdivision Ordinance (Title 26 of the Lincoln Municipal Code).

20. The Subdivider agrees to retain ownership of and the right of entry to the outlots in order to perform the above-described maintenance of the outlots and private improvements on a permanent and continuous basis. However, Subdivider(s) may be relieved and discharged of such maintenance obligations upon creating in writing a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance subject to the following conditions:

installation of said improvement has certified to the City that the improvement has been installed in accordance with approved plans.

- (b) The maintenance agreements are incorporated into covenants and restrictions in deeds to the subdivided property and the documents creating the association and the restrictive covenants have been reviewed and approved by the City Attorney and filed of record with the Register of Deeds.

21. The Subdivider agrees to inform all prospective purchasers and users of land located within the Airport Environs Noise District that the land is located within the Airport Environs Noise District, that the land is subject to an aviation and noise easement granted to Lincoln Airport Authority, and that the land is potentially subject to aircraft noise levels which may affect users of the property and interfere with its use.
