HAWAIIAN VILLAGE SAFETY REGULATIONS

Amendments to Safety Regulations

Amendments to Safety Regulations made on the date hereinafter set forth by more than fifty percent (50%) of the lot owners of Hawaiian Village as of the date hereof.

Section K. BOATING RULES

2. Boating (General)

f.) Inboard/outboard and outboard motors are allowed. No direct drive (inboard) or jet boats are allowed. Jet powered watercraft classified as jet skis and inboards approved by the American Water Ski Association shall be allowed to operate on the lake. All motorized watercraft operating on the lake must comply with all Hawaiian Village Safety Regulations as pertaining to boats.

g.) No boats over 18 feet (as per manufacturers specified hull length), will be allowed. Inboard boats approved by the American Water Ski Association with an overall length of no more than 19 feet 6 inches (as per manufactures overall length), will be allowed.

Adopted on the 11 day of March, 1991.

PETITION FOR CHANGE IN SAFETY REGULATIONS

The undersigned request that the Hawaiian Village Safety Regulations be changed in order to allow

(1) the use of inboard boats (not jet boats) which would otherwise comply with the Safety Regulations, the same as for outboard or inboard/outboard boats; and

(2) the use of ski boats approved by the American Water Ski Association for tournament use, not longer than 19 feet six inches.
