36. CONTRACT.

Nebraska Power Co.

and

Herman Thaden & wf.

THIS INDENTURE, made this 15 day of December, 1927, by and between
Nebraska Power Company, a corporation hereinafter called "The Company"
and Herman Thaden, Claudina M. Thaden, husband and wife, of the
County of Douglas State of Nebraska, hereinafter called "Grantor";

WITNESSETH: That for and in consideration of \$5.00, receipt whereof is hereby acknowledged by the Grantor and the further payment of the sum of \$25.00, as hereinafter provided, and mutual covenants and agreements herein contained the Grantor does hereby grant and convey unto the Company, its lessees, successors and assigns, the perpetual right, privilege, easement, authority and right of way to construct, operate and maintain its poles, electric transmission lines, necessary wires, guys, supports, cross arms and other fixtures and appliances, over, upon, along, and above the following described property, situated in Douglas County, State of Nebraska, to-wit:

Along the North line of the West one-half of the Southwest one-quarter
(W $\frac{1}{2}$ of SW $\frac{1}{4}$) of Section One, Township 15 North, Range 11 East.

MISCELLANEOUS RECORD, No. 84

254533-OMAHA PRINTING CO., OMAHA

The electric transmission line shall be built of two-pole structures commonly called H-frames, these structures to be located generally approximately thirty rods (495 ft) apart and not less than eighteen rods (297 ft) apart. The two poles of the H-frames shall be set ten (10) ft apart. One pole of each structure being located five (5) ft North and the other pole five (5) ft. South of the East and West center line of Section (1).

The conductors shall be sagged so that they will clear the ground (18) ft at 60° Fahrenheit.

The Grantor does hereby further grant unto the Company, its lessees, successors and assigns, the right, privilege and authority to enter upon and pass over said property and the property of Grantor adjacent thereto, and to cut down or trim any trees along said transmission line or route necessary to keep said line or lines and wires and equipment clear and unobstructed and for said tree trimming and clearance purposes the Company is hereby given the right, privilege and authority to cut and clear trees adjoining said electric line for a space of fifty (50) feet on each side thereof. The Company is further authorized to enter upon and over said premises with access thereto for the purpose of constructing, repairing, operating and maintaining said lines and equipment upon the property above described.

The Company shall at all times exercise all due care and diligence to avoid any injury or damage to the crops, live stock and other property of the Grantor and the Company agrees to indemnify and save harmless the Grantors from any and all damage and loss arising or occurring to any person or property wholly, exclusively and proximately by reason of the Company's negligence in the construction, operation and maintenance of said transmission line during the lifetime of this easement.

It is expressly agreed that in the event the Company is unable to obtain a right-of-way by purchase, easement or otherwise over and across all of the intervening property, commencing from Center Sec. (3) T. 15 N. R 12 E. and ending at W line Sec (1), T 15 N, R 10 E, so as to construct its poles, transmission lines, guys, supports, cross arms and other fixtures and appliances thereon, then the Company shall notify the Grantor in writing of its inability to obtain the said right-of-way and upon the receipt of such notice in writing from the Company by the Grantor this contract shall become void and of no effect and the Company shall be absolved from the payment of the further sum above indicated. The initial sum paid, however, is to be the property of the Grantor. In the event that the Company is able to obtain all of the right-of-way between the points herein indicated, then the further sum payable hereunder shall be paid by the Company to the Grantor on or before the date of the commencement of the construction of the Company's transmission lines, poles, wires, guys, supports and other fixtures and appliances on the premises herein described.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands and seals on the 15 day of December, 1927.

37. CONTRACT.

Nebraska Power Co.)

and)

Clarence H. Dreessen, et al.)

THIS INDENTURE, made this 21st day of December, 1927, by and
between Nebraska Power Company, a corporation hereinafter called
"The Company" and Clarence H. Dreessen, Arthur A. Dreessen,

Ernest J. Dreessen, all single and Clara H. Dreessen Holling and Henry G. Holling, wife and
husband, of the county of Douglas State of Nebraska, hereinafter called "Grantor";

WITNESSETH; That for and in consideration of \$5.00, receipt whereof is hereby
acknowledged by the Grantor and the further payment of the sum of \$25.00, as hereinafter pro-
vided, and mutual covenants and agreements herein contained the Grantor does hereby grant
and convey unto the Company, its lessees, successors and assigns, the perpetual right, privilege,
easement, authority and right of way to construct, operate and maintain its poles, electric
transmission lines, necessary wires, guys, supports, cross arms and other fixtures and appliances
over, upon, along, and above the following described property, situated in Douglas County,
State of Nebraska, to-wit:

Along the North line of the North thirty acres of the Northeast one quarter of
the Southeast one quarter (NE $\frac{1}{4}$ of SE $\frac{1}{4}$) of Section (6) T 15 N, R 12 E.

The electric transmission line shall be built of two pole structures commonly
called H-frames, these structures to be located generally approximately thirty rods (495 ft)
apart and not less than eighteen rods (297 ft) apart. The two poles of the H-frames shall be
set ten (10) ft apart, one pole of each structure being located five (5) ft North and the other
pole five (5) ft South of the East and West center line of the said Section 6.

The conductors shall be sagged so that they will clear the ground eighteen (18)
ft at 60 degrees Fahrenheit.

The Grantor does hereby further grant unto the Company, its lessees, successors
and assigns, the right, privilege and authority to enter upon and pass over, said property, and
the property of Grantor adjacent thereto, and to cut down or trim any trees along said trans-
mission line or route necessary to keep said line or lines and wires and equipment clear
and unobstructed and for said tree trimming and clearance purposes the Company is hereby given
the right, privilege and authority to cut and clear trees adjoining said electric line for a
space of fifty (50) feet on each side thereof. The Company is further authorized to enter upon
and over said premises with access thereto for the purpose of constructing, repairing, operating
and maintaining said lines and equipment upon the property above described.

The Company shall at all times exercise all due care and diligence to avoid any
