**ARTICLE III**  
**COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments or charges as hereinafter provided, as such assessments to be established and collected as hereinafter provided. The annual assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Areas.

Section 3. Uniform Rate of Assessment. Except as provided for in Article III, Section 4, annual assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or other periodic basis, as may be established by the Board.

Section 4. Abatement of Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all assessments due in respect to any Lot, and shall abate all assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

Section 5. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots at the sole discretion of the Board. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. The assessments may be collected on a monthly or other periodic basis by the Association. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

Section 6. Assessments: Apportionment. Assessments shall be paid pro-rata by the owners of all Lots based upon the total number of Lots; however, vacant lots shall not be assessed but shall be maintained by the owners. Assessments may be apportioned against Lots where inordinate wear, tear and/or damages occur to the items to be maintained by the Association due to the fault or negligence of a Lot owner.

Section 7. Certificate of Payment. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association or a designated agent of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear the maximum rate of interest allowable by law. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any court having jurisdiction of actions for the

enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment of title or transfer of such Owner's Lot.

Section 9. Subordination of Assessments. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, and the holder of any first mortgage, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have sole responsibility to collect all assessments due.

**ARTICLE IV

(ii) Declarant shall review such Plans in relation to the type and exterior of improvements and construction, or approved for construction, on neighboring Lots and in

the surrounding area and any general scheme or plans formulated by Declarant. In this regard, Declarant intends that the Lots shall form a developed residential community with homes constructed of high quality materials. Further, no retail business activities of any kind whatsoever shall be conducted on any Lot. Provided, however, the foregoing paragraph shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, by Declarant, their agents or assigns, during the construction and sale of the Lots.

No boats, boat, trailers, campers, canoes, recreational vehicles, vehicles used primarily for recreational purposes, vehicles primarily used for commercial purposes, or vehicles with commercial writings on their exterior shall be stored, allowed to remain, or parked in the subdivision, for a period not to exceed seven (7) days, except in an area, if any, designated
