RESOLUTION NO. 21-291

A RESOLUTION GRANTING FINAL PLAT APPROVAL OF A 101-LOT RESIDENTIAL SUBDIVISION TO BE KNOWN AS WHISPERING OAKS, PHASE III, LEGALLY DESCRIBED AS BEING A TRACT OF LAND THAT IS PART OF THE NE1/4 NE1/4 OF SECTION 5-74-43, AND ALSO WITH PART OF THE NW1/4 NW1/4 OF SECTION 4-74-43, AND ALSO TOGETHER WITH LOT 3, AUDITOR'S SUBDIVISION OF THE SW1/4 SW1/4 OF SECTION 33-75-43, AND ALSO TOGETHER WITH LOT 1, AUDITOR'S SUBDIVISION OF THE SE1/4 SE1/4 OF SECTION 32-75-43, ALL IN THE CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA.

WHEREAS, T S Development, LLC has submitted a request for final plat approval for 101-lot residential subdivision to be known as Whispering Oaks Phase III; and

WHEREAS, The proposed subdivision is located North of Forest Glen Drive and between Sycamore Street and Bayberry Circle and totals 63.72 acres in size; and

WHEREAS, The preliminary subdivision plan for Whispering Oaks Phase III was approved by the Council Bluffs City Council on January 27, 2020 by Resolution No. 20-24 and this proposed final plat is generally consistent with the approved preliminary plan; and

WHEREAS, The following comments were provided for the proposed subdivision request:

- A. The proposed subdivision is consistent with the purpose and intent of the Council Bluffs Municipal Subdivision and Zoning Ordinances.
- B. The subject property is zoned R-1/Single-Family Residential District. All building construction within the proposed subdivision shall comply with the site development standards stated in Chapter 15.08B *R-1/Single-Family Residential District* of the Council Bluffs Municipal Code (Zoning Ordinance).
- C. All proposed lots comply with minimum R-1/Single-Family Residential District lot dimensions and size requirements.
- D. Balsam Street, Balsam Court, and Hemlock Street are proposed to be dedicated to the City of Council Bluffs as part of the Whispering Phase III final plat. All lots in this subdivision will have frontage and direct access to one or more of these streets. Furthermore, a note has been placed on the final plat that dedicates all rights of direct vehicular access from Lots 201, 202, 252, 253, and 295 onto Forest Glen Drive to the City of Council Bluffs.
- E. The majority of all public utility infrastructure and streets are fully constructed within the subdivision. Section 14.12.070, *Performance Guarantees* of the Council Bluffs Subdivision Ordinance allows a developer to establish an escrow account with the City in lieu of actual and immediate construction of any required improvement for a subdivision. The developers engineer has submitted an opinion of probable cost and a check in the amount of \$108,679.59 to the City of Council Bluffs for all outstanding infrastructure items that are not completed (see Attachment B). This escrow account will be held in the City Clerks' office until all remaining infrastructure items outlined in the engineer's opinion of probable cost are completed, inspected,

- and approved by the Council Bluffs Public Works Department. Once all work is completed, the escrow funds will be returned back to the developer.
- F. The far westerly section of Hemlock Street is constructed half-way through Outlot A and then dead-ends. The right-of-way for completing this section of Hemlock Street will be dedicated to the City as part of the Whispering Oaks Phase III final plat; however the street will not be fully constructed until such time land to the immediate west is developed, as per the developer/owner's and the adjoining property owners, David and Anna Jones, court agreement. Temporary turnaround easements for the far westerly section of Hemlock Street must be established on the final plat and their location and size shall not impede development on any adjacent buildable lot. A letter from the developer's engineer explaining the timing for completing Hemlock Street is included with this report as Attachment 'C'.
- G. The Council Bluffs Public Works Department provided the following comments:
1. Cost estimate for work remaining in the subdivision is acceptable to Public Works. A check in the amount of \$108,679.59 has been filed with the City Clerk to cover the cost of all remaining work.
 2. A temporary turnaround easement will be required on all lots affected by the engineers plan.
 3. Execution of the final plat does not waive the need for inspection and testing of all infrastructure being dedicated to the City.
 4. All documentation of test and inspections shall be provided to the City upon completion.
 5. The developer/owner shall require individual lots to have a sediment and erosion control plan at the time of building construction.
 6. The developer/owner shall assume responsibility for any erosion issues within the platted lots and all outlots until such time they are turned over to private owners or a homeowners association.
- H. The Council Bluffs Water Works (CBWW) stated all water mains are installed in the subdivision, except for a 100' section along the far westerly portion of Hemlock Street. CBWW stated the last 100' of the water main extension should be completed in the near future. Said water main section shall be completed prior to executing the final plat.
- I. Black Hills Energy stated they have no concerns with the proposed final plat.
- J. Lumen stated they have no concerns for the proposed final plat.
- K. MidAmerican Energy stated they have no concerns regarding the proposed final plat.
- L. All electric, cable and communication facilities shall be installed underground. All costs to construct, remove and/or relocate any utilities for

the proposed subdivision shall be the responsibility of the applicant and not the City.

- M. A public sidewalk shall be installed along the frontages of each lot prior to issuance of a Certificate of Occupancy for a dwelling on each lot, at no cost to the City. Additionally, a public sidewalk shall be installed along the frontage of Outlots A and C once Hemlock Street is fully constructed.
- N. A copy of the any private easements/covenants shall be provided to the City and recorded with the final plat.
- O. The following technical corrections shall be made to the final plat prior to being executed:
 - 1. Sheet 2 of 5:
 - a. Label the lot depth and course bearing distance along the common lot line between Lots 232 and 233, and between Lots 233 and 234.
 - b. Revise the course bearing distance along the westerly property line of Lot 42, Whispering Oaks Subdivision to be consistent with the course bearing distance stated in the subdivisions legal description on sheet 5 of 5.
 - c. Notate the book/page number of the recorded utility easements lying south/southwest of Outlot A, and south of Lots 232 and 233 on the final plat.
 - d. Label the book/page number for the recorded 30 foot-wide sanitary sewer easement that extends through Outlot B.
 - 2. Sheet 3 of 5:

described above and as shown on Attachment 'A', subject to all comments stated above and following conditions:

- A. All technical corrections shall be incorporated into the final plat document prior to being executed; and

AND EASEMENTS OF WHISPERING OAKS,
A SUBDIVISION IN POTTAWATTAMIE COUNTY, IOWA**

(Lots 198 through 295, inclusive, and Outlots A through C, inclusive, Whispering Oaks)

THIS DECLARATION, made on the date hereinafter set forth, is made by TS DEVELOPMENT, LLC, an Iowa limited liability company, hereinafter referred to as the "Declarant".

Such lots are herein referred to collectively as the "Lots" and individually as each "Lot".

The Declarant desires to provide for the preservation of the values and amenities of Whispering Oaks, for the maintenance of the character and residential integrity of Whispering Oaks, and for the acquisition, construction and maintenance of Common Facilities for the use and enjoyment of the residents of Whispering Oaks.

NOW, THEREFORE, the Declarant hereby declares that each and all of the Lots shall be held, sold and conveyed subject to the following restrictions, covenants, conditions and easements, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the Lots, and the enjoyment of the residents of the Lots. The Lots, and each Lot is and shall be subject to all and each of the following conditions and other terms:

**ARTICLE I.
RESTRICTIONS AND COVENANTS**

1. Each Lot shall be used exclusively for single-family residential purposes, except for such Lots or parts thereof as may hereafter be conveyed or dedicated by Declarant, or its successors or assigns, for use in connection with a Common Facility, or as a church, school, park, outlet, or for other non-profit use.

After recording, return to:

Concurrent with submission of the plans, owner shall notify the Declarant of the owner's mailing address.

B. Declarant shall review such plans in relation to the type and exterior of improvements constructed, or approved for construction, on neighboring Lots and in the surrounding area, and any general scheme or plans formulated by Declarant. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted to Declarant in this Section, or as a result of any act or failure to act by Declarant with respect to any proposed Improvement.

3. No single-family residence shall be created, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling which does not exceed two and one-half stories in height. Unless a twenty-five (25) foot setback is approved by the Declarant, no structure, building or porch shall be constructed, erected, installed or situated within thirty (30) feet of the front yard line, and except as set forth herein, all Improvements on the Lots shall comply with all other setback requirements of the Zoning Code of the City of Council Bluffs, Iowa.

4. The exposed front foundation walls and any foundation walls facing any street of all main residential structures and at least twenty-five percent (25%) of the front elevation of the main residential structure must be constructed of or faced with clay-fired brick or stone or other material approved by Declarant. No business activities of any kind whatsoever shall be conducted on any Lot including home occupations as defined in the Zoning Code of the City of Council Bluffs, Iowa; nor shall the premises be used in any way for any purpose which may endanger the health or unreasonably disturb the owner or owners of any Lot or any resident thereof. Provided, however, the foregoing paragraph shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, by Declarant, their agents or assigns, during the construction and sale of the Lots.

6. No obnoxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, including, but not limited to, odors, dust, glare, sound, lighting, smoke, vibration and radiation. Exterior lighting installed on any Lot shall either be indirect or of such a controlled focus and intensity as not to disturb the residents of adjacent Lots. 7. Exterior television or radio antenna of any sort shall not be permitted on any Lot, except a satellite receiving dish not exceeding twenty-four (24) inches in diameter and attached directly to the residence may be permitted provided that the location and size of the proposed satellite receiving dish be first approved by the Declarant, or its assigns. No tree houses, tool sheds, windmills, or similar structures shall be permitted on any Lot.

8. No grading or excavating equipment, tractors or semitractors/trailers shall be stored, parked, kept or maintained in any yards, driveways or streets. However, this Section 9 shall not apply to trucks, tractors or commercial vehicles which are necessary for the construction of residential dwellings during the period of construction. All residential Lots shall provide at least the minimum number of off street parking areas or spaces for private passenger vehicles required by the applicable zoning ordinances of the City of Council Bluffs, Iowa.

10. No incinerator or trash burner shall be permitted on any Lot. No garbage or trash can or container or fuel tank shall be permitted unless completely screened from view, except for pickup purposes. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling or suitable storage facility, except when in actual use. No garbage, refuse, rubble or cutting shall be deposited on any street, road or Lot. No clothes line shall be permitted outside of any dwelling at any time. Produce or vegetable gardens may only be maintained in rear yards.

11. No fence shall be permitted to extend no closer than to fifty percent (50%) of the front line or halfway behind a main residential structure. No hedges or mass planted shrubs shall be permitted more than ten (10) feet in front of the front building line. Unless other materials are specifically approved in writing by Declarant, fences shall only be composed of wrought iron or vinyl. Vinyl fences must be approved by the Declarant and may be denied

in Declarant's sole discretion. Fences which are adjacent to any boulevard must be composed of wrought iron. No fence shall be of the chain link, wood or wire types. **All fences must be approved by the Declarant.** Any fence shall be constructed solely within a Lot boundary and may not encroach onto another Lot. A survey depicting the location shall be provided prior to the construction of the fence, and if not, an as-built survey of the completed fence prepared by a licensed surveyor must be provided to the Declarant showing the fence is located entirely within a Lot without any encroachments to another Lot.

12. No swimming pool may extend more than one (1) foot above ground level.

13. Construction of any Improvement shall be completed within one (1) year from the date of commencement of excavation or construction of the Improvement. No excavation dirt shall be spread across any Lot in such a fashion as to materially change the grade or contour of any Lot.

14. A public sidewalk shall be constructed of concrete five (5) feet wide by four (4) inches thick in front of each Lot and upon each street side of each corner Lot. The sidewalk shall be placed four (4) feet back of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main structure and before occupancy thereof; provided, however, this provision shall vary to comply with any requirements of the City of Council Bluffs.

15. Driveway approaches between the sidewalk and curb on each Lot shall be constructed of concrete. Maximum driveway slope at the sidewalk intersections shall be no more than two percent (2%) cross slope within public right-of-way to provide for a tabled driveway cross slope that is compliant with ADA/PROWAG guidelines, if possible, and City of Council Bluffs standards. Should repair or replacement of such approach be necessary, the repair or replacement shall also be of concrete. No asphalt overlay or driveway approaches will be permitted. The Lot owner shall be responsible to provide adequate remedial measures to prevent street creep/driveway binding on any curved streets where the street abuts the driveway approach.

16. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot, except for one dog house; provided always that the construction plans, specifications and the location of the proposed structure have been first approved by Declarant, or its assigns, if required by this Declaration. Dog houses shall only be allowed at the rear of the residence, attached to or immediately adjacent to the residence. Dog runs or kennels shall be permitted only with the approval of the Declarant, or its assigns; provided always that any permitted dog run or kennel shall be located immediately adjacent to the rear of the residence. No animals, livestock, agricultural-type animals, fowl, or poultry of any kind, including pot-bellied pigs, shall be raised, bred or kept on any Lot, except that dogs, cats, or other household pets maintained within the residential structure may be kept, provided that they are not kept, bred or maintained for any commercial purpose and, provided, that they are kept confined to the Lot of their owner and are not permitted to run loose outside the Lot of the owner.

17. Any exterior air conditioning condenser unit shall be placed in the rear yard or any side yards so as not to be visible from public view. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials, and no vegetation on vacant Lots shall be allowed to reach a height in excess of twelve (12) inches.

18. No Residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two (2) or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

19. No structure of a temporary character, carport, detached garage, trailer, basement, tent, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or permanently. No structure or dwelling shall be moved from outside Whispering Oaks to any Lot without the written approval of Declarant.

20. All utility service lines from each Lot line to a dwelling or other Improvement shall be underground.

21. Declarant does hereby reserve unto itself the right to require the installation of siltation fences or erosion control devices and measures in such location, configurations and designs as it may determine appropriate in its sole and absolute discretion on or from any Lot, including "track-out". The Lot owner shall be solely responsible for the cost of any erosion control measures. The Lot Owner shall not materially change the grade or contour of any Lot and shall control the flow of surface water from its Lot so not to interfere with the drainage of any adjoining or downstream Lot.

22. During the mass grading operations for the Lots, Declarant has retained professional engineers to periodically conduct moisture and field density testing services related to the soil conditions and to establish adequate slope across the Lots for proper surface drainage conditions. Upon completion of the mass grading operations, the future responsibility of the soil conditions, the adequate slope and proper surface drainage and final grading of the Lot is the sole responsibility of the Lot owner to ensure proper drainage.

23. All Lots are subject to an outfall sewer connection fee in the amount of \$1,275.00 payable to the City of Council Bluffs which shall be the obligation of the Lot Owner. The Lot Owner shall pay such fee to the City of Council Bluffs at the time of building permit application.

24. Land in Outlots shall remain natural areas, no cutting of trees except for safety reasons. The City of Council Bluffs and the Declarant shall have unlimited access to the Outlots to make storm water or infrastructure repairs when necessary and determine if trees need to be removed for those reasons.

ARTICLE II. HOMEOWNERS ASSOCIATION

1. The Association. Declarant has caused the incorporation of the COUNCIL BLUFFS WHISPERING OAKS HOMEOWNERS ASSOCIATION, an Iowa not for profit corporation (hereinafter referred to as the "Association"). The Association has as its purpose the promotion of the health, safety, recreation, welfare and enjoyment of the residents of the Lots, including:

A. The acquisition, construction, landscaping, improvement, equipment, maintenance, operation, repair, upkeep and replacement of Common Facilities for the general use, benefit and enjoyment of the Members. Common Facilities may include recreational facilities such as swimming pools, tennis courts, health facilities, playgrounds and parks; and dedicated and nondedicated roads, paths, ways and green areas; outlots; storm water retention areas; signs and entrances for Whispering Oaks. Common Facilities may be situated on property owned or leased by the Association, on public property, on private property subject to an easement in favor of the Association, or on property dedicated to a Sanitary Improvement District.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Whispering Oaks; and the protection and maintenance of the residential character of Whispering Oaks.

2. Membership and Voting. Whispering Oaks is now divided into two hundred forty-eight (248) separate residential lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lots merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: Class B Members shall be the Declarant or its assigns which shall be entitled to four (4) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty Deed. A Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Revised Iowa Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the officers, shall include, but shall not be limited to, the following:

A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

B. The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks or public property within or near Whispering Oaks.

C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.

G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

H. The employment of professionals and consultants to advise and assist the officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

I. General administration and management of the Association and execution of such documents and the doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair the fence, signs and landscaping which have been installed in easement areas of the Whispering Oaks subdivision and center islands dividing dedicated roads, in generally good and neat condition.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successor, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Two Hundred and no/100 Dollars (\$200.00) per Lot. Notwithstanding the foregoing, the Board of Directors or the Declarant may levy an assessment for the purpose of defraying the cost of the construction and installation of U.S. Postal Service mailboxes in type, design and location determined by the Board of Directors or Declarant, in an amount not to exceed Three Hundred Fifty and no/100 Dollars (\$350.00) per Lot. Maintenance of the mailboxes shall be the sole responsibility of the users thereof.

10. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots as provided in Section 6 above.

11. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

12. Effect of Nonpayment of Dues or Assessments; Remedies of the Association. Any installment of dues or assessments which is not paid when due shall be delinquent. Delinquent dues or assessments shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Facilities or abandonment of the Owner's Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

13. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

14. Additional Lots. Declarant reserves the right, without consent or approval of any Owner or Member, to expand the Association to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be effected from time to time by the Declarant or Declarant's assignee by recordation with the Pottawattamie County, Iowa Recorder of a Declaration of Covenants, Conditions, Restrictions and Easements, executed and acknowledged by Declarant or Declarant's assignee, setting forth the identity of the additional residential lots (hereinafter the "Subsequent Phase Declaration").

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the "Lots" for purposes of this Article II, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to CenturyLink, Cox Communications and any company which has been granted a franchise to provide a cable television system within the Lots, the City of Council Bluffs, Black Hills Energy, and Mid American Energy, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded. Provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of the date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways, but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

2. Other easements are provided for in the final plat of Whispering Oaks Phase III which is filed in the office of the Pottawattamie County, Iowa Recorder as Instrument No. _____.
