

APPEAL NO. 1417
APPEAL APPROVED

RESOLUTION 793

BE IT RESOLVED by the Board of Zoning Appeals of the City of Lincoln;

That after a public hearing on the 10th day of June, 1933, upon the application of Kent Seacrest, attorney for Devco, Inc., in Appeal No. 1417, dated May 13, 1933, to permit a variance of the strict application of the open space requirement only in the B-4 Local Business District, as applied to the following described property in Lincoln, Lancaster County, Nebraska, to wit: Lot A, Parcel 1, Block 42, Imhoff and Hyatt's Subdivision, by reducing the required open space from 1,365 square feet to 0 square feet, as outlined in the application and as shown by the testimony at above public hearing, it approves the application for the following reasons:

1. The variance requested is consistent with the spirit, intent, purpose, and general plan of the zoning ordinance.
2. The owner should be granted reasonable use of his land because there are peculiar, exceptional and unusual circumstances in connection with the land described in the application, which circumstances are not generally found within the locality or neighborhood concerned.
3. The prohibition of the requested variance by the zoning ordinance is not based upon the conditions created by the applicant.
4. Approval of the application will not have any adverse effects upon adjacent property.

A certified copy of this resolution shall be filed by the City Clerk, at the applicant's expense, with the Lancaster County Register of Deeds, within 60 days of the date herein stated or this resolution shall be null and void.
