Nevertheless in the event that after damage to or destruction of all or any part of the building, all of the owners shall determine that such damage or destruction shall not be rebuilt, repaired or restored, or in the event substantial damage to or destruction of the common elements shall not have been rebuilt, repaired or restored within a reasonable time after occurrence thereof, the premises shall be subject to an action for partition by an owner of a common interest or lienor as if owned in common in which event the premises shall be sold and the net proceeds of sale together with the net insurance proceeds, shall be considered as one fund and shall be divided among all condominium unit owners in proportion to the respective common interests provided that no payment shall be made to a condominium unit owner until there has been paid from his share of such net proceeds all liens on his unit and the premises shall be removed from the horizontal property regime.

Except in the circumstances described in subparagraph (b) of this paragraph, if the cost of the work (as estimated by the Board) shall exceed \$20,000.00 and the holder of any mortgage or mortgages on any condominium unit or units so affected (herein called "the mortgagee") shall so require all proceeds of insurance shall be paid over not to the Board but to a trust company authorized to do business in Iowa and selected by the board (herein called "the Insurance Trustee") and shall be paid out from time to time or at the direction of the board as the work progresses, but subject to the following conditions:

- a. The work shall be in the charge of an architect or engineer (who may be an employee of the Board) and before the Board commences any work other than temporary work to protect property, the mortgagee shall have approved the plans and specifications for the work to be submitted by the Board which approval shall not be unreasonably withheld or delayed.
- b. Each request for payment shall be made on seven (7) days' prior notice to the Insurance Trustee and shall be accompanied by a certificate to be made by such architect or engineer stating:

COMPANED

3. That when added to all sums previously paid out by the Insurance Trustee the sum requested does not exceed the value of the work done to the date of such certificate.

c. Each request shall be accompanied by waivers of liens satisfactory to the Insurance Trustee covering that part of the work for which payment or reimbursement is being requested and by search prepared by a title company or licensed abstractor or by other evidence satisfactory to the Insurance Trustee that there has not been filed with respect to the premises any mechanics' or other liens or instrument for the retention of title in respect of any part of the work not charged of record.

d. The request for any payment after the work has been completed shall be accompanied by a copy of any certificate or certificates required by law to render occupancy of the premises legal.

e. The fees and expenses of the Insurance trustee as determined by the Board and the Insurance Trustee shall be paid by the Council as common expenses and such fees and expenses may be deducted from any proceeds at any time in the hands of the Insurance Trustee.

f. Such other conditions not inconsistent with the foregoing as the Insurance Trustee may reasonably request.

Upon the completion of the work and payment in full therefor, any proceeds of insurance then and thereafter in the hands of the Board or the Insurance Trustee shall be paid or credited to the owners of the condominium units or to the holder of any mortgage on a unit if there be a mortgage in proportion to their respective common interests.

SECTION 1. COVENANT TO OBEY LAWS. The co-owner of each condominium unit shall be subject to the Horizontal Property Act and the Declaration filed pursuant to said Act and shall abide by the Bylaws and Rules and Regulations as the same are or may from time to time be established by the Board.
