EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT (the "Easement Agreement"), made and entered into this 20th day of April, 1999, by and between Mikes Investment Company, a Nebraska partnership ("Grantor"), and Omaha Great Empire Broadcasting, Inc., a Nebraska corporation ("Grantee").

WITNESSETH

WHEREAS, Grantor is the owner of certain real property situated in Douglas County, Nebraska, legally described on the attached Exhibit "A" ("Grantor's Property"); and

WHEREAS, Grantee is the owner of certain real property situated in Douglas County, Nebraska, legally described on the attached Exhibit "B" ("Grantee's Property"), upon which is situated a radio transmission tower (the "Tower"); and

WHEREAS, one of the guy wires supporting such Tower is located in part on and over Grantor's Property; and

WHEREAS, Grantor is willing to grant an easement to Grantee to maintain such guy wire and related facilities upon and over Grantor's Property upon the terms and conditions herein set forth.

NOW, THEREFORE, in consideration of One Dollar (\$1.00), the covenants herein contained, and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. Grantor hereby grants to Grantee, subject to the terms and conditions of this Easement Agreement, a non-exclusive easement (the "Easement") over and upon that portion of Grantor's Property designated as the "Easement Area" on the attached Exhibit "C", for the sole purpose of installing, operating, using, maintaining, inspecting, repairing, and replacing Grantee's existing guy wire, guy wire anchors, fencing and related facilities and all alterations, additions and replacements thereto (the "Improvements"), including the right of ingress and egress for such purposes as are allowed hereby and the right to trim and remove trees and other vegetation necessary or desirable for such purposes as are allowed hereby. Grantor agrees that it will not construct any structure or other improvement upon the Easement Area nor will Grantor fence the Easement Area or otherwise prohibit access thereto by

Grantee. The Easement granted herein shall continue so long as Grantee maintains the Tower or any replacement tower on Grantee's Property (including periods of removal, reconstruction, repair and replacement thereof). Upon termination of this Easement, Grantee shall forthwith remove any and all of the Improvements from the Easement Area, and to restore the Easement Area to substantially the same condition as existed prior to the construction of such Improvements:

2. Grantee agrees to indemnify Grantor, and Grantor's successors and assigns, from any and all loss, damage or liability to any person or entity whatsoever which arises out of or is in any manner connected with the use of the Easement Area by Grantee or the construction, operation, use, maintenance, inspection, repair or replacement of any or all of the said Improvements thereon by Grantee, including reasonable attorneys' fees and court costs arising therefrom. To the extent obligations arise under this indemnity during the term of the Easement Agreement, this indemnity shall survive the termination of this Easement Agreement. Upon conveyance by Grantee of Grantee's Property, or the portion of Grantee's Property that is benefitted by the Easement, Grantee shall have no further obligation to Grantor under this indemnity, which indemnity shall become the obligation of Grantee's successors.

3. Grantee agrees that it will at all times hereinafter maintain said Improvements in good order and repair and in compliance with all applicable laws, ordinances, regulations and codes at Grantee's sole cost and expense. Grantor agrees to reasonably cooperate with Grantee in Grantee's pursuit of any applicable permits, licenses and governmental approvals relating to the continued use and operation of a radio transmission tower on Grantee's Property, provided that Grantor shall not be required to incur any expense in connection with such cooperation.

4. Notwithstanding anything to the contrary contained herein, Grantee shall not, by reason of this Easement Agreement, be obligated to pay any real estate taxes or special assessments levied against the Easement Area or Grantor's Property.

5. Any mortgage or deed of trust, or lease upon Grantor's Property shall be subject and subordinate to the terms of this Easement Agreement and the Easement created hereby. Any party foreclosing any such mortgage or deed of trust shall foreclose the same subject to all of the terms of this Easement Agreement and the Easement created hereby.

6. No delay or omission on the part of any party hereto, in the exercise of any right accruing on any default of any other party shall impair any such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by any party of a breach or a default in the observance or performance of any of the terms and conditions of this Easement Agreement by either party shall not be construed to be a waiver of any subsequent breach or default of the same or any other provision of this Easement Agreement. No breach, whether or not material by Grantee, of the obligations imposed upon Grantee hereunder shall entitle Grantor to cancel, rescind or otherwise terminate this Easement Agreement.

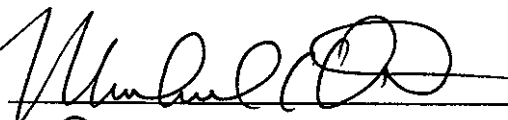

7. If any provision or portion of this Easement Agreement, or the application thereof to any persons or circumstances shall, to any extent, be held invalid, inoperative or unenforceable, the remainder of this Easement Agreement or the application of such provision, or portion thereof, to any other persons or circumstances shall not be affected thereby; the remainder of this Easement Agreement shall be given effect as if such invalid or inoperative portion had not been included; it shall not be deemed that any such invalid provision affects the consideration for this Easement Agreement; and each provision of this Easement Agreement shall be valid and enforceable to the full extent permitted by law. This Easement Agreement shall be construed and governed in accordance with the laws of the State of Nebraska.

8. The Easement granted herein shall run with the land and shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto.

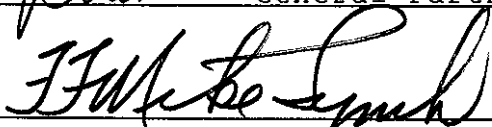

9. This Easement Agreement may not be modified or amended except by a writing executed and delivered by the parties hereto.

IN WITNESS WHEREOF, the undersigned have executed this Easement Agreement the day and date first above written.
